

CITY OF DALLAS

EXHIBIT “A”

Project: 10th Street from I-35 to Clarendon Drive - PB17V198

Scope of Work

This project will reconstruct a 2-lane to 2-lane roadway with drainage and associated pedestrian improvements on 10th Street from IH 35E to Clarendon Drive in the City of Dallas.

The scope consists of replacing the existing deteriorating roadway with new 6-inch thick, 4000 psi reinforced concrete pavement with curb and gutter, sidewalks, driveway approaches, retaining walls along the historic Oak Cliff Cemetery, storm drainage, signage and pavement markings, illumination, water, and wastewater main improvements and other miscellaneous items necessary to complete the project in accordance with the plans and specifications.

Tentative Schedule

Begin Construction: August 2025

Complete Construction: March 2027
