ADJOURNMENT

EXECUTIVE SESSION NOTICE

A closed executive session may be held if the discussion of any of the above agenda items concerns one of the following:

- 1. seeking the advice of its attorney about pending or contemplated litigation, settlement offers, or any matter in which the duty of the attorney to the City Council under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the Texas Open Meetings Act. [Tex. Govt. Code §551.071]
- 2. deliberating the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the position of the city in negotiations with a third person. [Tex. Govt. Code §551.072]
- 3. deliberating a negotiated contract for a prospective gift or donation to the city if deliberation in an open meeting would have a detrimental effect on the position of the city in negotiations with a third person. [Tex. Govt. Code §551.073]
- 4. deliberating the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or to hear a complaint or charge against an officer or employee unless the officer or employee who is the subject of the deliberation or hearing requests a public hearing. [Tex. Govt. Code §551.074]
- 5. deliberating the deployment, or specific occasions for implementation, of security personnel or devices. [Tex. Govt. Code §551.076]
- discussing or deliberating commercial or financial information that the city has received from a business prospect that the city seeks to have locate, stay or expand in or near the city and with which the city is conducting economic development negotiations; or deliberating the offer of a financial or other incentive to a business prospect. [Tex Govt. Code §551.087]
- deliberating security assessments or deployments relating to information resources technology, network security information, or the deployment or specific occasions for implementations of security personnel, critical infrastructure, or security devices. [Tex Govt. Code §551.089]

Approval of the May 10, 2021 Workforce, Education, and Equity Committee Meeting Minutes

Workforce, Education, and Equity Committee Meeting Record

The Workforce, Education, and Equity Committee meetings are recorded. Agenda materials are available online at <u>www.dallascityhall.com</u>. Recordings may be reviewed online at <u>https://dallastx.swagit.com/city-council</u> Note: This meeting was conducted via teleconference to comply with a social distancing mandate during a declared state of disaster.

Meeting Date: May 10, 2021

Convened: 9:00 a.m.

Adjourned: 11:02 a.m.

Committee Members Present:

CM Casey Thomas, II Chair CM Jaime Resendez, Vice Chair MPT Adam Medrano CM Lee Kleinman CM Paula Blackmon <u>Committee Members Absent:</u> N/A

Other Council Members Present: N/A

<u>AGENDA</u>

Call to Order (9:00 a.m.)

1. Approval of the April 12, 2021 Workforce, Education and Equity Committee Meeting Minutes Action Taken/Committee Recommendation(s): A motion was made to approve the minutes for the April 12, 2021 Workforce, Education and Equity Committee meeting minutes. The motion passed.

Motion made by: CM Paula Blackmon

Motion seconded by: Vice Chair Jaime Resendez

BRIEFING ITEMS WITHOUT ACTION

A. Workforce: South Dallas Employment Project Quarterly Update

Presenter: Dr. Froswa' Booker-Drew, Vice President of Community Affairs and Strategic Alliances, State Fair of Texas; Wes Jurey, Founder and Executive Director, Redemption Bridge

Action Taken/Committee Recommendation(s): Dr. Booker-Drew and Mr. Jurey provided updates on the South Dallas Employment Project (SDEP), which is a model to assist opportunity populations in South Dallas. The update covered plans and projects under various strategic focus areas including employment, housing, transportation, health, wellness, and recovery, community connectivity, digital access, public policy, and equity and inclusion. Chair Thomas requested a list of employer partners from Mr. Jurey and updates on the City's pre-release and reentry work from staff. The Committee members discussed and asked questions about how the SDEP is being staffed, how the seven standing committees are structured, Dallas' living wage, and dual-generational approaches to career development. Information only.

B. Equity: ADA Transition Plan Update

Presenters: LaToya Jackson, Human Rights Officer, Office of Equity and Inclusion; Gary Copeland, ADA Manager, Office of Equity and Inclusion

Action Taken/Committee Recommendation(s): Officer Jackson and Mr. Copeland provided updates on the City's Americans with Disabilities (ADA) Transition Plan, including the types of existing ADA barriers, project phases, progress of the plan for Fiscal Year 2021, and ongoing compliance efforts for Fiscal Year 2021 – 2025. There was no discussion on this item by the Committee members. Information only.

C. Equity: Status of Request for Developer Interest and Streetlight Wi-Fi Pilot Projects

Presenters: Robert Perez, Ph.D., Director, Public Works; Ali Hatefi, P.E., Assistant Director, Public Works; Jacob McCarroll, Third Tier Executive, Public Works; Don Knight, Sr. Assistant City Attorney, City Attorney's Office

Action Taken/Committee Recommendation(s): Director Dr. Perez provided an update on two projects that are a part of the City's digital equity strategy: building a citywide fiber optic/wireless broadband network and streetlight/Wi-Fi installation. Committee members discussed and asked questions about communication plans for the reopening of City facilities, usage data from the pilot projects, the plan or vision to provide connectivity in areas that are not in close proximity to City facilities, the cost breakdown for each pilot project, and how the City can speed up operations. Informational only.

BRIEFING MEMORANDUM WITH ACTION

2. Proposed Grand Prairie Boundary Adjustment - Bella Lagos

Presenters: Kris Sweckard, Director, Sustainable Development and Construction; Neva Dean, Assistant Director, Sustainable Development and Construction; Jennifer Munoz, Chief Planner, Sustainable Development and Construction

Action Taken/Committee Recommendation(s): A motion was made to postpone the item for discussion to the June 7, 2021 WEE Committee meeting. The motion passed.

Motion made by: Chair Casey Thomas

Motion seconded by: MPT Adam Medrano

Adjourn (11:02 a.m.)

* City and DISD Collaborations

Broadband & Digital Equity Strategic Plan

Prepared for the City of Dallas & Dallas Independent School District

CTC Technology & Energy

Joanne Hovis, President Andrew Afflerbach, Ph.D., P.E, Chief Executive Officer and Chief Technology Officer **Project objective:** Develop strategic approach to addressing digital equity issues in Dallas

DISD & the City have taken significant steps to address the digital divide, but barriers to equitable internet access & use remain in Dallas—just as they do across the country

This project aimed to identify digital equity issues & broadband gaps, & to develop solutions to ensure all Dallas residents & DISD students have access to high-speed home broadband service **Project approach:** Collect new data, identify & analyze immediate opportunities to develop a robust, targeted strategic plan for the medium to long term

Assessment of the broadband marketplace

Digital equity data collection & analysis

Planning & engineering for pilot broadband solutions for student connectivity

Long-term planning for an infrastructure-based approach for underserved communities in Dallas

Network investment has not occurred consistently across all neighborhoods

Charter & AT&T—supplemented by other providers in small areas serve the entire market area

Gaps in provision of true broadband speed & broadband adoption persist

Gaps include areas with only lowspeed DSL & areas with only fixed wireless

Low-investment areas correlate in part with poverty levels

Network investment (fiber deployment, upgrade of DSL networks) has been inconsistent

Areas with higher poverty often have lower network investment by internet service providers

Low-investment areas also overlap with the Dallas Equity Impact Assessment Tool COVID-19 risk scores

Risk criteria match some patterns of broadband adoption nationwide

Risk scores were used as local data proxy for social & economic challenges facing segments of the Dallas community

Several areas of the City with high Covid risk scores (3, 4, 5) overlap with areas that do not have access to fiber

Low-investment areas also overlap neighborhoods with low computer ownership

Analysis of Census Bureau's American Community Survey shows significant additional overlap

Areas throughout the City & DISD with higher-thanaverage lack of computers

Survey indicates students & residents have broadband access & device utilization gaps

Almost all respondents have internet access, but service is inadequate to meet students needs during the COVID-19 pandemic

Lower-income households lack service at a much higher rate than the overall population

Students & residents have challenges with usage of computing devices (access, affordability)

City of Dallas ^{and} Dallas Independent School District

Internet Usage Survey

December 2020

Even if you do not have home internet service, please complete this survey form and return to us. Your opinions, experiences, and information are important to us. If you need help completing this survey in your language, please email <u>officeofresilience@dallascityhall.com</u> or <u>rebsanchez@dallaisd.org</u> or call <u>972-925-5671</u>.

Extensive efforts by the City & DISD have made Dallas a national leader in advancing digital equity

Recommendations

Recommendation: Pursue federal funding opportunities

Unprecedented federal broadband funding provides opportunities for Dallas

Treasury allocated \$350M to Dallas under the Local Fiscal Recovery Funds program

Dallas' most viable source of broadband funding

City will control the funds – could devote some portion to broadband efforts

A half-dozen entities in Dallas are eligible for funding under \$285M Connecting Minority Communities Pilot program

ר ר 	Dallas Nursing Institute						
	El Centro College						
	Mountain View College						
	Paul Quinn College						
	Richland College						
	University of North Texas at Dallas						

Recommendation: Pursue federal funding opportunities (continued)

Some federal funding programs represent better opportunities for Dallas than others

Texas will receive funding from Treasury under the \$10B Coronavirus Capital Projects Fund; the State will allocate some portion of its funding to Dallas States will receive a fixed allocation from this fund – awaiting more guidance from Treasury

The City could propose to inject some or all of its funding from the Capital Projects Fund into its current broadband programs

National Telecommunications and Information Administration's (NTIA) Broadband Infrastructure Program is likely to favor rural unserved areas

Dallas has little chance of an award

Urban areas are not ruled out, but the City's application would have to score higher than applications from unserved rural communities—which is unlikely

Recommendation: Consider developing new wireless infrastructure as a partial solution to broadband gaps in Dallas—can be pursued by DISD, the City, or jointly

Fixed Wireless Model Overview			Capital Costs			Operating Costs		
Model	# of DISD Rooftops	Locations Served	Percent of Locations Served	Capital Cost	Average Distribution Network Cost Per Served	Installation and CPE Cost Per Location Served	Annual Cost	Annual Cost Per Location Served
DISD – All	210	74,500	77%	\$38.2 million - \$57.3 million	\$510 - \$775	\$350	\$4.9 million - \$7.3 million	\$65 - \$100
DISD – CRI < 40	107	44,800	46%	\$21.0 million - \$31.5 million	\$475 - \$700	\$350	\$2.8 million - \$4.2 million	\$65 - \$95
All City Residents Covid Risk 5	5	720	69%	\$900,000 - \$1.4 million	\$1,225 - \$1,875	\$350	\$280,000 - \$425,000	\$390 - \$580
All City Residents Covid Risk 5 & Risk 4	5	775	NA	\$900,000 - \$1.4 million	\$1,150 - \$1,750	\$350	\$280,000 - \$425,000	\$360 - \$540

Prioritization established by the DISD Community Resource Index (CRI), a tool created by the Child Poverty Action Lab "to inform investment decisions and resource allocations"

COVID risk areas designated by City of Dallas' Office of Equity and Inclusion

Numbers have been rounded

CBRS fixed wireless from antennas on DISD rooftops or towers could serve 80% of DISD student addresses

CTC Technology & Energy | 18

Recommendation: If the City deploys wireless service for low-income residents, do so at minimal or no fees to users

Offering free service entails less operating cost & complexity than a paid service with respect to sales, marketing, billing, collections

Given the significant cost barriers associated with low adoption of broadband, a free service has potential for far greater impact than a paid service

Capital & operational costs on Slide 16

Recommendation: Evaluate the ongoing outcomes of the City & DISD's wireless pilots

Collect data & evaluate technical performance & business processes

Evaluate user experience with service in real environment (indoor, outdoor)

Estimate actual costs for service, maintenance, help desk

Recommendation: Continue the City's wireless pilot in 10 priority zones

Wi-Fi mesh network with 5 – 10 access points in each area

Solar-powered antennas installed on Cityowned poles installed for the pilot

In proof-of-concept phase, residents connect using their own Wi-Fi-enabled devices **Recommendation:** Continue DISD's wireless pilot at Lincoln High School

Educational network to serve students near the school

Radios located on school building; users given devices for home

Backhaul through DISD fiber network

Recommendation: Collect data to evaluate the wireless pilots' business processes

Standardized procedure to install or activate a user

Customer support help desk

Maintenance processes & equipment refresh cycles

Agreements with pole or facility owners, as well as backhaul network operators

Analysis of labor & material costs

Recommendation: Collect data to identify the wireless pilots' technical strengths & weaknesses

Numerical performance parameters measured with user equipment (speeds, latency, jitter)

Range of end-user equipment & environments

Qualitative assessment using actual applications

Stress testing to determine scalability

Backhaul configurations, network management, security

Recommendation: Continue analyzing & developing a fiber optic backbone to support digital equity efforts

A City-owned fiber optic backbone that enables City operations & supports digital equity efforts can deliver considerable value to Dallas

- Potential cost savings & scalability
- Control over facilities & management
- High availability & reliability
- Independence from public network
- Control over network security

Recommendation: Continue analyzing & developing a fiber optic backbone to support digital equity efforts

Develop a "hybrid" network approach

- City-driven dark fiber as a foundation at the "core"
- Managed fiber services at the "edge"
- Other owned & leased fiber for capacity; wireless as needed

Cost estimation requires further analysis

- Using suitable assumptions, a 100-mile fiber backbone costs approximately \$22.5 million over 10 years
- That equates to the cost of about six years of leased backbone network services, assuming continued growth of video demand

Recommendation: Continue analyzing & developing a fiber optic backbone to support digital equity efforts

Recommendation: Evaluate Charter & AT&T's lowcost programs as alternative means of filling gaps

Survey found only 3% of low-income residents are enrolled in Spectrum Internet Assist program—58% have not heard of the program

Charter's Spectrum Internet Assist program & AT&T's Access program offer qualifying residents low-cost broadband services – but the programs are extremely underutilized

Recommendation: Evaluate federal subsidy programs as alternative means of filling gaps

Survey found only 1% of low-income residents are receiving the FCC Lifeline program's \$9.25 monthly subsidy

The FCC's Lifeline & **Emergency Broadband** Benefit programs offer opportunities for qualifying residents to receive broadband subsidies

Recommendation: Evaluate bulk-purchase as alternative means of filling connectivity gaps

The City or DISD could facilitate bulk purchase of AT&T or Charter broadband services for residents, potentially with financial support from the new federal Emergency Connectivity Fund

DISD has received a bulk purchase proposal from Charter to connect unserved students; such a contract could be eligible for Emergency Connectivity Fund reimbursement

Recommendation: Expand digital equity initiatives in Dallas

Expand the Digital Navigators program to maximize participation in ISPs' low-cost programs & federal subsidy programs

Fund the expansion of digital skills training offered through the Digital Navigators program

Create a device recycling & skills training program

Prepare for procurement of home-based services under the Emergency Connectivity Fund (DISD)

Next Steps

- Brief Dallas Independent School District (DISD) Board of Trustees on June 11, 2021
- Post draft Broadband and Digital Equity Strategic Plan on City of Dallas and DISD websites on June 15, 2021
- Brief City Council on August 4, 2021

Item #: B.

Proposed Grand Prairie Boundary Adjustment - Bella Lagos [Kris Sweckard, Director, Sustainable Development and Construction; Neva Dean, Assistant Director, Sustainable Development and Construction; Jennifer Munoz, Chief Planner, Sustainable Development and Construction]

Memorandum

DATE June 4, 2021

^{TO} Honorable Members of the Workforce, Education, and Equity Committee

SUBJECT Proposed Grand Prairie Boundary Adjustment - Bella Lagos

On January 27, 2021, Council passed a resolution authorizing the City Manager to begin negotiations with Grand Prairie for a possible boundary adjustment in the Bella Lagos area. This memo provides an update on discussions and presents information gathered to date. Staff requests direction from the Committee on next steps.

The Bella Lagos subdivision is a single-family development within the City of Dallas. While located in the City of Dallas, homes in this neighborhood have Grand Prairie mailing addresses. Bella Lagos is cut off from the rest of Dallas by Mountain Creek Lake, Hensley Field, and Mountain Creek Lake Park.

Bella Lagos residents expressed difficulty receiving police and fire services and there is often confusion over which city the neighborhood is located. Councilmember Casey Thomas conducted several community meetings with residents of Bella Lagos, with some homeowners requesting a boundary adjustment to move their neighborhood into the city limits of Grand Prairie.

The following statistics outline service volumes provided to Bella Lagos by the City of Dallas:

- Dallas Police Department has responded to 13 calls in 2021. Overall response times vary and tend to be above target (take longer).
- From 2016 to 2020, there were 137 Code Compliance service requests.
- From 2016 to 2020, Dallas Fire Rescue responded to 91 calls. Seventy calls were related to medical assistance. There were two structure fires. Dallas has an Auto Assist Agreement with the Grand Prairie Fire Department to help respond to calls. This agreement to provide aid to the area has no cost for the City of Dallas.
- The cost of staffing a new fire station with a fire engine company and a rescue ambulance would be approximately \$4,291,656.
- The City of Grand Prairie provides treated water service to Bella Lagos per the Wholesale Treated Water Contract dated January 6, 2012, Resolution No. 12-0476.
- The community is served by the Trinity River Authority (TRA) on behalf of the City of Dallas for wastewater services.

During initial discussions, the City of Grand Prairie indicated a willingness to work with the City of Dallas to move the Bella Lagos neighborhood into Grand Prairie. However, Grand Prairie asked Dallas to pay for all costs of transferring infrastructure to Grand Prairie.

The City of Grand Prairie provided estimates for water meter replacements and SCADA radio towers for the Bella Lagos neighborhood. Additional concerns mentioned but not quantified included: plugging meters; TRA costs; erosion issues; street, sidewalk, and sign replacements and repairs; and the conditions of fire hydrants, valves, and manholes.

Staff estimates the fire hydrants, valves, and manholes are less than 20 years old and do not anticipate costs. Grand Prairie also indicated a desire for a contingency fund to cover any future cost associated with erosion along the lake.

DATEJune 4, 2021SUBJECTProposed Grand Prairie Boundary Adjustment - Bella Lagos

The table below shows estimated costs identified to date.

	Estimate Provided by Grand Prairie	Estimate Collected by Dallas
Water meter replacements	\$91,500 ¹	\$21,500
Plugging meters	TBD	\$1,600
SCADA radio towers	\$10,000	TBD
Trinity Water Authority (annual)	TBD	\$67,800 (annual)
Erosion control	TBD	\$0 (HOA responsible)
Running Totals	\$101,500	\$90,900

1 Grand Prairie estimate based on Advanced Metering Infrastructure (AMI), which are not used by Dallas

In addition, there are property tax revenue implications to consider. The table below provides information about the Bella Lagos area under consideration and the tax revenue impact of the potential boundary adjustment.

	Data Provided by Grand Prairie	Data Collected by Dallas
Total # of homes in consideration	305	305
Capped homestead value	\$57.4 million	\$57.4 million
Average home value	\$150,000	\$160,900 ¹
Property tax value	\$45 million	\$49 million
Annual tax revenue	\$304,000	\$445,606 ²

1 The total improvement value differs from what Grand Prairie reported.

2 City of Dallas tax rate used to determine lost tax revenue.

Staff requests direction from the Committee on one of two options:

- 1. Take no further action and Bella Lagos remains in the City of Dallas, or
- 2. Request staff to place an item on an upcoming Council agenda authorizing the City Manager to negotiate a boundary adjustment agreement with the City of Grand Prairie

If Council authorizes the continuation of negotiations, future approvals would still be needed for execution of a boundary adjustment agreement and adoption of an ordinance (by both City Councils) agreeing to the boundary adjustment after successful negotiations.

Should you have any questions, please contact Kris Sweckard, Director of Sustainable Development & Construction, at (214) 671-9293.

Equity: Cities and Counties for Fine and Fee Justice [Genesis D. Gavino, Resilience Officer, Office of Equity and Inclusion]

Memorandum

DATE June 4, 2021

^{TO} Honorable Members of the Workforce, Education, and Equity Committee

SUBJECT Cities and Counties for Fine and Fee Justice Reform Update

Background

In May 2020, the City of Dallas was selected as one of ten jurisdictions across the country to participate in the inaugural Cities and Counties for Fine and Fee Justice Cohort (Cohort) facilitated by PolicyLink, the City of San Francisco's Financial Justice Project, and the Fines and Fees Justice Center, each nationally recognized for their work in advancing racial and economic equity through research and advocacy. Selection and participation in the Cohort included a \$50,000 grant and an 18-month program to receive technical expertise and guidance from jurisdictions and thought leaders with experience in fine and fee reform. Staff provided an overview of the City's participation to the Workforce, Education and Equity Committee at the October 12, 2020 meeting.

During the 18-month program, the Dallas team, consisting of various City departments and external community partner organizations, conducted the following:

- Community engagement to engage residents to understand the impact of fines and debts on people living in poverty and communities of color; and
- Government stakeholder engagement to gather basic information regarding fines, fees, and collection practices from key government stakeholders, such as Court and Detention Services.

The City's participation in the Cohort builds upon our previous participation in the What Works Cities Sprint Challenge – Driver's License Suspension and aligns with Equity Indicator 40: Fines and Fees of the 2019 Equity Indicator Report.

Community Engagement

The Dallas team conducted a community assessment through an online survey that was made publicly available between December 4 - 18, 2020. The City leveraged its various social media platforms to amplify the availability of the survey and issued a press release that garnered local media coverage through television and print. The external partners of the Dallas team engaged their memberships to participate and provide their feedback in the survey.

A total of 18 questions were included in the survey; 11 were required and 7 were optional questions that gathered demographic information.

Survey overview:

- Total number of responses: 4,422
 - English 4,271
 - Spanish 152 (translated into English and combined into master data set)

DATE June 4, 2021

SUBJECT Cities and Counties for Fine and Fee Justice Reform Update

• City of Dallas Respondents: 2,914

For the purpose of analyzing the impact of fines and fees on Dallas residents, the numbers below reflect an analysis of Dallas resident responses (2,914) versus all the responses received (4,422). Key takeaways are:

- Top Citations Received:
 - Speeding
 - Driver's License Suspension
 - o Animal/Pet Related
 - Traffic Violations
- 1,773 (60%) respondents were unaware an alternative payment option was available (community service, indigency waiver, payment plan) by municipal courts.
- 1,313 (45%) respondents were unable to pay for their fines based on financial hardship.
- Of the 461 who lost their license, 401 are African American (251) and Hispanic or Latino (150).
- Other notable debt held by respondents:
 - o Credit card
 - o Car loans
 - Student debt
 - o Mortgage
 - Past due utility bills
- 1,764 (60%) respondents reported income below \$60,000.

For the complete and detailed analysis, please see Attachment 1.

Government Stakeholder Engagement

Based on the number of survey responses that stated they received a citation related to vehicle-related and/or driver's license suspension, the Dallas team decided to focus its efforts on understanding the impact of fines and fees related to driver's license suspension and vehicle registration holds. City staff gathered information and conducted an analysis on the rate of collection on criminal citations that had an OmniBase hold and/or a vehicle registration hold (Scofflaw) on their account. Staff utilized criminal citations filed in 2018, 2019, and 2020 and analyzed race/ethnicity, share of unpaid citations, offense type, and zip codes. A summary of key takeaways from the analysis is as follows:

- Zip Code
 - o 75217 (Pleasant Grove) area has the most citations issued.
 - 75216 (Cedar Crest) has the second most citations.
 - 8 of the top 10 zip codes for citations Issued are below I-30.

DATE June 4, 2021

SUBJECT Cities and Counties for Fine and Fee Justice Reform Update

- Share of Unpaid Citations
 - African American/Black 54%
 - Hispanic/Latino 29%
 - White/Caucasian 16%
- Top Offense Types
 - Speeding
 - Animal-related
 - Driver's license
 - Traffic violations
 - Failure to maintain financial responsibility (insurance)
- Race and Gender
 - African American and Hispanic have the highest share of overall citations for all three years.
 - African Americans (male and female) have the highest share of "Unpaid Citations" compared to other races for all three years.

For detailed tables of the above summaries, see Attachment 2.

Priorities

Utilizing the key takeaways of the community engagement and government assessment, staff have identified three priorities for the City:

- 1. Improving Notifications and Communications Process
- 2. Discontinue Participation in the OmniBase Program
- 3. Discontinue Participation in the Vehicle Registration Hold Program (Scofflaw)

Advancing priorities #2 and #3 has the potential to alleviate the burden of holds on over 44,000 residents in the top 10 zip codes with the most citations and over 72,000 residents across the entire city of Dallas. The table below provides a more detailed demographics analysis of who will potentially be impacted in the Top 10 zip codes.

[TABLE PROVIDED ON THE NEXT PAGE]

DATE June 4, 2021

SUBJECT Cities and Counties for Fine and Fee Justice Reform Update

Zip Code	Population %	Household Income	I % NO Internet	Households with at Least1 vehicle	% of People who Drive to Work	# of Scoff and Omni Holds

City staff will conduct a fiscal impact analysis and evaluate effectiveness annually. Based on historical collection amount from 2018 and 2019 data, City staff have estimated a conservative annual fiscal impact of \$700K a year to the general fund resulting from the loss of revenue. Staff will conduct an annual evaluation of the effectiveness of priority #2 and #3 and report its findings to the committee.

Should you have any questions or need further information, please contact Genesis D. Gavino, Resilience Officer.

Liz Cedillo-Pereira Chief of Equity and Inclusion

Impact of Fines and Fees Community Survey Summary

DECEMBER 2020 CITY OF DALLAS

Overview

The Impact of Fine and Fee Community Survey was made available to the public between December 4 – 18, 2020 through social media platforms, local television coverage, and newspaper articles, in addition to the efforts of external partners currently participating in the Dallas CCFFJ Cohort.

The reported detailed responses below only reflect the responses where a Dallas Zip Code was entered. For each question, the first table is the overall count of recorded responses, the following table is a breakdown of each response by race and ethnicity.

Total Number of Responses: 4,422

- English 4,271
- Spanish 152

Spanish Survey responses were translated into English and combined with the master data set.
