Reglas de Cortesía

Las asambleas del Ayuntamiento Municipal reúnen a ciudadanos de diversos intereses e ideologías. Para asegurar la imparcialidad y el orden durante las asambleas, el Ayuntamiento ha adoptado ciertas reglas de cortesía que aplican a todos los miembros del Ayuntamiento, al personal administrativo, personal de los medios de comunicación, a los ciudadanos, y a visitantes. Estos reglamentos establecen lo siguiente:

- Ninguna persona retrasara o interrumpirá los procedimientos, o se negara a obedecer las órdenes del oficial que preside la asamblea.
- Todas las personas deben abstenerse de entablar conversaciones, comer, beber y fumar dentro de la cámara del Ayuntamiento.
- Anuncios y pancartas deben permanecer fuera de la cámara del Ayuntamiento.
- No se permite usar teléfonos celulares o enlaces electrónicos (pagers) audibles en la cámara del Ayuntamiento durante audiencias del Ayuntamiento Municipal

"Los ciudadanos y visitantes presentes durante las

attending the City Council meeting shall be removed from the room if the sergeant-at-arms is so directed by the presiding officer, and the person shall be barred from further audience before the City Council during that session of the City Council. If the presiding officer fails to act, any member of the City Council may move to require enforcement of the rules, and the affirmative vote of a majority of the City Council shall require the presiding officer to act." Section 3.3(c) of the City Council Rules of Procedure.

asambleas del Ayuntamiento Municipal deben obedecer las mismas reglas de comportamiento, decoro y buena conducta que se aplican a los miembros del Ayuntamiento Municipal. Cualquier persona que haga comentarios impertinentes, utilice vocabulario obsceno o difamatorio, o que al dirigirse al Ayuntamiento lo haga en forma escandalosa, o si causa disturbio durante la asamblea del Ayuntamiento Municipal, será expulsada de la cámara si el oficial que este presidiendo la asamblea así lo ordena. Además, se le prohibirá continuar participando en la audiencia ante el Ayuntamiento Municipal. Si el oficial que preside la asamblea no toma acción, cualquier otro miembro del Ayuntamiento Municipal puede tomar medidas para hacer cumplir las reglas establecidas, y el voto afirmativo de la mayoría del Ayuntamiento Municipal precisara al oficial que este presidiendo la sesión a tomar acción." Según la sección 3.3 (c) de las reglas de procedimientos del Ayuntamiento.

EXECUTIVE SESSION NOTICE

A closed executive session may be held if the discussion of any of the above agenda items concerns one of the following:

- 1. seeking the advice of its attorney about pending or contemplated litigation, settlement offers, or any matter in which the duty of the attorney to the City Council under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the Texas Open Meetings Act. [Tex. Govt. Code §551.071]
- 2. deliberating the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the position of the city in negotiations with a third person. [Tex. Govt. Code §551.072]
- 3. deliberating a negotiated contract for a prospective gift or donation to the city if deliberation in an open meeting would have a detrimental effect on the position of the city in negotiations with a third person. [Tex. Govt. Code §551.073]
- 4. deliberating the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or to hear a complaint or charge against an officer or employee unless the officer or employee who is the subject of the deliberation or hearing requests a public hearing. [Tex. Govt. Code §551.074]
- 5. deliberating the deployment, or specific occasions for implementation, of security personnel or devices. [Tex. Govt. Code §551.076]
- 6. discussing or deliberating commercial or financial information that the city has received from a business prospect that the city seeks to have locate, stay or expand in or near the city and with which the city is conducting economic development negotiations; or deliberating the offer of a financial or other incentive to a business prospect. [Tex Govt. Code §551.087]
- 7. deliberating security assessments or deployments relating to information resources technology, network security information, or the deployment or specific occasions for implementations of security personnel, critical infrastructure, or security devices. [Tex Govt. Code §551.089]

EXHIBIT C

Proposed One Dallas Options Program

Economic Development Committee April 4, 2022

David Noguera, Director Pam Thompson, Housing Strategy Manager Department of Housing & Neighborhood Revitalization City of Dallas

Presentation Overview

- Purpose
- Background
- Proposed
 - One Dallas Options
 - Amendments to Chapter 20A-4.1
- Next Steps
- Appendix
 - Q&A from March 28, 2022, Housing and Homelessness Solutions meeting

Purpose

- Proposal
 - Expand the Mixed Income Housing Development Bonus (MIHDB) to re-brand as One Dallas Options program
 - Program continues to be completely voluntary
 - Amend the Ch. 20A-4.1 voucher set aside
- Discuss amendments to City Code and Comprehensive Housing Policy (CHP)
 - Review proposed amendments to Chapter 51A-4.1100, Art. 20A-II, Ch. 20A-4.1, and the CHP
 - Discuss updates since the December 14, 2021, Housing and Homelessness Solutions Committee

Background

- On October 26, 2016, the City Council amended Ch. 20A to require developers receiving City funding set aside 10% of dwelling units and solely lease those units to voucher holders
- On March 27, 2019, the City Council approved amendments to Chapter 51A and Chapter 20A-II to create a MIHDB
- Between 2017 and now, the City Council has approved nearly 55-60 zoning cases with a multifamily component, and out of those, nearly 40 have MIHDB components
 - These 40 have a base (zoning rights without any affordability in exchange) and a bonus (additional development rights in exchange for affordability)

Background - One Dallas Options Briefings

- 14 meetings in the last two years to review and refine the proposed One Dallas Options:
 - Five HHS briefings: October 26, 2020; January 25, June 8, and December 14, 2021; and March 28, 2022
 - Two Housing Policy Task Force (HPTF) meetings: May 11, 2021, and November 15, 2021
 - Four Zoning Ordinance Advisory Committee meetings: October 21, November 4, November 18, and December 16, 2021
 - Three City Plan Commission (CPC) meetings: January 6, February 17, and March 3, 2022
- More than five meetings with staff and developer groups between April 2021 and March 2022
 - Additional meetings between TREC and Daedalus throughout process

CPC Recommendations

- CPC's approval (generally following staff recommendation) forms the basis of the Div. 51A-4.1100 (development bonus) portion of One Dallas Options:
 - Create a set menu of bonus options in addition to the current by-right and specific PD options
 - Reduce the minimum parking requirements for mixed income developments using the program
 - Make additional minor changes to various implementation elements in Ch. 51A-4.1100

Proposal – One Dallas Options Overview

Incentives	Current	Proposed
Optional zoning bonuses (by-right, MF & MU districts)	X	X
Specific optional zoning bonuses (current & new PDs)	X	X
Menu of optional zoning bonuses (new/amended PDs)		X
Additional support for permit review		X
Financial incentives for on-site provision		X
Requirements	Current	Proposed
On-site reserved units	X	X
Fee-in-lieu payment		X
Land dedication		X

Proposal – One Dallas Options Overview

- Amend Ch. 51A-4.1100 to add a menu of development bonus options and to clarify existing language
- Amend Ch. 20A-II to allow for a fee in lieu and land dedication in addition to on-site units, and to streamline requirements
- Amend Ch. 20A-4.1 to 1) remove language requiring residential projects that receive financial support to set aside 10% of units and lease solely to voucher holders, and 2) strengthen the non-discrimination language
- Amend Comprehensive Housing Policy (CHP) to set policy direction for the One Dallas Options program and the uses of the fee in lieu (One Dallas Fund)

- Separate zoning bonuses into three "types":
 - <u>Type 1</u> existing by-right bonuses in MF and MU districts
 - Minor modifications recommended
 - Additional multifamily and retirement housing parking reduction
 - Qualifies for fee in lieu/land dedication
 - Fee set by City Council in Ch. 20A

- Separate zoning bonuses into three "types":
 - Type 2 specific base and specific bonus in planned development districts (PDs)
 - Land use elements negotiated on a case-bycase basis, including parking
 - Applies to existing PDs and can be used for new PDs
 - Qualifies for fee in lieu/land dedication
 - Fee set by City Council in Ch. 20A

- Three "types" (cont'd)
 - Type 3 new specific base and menu of bonuses in PDs
 - Additional density, floor area ratio, height, and stories
 - Each calibrated to work together to allow additional, muchneeded housing
 - Additional flexibility bonuses vary by percentage of reserved units and by income band (see appendix)
 - Multifamily parking reduction
 - Commercial parking reduction (with exceptions)
 - Minimum of 80% of floor area must be residential to qualify, unless modified by the City Council
 - Qualifies for fee in lieu/land dedication
 - Fee set by City Council in Ch. 20A

Ch. 51A Amendments - Parking Reduction

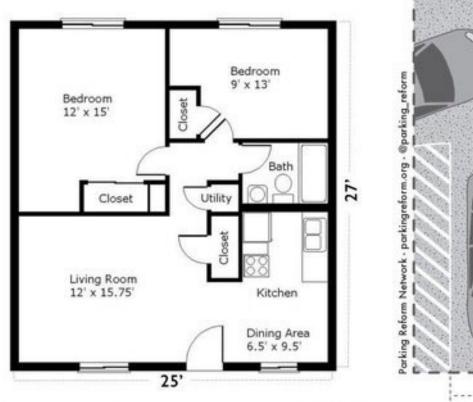

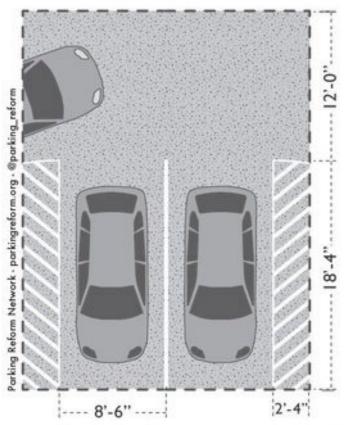

- Parking utilization statistics
 - Staff asked current mixed income developers to conduct utilization studies - to count vehicles in their parking lots at night
 - Most developments used only 0.8 1.1 spaces per unit, sometimes leaving hundreds of spaces empty
 - Older Institute of Transportation Engineers and Kimley-Horn Associates studies found similar utilization rates
- Each unused parking space occupies land that could have been used for housing
- Each dollar used to build empty parking spaces could have been used to build housing
 - Particularly true with federal- or City-supported development projects
- Current mixed-income parking requirement is 1.25 per unit.
 Staff recommends not mandating the construction of future empty parking

Ch. 51A Amendments - Parking Reduction

Living Space Vs. Parking Space

size for 2 bedroom apartment: 675 FT²

size for 2 parking spaces: 650 FT²

Graphic Adapted from Graphing Parking (https://graphingparking.com/2013/07/23/parking-across-cascadia/)

- CPC-recommended parking minimums:
 - 1.0 space per multifamily unit
 - 0.5 spaces per multifamily unit near transit
 - 0.5 spaces per unit for retirement housing
- Staff-recommended parking minimums:
 - 0.5 space per multifamily unit
 - 0.5 spaces per multifamily unit near transit
 - 0.25 spaces per unit for retirement housing
- These recommendations prioritize <u>housing</u> over empty parking spaces

Chapter 20A-II Amendments

- Additional options to fulfill this voluntary exchange of affordability for zoning bonuses:
 - Provide units on site existing exchange
 - Fee in lieu new funds the One Dallas Fund
 - Land dedication new provides for City-initiated projects
- Additional amendments recommended to streamline process

- Daedalus Advisory Services (Consultant) recommended a set of fees
- The fee amounts preference on-site provision of units and allow a fee option for some developments
- Includes annual increase for inflation
 - Per the D/FW CPI, with a cap of 3.0% per year
- One set of fees for all developments using the bonus program
- Developments using the optional fee in lieu are not eligible for financial incentives

- Fee varies by number of stories and market strength
 - Areas of the city vary by the strength of the residential market
 - Varying the fee by market strength allows the policy to act as an equity tool to guide the program to encourage market rate units in weaker markets and affordability in stronger markets
- Calculated per square foot of floor area
 - Developments less than 80% residential floor area fee assessed on the **total** floor area of the building
 - Developments greater than 80% residential fee assessed on the **total** residential floor area
- Fee is assessed **only** on developments <u>choosing</u> to use the bonus options and <u>choosing</u> to pay the tee instead of providing on-site units

- Reduced fee in weaker market areas to encourage additional market rate units in those categories
- Fee varies by stories to hold total fee under 3% of construction costs

Construction	Strong	Weaker
Type (stories)	Markets	Markets
1-5 stories	\$3.07	\$2.15
6-8 stories	\$4.91	\$3.44
9-12 stories	\$6.14	\$4.30
13+ stories	\$7.98	\$5.59

- Stakeholder concerns about fee:
 - Fee is too high no one will use the program
 - Fee is too low everyone opting into the program will use the fee and no units will be built on-site
 - Model has unrealistic assumptions
 - Model doesn't match CPC-approved bonuses
 - The resulting fund will not be used to increase the supply of housing and may go to overhead instead

- Response to stakeholder concerns
 - Cost of fee
 - Varies by number of stories
 - In line with Nexus Study recommendations, fee is estimated to be less than 3% of total cost
 - Fee vs on-site
 - Fee preferences on-site construction in low-rise buildings and offers an alternative in high-rise buildings for developments choosing to use the bonus
 - Assumptions unrealistic
 - Assumptions are input by individual developers
 - Bonuses are designed to provide a higher return to developments using the bonus, even accounting for on-site units, paying the fee, or dedicating land

- Response to stakeholder concerns
 - Model doesn't match CPC
 - Model is updated iteratively as proposal is refined.
 Consultant is currently updating to match CPC. Final model will match City Council-approved regulations
 - Resulting fund won't be used for housing
 - Fund will be distributed through existing Notice of Funding Availability to Develop Affordable Homeownership and Rental Housing (NOFA) process and will reimburse documented staff time and expenses to run the program
 - Follows TIF model of tracking staff time hourly and billing the time to TIF districts at the rate of the individual staff member

- Example #1 high rise using new One Dallas menu
 - 100% multifamily building in strong market
 - By right: 16 stories, 260 units, park at 1 per <u>bedroom</u>
 - With full bonus:
 - 20 stories, 390 units, min. parking is 0.5-1.0 space per unit
 - 400,000 sf of residential floor area
 - Proposed options in exchange for bonus:
 - Pay fee 400,000 * \$7.98 = \$3,192,000 (& build 100% market-rate) or
 - Dedicate land worth \$3,192,000 (& build 100% market-rate) or
 - Reserve units on-site
 - 3% of 390 units at <50% AMI = 12 units (for full bonus) or
 - 5% of 338 units at 51-80% AMI = 17 units (for smaller bonus) or
 - 10% of 312 units at 81-100% AMI = 31 units (for smallest bonus)

- Example #2 midrise using new One Dallas menu
 - Mixed use building in strong market
 - By right: 4 stories, 150 units, park at 1 per bedroom
 - With full bonus:
 - 5 stories over ground floor retail
 - 225 units, min. parking is 0.5-1.0 space per unit
 - 200,000 sf of residential floor area (50,000 sf of retail)
 - Proposed options in exchange for bonus :
 - Pay fee 200,000 * \$4.91 = \$982,000 & build 100% market-rate or
 - Dedicate land worth \$ 982,000 & build 100% market-rate or
 - Reserve units on site:
 - 3% of 225 units at <=50% AMI = 7 units (for full bonus) or
 - 5% of 195 units at 51-80% AMI = 10 units (for smaller bonus) or
 - 10% of 180 units at 81-100% AMI = 18 units (for smallest bonus)

- Example #3 low rise, using existing by-right MF-2(A) zoning bonus
 - 100% multifamily building in weaker market
 - By-right base: 3 stories, lot area/unit density limits apply, min. parking is 1 per bedroom
 - With full existing by-right bonus:
 - 85', or ~6 stories
 - ~300,000 sf of residential floor area
 - ~300 units, min. parking is 0.5-1.0 per unit
 - Proposed options in exchange for bonus :
 - Pay fee 300,000 * \$2.15 = \$645,000 & build 100% market-rate or
 - Dedicate land worth \$645,000 & build 100% market-rate or
 - Reserve units on site
 - 10% at 61-80% AMI and 5% at 81-100 AMI= 45 units or
 - Fewer units for smaller bonus

 Examples of under construction or finished projects, number of units, and what the fee could have been:

Stories	Estimated Square Footage	Mixed income units on site	Potential Fee Per Square Foot	Potential Total Fee
22	322,235	9	\$7.98	\$2,571,435
7	268,424	34	\$4.91	\$1,317,962
7	240,793	12	\$4.91	\$1,182,294
5	466,030	20	\$3.07	\$1,430,712
4	213,424	11	\$3.07	\$655,212

One Dallas Fund Creation/Management

- Create One Dallas Fund
 - To ensure fees collected through the fee in lieu option achieve their intended purpose of producing offsite affordable housing units
- Deposit fee in lieu funds into this fund
- Fund managed through Housing Department with City Council approval as applicable
- Provide updates on One Dallas Fund in monthly performance reports

One Dallas Fund Uses

- Development funding awarded through existing Notice of Funding Availability to Develop Affordable Homeownership and Rental Housing (NOFA)
 - Grant or loan depending on underwriting
 - Provide added flexibility on eligible uses and timelines that are not offered through federal grant funds
 - Provides gap financing for One Dallas Options developments with on-site units as needed
- Specific NOFA program language and application to be updated in the summer of 2022

One Dallas Fund Uses

- Administration
 - One Dallas Options designed to be self-sustaining
 - Staff time and expenses to implement program are tracked and billed to One Dallas Fund (ODF)
 - Budget enhancement requested:
 - One additional staff member will be dedicated to managing program (paid through ODF)
 - Additional general funds may be needed to supplement existing staff to support program through budget, compliance, and management oversight
 - Fund to pay for consultant work or data needs directly related to One Dallas Options program

Housing Policy Amendments

- Expand the mixed income housing development bonus program statement to re-brand as One Dallas Options and incorporate additional menus of options
- Create a One Dallas Fund program statement:
 - Guide use of fund
 - Fees collected through fee in lieu to be deposited into the One Dallas Fund
 - One Dallas Fund to be managed by City staff with City Council oversight
 - Spécific guidance to be developed during the implementation phase

Art. 20A-II Amendments — Land Dedication

- Alternative to paying fee in lieu or providing units on site
- Subject to City Council approval
- Criteria:
 - Equal to or greater in value than the fee in lieu amount
 - Environmentally and geographically suitable for residential development
 - Phase 1 Environmental report and engineering report are required
- Like with the fee, developments dedicating land are not eligible for financial incentives
- Specific details and requirements will be worked out in a subsequent implementation phase

Art. 20A-II Amendments – Additional

- Income/rent
 - Update income for eligibility to match the tax credit programs and use 24 CFR Section 5.609
 - Simplify affordable rent to match rent/income charts used for tax credit developments:
 - Approximately 30% of each household's income
 - Use TDHCA's rent and income limits for 4% and 9% tax credit projects as the basis
 - Publish a rent/income chart each year for this program
- Implementation:
 - Move specific implementation procedures to the program's user guide

Chapter 20A-4.1 Amendments (Vouchers)

- In 2016, Ch 20A-4.1 was amended to require that developments receiving financial incentives set aside 10% of units and lease them solely to voucher holders
- This effectively halted the use of TIF funding to build market rate multifamily development with a mixed income component

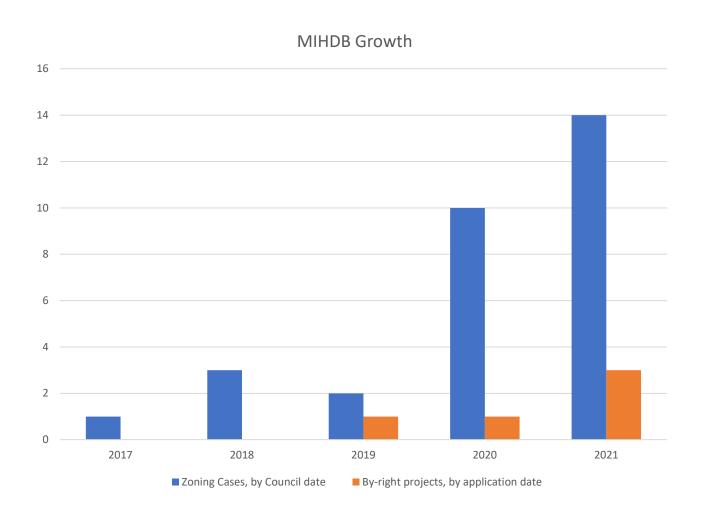

Chapter 20A-4.1 Amendments (Vouchers)

- Staff recommends removing the strict voucher set-aside requirement (which has restricted supply) and instead strengthening the non-discrimination language to improve performance. Owners shall:
 - Register as a vendor with one or more local providers of housing vouchers
 - Actively market to holders of housing vouchers through their affirmative fair housing marketing plan
 - Prioritize holders of housing vouchers on wait lists for occupancy of reserved units

Program Metrics

- 5,249 units (21 projects) currently in program, counting permit application, construction, and completion
- 9 additional developments have zoning
- Additional ~20 projects in the prezoning pipeline

- Phase 1 April and May 2022
 - City Council approval of amendments
 - Once approved, staff will develop the tools necessary for a successful program launch
- During the upcoming phases, staff will brief City Council on the program and processes for managing One Dallas Options and deploying funds

- Phase 2 Transition period fall 2022:
 - Seek guidance from the Controller's office and City auditor to draft specific guidelines and controls for fund
 - Seek enhancements to HOU, PUD, and DEV budget for staff to run program
 - Modify NOFA program as needed to use local funding
 - Create applications
 - Migrate program to Neighborly
 - Add program to NOFA process
 - Finalize developer handbook and marketing plan

- Phase 2 continued:
 - Post funded positions
 - Create training sessions for developers and staff
 - Create program evaluation criteria
 - Unit production
 - Fee amounts
 - Staff time required
 - Begin to collect fee in lieu payments

- Phase 3 Deploy One Dallas Fund January 2023:
 - Hire staff to run program and provide additional support for permit review process
 - Continue to create the land dedication process
 - Appraisal process
 - Site assessment requirements and process
 - Additional steps as needed
- Phase 4 Spring 2023:
 - Implement land dedication process
 - Offer fee reimbursement/financial incentives through One Dallas Fund

Next Steps - Tentative Schedule

 April 27, 2022 – potential City Council consideration and action on proposed code amendments and policy changes

Proposed One Dallas Options Program

Economic Development Committee April 4, 2022

David Noguera, Director Pam Thompson, Housing Strategy Manager Department of Housing & Neighborhood Revitalization City of Dallas

Appendix

• Q: In Type 2 districts, "all elements" of the PD can still be negotiated on a case-by-case basis. Is this only all *land use elements?* Or does it also include the proposed fee?

- Only land use elements
- To encourage predictability, the fee is proposed to reside in Article 20A-II, which
 - regulates the implementation of the proposed One Dallas Program and
 - cannot be modified by a PD

• Q: How much underutilized parking is due to code requirements versus finance?

- Staff does not collect specifics of developer financing, but some developers do provide more parking than required by code to ensure minimums are met or because of site specifics.
- Current versus proposed:
 - The current code requires one space per bedroom, and <u>bedroom</u> is defined broadly to include studies, sunrooms, etc.
 - The current MIHDB program requires 1¼ space per unit
 - The proposed minimums are closer to actual parking usage

• Q: Why is the fee higher in high-rise developments than in low-rise developments?

- On a per-square-foot basis, construction costs for high-rise construction tend to be higher than they are for mid-rise or low-rise developments
- The fee is calibrated to be less than two or three percent of hard construction costs

• Q: Has staff considered geographic zones to ensure that fees are used near where they are generated?

- Staff has discussed a variety of geographic distribution frameworks but currently recommends that the funding be used to support development where it is needed
- Current NÖFA application process and scoring criteria are used to ensure developments meet fair housing, business inclusion, and other equity goals
- Potential updates to scoring criteria:
 - Extra points for using funds within a certain radius of a feein-lieu project
 - Extra points for exceeding certain racial equity goals
- Staff will address these concerns during summer 2022

 Q: Could One Dallas Options be entirely selfsupporting?

- Yes, provided City Council does not place an artificial percentage cap on administration costs
- Example: If the first fee is \$1,000,000, that fee alone will support several years of one or two staff members

• Q: What limits does staff recommend on the administration expense to ensure that the fund is not used mostly for overhead?

- Staff time devoted to One Dallas Options will be tracked on an hourly basis and billed to the One Dallas Fund
 - Staff does not recommend an arbitrary percentage given the potential variability of the fund income
- Any other administrative expenditures billed to the One Dallas Fund will be reviewed to ensure they directly support the program
 - Example: additional data sources to ensure equitable outcomes and to monitor impacts

- Q: Need an active deployment of funds strategy
- A: Deployment strategy to be included in summer 2022 implementation work

- Q: Need more insight on land dedication
- A: Specific details and requirements will be worked out in a subsequent implementation phase and reported back to City Council by fall of 2023

• Q: Why are you recommending amending Ch. 20A-4.1 to remove the requirement that 10% of units in city-funded developments be set aside and leased solely to voucher holders, and how would the alternative work?

- See the table on the next page for how much this requirement constrained supply
- The current set-aside requirement means that 10% of the units must be vacant if voucher holders are not available
- Less onerous occupancy requirements combined with more robust non-discrimination requirements will improve the production of units available to voucher holders

Effects of 20A-4.1 on TIF Production

 Chart shows data for residential or mixed use (with a residential component) TIF projects approved by City Council, 2009-2022

Time Span	# Projects Approved	Total # Units Approved	Total # Affordable Units
2009-2016 (before Ch. 20A-4.1)	28	6,184	1,681
2017-2019 (after Ch. 20A-4.1)	0	0	0
2020	1 (tax credit)	130	104
2021	2 (both tax credit)	314	268
2022 (to date)	1 ¹	429	86

¹Owner of this project may not move forward if proposed amendment fails

• Q: Between 2017 and 2022, about how many total zoning cases with a multifamily component were approved by City Council

- 55-60 zoning cases between 2017 and 2022
- nearly 40 have MIHDB components, with a base (zoning rights without any affordability in exchange) and a bonus (additional development rights in exchange for affordability)

Future Expansion of One Dallas Options

- Potential items on the 2023 work plan:
 - Research and propose voluntary bonus fee for commercial properties to support affordable housing needs generated by the use
 - Propose bonuses related to single family and other for-sale residential uses
 - Discussion of additional green elements included in the development
 - Investigate faster permit review through dedicated Building Inspections staff

SUBJECT Economic Development Policy Task Force Vacancy Nominees

In 2021, the City Council approved creation of an advisory task force to guide implementation of the Economic Development Policy and creation of an economic development entity. The work of this Economic Development Policy Task Force is underway and will continue until the end of 2022.

Two of the task force members, Kourtney Garrett (Downtown Dallas, Inc.) and Oric Walker (Atmos Energy) have resigned due to recent job relocations out of state. As outlined in the June 2021 City Council resolution approving the initial 15 members, task force vacancies are to be filled by nomination of the City Manager and approval by the City Council.

At the March 2022 Economic Development Committee meeting, members were asked to submit nominations to fill these two vacancies.

One nomination was submitted for Amy Tharpe, Interim President and Chief Executive Officer at Downtown Dallas, Inc. Additionally, Rebecca Acuña, Director of Government Affairs at PepsiCo was nominated during the 2021 nomination process and is proposed to fill the second vacancy. These two nominees will be presented to the City Council for appointment on the April 27, 2022, agenda.

If you have questions or concerns, please contact Robin Bentley, Director, at 214-671-9942 or Robin.Bentley@dallascityhall.com.

SUBJECT Temporary Parklet Program and Transition to Dallas Street Seat Pilot Program

Convention and Event Services – Office of Special Events (CES-OSE) is currently actively working and coordinating with Temporary Parklet Program permit holders as they transition to the Dallas Street Seats Pilot Program. The Temporary Parklet Program was authorized on May 18, 2020, through the COVID-19 Economic Recovery and Assistance Ad Hoc Committee and underwent several amendments which ultimately allowed the temporary program to remain in effect through February 28, 2022, as permit holders transitioned to the more permit Dallas Street Seats Pilot Program. Currently, CES-OSE staff are working with six applicants who are electing to participate in the pilot.

Background

On June 24, 2020, City Council approved amendments to the Special Events Ordinance - Chapter 42A (Resolution No. 20-0970) allowing the permitting of temporary parklets through December 31, 2020. Given the ongoing occupancy restrictions related to COVID-19, on December 9, 2020, City Council approved (Resolution No. 20-1879) extending the temporary parklet program through April 30, 2021. Concurrently, City Council approved amendments to Chapter 42A to create the *Dallas Street Seats* pilot program. Chapter 42A amendments allow CES-OSE to permit a more permanent seating structure on public right-of-way through July 2022. This new program requires a higher level of financial investment and a more complex review of each unique location for which an application is submitted.

Recognizing the continued financial stresses on businesses as COVID-19 restrictions persisted, City Council approved a second extension of the temporary parklet program on April 28, 2021 (Resolution No. 21-0677) through September 30, 2021. This extension was intended to provide additional time for temporary parklet permit holders to transition to the *Dallas Street Seats* program if desired. On October 13, 2021, City Council approved Resolution No. 21-1837 which provided a third and final extension of the temporary parklet program through February 2022, allowing parklet permit holders additional time to finalize their *Dallas Street Seats* applications.

From the Temporary Parklet Program's peak of 19 temporary parklets, 6 were still receiving permits when the program ended February 28, 2022. CES-OSE has found that most temporary parklets have forgone their parklet activation as the pandemic continued in favor of a business-as-usual approach for their returning customers. To-date only 6 temporary parklets, and one business that is new to the process, have applied for a Dallas Street Seats Permit. **Attachment-A** provides an illustrative look at the progression of the parklet program.

SUBJECT **Tem**

Temporary Parklet Program and Transition to Dallas Street Seat Pilot Program

Dallas Street Seats Update

As with any pilot program, there have been opportunities to strengthen the program while working across departments to help Dallas Street Seats applicants navigate the process. This has included working with the Department of Transportation to better define the public safety review requirements and sourcing external vendors for the required engineering report.

As vehicular traffic has continued to increase in Dallas' entertainment districts to prepandemic levels, staff supports the approach of temporary parklets making the transition to the safer Dallas Street Seats program with semi-permanent structures in the right-of way versus more temporary elements. Both CES-OSE and Code Compliance are committed to exercising flexibility as applicants transition to the more permanent program but are also balancing some negative feedback from businesses that have lost available parking spaces in areas where more than one temporary parklet was originally permitted.

As the Temporary Parklet Program came to an end in February 2022, CES-OSE saw the most advancement with current Dallas Street Seats applicants since the Dallas Street Seats' inception. As of March 18, 2022, CES-OSE issued the first Phase I construction permit. To-date, four preliminary letters with pending requirements have been issued, one application is undergoing department review, and one denial has been issued due to time-restricted parking spaces.

The Dallas Street Seats Pilot Program was originally slated to sunset in July 2022. CES staff will brief Transportation & Infrastructure Committee by memo on May 16, 2022 to extend the program through July 2023. Should the Committee concur with the extension, CES staff will prepare an agenda item requesting Council approval of the extension on May 25, 2022.

Staff will continue to provide updates to the Committee as the program progresses. Should you have any questions, please contact Rosa Fleming, Director – Convention and Event Services, at 214.939.2755 or by email at rosa.fleming@dallascityhall.com.

Development Services Review Update

Economic Development Committee May 2, 2022

City of Dallas

Majed A. Al-Ghafry, P.E., Assistant City Manager Will Mundinger, Executive in Residence Development Services City of Dallas

Presentation Overview

- Background
- Current Status
- Specific Challenges, Current and Future Improvements
 - 1. Technology Issues (ProjectDox, POSSE, New Land Use Software)
 - Training
 - 2. HR Issues
 - 3. Data Metric and Webpage
 - 4. Permitting and Third-Party Reviewers
 - 5. Call Center and Customer Service
 - Communication Effort
 - Training
- Draft Efficiency Study by Matrix Consulting Group, April 2022
- Other Considerations
- Next Steps

Background

- Development Services presented permitting updates to the Economic Development Committee (EDC) on February 1, 2021
- The Chief Economic Development Officer then presented a department update to EDC on October 4, 2021
- The 10/4/2021 identified several upcoming enhancements. No timeline was presented.

Background (Continued)

The upcoming enhancements included:

- Proposed Chapter 52 Amendments (Completed)
- Permitting Software upgrade (In Progress)
- Metrics (Under Development)
- Building Inspection Call Center Improvements (Under Development)
- Leadership Recruitment (In Progress)
- Training and Talent Support Program (Under Development)
- Self Certification (Not Started)

Current Status

- Development Services continues to be inundated with Residential and Commercial permits that have been taking significant time to process
- This is due to several factors including:
 - 1. The pandemic of COVID-19 causing loss of staff and teams working remotely
 - 2. Complicated permitting process with many loopholes
 - 3. Integration of new permitting software without much support for troubleshooting and training
 - 4. Permit counts fluctuate from month to month
 - 5. Submittals have been sub-par in some instances making cycle reviews longer

Current Status (Cont.)

- Several operations are impacted including:
 - 1. Technology
 - 2. Human Resources
 - 3. Data integration and performance metrics
 - 4. Call center and customer service
 - 5. Communication
 - 6. Workflow and plan submittal/intake
 - 7. Follow through on permitting status
- All are operational issues that need to be addressed by the administrative management team

Specific Challenges: Technology

Four issues staff is dealing with:

- 1. The existing ProjectDox 9.1 software issues relating to intake, notification, and accessibility
- 2. Updating to the new ProjectDox 9.2 software and user testing
- 3. Replacing the outdated POSSE land use software with a new platform
- 4. Training for ProjectDox for internal and external users

Specific Challenges: Technology (Cont.)

Staff's Actions To Date:

- 1. Created a working group with Development Services and IT to address issues
- 2. Met with ProjectDox developer, Avolve, to fix bugs and explore integrating vendor staff into the department's technical support
- 3. Staff also evaluated the preferred vendor to replace the current POSSE land use system

Specific Challenges: Technology (Cont.)

Future Actions, Timelines, and Responsible Lead:

- 1. User testing activity of updated version of ProjectDox 9.2 (May 2022)
- 2. Hire Gartner to evaluate proposal by preferred vendor to replace the POSSE system (May 2022)
- 3. Recommend to City Council a preferred vendor to replace the POSSE system (June 2022)
- 4. Create in-house technology support system that is dedicated to resolve technology issues moving forward (June 2022)
- 5. Create a timeline for system integration for the POSSE replacement system
- Lead Staff: Irma Hayes and Javier Ramon

Specific Challenges: HR

Six issues staff is dealing with:

- 1. Vacant top Executive positions
- 2. Time it takes to hire and onboard new staff
- 3. Lack of qualified applicant pool
- 4. Lower than market compensation for skilled positions
- 5. Competitive market for skilled services
- 6. Workload and expectations

Specific Challenges: HR (Cont.)

Staff's Actions to Date:

- Streamlined the process among Civil Service, HR, and the hiring department to select and onboard candidates in a timely fashion
- 2. Currently a 2-month process, ideally it will operate in six to eight weeks from NeoGov-Open Hire to NeoGov-Hiring Request
- Of the 41 vacant positions in February 2022, 23 have been filled

	PRIORITY 1	PRIORITY 2	PRIORITY 3	PRIORITY 4	TOTAL OPEN POSITIONS
Open positions as of February 17, 2022	5	5	17	14	41
Open positions as of April 27, 2022	1	4	5	5	15
Positions Filled	4	1	12	9	26 total filled

Specific Challenges: HR (Cont.)

Future Actions, Timelines, and Responsible Lead:

- 1. Fill top Executive positions (May 2022)
- 2. Continue with the effort of filling the remaining vacant positions (Ongoing)
- 3. Add a third third-party reviewer to continue assisting staff with the workload (May 2022)
- 4. Work with HR and Matrix Consulting Group to conduct compensation study indicative of market compensation for skilled staff (July 2022)
- Lead Staff: Will Mundinger and Natasha Wade

Specific Challenges: Data Metrics and Webpage

Four issues staff is dealing with:

- Inconsistent reporting or lack of reporting of key measures
- 2. Certain operations are not tracked and/or utilized
- 3. Navigating the department webpage is cumbersome and permit requirement flowchart is complex with little clarification to navigate
- 4. Metrics are not transparent (not reported on the department webpage)

Specific Challenges: Data Metrics and Webpage (Cont.)

Staff's Actions To Date:

- 1. Provided reporting for the number of residential permits and the time it takes to process
- 2. Tracked and compared permitting activities from year to year

	1ST QUARTER 2022				
	Jan	Feb	Mar	Total	
SFR	181	357	217	755	
		4TH QUARTER 2021			
超过多并超过	OCT	NOV	DEC	Total	
SFR	196	101	168	465	
	DIFFERENCE OF 290				

Specific Challenges: Data Metrics and Webpage (Cont.)

Future Actions, Timelines, and Responsible Lead:

- Initiate an overhaul of the departments website to include performance metrics, easy-to-navigate process flowcharts, and transparent reporting (Ongoing)
- 2. Provide monthly updates on all permits to the City Manager and elected officials (June 2022)
- Lead Staff: Kevin Delgado and Victor Cadungog

Specific Challenges: Reviewers Permitting & Third-Party

Five issues staff is dealing with:

- Electronic submittals outpace staff resources and capabilities
- 2. Inconsistent intake and exchange activity between staff and third-party reviewers
- 3. Finding a replacement for an underperforming thirdparty reviewer
- 4. Vendors are suited best to review plans and code, as zoning reviews are more difficult to complete
- 5. Evaluating vendors' capacity to expand services into commercial and special projects

Specific Challenges: Reviewers (Cont.)

Staff's Actions To Date:

- Conducted weekly meeting with third-party reviewers to understand scope capacity and to establish enhanced communication and monitoring of the workflow
- 2. Intake and hand-off process with the third-party reviewers has improved
- 3. Staff has done a more comprehensive job of monitoring production

Specific Challenges: Reviewers (Cont.)

Future Actions, Timelines, and Responsible Lead:

- 1. Acquire the services of a third vendor to review permits (May 2022)
- 2. Dedicate additional staff to work on zoning review (May 2022)
- 3. Continue to evaluate vendors ability to provide additional specialty services such as large commercial projects, DISD projects, affordable housing projects among others (Ongoing)
- 4. Explore the creation of a Self-Certification program for minor permits (September 2022)
- Lead Staff: Will Mundinger and Willie Franklin

Specific Challenges: Call Center and Customer Service

Five issues staff is dealing with:

- 1. Customers complain that staff is not available inperson to answer questions or follow up on permits
- 2. To add, pre-permit submittal consulting and guidance is no longer available
- 3. Calls or requests are not returned or responded to by staff in a timely manner
- 4. Assisting in digital onboarding is missing in most cases
- 5. Frustration from customers and staff

Specific Challenges: Call Center and Customer Service (Cont.)

Staff's Actions to Date:

- 1. Change are made in OCMC leadership with a focus on customer service
- 2. Improved the intake process by shifting staff to handle and better communicate with third-party reviewers
- 3. Delegated authority to senior department staff to evaluate and adjust process to improve service

Specific Challenges: Call Center and Customer Service (Cont.)

Future Actions, Timelines, and Responsible Lead:

- 1. Customer service training (May 2022)
- 2. ProjectDox training for internal and external stakeholders(June/July 2022)
- 3. Increase and train staff in the call center to effectively handle the volume of calls (June/July 2022)
- 4. Improve the comprehensive project requirements checklist (July 2022)
- 5. Enhance the quality of submittals through pre-submittal staff and through clear website instructions (September 2022)
- Lead Staff: Vernon Young, Harim Perez, Carolina Yumet, and Irma Hayes

Specific Challenges: Communication

Four issues staff is dealing with:

- Lack of communication among the divisions and with the outside world
- 2. No live updates when new processes or procedures are implemented or enacted
- 3. Lack of communication on issues encountered with customers
- 4. ProjectDox, among other technology issues are not communicated to internal and external stakeholders

Specific Challenges: Communication (Cont.)

Staff's Actions to Date:

- Provided bi-weekly update memos to the City Council
- Presented to Government Performance and Financial Management (GPFM)Committee on a monthly basis

Specific Challenges: Communication (Cont.)

Future Actions, Timelines, and Responsible Lead:

- 1. Hire a communications manager to provide for daily communications on department activities (May 2022)
- 2. Provide updates on technology improvements instantaneously (May 2022)
- 3. Provide a forum for internal and external stakeholders to communicate and share issues with the department for further action (June 2022)
- Lead Staff: Candidate has been identified

Draft Efficiency Study Findings

- Matrix Consulting Group was awarded a Sustainable Development and Construction Department (SDC) Workflow Evaluation and Staffing Study in early 2021.
- The Consultant has completed a draft study and staff is currently reviewing.
- Highlighted findings include:
 - Create position of Land Management Software System Administrator
 - 2. Redesign department webpages to create a onestop development portal

Draft Efficiency Study Findings (Continued)

- 4. Create dashboard to present performance data for department
- 5. Establish performance timelines for processing development review applications
- 6. Re-organize structure to create dedicated residential and commercial teams, move subdivision team to engineering, and move pre-application team to Strategic Business Unit

Draft Efficiency Study Findings (Continued)

- 7. Fill recommended positions as outlined in report
- 8. Create pre-application team
- 9. Develop training protocol / materials for staff with a focus on both technical training required and implementation of overall customer service training for all staff
- 10. Conduct market compensation study for key positions in department

Other Considerations

Self Certification:

- The Self-Certification Program allows a registered professional to take responsibility for and certify a project's compliance with building code, standards and ordinances.
- Examples of eligible permits can include multi-story buildings, landscape and parking lot plans by landscape architects, and grading and drainage and parking lot plans by civil engineers.
- Staff will explore this program further as other cities are utilizing this model with success.
- Timeline: Late Fall 2022.

Other Considerations (Continued)

Planning and Urban Design Unified Development Code:

- The Dallas Development Codes and processes haven't been meaningfully updated since the late 1980s
- Re-zonings are triggered on nearly every property that is developed
- As developments progress through to the building permit stage, the
 excessive customization of the parcel-by-parcel zoning, leads to
 significant delays and errors in permitting
- Need to re-write the Dallas Development Codes (Chapter 51 and 51A): A full rewrite of the development codes (including the sections that regulate the subdivision process among others). This is also an outcome of the ForwardDallas land use plan.
- Staff is preparing to present to the City Manager and City Council to begin this effort. Timeline: 12-18 months

Next Steps

- Provide update to the City Council on May 18, 2022
- Review, finalize, and implement suggested changes by the Matrix Consulting Group

- Passed in 1977, the Community Reinvestment Act (CRA) is a federal law designed to encourage commercial banks and savings associations to help meet the needs of borrowers in all segments of their communities, including low- and moderate-income neighborhoods
- The goal of the CRA is to reduce discriminatory credit practices against low-income neighborhoods, also known as redlining

Responsible Banking Ordinance

- Local responsible banking ordinances:
 - Seek to leverage socially responsible loans, investments, and services from financial institutions receiving municipal deposits
 - Require these institutions to demonstrate a commitment to serving low- and moderate-income and minority neighborhoods
 - Establish oversight bodies, data reporting requirements, evaluation methods, and public input mechanisms
 - Hold financing institutions publicly accountable and increase their responsible lending and investing in neighborhoods

Cities with Responsible Banking Ordinance/

City of Dallas's Ordinance

- Requires prospective bidders submit data on their socially responsible banking practices
- Uses socially responsible banking performance as a factor in determining the winning bid
- Requires City depositories submit an annual study of lending disparities

Requirements

 Banks and financial institutions bidding to become or serving as the City's depository must submit a statement of work and a supplemental report with required information as well as a long-term community reinvestment strategic plan, and a statement certifying policies against predatory lending to demonstrate its commitment to being a socially responsible bank

Requirements

Community involvement and reinvestment

- Report its effort to invest in low- and moderateincome areas and minority census tracts
- Report its effort in collaborating and supporting organizations that target low-income people in the City and its community development activities
- Community banking needs
 - Continue to support and participate in programs that strive to reach underserved populations as described in the Community Reinvestment Act

Requirements

- Home ownership and consumer credit
 - Participate in outreach and educational opportunities aimed at preventing foreclosures for borrowers experiencing financial hardship
- ESG Practices
 - Participate in community-based causes and activities established to create responsible lending and reinvestment in moderate- to low-income neighborhoods and communities of color

Bidding and Annual Reporting

- Residential lending information
- Small business lending information
- Community development loan and investments
- Checking, savings, and loan products

Annual Review

- There will be an annual briefing to the appropriate City Council committee
- Committee will review:
 - Implementation
 - Effectiveness
 - Enforcement

Next Steps

- Receive feedback from Committee
- Schedule for City Council approval on May 25

Responsible Banking Ordinance

ORDINANCE NO.	
---------------	--

An ordinance amending Chapter 2, "Administration," of the Dallas City Code by amending Article VIII; providing a socially responsible banking program; providing a saving clause; providing a severability clause; and providing an effective date.

WHEREAS, the practices and products, such as loan and investment products, of financial institutions have a measurable impact on the city's tax base, quality of life, and overall economic viability and competitiveness;

WHEREAS, economic viability and competitiveness come from strengthening, and providing opportunities within all areas of the city; and

WHEREAS, financial institutions receive deposits and other forms of investments and accounts from city residents; Now, Therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Article VIII, "Reserved," of Chapter 2, "Administration," of the Dallas City Code is amended to read as follows:

"ARTICLE VIII.

SOCIALLY RESPONSIBLE BANKING [RESERVED].

SEC[S]. 2-76. PURPOSE.

In return for the privilege of safeguarding and investing the community's wealth and doing business with the city, financial institutions have a continuing and affirmative obligation to serve the credit and other financial needs of all communities, including and especially minority and lowand moderate-income communities and older adults, consistent with applicable laws and safety and soundness. The city shall assess financial institutions' performance in meeting community needs and use this assessment as a factor in its decision to place municipal deposits in and conduct other business with financial institutions.

SEC. 2-77. CITY BANKING CONTRACTS.

- (a) Powers and duties of the city treasurer.
- (1) <u>In selecting and monitoring qualified depositories for city moneys in accordance with Dallas City Charter, Chapter III, Section 20, the city treasurer shall have the power and duty to:</u>
- (A) require that prospective bidders provide the city with data on their socially responsible banking practices;
- (B) use socially responsible banking performance as a factor in determining the winning bid;
- (C) accept bids for depository services only from financial institutions that have received a rating of "satisfactory" or "outstanding" in their most recent Community Reinvestment Act review by the Office of the Comptroller of the Currency, Federal Deposit Insurance Corporation, or the Federal Reserve Board;
- (D) include in contracts for depository services a statement of work in accordance with Section 2-78(a) that provides a framework for socially responsible banking; and
- by April 15 or the first business day following April 15 if April 15 falls on a non-business day. The city treasurer may accept an annual Environmental, Social, and Governance (ESG) report (or other similar document) produced in the ordinary course by the financial institution, provided it substantially addresses the requirements set forth in this subparagraph. If the financial institution does not produce an annual report or the annual report does not substantially address the requirements in this subparagraph, the city treasurer shall require delivery of an annual report that:
- (i) includes a comprehensive analysis of community banking needs and the depository's community involvement and reinvestment, small business lending and community development, home ownership and consumer credit programs, distressed homeowners programs; products and services that are advantageous for the city and its residents, and other ESG practices in accordance with Section 2-78(a);
- (ii) includes a long-term community reinvestment strategic plan to address disparities in its lending and investment activities, including how the depository will match or exceed peer lending performance in targeting capital access and credit needs; and
- (iii) includes the information required in accordance with Section 2-78(b); and
- (iv) includes a statement certifying that the depository institution has policies and procedures in place to prevent it and its affiliates from becoming a high-cost lender or a predatory lender consistent with Office of the Comptroller of the Currency regulations or, for

state-chartered institutions, practices defined by the FDIC's Supervisory Policy on Predatory Lending.

- (2) With written notice to the city council, the city treasurer may waive the requirement in Section 2-77(a)(1)(C):
 - (A) if no qualified bidders apply;
 - (B) if the federal program is no longer applicable; or
 - (C) to satisfy a compelling city need.
- (3) The city treasurer shall provide an annual briefing to the appropriate city council committee. The committee shall review the implementation, effectiveness, and enforcement of Section 2-77(a)(1)(E)(ii), (iii), and (iv) and make recommendations to city council regarding the authorization of city depositories.
- (4) The city treasurer may request a voluntary report, consistent with that required by Section 2-77(a)(1)(E), from other financial institutions with which the city does business.
- (b) <u>Disqualification from contracting</u>. Any depository that fails to submit to the city the required reporting information in accordance with Section 2-77(a)(1)(E) may be prohibited from entering into any contract with the city as a qualified depository for city moneys for a period of five years.

SEC. 2-78. STATEMENT OF WORK AND REPORTING.

- (a) <u>Statement of work.</u> The statement of work for financial institutions in which the city places municipal deposits shall include factors related to socially responsible banking that comply with this subsection. With written notice to the city council, the city treasurer may deviate from this subsection to make necessary updates to reflect new devices, products, or technology to this scope of work.
 - (1) Community involvement and reinvestment.
- (A) The bank shall report to the city on its efforts to invest in low and moderate income areas and minority census tracts.
- (B) The bank shall report if it is collaborating and supporting any non-profit organizations focused on providing financial services, education, and asset building for low-income people in the city.
- (C) The bank shall report if it is collaborating and supporting any organization that provides free tax preparation services in the city that target lower-income workers to help them take advantage of the Earned Income Tax Credit and other tax credits.

- (D) The bank shall report on its community development activities (such as investments, lending, and services) to demonstrate the bank's response to the credit, financial and banking needs of low to moderate income individuals in the city, based on census tracts and/or zip codes provided by the city.
- (E) The bank shall provide the city with at least 7-days advance written notice of branch closures within the city, including the reasons for any closures.

(2) Community banking needs.

- (A) The bank shall support and participate in programs that strive to reach traditionally underserved populations as described in the Community Reinvestment Act. These may include unbanked, under banked, and low-income populations.
- (B) The bank shall provide easy-to-understand fee schedules and make a reasonable effort to offer fair, responsible, and affordable small-dollar loans.
 - (3) Home ownership and consumer credit.

(A) The bank shall:

- (i) participate in outreach and educational opportunities aimed at preventing foreclosures for borrowers experiencing financial hardship; and
 - (ii) collaborate with HUD-certified housing counseling services.
- (4) <u>ESG practices</u>. The bank shall participate in community-based causes and activities established to create responsible lending and reinvestment in moderate- to low-income neighborhoods and communities of color.
- (b) Reporting. Any banking contract must include a requirement that the bank provide information to the city in accordance with this subsection.

(1) Residential lending information.

- (A) The bank shall provide the total number and the total dollar amount of residential loans for one- to four-family dwellings applied for and originated during the previous calendar year in each of the following categories:
- (i) <u>Home purchase loans, both federally insured and</u> conventional loans.
 - (ii) Refinancings of home loans.

- (iii) Home improvement loans.
- (iv) Home equity loans.
- (v) Loans for second residences and investment properties.
- (B) The data gathered in accordance with this paragraph must be for the entire city by census tract and/or zip code. The city shall provide the census tract and zip code data. For home loans, fixed-rate loans must be reported separately from adjustable-rate loans.
 - (2) Small business lending information.
- (A) The city shall assess a bank's small business lending practices based upon data published by the Consumer Financial Protection Bureau (CFPB). The bank shall provide the city a copy of the most recent available Dallas Data published by the CFPB.
- (B) The bank shall provide the number and dollar amount of small business loans originated during the previous calendar year for the entire city by zip code and/or census tract and for minority- and women-owned business enterprises in the entire city, Loans to small businesses with annual revenues above \$1 million must be reported separately from loans to small businesses with annual revenues under \$1 million consistent with CFPB reporting requirements. The bank may use data reporting procedures mandated by the federal Community Reinvestment Act for reporting small business loans.
- (3) Community development loans and investments. The bank shall provide the number and dollar amount of community development loans and investments including loans and investments for affordable housing, small business development, economic development, and community facilities for the entire city by census tract and/or zip code. The bank may use definitions of community development found in federal Community Reinvestment Act regulations. For each loan and investment, the bank shall indicate if the loan or investment was for affordable housing, small business development, economic development, community facilities, and other such categories requested by the city treasurer.
- (4) <u>Checking, savings, and loan products. Information on selected checking, savings, prepaid card, small dollar loan, and other products marketed to Dallas residents, including information on fees, interest, and features.</u>

[thru 2-80. Reserved.]"

- SECTION 2. That Chapter 2 of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.
- SECTION 3. That any act done or right vested or accrued, or any proceeding, suit, or prosecution had or commenced in any action before the amendment or repeal of any ordinance, or

part thereof, shall not be affected or impaired by amendment or repeal of any ordinance, or part thereof, and shall be treated as still remaining in full force and effect for all intents and purposes as if the amended or repealed ordinance, or part thereof, had remained in force.

SECTION 4. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 5. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

Downtown Connection TIF District Plan Amendment

One Newpark Project

a catalyst mixed-use and mixed-income development

Economic Development Committee May 2, 2022

> Kevin Spath, AICP, EDFP, HDFP Assistant Director Office of Economic Development

Presentation Overview

- Background
- Staff Recommendation for Downtown Connection TIF District Plan Amendments
- Proposed One Newpark Project
- Staff Recommendation for One Newpark Project
- TIF Board and Downtown Dallas Development Authority Recommendation
- Next Steps
- Appendices

Initiated in 2005 by property owner petition to:

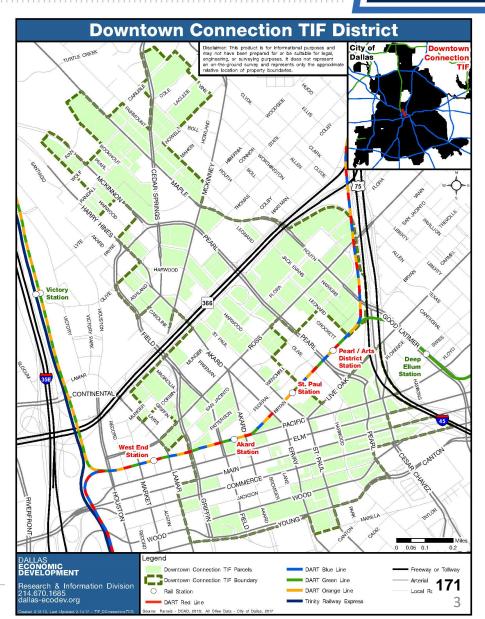

- Create a fund for public capital improvements in the core of downtown essential for redevelopment of vacant/historic buildings, underutilized vacant and surface parking lots
- Create a downtown neighborhood with more residents, greater density and critical mass of development

Downtown Dallas Development Authority (DDDA), a Local Government Corporation, was also created in 2005 to:

- Support implementation of the Downtown Connection TIF District's Project Plan and Reinvestment Zone Financing Plan
- Issue two series of tax increment contract revenue bonds to support the District's catalyst project – the Mercantile Block, Lone Star Gas Lofts Complex, and Continental building
- See Appendix A for more information on DDDA bond sales and repayment

District expires on December 31, 2035 or when \$231.6 million Net Present Value (approximately \$454.7 million total dollars) is collected

- District's 2021 certified DCAD value is approx. \$5.9 billion, an increase of \$5.3 billion (941.4%) from the District's adjusted base year value of \$564.9 million
- District has directly supported the conversion and adaptive reuse of over 6.5 million square feet of vacant, obsolete, and/or historic office buildings in the downtown core into:
 - 1,893 residential units, inclusive of 342 affordable units (18%)
 - 1,186 hotel rooms
 - 223,631 square feet of retail space
 - 562,969 square feet of office

Current Budget Capacity of TIF District

- Currently, District's budget does not have the capacity to support new projects
- Explosive growth in the Uptown portion of the District, coupled with quicker-than-projected repurposing of vacant buildings downtown have caused the District to collect more increment sooner than originally projected
- District is anticipated to meet its current budget cap in 2026, 9 years earlier than the 2035 termination date and maturity date of the TIF revenue bonds supported by the District
- Early termination of the District would result in the following:
 - Not collecting enough increment to pay current developer obligations or fund retirement of outstanding bond debt
 - No source of funds to support the full implementation of the District's goals and objectives which included redevelopment of surface parking and vacant lots in the District (See next slide)

New Development in the District

- The next phase of development in downtown Dallas will be redevelopment of existing surface parking and vacant lots with new ground-up construction
- Currently there are approx. 77 acres of surface parking lots and vacant lots in the Downtown Connection TIF District, resulting in gaps in the fabric of downtown
- Of the 77 acres, over 30 acres of surface parking and vacant lots have been announced for potential redevelopment
- Increasing density on these underutilized parcels will require significant public investment (e.g. roadway, water, sewer, storm drainage, sidewalks, lighting, mixed-income housing, etc.)

Staff Recommendation for Plan Amendments

To address the District's current lack of budget capacity and provide a mechanism to support future downtown development, Staff recommends the following amendments to the Downtown Connection TIF District Project Plan and Reinvestment Zone Financing Plan ("Plan"):

- Increase geographic area of the District (i.e. expand boundary)
- Create two sub-districts within the District
- Increase and restructure the District's current budget
- Establish a termination date for the new sub-district
- Establish a separate budget for the new sub-district
- Establish City participation rate for the new sub-district
- Request Dallas County participation in new sub-district
- Make corresponding modifications to the District's Plan

Staff Recommendation: Plan Amendments

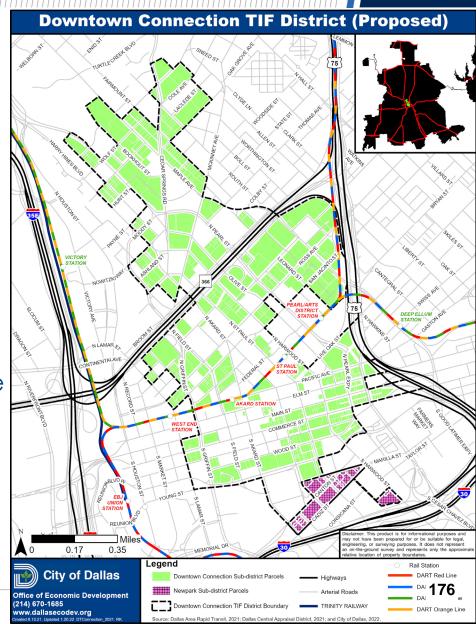

Boundary Expansion

- existing District is 266.5 acres
- proposing to expand the boundary to include an additional
 14.2 acres (parcels shown in purple on map)
- 2021 certified DCAD taxable value of the added area is \$21,609,710

Create Two Sub-districts

- Downtown Connection Sub-district (existing Downtown Connection TIF District boundary: shown in green on map)
- Newpark Sub-district (14.2 acres to be added: shown in purple on map)
 - The Newpark Sub-district will support the proposed Newpark Dallas, a multi-phased, mixed-use development (See **Appendix** B)
- Separate TIF budgets for each Sub-district

Downtown Connection Sub-district Budget

 Sub-district's total budget will increase from \$231.6 million Net Present Value (NPV) to \$402.9 million NPV

The \$171.3 million NPV increase in the Downtown Connection Sub-district's budget will provide a

source of funding to support:

 Significant expenditures for environmental remediation, demolition, utility and roadway infrastructure improvements required to redevelop surface parking lots and vacant lots throughout the sub-district

- Mixed-income housing in High Opportunity Area
- Redevelopment of Fire Station #18 (660 N. Griffin St.)
 a line item supporting relocation and/or reconstruction of this fire station has been added to the budget
- Continued debt service payments on the District's bonds in later years of the District without diverting increment needed to pay outstanding project obligations or assist new redevelopment projects in the sub-district

Newpark Sub-district Budget

- Sub-district's total budget of \$90.3 million NPV will provide a source of funding to support:
 - Significant expenditures for environmental remediation, demolition, utility and roadway infrastructure improvements required to redevelop surface parking lots, vacant and underutilized lots throughout the sub-district
 - High density, mixed-use development projects
 - Mixed-income housing
 - Redevelopment of Fire Station #4 (816 S. Akard St.) a line item supporting relocation/construction of this fire station is included in the budget

Terms

Downtown Connection Sub-district

No change (30-year term, ending December 31, 2035)

Newpark Sub-district

30-year term (beginning January 1, 2022 and ending December 31, 2052)

Participation of Taxing Entities

Downtown Connection Sub-district

- City's participation: No change (90%)
- Dallas County's participation: Ended in 2020 (55%)

Newpark Sub-district

- City's participation: 90% for 30 years
- Dallas County will be requested to participate: 55% for 20 years beginning in Year 5 (2027)

Mixed-Income Housing

- Critically important that mixed-income housing is provided as part of the proposed District expansion and development
- As part of the Plan Amendments, new ground-up construction projects with a residential component will be required to provide 20% of units to renters earning at/below 80% AMFI
- Redevelopment of existing buildings to include a residential component will continue to be required to provide 10% of units to renters earning at/below 80% AMFI
- Each sub-districts' budget has significant capacity to incentivize mixed-income housing

TIF Funding for Replacement of Aging Fire Stations Downtown

- Each sub-district's budget includes a line item to support relocation and/or reconstruction of downtown fire stations located near major redevelopment sites
- If fire station sites (Fire Station #18 and #4) or any other City-owned properties are purchased by a private developer for residential redevelopment, 30% of those residential units will be required to be provided to renters earning at/below 80% AMFI

Strategic and Contextual Importance of Plan Amendments

- Encourages and supports continued growth of underutilized parts of downtown
- Supports development of additional mixed-income housing downtown and uptown
- Anticipated private development will fill in gaps in the urban fabric by redeveloping surface parking and vacant lots
- Provides a non-General Fund source of funding to support the upgrade of public infrastructure needed to support future development projects
- Provides a non-General Fund source of funding to replace two antiquated Dallas Fire Rescue stations in downtown
- Complements planned City investment in the redesigned Kay Bailey Hutchinson Convention Center, DISD's investment in a downtown school, TXDOT's investment in the redesigned I-30 Canyon Project, and Dallas College's interest in investing in a new Downtown campus

Strategic and Contextual Importance of Plan Amendments

- Public investment (estimated \$2 billion) in the redesigned Kay Bailey Hutchinson Convention Center
 - February 2022: City Council selected Option 3C West of Lamar
 - Option 3C West of Lamar:
 - Builds new convention center with expanded footprint, meeting space and convention service offerings with large, elevated ballrooms
 - Opens Griffin and Lamar streets to natural light
 - Releases east of Lamar for future development

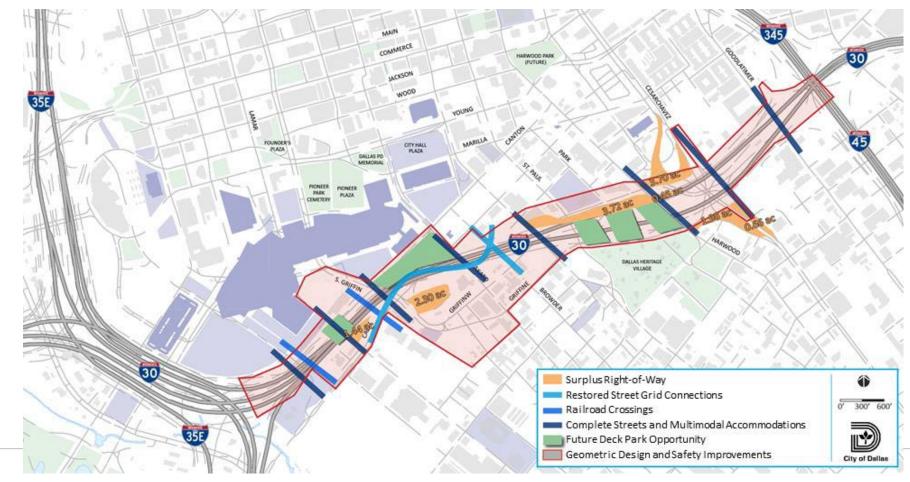

Strategic and Contextual Importance of Plan Amendments

• TXDOT's \$564.7 million (\$418.7 million committed funding) investment in the redesigned I-30 Canyon Project (Illustrative Plan below is subject to change)

Strategic and Contextual Importance of Plan Amendments

- DISD's \$95 million investment in a downtown school
 - 2020 Bond Program approved by voters
 - January 2021, DISD Board of Trustees authorized design-build construction of a downtown school site
 - June 2021, DISD Board of Trustees authorized negotiations and entering into a contract with a
 development team to design-build a downtown campus in an amount not to exceed \$95 million
- Dallas College's \$535 million investment in a downtown campus including student housing
 - 2019 Bond Program approved by voters

Strategic and Contextual Importance of Plan Amendments

Downtown Connection Sub-district

- Facilitates over \$3.7 billion in private investment over remaining term of sub-district
 - Taxable value increase from \$5.9 billion in 2021 to \$11.6 billion in 2035
 - At termination, approx. \$85 million in tax revenue is projected to annually flow to the General Fund
- Over the remaining term of this Sub-district, approximately \$157.1 million is projected to flow to the General Fund

Newpark Sub-district

- Facilitates approx. \$1.5 billion in private investment over the proposed term of sub-district
 - Taxable value increase from \$21.6 million in 2021 to \$1.7 billion in 2052
 - In 2021, approx. \$106,000 flowed to the General Fund and will continue to flow to the General Fund annually over the term of the Newpark Sub-district
 - At termination, approx. \$13.6 million in tax revenue is projected to annually flow to the General Fund
- Cumulatively, approx. \$27.2 million is projected to flow to General Fund during the term of this Subdistrict

One Newpark: Project Summary

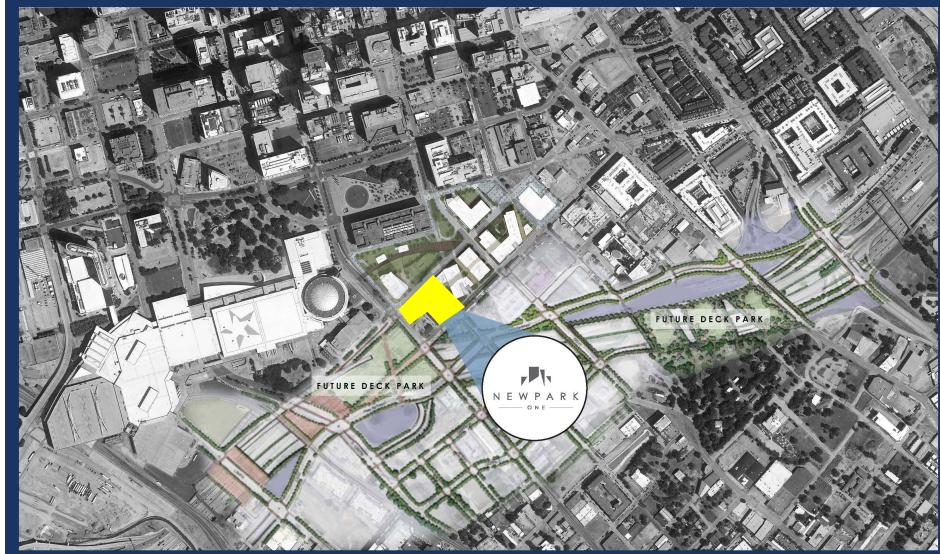

- Project Developer: One Newpark GP, LLC, a Texas limited liability company and/or its
 assigns will, directly or indirectly, control the One Newpark development project.
- Project Summary: In 2021, Developer submitted an incentive application to the Office of Economic Development for the One Newpark redevelopment project ("Project"), first phase of the master-planned Newpark Dallas development (See Appendix B)
 - a 38-floor, 1,345,845 square foot mixed-use, mixed-income tower to be constructed on 1.7 acres at southeast corner of Canton and Akard, south of City Hall
 - tower will include:
 - below-grade parking (3 levels)
 - street-level retail
 - above-grade parking (floors 3 through 8)
 - office component (floors 9 through 15)
 - 245-key hotel component (floors 17 through 23)
 - 268-unit multi-family component (top 15 floors)
 - 20% of units (54 units) will be set aside for households earning at/below 80% AMFI
 - total project cost: approximately \$378.7 million

Staff Recommendation: TIF/PPP Funding

Staff recommends authorization of a Development Agreement and all other necessary documents with One Newpark GP, LLC and/or its affiliates and a City Subsidy in a total amount not to exceed \$95,500,000 from the following sources:

Public/Private Partnership (PPP) Fund

• up to \$3,500,000 in the form of an economic development grant sourced from the City's PPP Fund ("PPP Grant") to offset expenditures made by the Developer for City development fees such as right-of-way abandonment, permitting, plan review, and inspection fees

Newpark Sub-district of the Downtown Connection TIF District

- up to \$92,000,000 sourced from **future** tax increment in the Newpark Sub-district of the Downtown Connection TIF District ("TIF Subsidy") for:
 - repayment of PPP Grant back to PPP Fund (\$3.5 million)
 - reimbursement of costs (actual expenditures) for TIF-eligible demolition activities, infrastructure/utility improvements, streetscape improvements, wayfinding and signage, including expenditures for design and engineering of these improvements
 - reimbursement of costs (actual expenditures) for TIF-eligible off-site public infrastructure/utility improvements including expenditures for design and engineering of these improvements
 - economic development grant for high density, mixed-use development and mixed-income housing

Staff Recommendation: TIF/PPP Funding

- TIF Subsidy exceeds the amount of increment projected to be generated by the One Newpark project (\$65.8 million over 30 years)
- For the Developer to receive the full TIF Subsidy offered to facilitate One Newpark, vertical development of other properties (i.e. future phases) within the proposed Newpark Dallas development must occur to accelerate the increase in property value and increment collection

TOTAL CITY SUBSIDY	\$95,500,000

Staff Recommendation: Conditions of PPP Grant

<u>PPP Grant</u>. A single subsidy payment in the form of a grant in an amount equal to the total City Expenses for the Project, but not to exceed \$3,500,000 from the City's PPP Fund shall be paid to the Developer upon Developer's submission of documentation and Office of Economic Development's verification that the following have occurred:

- Developer shall close construction financing for the Project prior to or contemporaneously with the City's
 execution of a development agreement with the Developer. Developer shall submit financing documentation
 to the City.
- Prior to City's execution of a development agreement, Developer shall execute a hotel franchise agreement with a national hotel brand acceptable to the Director of the Office of Economic Development ("Director") in his or her sole discretion.
- City Council approval of an expansion of the boundary of the Downtown Connection TIF District to create the Newpark Sub-district that will encompass all Newpark Dallas parcels as well as two parcels located on the northwest corner of South Harwood Street and Interstate 30 addressed as 1103 S. Harwood Street and 1900 St. Louis Street
- Developer shall obtain a building permit by December 31, 2024. A grading permit does not constitute meeting this requirement.
- City Council approval of the Developer's Browder Street abandonment request. See **Appendix C**

Staff Recommendation: Conditions of PPP Grant

PPP Grant Conditions continued

- As a condition of the City's abandonment of the portion of Browder Street between Canton Street to the north and Cadiz Street to the south, Developer shall dedicate a public access easement with a minimum average width of 18', where at no point along the easement the width is less than 12' wide along the abandoned right-of-way prior to the Completion Deadline. The easement shall include a minimum 8' wide continuous, unobstructed accessible path connecting Cadiz Street to Canton Street.
- Developer shall provide documentation evidencing Developer's payment to the City of:
 - i. any funds required by the Real Estate Division of the City's Public Works Department for the abandonment fee associated with the Developer's request of the City to abandon the portion of Browder Street located between Canton Street to the north and Cadiz Street to the south (See **Appendix D**), and
 - ii. any development-related fees imposed by the City on Developer for planning and constructing the Project, including but not limited to development permit fees, plan review fees, building permit fees, parkland fees, and inspection fees.

<u>TIF Subsidy</u>. Annual TIF payments from the Newpark Sub-district totaling an amount not to exceed \$92,000,000 inclusive of (1) \$3,500,000 to be paid back to the City's PPP Fund upon completion of the Project, and (2) \$88,500,000 to be paid to the Developer upon Developer's submission of documentation and Office of Economic Development's verification that the following have occurred:

- Developer shall incur (or cause to be incurred) and provide documentation evidencing a minimum of \$310,000,000 in Private Investment Expenditures for construction of the Project, including, on and off-site infrastructure improvements, site amenities, building finish-out/furnishings, and professional fees (e.g. architecture, engineering, landscape architecture, interior design).
- Developer shall complete construction of a minimum of 800,000 square feet of residential, office, retail and hotel space associated with the Project by December 31, 2027
- Prior to the initial payment of the TIF Subsidy, Developer shall provide evidence of the following:
 - 50% of the street level retail space is leased and occupied;
 - 50% of the office space is leased to one or more unaffiliated third-parties and copies of the executed lease(s) have been provided to the Director; and
 - the hotel is open and operational
- Within 12 months of the initial payment of the TIF Subsidy, Developer must commence tenant finish-out construction for at least 50% of the office space.

TIF Subsidy Conditions continued

- After initial payment of the TIF Subsidy, Developer, for a period of 15 years thereafter, shall immediately notify
 City in writing if any occupancy falls below the minimum occupancy requirements described above
- A minimum of twenty percent (20%) of the residential units constructed as part of the Project shall meet the
 affordability requirements of the Downtown Connection TIF District (reduced rental rate for households earning
 at or below 80% of the Area Median Income for a minimum of 15 years) inclusive of the below voucher units
 referenced below
- Developer shall abide by Ordinance 30246, approved by Resolution 16-1760, which requires "multifamily housing accommodations that benefit from a financial award approved by the city council on or after the effective date of this ordinance [October 26, 2016] shall set aside at least 10 percent (10%) of the dwelling units and solely lease those dwelling units to holders of housing vouchers
- Developer shall execute deed restrictions, by the date of the certificate of occupancy for the residential
 portion of the Project, and record such executed deed restrictions in the Official Real Property Records of
 Dallas County to ensure that the property will comply with the mixed-income housing and voucher
 requirements, as well as the source of income non-discrimination requirement
- Developer shall complete an Affirmative Fair Housing Marketing Plan and submit to the Fair Housing division of the City's Office of Equity and Inclusion for review and approval and market the residential component of the Project pursuant to approved marketing plan

TIF Subsidy Conditions continued

- Developer shall complete and obtain a letter of acceptance or similar documentation issued by the City, which may include a green tag issued from the Public Works Department for any public infrastructure improvements associated with the Project by June 30, 2028
- Prior to Project completion, Developer shall execute a 20-year Operating and Maintenance Agreement for any Non-Standard Public Improvements associated with the Project, and if necessary, obtain a license from City for the purpose of maintaining any improvements in the public right-of-way
- Developer shall make a good faith effort to comply with the City's Business and Workforce Inclusion's goal of 32% participation by certified Minority/Women-owned Business Enterprises ("M/WBE") for all hard construction expenditures on the Project and meet all reporting requirements
- Until the Project has passed final building inspection and all required paperwork documenting Project completion has been submitted to the Office of Economic Development, Developer shall submit to the Office of Economic Development quarterly status reports for ongoing work on the Project (including any public improvements)
- The Director may authorize minor modifications to the Project, including, but not limited to, adjustment of the square footage of each component of the building, and may, after approval and recommendation of the TIF District Board, authorize an extension of the Project deadlines up to 12 months.

TIF Subsidy Conditions continued

- For all permanent employment opportunities created by operation of the Project, and prior to commencing
 any hiring activities and the initial payment of the TIF Subsidy, Developer shall submit to the City a written
 plan describing how Developer or property management group will use and document best efforts to
 recruit and hire residents of the city of Dallas. At a minimum, the written plan shall describe how local
 recruitment will be targeted through local advertisement, community outreach, local engagement,
 participation in local job fairs, and/or coordination with local hiring sources.
- The City's Public/Private Partnership Fund will receive 50% of increment generated within the Newpark Subdistrict until the PPP Grant is repaid in full, after which 100% of increment generated in the Newpark Subdistrict will flow to the Developer.

TIF Board and DDDA Recommendation

- April 29, 2022: The Downtown Connection TIF District Board of Directors and Downtown Dallas Development Authority (DDDA) reviewed the proposed Downtown Connection TIF District Plan amendments and recommended approval
- **April 29, 2022**: The Downtown Connection TIF District Board of Directors reviewed the proposed One Newpark project and recommended approval of a development agreement and a City subsidy in amount not-to-exceed \$95,500,000

Next Steps

- June 8, 2022: City Council will call a public hearing to be held on June 22, 2022 to consider the proposed Plan amendments
- **June 22**, **2022**: City Council will conduct a public hearing to receive citizen comments on the proposed Plan amendments and, at the close of the public hearing, consider approval of the Plan amendments
- June 22, 2022: If the proposed Plan amendments are approved, City Council will, at the same meeting, consider a development agreement and City Subsidy for the One Newpark project
- June 22, 2022: If the proposed amendments and One Newpark development agreement and City Subsidy are approved, City Council will, at the same meeting, consider the Developer's Browder Street abandonment request

Appendix A DDDA Background and TIF Bonds Repayment Status

- June 8, 2005, City Council:
 - Created the Downtown Connection TIF District (TIRZ Eleven) by Ordinance No. 26020
 - Established the DDDA to aid, assist and act on behalf of the City in the performance of the City's governmental and
 proprietary functions with respect to TIRZ Eleven and the City Center TIF District (TIRZ Five) under Chapter 431 of the
 Texas Transportation Code
 - Approved the DDDA's Articles of Incorporation and authorized the City Manager to file the articles with the Secretary of State
 - Approved the DDDA's by-laws by Resolution No. 05-1755
- August 29, 2005, City Council:
 - Authorized the execution of a Tri-Party Agreement by and among the City, TIRZ Eleven, and the DDDA, effective as of March 8, 2006 by Resolution No. 05-2545
 - In the agreement the City delegated to the DDDA certain duties and responsibilities with respect to TIRZ Eleven, including, but not limited to, the power to issue, sell or deliver its bonds, notes or other obligations in accordance with the terms of the Tri-Party Agreement
 - Adopted the Downtown Connection TIF District Project Plan and Reinvestment Zone Financing Plan by Ordinance No. 26096
 - Adopted a Chapter 380 Program whereby the City may make economic development loans or grants from City general funds or from tax increment revenues to TIRZ Eleven or to the DDDA in furtherance of implementing the Project and Financing Plan
 - Authorized a Development Agreement with Forest City for the Mercantile Complex, the Continental Building and the Atmos Complex by Resolution No. 05-2545

Appendix A (continued) DDDA Background and TIF Bonds Repayment Status

- March 8, 2006, City Council:
 - Authorized the issuance and sale of up to \$51,000,000 in Downtown Dallas Development Authority Contract Tax Increment Revenue Bonds for the Mercantile project improvements;
 - Approved the Preliminary Official Statement, Trust Indenture and Bond Resolution; and,
 - Enacted other relating provisions by Resolution No. 06-0873
- October 10, 2007, City Council:
 - Authorized the issuance and sale of up to \$30,000,000 in Downtown Dallas Development Authority Contract Tax Increment Revenue Bonds for the Mercantile project improvements;
 - Approved the Preliminary Official Statement and Bond Resolution; and
 - Enacted other relating provisions by Resolution No. 07-2993

For both issuances, the issuer was DDDA and the Credit Pledge was:

- (1) Downtown Connection TIF District increment; or
- (2) City of Dallas General Fund annual appropriation, if increment accrual is insufficient

Appendix B Newpark Dallas

Newpark Dallas

- Phased redevelopment of approx. 5 acres of surface parking lots south of City Hall owned by Hoque Global
- Planned development to include:
 - 1 million square feet of Class A office space
 - 200,000 square feet of retail space
 - thousands of residential units
 - 4-star hotel
- Estimated total private investment: \$1.5+ billion
- Approximately \$872 million in new taxable value is projected to be created at full build-out of Newpark Dallas
- In 2021, Hoque Global submitted a development incentive application requesting:
 - Expansion of the Downtown Connection TIF District boundary to include Newpark Dallas parcels
 - TIF subsidy to support phase one of the project (One Newpark)

Appendix B (continued) Newpark Dallas

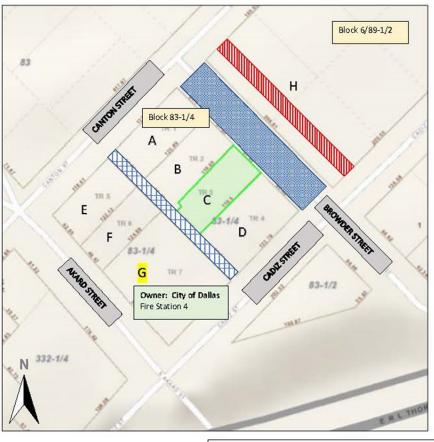

Appendix C Browder Street Abandonment Request Map

Appendix D One Newpark Underwriting Report Summary

- Developer's original incentive application requested \$130 million in City subsidy
- National Development Council (NDC), under contract with the City, conducted independent underwriting of the incentive application. Conclusions of independent underwriting:
 - Development team: Lanoha Real Estate Company appears highly qualified and experienced to carry out the project
 - **Financial capacity**: Based on the information presented, the partners of the Developer show a more than adequate ability to fund guarantees and take on a project this size
 - **Permanent debt capacity of Project**: Project could support a maximum of \$245 million in permanent debt with proposed City subsidy and, since projects seeking City subsidies are expected to maximize private sector debt, a \$250 million permanent loan amount was used in sizing the upper limit of the City subsidy
 - **Appraisal and Market Study**: Developer's assumptions are consistent with information presented; project appears viable however generates lower than market returns
 - Cost estimates of Project: costs reasonable in current market; construction costs could be higher than projected since the figures provided by the Developer do not represent contracted prices
 - Rationale for City subsidy based on Costs and Returns: significant infrastructure costs for higher density development, affordable units and low Yield-on-Cost (YoC) returns requiring a subsidy to generate even the lowest of returns. Underwriter concluded a YoC target of 7.79% with City subsidy is reasonable (i.e. no undue enrichment) since the project only reaches the target YoC 10 years after stabilization

Reauthorization of Public/Private Partnership Program Guidelines and Criteria [Robin Bentley, Director, Office of Economic Development]

Memorandum

DATE May 2, 2022 CITY OF DALLAS

Honorable Members of the City Council Economic Development Committee:

Tennell Atkins, (Chair), Carolyn King Arnold, (Vice Chair), Adam McGough, Omar Narvaez, Jaime Resendez, Chad West, Gay Donnell Willis

SUBJECT Reauthorization of Public/Private Partnership Program Guidelines and Criteria

City Council will consider two upcoming items related to the reauthorization of the Public/Private Partnership program. On May 11, 2022, the City Council will consider the approval of an item authorizing a June 8, 2022 public hearing to receive comments regarding the third extension of the Public/Private Partnership Program Guidelines and Criteria (the "Guidelines"). On June 8, 2022, the public hearing will be called, and upon closure of the hearing, the City Council will consider approval of the third extension of Guidelines for the period of July 1, 2022 through December 31, 2022.

The Dallas City Council approved the current Guidelines on December 11, 2019, by Resolution No. 19-1959. The Guidelines were re-adopted through City Council Resolution Nos. 20-1972 and 21-1052 on December 9, 2020 and June 9, 2021, respectively. The current Guidelines are effective through June 30, 2022.

The City Council approved a new Economic Development policy (the "Policy") on May 26, 2021. The Policy calls for a thorough review of current economic development incentive policies, including the Guidelines. This work is currently being conducted by HR&A Advisors with guidance from the Economic Development Task Force chaired by former City Council member Jennifer Gates. Revisions to the economic development incentive policies, including the Guidelines will be presented to City Council later this year. While the amendments to the incentive policies are being finalized, staff recommends extending the current Guidelines to allow sufficient time for completion of this work.

Should you have any questions, please contact Robin Bentley, Director, Office of Economic Development at 214-671-9942.

Memorandum

May 2, 2022

Honorable Members of the City Council Economic Development Committee: Tennell Atkins (Chair), Carolyn King Arnold (Vice-Chair), Adam McGough, Omar Narvaez, Jaime Resendez, Chad West, Gay Donnell Willis

Public Improvement District (PID) Upcoming Agenda Items: (1) Call for a Public Hearing to be held on June 8, 2022 to renew the 1) Knox Street Public Improvement District, 2) Lake Highlands Public Improvement District, 3) Midtown Improvement District, 4) the expansion of the Dallas Tourism Public Improvement District to include 6 additional hotels, and Providing Information on Planned Amendments to PID Management Contracts to Include Good Governance Provisions.

Public Hearing on June 8, 2022:

On May 11, 2022, the City Council will be asked to consider a resolution calling for a public hearing to be held on June 8, 2022 to receive comments concerning the renewals of the 1) Knox Street Public Improvement District (KSPID), 2) the Lake Highlands Public Improvement District (LHPID), 3) the Midtown Improvement District (MID) and 4) the expansion of the Dallas Tourism Public Improvement District (DTPID) to include 6 additional hotels in accordance with Chapter 372 of the Texas Local Government Code (the Act).

The management entities for the KSPID, LHPID, and MID submitted petitions to the City on behalf of property owners requesting to be renewed for a new ten-year term effective January 1, 2023 through December 31, 2032. City staff reviewed the petitions and determined that the KSPID, LHPID, and MID meet the minimum requirements for renewal set in the City's PID policy and state law. The City's PID policy requires signed petitions from owners of at least 60% of the appraised value of real property liable for assessment and at least 60% of the land area or 60% of the record owners of at least 50% of the appraised value of real property liable for assessment and at least 50% of the land area or 50% of the record owners of real property liable for assessment.

The City Council may choose to approve or deny the renewal of the districts. Unless renewed, the LHPID and MID will terminate on December 31, 2022, resulting in the cessation of services and improvements provided within these two districts. The KSPID is being renewed early to avoid exceeding the seven-year assessment cost total approved by the district's property owners. Unless renewed, the KSPID will need to lower its assessment rate in 2023 and 2024 resulting in a reduction or cessation of services and improvements within the KSPID.

SUBJECT

PID Upcoming Agenda Items: (1) Call for a Public Hearing to be held on June 8, 2022 to renew the 1) Knox Street Public Improvement District, 2) Lake Highlands Public Improvement District, and 3) Midtown Improvement District; and 4) expansion of the Dallas Tourism Public Improvement District, and (2) Information on Planned Amendments to PID Management Contracts to Include Good Governance Provisions.

The 87th Texas Legislature enacted Senate Bill 804 which amended the Act to allow cities to add hotel properties to an existing hotel-PID with the property owner's consent if such property could have been included in the hotel-PID without violating the petition thresholds when the hotel-PID was created. VisitDallas, on behalf of the Dallas Tourism Public Improvement District Corporation (DTPIDC), submitted signed consent forms from six hotel properties that were not operational when the District's boundary was last expanded in August 2020. As such, the DTPIDC is requesting the City Council's consideration to add these six hotels to the District boundary. City staff verified the consent forms and determined that all six additional hotels can be added to the boundaries of the DTPID without violating the statutory requirements of the Act as amended by SB804.

The renewal Service Plans for the KSPID, LHPID, and MID are a ten-year forecast of service level needs and new development activities projected by each PID's management entity (see **Exhibits A, B, and C**). The table below summarizes key information about these three districts that have requested consideration for renewal. The assessment rates detailed below are subject to increase to a maximum of \$0.15 cents per \$100 of appraised value as determined by the Dallas Central Appraisal District or decrease throughout the term subject to a public hearing and City Council approval.

Knox Street Public Improvement District (KSPID): The boundary of the KSPID consists of approximately 23 acres located in the Knox Street area of the City, bounded by Highway 75 on the northeast and Katy Trail to the west as shown on Exhibit A-1. The purpose of the KSPID is to provide enhanced security, and public safety, trash/litter removal, graffiti control, landscaping improvements in common

areas including plantings and hardscape, capital improvements including the scope of Complete Streets project and other sidewalk and streetscape improvements, marketing and programming, website and social media marketing, promotional activities such as pop-up events, distinctive lighting including holiday lighting, signage, business development and recruitment to promote the district/area, and expenses incurred in establishing, administering, and operating the KSPID such as liability insurance and financial audit as authorized by the Act and City Council.

- 2. <u>Lake Highlands Public Improvement District (LHPID)</u>: The proposed district consists of approximately 780 acres located in the Lake Highlands area of the City, bounded by Highway 635 on the northeast. The current boundary of the LHPID will be expanded to include properties in the north and south of the current boundary as shown in the attached **Exhibit B-1**. The purpose of the LHPID is to provide public safety and enhanced security, beautification, recreation, cultural enhancements, custodial and landscaping maintenance, capital improvements, common area improvements permissible under the Act, acquisition and installation of art, business recruitment, and development to promote the area in and around LHPID, marketing and promotional activities, distinctive lighting and signage, and expenses incurred to establish, administer, and operate the LHPID as authorized by the Act and City Council.
- 3. Midtown Improvement District (MID): The Vickery Meadow Public Improvement District has been re-branded. As a result, the new name of the district is the Midtown Improvement District. The proposed district consists of approximately 704 acres located in the Midtown area of the City, bounded by Royal Lane on the northeast. The current boundary of the MID will be modified as shown in the attached Exhibit C-1. The purpose of the MID is to provide enhanced public safety and security, neighborhood improvements, landscaping, trash/litter removal, graffiti control, beautification, cultural enhancements, Southern Pacific Trail (SOPAC) improvements, Midtown Park, Shops at Park Lane, Midtown Plaza improvements, capital improvement projects, marketing and promotional activities, lighting and signage, business development and recruitment to promote the District, and expenses incurred to establish, administer, and operate the MID as authorized by the Act, including related audit costs, staff time, and liability insurance.
- 4. <u>Dallas Tourism Public Improvement District (DTPID)</u>: The City Council authorized the establishment of the DTPID in 2012, its renewal in 2016, and its first boundary expansion in March 2020. The current boundary of the DTPID which includes designated hotel properties in the City of Dallas with 100 or more rooms will be expanded as shown in the attached **Exhibit D-1**. added is on **Exhibit D.** Hotel property owners collect the DTPID assessment from their guests at a rate of 2% of the price of the room nights sold, and then remit this assessment monthly to the City. The City Controller's Office then forwards the DTPID assessment collections to the Dallas Tourism Public Improvement District Corporation (DTPIDC), the DTPID's management entity, less an administrative fee. While adding new hotels to the DTPID may increase DTPID's assessment revenues, the total revenue that the DTPID can utilize is limited to the original revenue projections in the DTPID's service plan budget (capped at \$292.7 million assessment collections over 13-year DTPID term spanning October 2016 to September 2029). If, as a result of adding six hotels to the DTPID boundary, the DTPID's collections are expected to exceed the projected DTPID term revenue total, the DTPID would need to apply for an early renewal through a new petition and City Council approval process.

Good Governance Provisions:

Staff is also working with the City Attorney's Office to strengthen contract oversight and financial transparency in the public improvement district management agreements. The Office of Economic Development proposes to amend each PID management contract to increase transparency, accountability, and City oversight, including alignment with the Chapter 12A Code of Ethics amendments adopted by the City Council on December 8, 2021. More information about these proposed "good governance" provisions will be brought to this committee in August as part of the 2023 Service Plan and 2022 Assessment Rate approval process.

Recommendation

Staff recommends City Council's approval on May 11, 2022 to call a public hearing to be held on June 8, 2022. Should you have any questions, please contact Assistant Director Jiroko Rosales, Office of Economic Development, at <u>Jiroko.Rosales@dallascityhall.com</u>.

SUBJECT Reauthorization of Public/Private Partnership Program Guidelines and Criteria

City Council will consider two upcoming items related to the reauthorization of the Public/Private Partnership program. On May 11, 2022, the City Council will consider the approval of an item authorizing a June 8, 2022 public hearing to receive comments regarding the third extension of the Public/Private Partnership Program Guidelines and Criteria (the "Guidelines"). On June 8, 2022, the public hearing will be called, and upon closure of the hearing, the City Council will consider approval of the third extension of Guidelines for the period of July 1, 2022 through December 31, 2022.

The Dallas City Council approved the current Guidelines on December 11, 2019, by Resolution No. 19-1959. The Guidelines were re-adopted through City Council Resolution Nos. 20-1972 and 21-1052 on December 9, 2020 and June 9, 2021, respectively. The current Guidelines are effective through June 30, 2022.

The City Council approved a new Economic Development policy (the "Policy") on May 26, 2021. The Policy calls for a thorough review of current economic development incentive policies, including the Guidelines. This work is currently being conducted by HR&A Advisors with guidance from the Economic Development Task Force chaired by former City Council member Jennifer Gates. Revisions to the economic development incentive policies, including the Guidelines will be presented to City Council later this year. While the amendments to the incentive policies are being finalized, staff recommends extending the current Guidelines to allow sufficient time for completion of this work.

Should you have any questions, please contact Robin Bentley, Director, Office of Economic Development at 214-671-9942.

SUBJECT

Public Improvement District (PID) Upcoming Agenda Items: (1) Call for a Public Hearing to be held on June 8, 2022 to renew the 1) Knox Street Public Improvement District, 2) Lake Highlands Public Improvement District, 3) Midtown Improvement District, 4) the expansion of the Dallas Tourism Public Improvement District to include 6 additional hotels, and Providing Information on Planned Amendments to PID Management Contracts to Include Good Governance Provisions.

Public Hearing on June 8, 2022:

On May 11, 2022, the City Council will be asked to consider a resolution calling for a public hearing to be held on June 8, 2022 to receive comments concerning the renewals of the 1) Knox Street Public Improvement District (KSPID), 2) the Lake Highlands Public Improvement District (LHPID), 3) the Midtown Improvement District (MID) and 4) the expansion of the Dallas Tourism Public Improvement District (DTPID) to include 6 additional hotels in accordance with Chapter 372 of the Texas Local Government Code (the Act).

The management entities for the KSPID, LHPID, and MID submitted petitions to the City on behalf of property owners requesting to be renewed for a new ten-year term effective January 1, 2023 through December 31, 2032. City staff reviewed the petitions and determined that the KSPID, LHPID, and MID meet the minimum requirements for renewal set in the City's PID policy and state law. The City's PID policy requires signed petitions from owners of at least 60% of the appraised value of real property liable for assessment and at least 60% of the land area or 60% of the record owners of at least 50% of the appraised value of real property liable for assessment and at least 50% of the land area or 50% of the record owners of real property liable for assessment.

The City Council may choose to approve or deny the renewal of the districts. Unless renewed, the LHPID and MID will terminate on December 31, 2022, resulting in the cessation of services and improvements provided within these two districts. The KSPID is being renewed early to avoid exceeding the seven-year assessment cost total approved by the district's property owners. Unless renewed, the KSPID will need to lower its assessment rate in 2023 and 2024 resulting in a reduction or cessation of services and improvements within the KSPID.

SUBJECT

PID Upcoming Agenda Items: (1) Call for a Public Hearing to be held on June 8, 2022 to renew the 1) Knox Street Public Improvement District, 2) Lake Highlands Public Improvement District, and 3) Midtown Improvement District; and 4) expansion of the Dallas Tourism Public Improvement District, and (2) Information on Planned Amendments to PID Management Contracts to Include Good Governance Provisions.

The 87th Texas Legislature enacted Senate Bill 804 which amended the Act to allow cities to add hotel properties to an existing hotel-PID with the property owner's consent if such property could have been included in the hotel-PID without violating the petition thresholds when the hotel-PID was created. VisitDallas, on behalf of the Dallas Tourism Public Improvement District Corporation (DTPIDC), submitted signed consent forms from six hotel properties that were not operational when the District's boundary was last expanded in August 2020. As such, the DTPIDC is requesting the City Council's consideration to add these six hotels to the District boundary. City staff verified the consent forms and determined that all six additional hotels can be added to the boundaries of the DTPID without violating the statutory requirements of the Act as amended by SB804.

The renewal Service Plans for the KSPID, LHPID, and MID are a ten-year forecast of service level needs and new development activities projected by each PID's management entity (see **Exhibits A, B, and C**). The table below summarizes key information about these three districts that have requested consideration for renewal. The assessment rates detailed below are subject to increase to a maximum of \$0.15 cents per \$100 of appraised value as determined by the Dallas Central Appraisal District or decrease throughout the term subject to a public hearing and City Council approval.

- 2. Lake Highlands Public Improvement District (LHPID): The proposed district consists of approximately 780 acres located in the Lake Highlands area of the City, bounded by Highway 635 on the northeast. The current boundary of the LHPID will be expanded to include properties in the north and south of the current boundary as shown in the attached **Exhibit B-1**. The purpose of the LHPID is to provide public safety and enhanced security, beautification, recreation, cultural enhancements, custodial and landscaping maintenance, capital improvements, common area improvements permissible under the Act, acquisition and installation of art, business recruitment, and development to promote the area in and around LHPID, marketing and promotional activities, distinctive lighting and signage, and expenses incurred to establish, administer, and operate the LHPID as authorized by the Act and City Council.
- 3. Midtown Improvement District (MID): The Vickery Meadow Public Improvement District has been re-branded. As a result, the new name of the district is the Midtown Improvement District. The proposed district consists of approximately 704 acres located in the Midtown area of the City, bounded by Royal Lane on the northeast. The current boundary of the MID will be modified as shown in the attached Exhibit C-1. The purpose of the MID is to provide enhanced public safety and security, neighborhood improvements, landscaping, trash/litter removal, graffiti control, beautification, cultural enhancements, Southern Pacific Trail (SOPAC) improvements, Midtown Park, Shops at Park Lane, Midtown Plaza improvements, capital improvement projects, marketing and promotional activities, lighting and signage, business development and recruitment to promote the District, and expenses incurred to establish, administer, and operate the MID as authorized by the Act, including related audit costs, staff time, and liability insurance.
- 4. <u>Dallas Tourism Public Improvement District (DTPID)</u>: The City Council authorized the establishment of the DTPID in 2012, its renewal in 2016, and its first boundary expansion in March 2020. The current boundary of the DTPID which includes designated hotel properties in the City of Dallas with 100 or more rooms will be expanded as shown in the attached **Exhibit D-1**. added is on **Exhibit D.** Hotel property owners collect the DTPID assessment from their guests at a rate of 2% of the price of the room nights sold, and then remit this assessment monthly to the City. The City Controller's Office then forwards the DTPID assessment collections to the Dallas Tourism Public Improvement District Corporation (DTPIDC), the DTPID's management entity, less an administrative fee. While adding new hotels to the DTPID may increase DTPID's assessment revenues, the total revenue that the DTPID can utilize is limited to the original revenue projections in the DTPID's service plan budget (capped at \$292.7 million assessment collections over 13-year DTPID term spanning October 2016 to September 2029). If, as a result of adding six hotels to the DTPID boundary, the DTPID's collections are expected to exceed the projected DTPID term revenue total, the DTPID would need to apply for an early renewal through a new petition and City Council approval process.

Good Governance Provisions:

Staff is also working with the City Attorney's Office to strengthen contract oversight and financial transparency in the public improvement district management agreements. The Office of Economic Development proposes to amend each PID management contract to increase transparency, accountability, and City oversight, including alignment with the Chapter 12A Code of Ethics amendments adopted by the City Council on December 8, 2021. More information about these proposed "good governance" provisions will be brought to this committee in August as part of the 2023 Service Plan and 2022 Assessment Rate approval process.

Recommendation

Staff recommends City Council's approval on May 11, 2022 to call a public hearing to be held on June 8, 2022. Should you have any questions, please contact Assistant Director Jiroko Rosales, Office of Economic Development, at <u>Jiroko.Rosales@dallascityhall.com</u>.

Economic Development Policy Update

[Jennifer Gates, Chair, Economic Development Policy Task Force, Aaron Abelson, Managing Partner, HR&A Advisors, and Majed A. Al-Ghafry, Assistant City Manager, City Manager's Office]

Economic Development Policy Update

Economic Development Committee June 6, 2022

Jennifer Gates, Chair Economic Development Policy Task Force Aaron Abelson, Managing Principal HR&A Advisors Majed A. Al-Ghafry, Assistant City Manager City of Dallas

Economic Development Policy Mission

- Prioritize Southern Dallas and communities of color
- Focus on land development and investment approaches south of Interstate 30
- Correct the disparities in access to housing, meaningful employment, services, and amenities
- Create wealth-building opportunities
- Support local innovation and neighborhood-level interventions
- Foster community sustainability and resilience
- Generate economic vitality via a diversified economy
- **Deliver** inclusive and responsive governance
- Launch the necessary processes and governance structure needed to support the ten-year policy execution timeline

Transition Year

May 2021 - May 2022

From the Economic Development Policy 2022-2032:

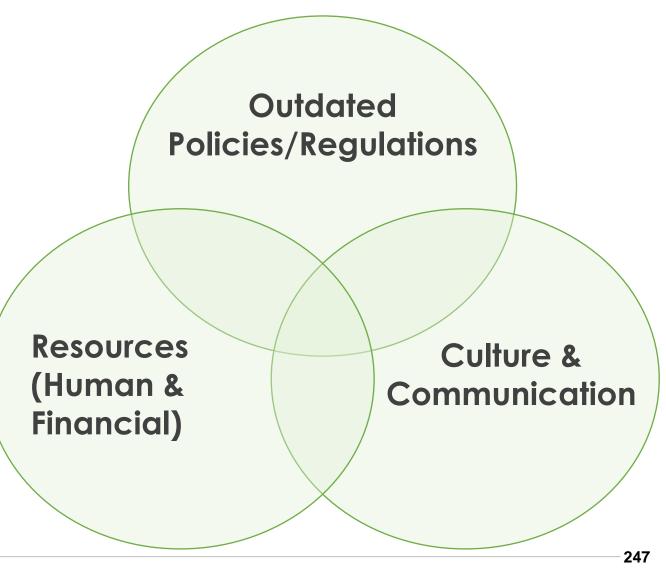

"A one-year transition period is necessary to allow staff and community stakeholders to coordinate strategy. This will also afford the city a period by which it can put in place procedures and processes that are foundational to each of the tenants outlined in this document. [...] Additionally, an advisory committee will be established to work with staff and stakeholders on policy refinement and to launch the economic development entity. Staff will also hire an outside consultant to assist with facilitating, structuring, and activating the recommended process alignment measures. During this one year's transition period staff shall bring to the appropriate City Council committees any items that may need feedback to support policy implementation."

Barriers to Equitable Development

City staff, the Task Force, and other Policy implementation partners are bringing solutions forward that confront historic barriers to equitable **development** and opportunity in Dallas. This will require a combination of City Staff and City Council actions to foster responsive governance.

Task Force

Members

- Jennifer Gates (Chair), Former Dallas City Council Member
- Harrison Blair, Black Chamber of Commerce
- Trey Bowles, InnoCity Partners
- Cullum Clark, Bush Institute
- Zenetta Drew, Dallas Black Dance Theater
- Alfredo Duarte, Taxco Produce
- Steven Duong, AECOM
- Hilda Galvan, Jones Day
- Rebecca Acuna, PepsiCo.
- Jessica Hernandez, Parkland Hospital
- Rick Ortiz, Greater Dallas Hispanic Chamber of Commerce
- **Drex Owusu**, Dallas Foundation
- Michael Sorrell, Paul Quinn College
- Oric Walker, Atmos Energy
- Dora Zapata, Capital One
- Amy Tharp, Downtown Dallas, Inc.

Roles & Responsibilities

- A sounding board on critical policy issues to provide accountability during the one-year transition period and beyond
- Review significant proposed regulatory changes and organizational plans for the future Economic Development Corporation (EDC) and the Policy.

Policy Implementation Priorities

The City identified priority initiatives and action areas that represent opportunities to remove barriers and create the foundation for equitable development and growth.

- Overhaul Incentives Policy
- Create Community-Driven Land Use Planning Process
- Audit and Update Comprehensive Housing Policy
- Empower a New Economic Development Corporation
- Overhaul Historic Preservation Mission & Function
- Improve Development Services Operations
- Develop Structures for Collaboration

Barriers Encountered and Future Actions

In coming months, staff will bring forward concrete actions to City Council that address barriers and lay the foundation for meeting the Economic Development Policy.

One Newpark Project: Update Regarding Abandonment Fee [Kevin Spath, Assistant Director, Office of Economic Development]

Memorandum

DATE June 6, 2022

Honorable Members of the City Council Economic Development Committee: Tennell To Atkins, (Chair), Carolyn King Arnold, (Vice Chair), Adam McGough, Omar Narvaez, Jaime Resendez, Chad West, Gay Donnell Willis

SUBJECT One Newpark Project: Update Regarding City Abandonment Fee

On May 2, 2022, the Economic Development Committee (EDC) was briefed on the proposed One Newpark project. One Newpark ("Project"), a 38-floor, 1.3 million square foot mixed-use and mixed-income tower is proposed to be developed on approximately 1.7 acres of land currently used as surface parking lots just south of City Hall at the southeast corner of S. Akard Street and Canton Street. As part of the land assembly for the Project, One Newpark GP, LLC ("Developer") requested an abandonment of Browder Street between Canton Street and Cadiz Street.

As was described in the EDC briefing, the Office of Economic Development negotiated a detailed Letter of Intent ("LOI") that was executed by the Developer on February 11, 2022 for a development agreement and a subsidy in an amount not to exceed \$95,500,000.00 ("City Subsidy"). The City Subsidy was comprised of: 1) up to \$3,500,000.00 in the form of an economic development grant payable from the City's Public/Private Partnership Fund ("PPP Grant") to offset expenditures made by the Developer for City development fees such as right-of-way abandonment, permitting, plan review, and inspection fees; and 2) up to \$92,000,000.00 payable from future tax increment in the Newpark Sub-district of the Downtown Connection TIF District ("TIF Subsidy").

Since execution of the LOI and following the EDC meeting on May 2, 2022, the abandonment fee for Browder Street has increased by approximately \$600,000.00 based on an updated appraisal of the right-of-way received by the City on May 24, 2022. As a result, Staff is proposing to increase the PPP Grant portion of the City Subsidy from \$3.5 million to \$4.1 million to reflect the \$600,000.00 increase in the abandonment fee.

Staff is not proposing any changes to the TIF Subsidy. The requirement for full repayment of the PPP Grant from a portion of the TIF Subsidy also remains.

On June 22, 2022, City Council will consider two related items:

(1) hold a public hearing and consider approval of proposed amendments to the Project Plan and Reinvestment Zone Financing Plan ("Plan") for Tax Increment Reinvestment Zone Number Eleven, the Downtown Connection Tax Increment Financing ("TIF") District, and DATE

Authorize a development agreement and related documents in connection with University Hills Phase I Catalyst Project

[Kevin Spath, Assistant Director, Office of Economic Development]

Memorandum

DATE June 6, 2022

Honorable Members of the City Council Economic Development Committee: Tennell To Atkins, (Chair), Carolyn King Arnold, (Vice Chair), Adam McGough, Omar Narvaez, Jaime Resendez, Chad West, Gay Donnell Willis

SUBJECT University Hills Phase I Catalyst Project

BACKGROUND

University Hills Phase I ("Project") is the critical first step to the comprehensive development of the University Hills Sub-District of the University TIF District. Roughly bounded by I-20, Lancaster Road, and the DART rail line, the Sub-District includes vacant, undeveloped property of approximately 279 acres.

The Project will include horizontal infrastructure improvements necessary to support the vertical development of approximately 240 single-family attached townhomes, 300 single-family detached homes, 250 multi-family residential units, and 80,000 square feet of retail/office space.

I-20 Lancaster Development, LLC ("Developer") will complete the horizontal infrastructure improvements necessary to make the Phase I building pad sites shovel-ready, will construct or cause the construction of the multifamily units, and will cause other parties to complete the single-family and retail/office components.

The anticipated total cost of University Hills Phase I horizontal development, including costs expended to-date, which is approximately \$63,203,279, is comprised of the following: (i) land acquisition costs of approximately \$21,500,000; (ii) public infrastructure costs of approximately \$31,410,966; and (iii) private improvement costs of approximately \$10,292,313. The location of all Project components is geographically depicted on **Exhibit A** attached hereto.

INCENTIVE PROPOSAL

In consultation with the City's independent outside underwriter, staff has reviewed the Developer's incentive application and proposes the following incentives to support this catalytic project:

1. **TIF Subsidy**: Staff proposes a TIF Subsidy in an amount not to exceed \$31,410,966 plus an additional grant not to exceed 6% of this dedication.

SUBJECT

University Hills Phase I Catalyst Project

- Offset of Other Funds: If the Project is approved for funding from other sources such as Dallas Water Utilities or Coronavirus Local Fiscal Recovery Funds that partially offset the cost of the public infrastructure necessary and/or reduce the financial gap of the Project, the TIF Subsidy allocated to the Project will be reduced commensurately.
- Interest: Interest shall accrue beginning when all conditions to pay the TIF Subsidy are met including an audit of documentation supporting the request to begin payments. Such interest shall be compounded semi-annually based on the existing unpaid TIF Subsidy and shall cease to accrue under the development agreement when the unpaid balance, plus any previously accrued interest, is fully disbursed, or upon expiration of the term of the University TIF District as provided in the ordinance creating same, as may be amended.
- 2. <u>City Fee Reimbursement (PPP Grant)</u>: Additional funding up to \$2,800,000 will be made available in the form of a grant to offset the cost of City permit and inspection fees sourced from the City's Public/Private Partnership Program Fund.

TERMS OF INCENTIVES

City Fee Reimbursement (PPP Grant)

All permitting, plan review, and inspection fees incurred by Developer on or before December 31, 2026 in an amount not to exceed \$2,800,000.00 shall be reimbursed (PPP Grant) to Developer through City's Public/Private Partnership Program Fund. Such reimbursement request must be submitted no later than June 1, 2027.

TIF Subsidy

Developer will be eligible to begin receiving TIF Subsidy payments up to \$31,410,966 after satisfaction of the elements of this section and upon completion of the public infrastructure necessary for the Project. Materials deadlines and terms include:

- 1. <u>Purchase of Land</u>: On or before December 31, 2023, Developer shall provide evidence of the purchase of the entire 250+ acreage.
- Construction Funding: On or before December 31, 2023, Developer shall secure
 and provide evidence to the Director of the Office of Economic Development of
 construction funds or financing for the horizonal development of the Project.
- 3. <u>Minimum Investment</u>: On or before December 31, 2026, Developer must document a minimum investment of \$60,000,000 in the horizontal development of the Project.

University Hills Phase I Catalyst Project

- 4. <u>Environmental Remediation</u>: Developer shall perform all legally required environmental remediation and any demolition necessary to construct the Project by December 31, 2025.
- 5. <u>Site Work</u>: Developer shall perform all necessary site work to prepare the site for the infrastructure improvements necessary to support the planned vertical improvements included with the Project and obtain the City's written final acceptance of such work by December 31, 2025.
- 6. <u>Infrastructure Construction and Acceptance</u>: The Developer shall construct the infrastructure improvements necessary to support the planned vertical improvements included with the Project and obtain the City's written final acceptance of same by December 31, 2026.
- 7. <u>Design Guidelines for Vertical Construction</u>: By September 30, 2023, Developer shall submit traditional neighborhood design guidelines and/or a pattern book, for the development, for the University Hills Sub-District for review and approval by the City's Planning and Urban Design (PUD) staff. These specific guidelines, as special conditions for the University TIF District, will be incorporated into a set of master design guidelines to be adopted by the University TIF Board (as approved, the "Design Guidelines").
- 8. <u>Real Estate Covenants</u>: Developer shall establish covenants for all future vertical development in the Project. The set of covenants must be provided for review and approval by the Director by September 30, 2023. Once approved by Director, Developer must file the approved covenants in the real property records of Dallas County with Developer's filing of the final plat for the Project. Covenants shall address each of the following:
 - a. <u>Design Guidelines</u>: A requirement that future vertical construction in the University Hills Sub-district conform with the Design Guidelines.
 - b. <u>Affordable Housing</u>: Deed restrictions ensuring that multi-family developments built on the Project site will comply with the TIF program mixed-income housing requirements; that such units will be marketed pursuant to an Affirmative Fair Housing Marketing Plan approved by Director; and that multifamily developers building on the Project site will abide by the City's voucher related Ordinance 30246; as amended May 11, 2022.
 - c. <u>Homebuyer Assistance Program</u>: A requirement that for-sale home builders building homes on the Project site shall partner with the City to market and encourage home buyers to participate in the City's to-be-developed homebuyer assistance program for the University Hills Sub-district, which is anticipated to offer closing cost, down payment, and/or other financial assistance to certain income qualified households, as outlined in the

University Hills Phase I Catalyst Project

homebuyer assistance program statement to be approved by the Board. Homebuyer assistance funds will be funded from the first \$5,300,000 of District increment (less administrative costs), inclusive of the current cash balance. Staff estimates that the homebuyer assistance program will be fully funded in this amount by 2023, after which any additional homebuyer assistance would come only from the 10% affordable housing line item in the TIF District Project Plan and Financing Plan. The TIF Subsidy will be funded from increment accrued after the homebuyer assistance program is fully funded.

- 9. <u>Management Entity</u>: On or before December 31, 2025, Developer shall establish a homeowner's association, public improvement district, or other management entity acceptable to Director to ensure upkeep of common spaces including the green spaces and amenity center, and to provide additional security and other neighborhood services.
- 10. <u>Repayment Obligation</u>: Developer shall be eligible to begin receiving disbursement of the TIF Subsidy once each of the foregoing elements is documented as complete. Developer shall be liable for repayment of the TIF Subsidy (the "Repayment Obligation") until completion of the Minimum Vertical Related Items defined below. Such Repayment Obligation will be documented in a form approved by the Dallas City Attorney's Office, which may include deed restrictions, a deed of trust, or other documents. The Repayment Obligation may be forgiven as described below.
- 11. <u>Security</u>: Any deed of trust, deed restrictions, or other security documents required by the City Attorney's Office to secure the Repayment Obligation shall be executed by Developer simultaneously with the Agreement in a form approved by the City Attorney's Office. Such documents shall be recorded in the Real Property Records of Dallas County against Grantee's interests in the Property within fourteen (14) days of execution of the Agreement. Such documents shall be released upon expiration of and satisfaction of obligations under the Agreement, or upon Developer's sale of any portion of the property to an unaffiliated developer for completion of vertical construction. Such documents shall be subordinate to construction/permanent lenders during the term of this Agreement. Developer shall provide a title policy to the City prior to the execution of the Agreement.
- 12. <u>Vertical Requirements</u>: Developer shall complete the sale of all single-family lots and multi-family/commercial pad sites to developers acceptable to Director in his or her reasonable discretion, such approval not to be unreasonably withheld, by December 31, 2026. Developer shall (i) prepare and sell sites to third party builders for the construction of a minimum of 200 single-family attached townhomes, 250 single-family detached homes, and 30,000 square feet of non-residential space, and (ii) construct or cause the construction of 200 units of multi-family (the "Minimum Vertical Related Items"). All construction must be completed in

University Hills Phase I Catalyst Project

conformance with the Design Guidelines, covenants, affordable housing restrictions, and other requirements described above.

- 13. <u>Forgiveness of Repayment Obligation</u>: The Repayment Obligation will be forgiven in the following tranches, so long as Developer is otherwise in compliance with this Agreement:
 - a. Twenty-five percent upon the sale of 200 residential lots to third-party builders for construction of single-family attached townhomes, which sale must be completed no later than December 31, 2032
 - b. Twenty-five percent upon the sale of 250 lots to third-party builders sufficient for construction of single-family detached homes, which sale must be completed no later than December 31, 2032
 - c. Twenty-five percent upon the completion of construction of 200 units of multi-family residential evidenced by a certificate of occupancy or equivalent documentation received on or before December 31, 2032
 - d. Twenty-five percent upon the sale of land to a third-party builder sufficient for construction of at least 30,000 square feet of non-residential office or retail space, which sale must be completed no later than December 31, 2032
- 14. Operating and Maintenance Agreement: On or before December 31, 2025, the Developer shall execute and fund an Operating and Maintenance Agreement for all non-standard public infrastructure improvements associated with the Project. Compliance with the executed Operating and Maintenance Agreement shall be required of all future owners for the entire period (20 years) of the Operating and Maintenance Agreement. If Developer chooses to forgo the TIF Subsidy or defaults on its obligations, Developer shall remain responsible for the maintenance of the non-standard public improvements through the term of the Operating and Maintenance Agreement. Any assignment of Developer's maintenance obligations under the development agreement (and the Operating and Maintenance Agreement) to another entity (e.g., new property owner, public improvement district, or property owner's association) shall require the prior written approval of the Director of the Office of Economic Development. If additional non-standard public improvements are constructed after initial execution of the Operating and Maintenance Agreement, the agreement scope may be amended, or separate operating and maintenance agreements may be executed with other parties.
- 15. <u>Required Instruments</u>: Developer shall provide public access easements, deed restrictions, or other instruments required by the Director of the Office of Economic Development in a form acceptable to the City Attorney's Office if any street and utility infrastructure improvements as part of the Project remain privately owned in order to be considered for TIF funding.

University Hills Phase I Catalyst Project

- 16. <u>Parkland Dedication</u>: Developer shall comply with the City's Parkland Dedication Ordinance.
- 17. M/WBE Compliance: Developer shall make good faith efforts to comply with the City's Business Inclusion and Development ("BID") goal of 32% for certified minority/women-owned business enterprise (M/WBE) participation for the hard construction costs of the horizontal (infrastructure) component of the Project and meet all reporting requirements for each.
- 18. <u>Urban Design Peer Review Panel</u>: The Urban Design Peer Review Panel ("UDPRP") is an independent group of professional designers selected by the City Manager with expertise in architecture, landscape architecture, engineering, and urban planning. Developer shall be required to complete the UDPRP process for the overall conceptual master plan and the Project and respond to comments to the satisfaction of the City's Department of Planning and Urban Design (PUD) staff prior to execution of the TIF development agreement for the Project. Conformance with the approved design plans shall be a condition of TIF Subsidy payments. The Director of the Office of Economic Development may authorize minor modifications to the conceptual plans which may arise during the development process due to local, state, or federal regulatory requirements so long as the minor modifications are in substantial conformance with the spirit and intent of the UDPRP advice. Modifications to the conceptual plans, should the Director determine they are material, shall require review by the UDPRP. As the final step in the urban design process and prior to permit approval, Developer shall provide a set of permit drawings for the Project to the City's Department of Planning and Urban Design (PUD) for internal review and approval to ensure compliance with UDPRP recommendations and responses. The Planning and Urban Design Department shall complete the review of the permit drawings within ten (10) business days of Developer's submission. All future phases of development as illustrated in the conceptual master plan shall be required to undergo the UDPRP process to review conformance with the approved conceptual master plan.
- 19. <u>Modifications and Extensions</u>: The Director of the Office of Economic Development, after approval and recommendation of the TIF Board, may authorize minor modifications to the Project so long as they are consistent with the Plan's goals and the Design Guidelines, including extensions of the any of the Project deadlines up to 24 months.

This item has not yet been reviewed by the University TIF District Board of Directors. Staff is anticipating scheduling this item for consideration by the University TIF District Board of Directors in the next 10 days. This item will also be included on City Council's June 22, 2022 voting agenda for consideration.
