## **Summary**

- Comprehensive Housing Policy (CHP) includes the New Construction and Substantial Rehabilitation Program, which sets the policy the Housing & Neighborhood Revitalization Department (HNR) follows in funding and otherwise supporting the rehabilitation or new construction of 5 or more single-family homes.
- June 2019: City Council approved an amendment to the CHP to add the Land Transfer Program, which sets the criteria by which HNR may sell public land at below-market prices for the purpose of creating affordable housing.
- May 2019: HNR released a Single Family Notice of Funding Availability (NOFA). Purpose of the NOFA was to provide gap financing and low-cost land to incentivize private investment in the development of quality, sustainable, affordable housing.

The Honorable members of the Housing and Homeless Solutions Committee: Chad West, Chair, Casey Thomas, Vice-Chair, Carolyn King Arnold, Lee M. Kleinman, Paula Blackmon, Cara Mendelsohn, Jaime Resendez

Upcoming Agenda Item: Amendment to the Conditional Grant Agreement with Dallas SUBJECT Area Habitat for Humanity to reduce funding and the number of units in the Joppa Neighborhood Project

#### **Summary**

Authorize an amendment to the conditional grant agreement with Dallas Area Habitat for Humanity (1) to reduce the amount of funding from \$280,000.00 to \$240,000.00; and (2) to reduce the number of units to be constructed and sold from seven single family homes to six single family homes located on scattered sites in the Joppa Neighborhood area to allow the conclusion of the Joppa Neighborhood Project to occur based on Resolution Nos. 16-0845 and 18-0685.

#### **Background**

On May 25, 2016, City Council approved a loan agreement in the amount of \$440,000.00 in HOME Investment Partnership Program (HOME) funds and a conditional grant agreement in the amount of \$280,000.00 in 2012 General Obligation Bond (GO) Funds to pay for hard costs for the development of 18 single family houses located on scattered sites in the Joppa neighborhood with Dallas Area Habitat for Humanity (DAHFH). 11 homes would be built using HOME funds, while seven homes would be built using 2012 GO Bonds. Upon completion, DAHFH will have a 10-year deed restriction on each of the homes to maintain affordability with households up to 80 percent of area median family income.

In July 2017, DAHFH requested to swap one of the lots located at 4615 Luzon Street to 4611 Corregidor Street. The lot was zoned commercial and could not be used under the agreement for residential development. In March 2018, DAHFH requested an extension to the GO Bond conditional grant agreement to complete construction of the final house on Corregidor Street. On May 9, 2018, City Council authorized the first amendment to the conditional grant agreement to extend the conditional grant agreement completion date from May 25, 2018 to November 30, 2018 and to amend the agreement to include performance thresholds and requirements.

The City provided HOME funds and GO Bonds for gap financing for a portion of the construction costs for the 18 homes to be built out and sold. A lien has been placed on the properties and would be released on a partial basis as each unit is built out and sold to an eligible homebuyer. Estimated private leverage will be \$1,892,981.88.

DAHFH has completed construction and sold 17 of the 18 units. The 18th lot was switched from 4516 Luzon Street to 4611 Corregidor Street due to 4516 Luzon Street being zoned commercial. DAHFH has identified that 4611 Corregidor is in a flood plain and the costs of engineered plans and lot preparation were excessive, therefore, DAHFH will not be able to build on this lot.

Briefing by Memorandum: Consideration and Approval of the Sale of Land Banks Lots to FOCIS Holding Group, L.L.C., Open Mindframe Ventures LLC., and Marcer Construction Company, LLC. [David Noguera, Director, Department of Housing & Neighborhood Revitalization]

#### Memorandum

DATE March 20, 2020

The Honorable members of the Housing and Homeless Solutions Committee: Chad West, To Casey Thomas, Vice-Chair, Carolyn King Arnold, Lee M. Kleinman, Paula Blackmon Mendelsohn, Jaime Resendez

Consideration and Approval of the Sale of Land Bank Lots to FOCIS Holding SUBJECT Group, L.L.C., Open Mindframe Ventures LLC, and Marcer Construction Company, LLC

The purpose of this memorandum is to provide information on the proposed sale of Land Bank lots to three qualified participating developers.

#### **Summary**

The Dallas Urban Land Bank Demonstration Program (Land Bank), which is managed by the Dallas Housing Acquisition and Development Corporation (DHADC), currently has an inventory of 53 lots that are offered for sale.

Recently, the DHADC Board of Directors approved the sale of 35 Land Bank lots to three qualified participating developers. This memorandum provides an overview of how the developer proposal was evaluated and describes the development terms that will apply to each Land Bank lot that is approved for sale.

#### **Background**

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing development. The City Council designated the DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

In November 2019 and January 2020, three developers submitted proposals to purchase a collective total of 35 Land Bank lots. Land Bank staff evaluated the proposals pursuant to the standards set forth in the Land Bank application, which included determining whether the developers met the eligibility standards to be deemed a "Qualified Participating Developer" and underwriting the proposals. The proposals were determined to be "complete" and were assigned a score by Land Bank staff. Land Bank staff negotiated with the qualified participating developers regarding the terms of sale of the vacant lots as well as the terms related to the construction and subsequent sale of single-family housing on the vacant lots.

The Developer approved for 9 lots on January 16, 2020 by the DAHDC Board is Marcer Construction. Developer is a domestic limited liability corporation formed in Texas in 2003. The managing member is Raul Estrada. Developer has previously participated in the City's Land Bank Program and successfully completed the lot acquisition, development, and sale of eighteen (18) homes to income-qualified homebuyers on land bank lots. Past performance strongly suggests

Consideration and Approval of the Sale of Land Bank Lots to FOCIS Holding Group, L.L.C., Open Mindframe Ventures LLC, and Marcer Construction Company, LLC

that the Developer will continue to construct quality affordable housing units on the lots while meeting the requirements of the Land Bank Program.

The Developer approved for 8 lots on November 21, 2019 by the DAHDC Board is Open Mindframe Ventures. Developer is a domestic limited liability corporation formed in Texas in 2012. The managing member is Tiffany Dent. The Developer has partnered with Ergo Construction, LLC. The contracted homebuilder has over 10 years of experience building a mix of affordable and market rate homes in Dallas. This is the first Land Bank application from this Developer; however, the builder's current portfolio demonstrates the Developer's ability to successfully construct quality affordable housing units on the lots while meeting the requirements of the Land Bank Program and meeting the project timelines.

The Developer approved for 18 lots on November 21, 2019 by the DAHDC Board is FOCIS Holding Group. The Developer is a domestic limited liability corporation formed in Texas in 2016. The managing members are Calvin and Christopher LaMont. Developer has previously participated in the City's Land Bank Program and successfully completed the lot acquisition, development, and sale of nine (9) homes to income-qualified homebuyers on land bank lots. Past performance strongly suggests that the Developer will continue to construct quality affordable housing units on the lots while meeting the requirements of the Land Bank Program.

On November 21, 2019 and January 16, 2020, the DHADC Board of Directors approved the terms of sale and development, subject to City Council approval, for the 35 lots proposed to be sold to three qualified participating developers. The development terms applicable to each lot are as follows:

- Vacant Lot Sales Price: Attached as Exhibit A.
- **Single-Family Home Sales Price**: The sales price of the home cannot exceed the 2019 HUD HOME homeownership sales price for the Dallas, TX HUD Metro FMR Area and must be affordable based on the income of the targeted homebuyer.
- Targeted Income of Homebuyer: Attached as Exhibit A.
- **Construction Timeframe:** Developer must apply for a construction permit and close on any construction financing within three years of purchase from the Land Bank.
- Restrictive Covenants: Developer must: (1) sell each lot to a low-income household as specified in the applicable Exhibit A and (2) prior to the sale, must provide to DHADC written documentation of the income of the proposed purchaser and the sales price. After sale of the home, the property must be occupied as a low-income household's principal residence during the entire term of the affordability period.
- Affordability Period: Once the property is sold to a low-income household, it must be
  occupied as the household's principal place of residence for at least five years. If the
  original purchaser re-sells the property during the affordability period, the property may
  only be sold to another low-income household.
- Right of Reverter: Title to the property may revert to the DHADC if Developer does not apply for a construction permit and close on any construction financing within three years of purchase from the Land Bank.

#### Next Steps

Upon receiving Committee approval, staff will place this item on the next available City Council agenda.

DATE

March 20, 2020

SUBJECT

Consideration and Approval of the Sale of Land Bank Lots to FOCIS Holding Group, L.L.C., Open Mindframe Ventures LLC, and Marcer Construction Company, LLC

#### <u>Issues</u>

The Land Bank had not sold lots in the previous two fiscal years and, therefore, had not been able to assist the City in meeting its annual housing production goals of 3,733 affordable homeownership units and 2,933 affordable rental units. Furthermore, the Land Bank incurs costs related to maintaining any lots in its inventory. If the Committee does not approve forwarding to the City Council approval of the sale of the 35 vacant lots owned by DHDAC to the three Qualified Participating Developers, the Land Bank will be required to continue expending funds to maintain the unsold inventory.

#### **Fiscal Impact**

The City Council recently allocated \$1.5 million in bond funding to support the acquisition and disposition of unimproved tax foreclosed properties by the Land Bank. There is no additional fiscal impact.

#### **Departments/Committee Coordination**

The DHADC Board of Directors considered and approved the sale of Land Bank lots on November 21, 2019 and January 16, 2020.

#### **Staff Recommendation**

Staff recommends that the Economic Development and Housing Committee move this item forward to the City Council so that it may consider and approve of the sale of 35 vacant lots owned by DHDAC to the three Qualified Participating Developers pursuant to the terms of development set forth in this memorandum and as further described on Exhibit A.

Upcoming Agenda Item: Consideration and Approval of the Sale and Swap of Land Bank Lots to Camden Homes, L.L.C. and Confia Homes, L.L.C.

This memorandum serves to provide information on the proposed sale of Land Bank lots to two qualified participating developers.

#### <u>Summary</u>

The Dallas Urban Land Bank Demonstration Program (Land Bank), which is managed by the Dallas Housing Acquisition and Development Corporation (DHADC), currently has an inventory of 53 lots that are offered for sale.

Recently, the DHADC Board of Directors approved the swap and sale of 11 Land Bank lots to two qualified participating developers. This memorandum provides an overview of how the developer proposal was evaluated and describes the development terms that will apply to each Land Bank lot that is approved for sale.

#### **Background**

On June 18, 2003, Governor Perry signed the Urban Land Bank Demonstration Program Act. The Act allows the governing body of a municipality to adopt an Urban Land Bank Demonstration Program in which the officer charged with selling real property ordered sold pursuant to foreclosure of a tax lien may sell certain eligible real property by private sale to a land bank for the purpose of affordable housing development. The City Council designated the DHADC as its land bank for the purpose of acquiring, holding and transferring unimproved real property under Subtitle A, Title 12, Local Government Code, Chapter 379C on January 28, 2004.

In October 2019 and November 2019, two developers submitted proposals to swap and purchase a collective total of 11 Land Bank lots. Land Bank staff evaluated the proposals pursuant to the standards set forth in the Land Bank application, which included determining whether the developers met the eligibility standards to be deemed a "Qualified Participating Developer" and underwriting the proposals. The proposals were determined to be "complete" and were assigned a score by Land Bank staff. Land Bank staff negotiated with the qualified participating developers regarding the terms of sale of the vacant lots as well as the terms related to the construction and subsequent sale of single-family housing on the vacant lots.

The Developer approved for the swap of 2 lots and sale of 5 lots on October 17, 2019 by the DAHDC Board is Confia Homes LLC. Confia Homes, L.L.C. was organized in Texas in 2015 and the president of the organization is Ken Roberts. The Developer builds single-family homes in the Dallas area with a number of homes completed in West Dallas and Pleasant Grove. The Developer has previously participated in the Land Bank program and successfully completed the lot acquisition, development, and sale of twenty-two (22) homes to income qualified home buyers on Land Bank lots from 2016 to 2019. Past performance strongly suggests that the Developer will continue to construct quality affordable housing units on Land Bank lots while meeting the

requirements of the Land Bank Program. The proposal requested a swap of 2 previously purchased Land Bank lots. Developer is permitted to swap a previously purchased Land Bank lot with another property owned by DHADC, if DHADC determines, in its sole discretion, that (1) Developer timely made the request, as determined in the sole discretion of the Director, and (2) the cost of development for the affordable housing use on the property is prohibitively expensive. In such instances, the Developer must submit a proposal for the new property in accordance with the current Land Bank Program application process.

The Developer approved for the swap of 3 lots and sale of 1 lot on November 21, 2019 by the DAHDC Board is Camden Homes LLC. Developer is a domestic limited liability corporation formed in Texas in 1998. The managing members are MT Akhavizadeh and Simmie Cooper. The Developer has previously participated in the City's Land Bank Program and successfully completed the lot acquisition, development, and sale of fifteen (15) homes to income-qualified homebuyers on land bank lots. Past performance strongly suggests that the Developer will continue to construct quality affordable housing units on the lots while meeting the requirements of the Land Bank Program. The proposal requested a swap of 3 previously purchased Land Bank lots. Developer is permitted to swap a previously purchased Land Bank lot with another property owned by DHADC, if DHADC determines, in its sole discretion, that (1) Developer timely made the request, as determined in the sole discretion of the Director, and (2) the cost of development for the affordable housing use on the property is prohibitively expensive. In such instances, the Developer must submit a proposal for the new property in accordance with the current Land Bank Program application process.

On October 17, 2019 and November 21, 2019, the DHADC Board of Directors approved the terms of sale and development, subject to City Council approval, for the 11 lots proposed to be sold to two qualified participating developers. The development terms applicable to each lot are as follows:

- Vacant Lot Sales Price: Attached as Exhibit A.
- **Single-Family Home Sales Price**: The sales price of the home cannot exceed the 2019 HUD HOME homeownership sales price for the Dallas, TX HUD Metro FMR Area and must be affordable based on the income of the targeted homebuyer.
- Targeted Income of Homebuyer: Attached as Exhibit A.
- **Construction Timeframe:** Developer must apply for a construction permit and close on any construction financing within three years of purchase from the Land Bank.
- Restrictive Covenants: Developer must: (1) sell each lot to a low-income household as specified in the applicable Exhibit A and (2) prior to the sale, must provide to DHADC written documentation of the income of the proposed purchaser and the sales price. After sale of the home, the property must be occupied as a low-income household's principal residence during the entire term of the affordability period.
- Affordability Period: Once the property is sold to a low-income household, it must be
  occupied as the household's principal place of residence for at least five years. If the
  original purchaser re-sells the property during the affordability period, the property may
  only be sold to another low-income household.
- Right of Reverter: Title to the property may revert to the DHADC if Developer does not apply for a construction permit and close on any construction financing within three years of purchase from the Land Bank.

#### **Next Steps**

Upon receiving Committee approval, staff will place this item on the next available City Council agenda.

#### <u>Issues</u>

The Land Bank had not sold lots in the previous two fiscal years and, therefore, had not been able to assist the City in meeting its annual housing production goals of 3,733 affordable homeownership units and 2,933 affordable rental units. Furthermore, the Land Bank incurs costs related to maintaining any lots in its inventory. If the Committee does not approve forwarding to the City Council approval of the sale of the 11 vacant lots owned by DHDAC to the two Qualified Participating Developers, the Land Bank will be required to continue expending funds to maintain the unsold inventory.

#### **Fiscal Impact**

The City Council recently allocated \$1.5 million in bond funding to support the acquisition and disposition of unimproved tax foreclosed properties by the Land Bank. There is no additional fiscal impact.

#### **Departments/Committee Coordination**

The DHADC Board of Directors considered and approved the sale of Land Bank lots on October 17, 2019 and November 21, 2019.

#### **Staff Recommendation**

Staff recommends that the Economic Development and Housing Committee move this item forward to the City Council so that it may consider and approve of the sale of 35 vacant lots owned by DHDAC to the three Qualified Participating Developers pursuant to the terms of development set forth in this memorandum and as further described on Exhibit A.

Honorable Members of the Housing and Homelessness Solutions Committee:
Chad West (Chair), Casey Thomas, II (Vice Chair), Carolyn King Arnold, Paula Blackmon, Lee Kleinman, Cara Mendelsohn, Jamie Resendez

#### **SUBJECT Citizen Homelessness Commission Subcommittees**

#### **Background**

The Citizen Homelessness Commission (CHC) was created by Chapter 2, Section 2-147 through 2-149 of the Dallas City Code. The purpose of the commission is to:

"assure participation from and inclusion of all stakeholders, including those with past or present experience with homelessness. In order to develop policy recommendations to ensure alignment of city services with regional services to enhance efficiency, quality and effectiveness of the community-wide response to homelessness." (Sec 2-147)

Additionally, Chapter 8-1.1 of the Dallas City Code requires that Boards and Commissions provide reports to the City Council annually which include "a list of objectives and programs for the coming year including revised goals". (SubSec (a)(5)).

#### Actions Taken

In order to effectively fulfill the Commissions' purpose and reporting requirements, Commissioners voted unanimously at the March 9<sup>th</sup> meeting to create three committees which will work alongside staff to develop actionable plans and budgets that fulfill the priorities set by the City Council.

#### The three committees are:

- Strategic Planning/Homeless Response System Committee
- Budget and Capital Investment Committee
- Contracts and Compliance Committee

#### Committee assignments are:

Strategic Planning/Homeless Response System Committee:

Titia Owens, Chair Brandon Vance Amy Dessler Jennifer Snow

Budget and Capital Investment Committee:

David King, Chair John Shellene Kevin Cooper Christian Marquez

#### **SUBJECT** Citizen Homelessness Commission Subcommittees

Contracts and Compliance Committee:
Alan Tallis, Chair
Josh Cogan
Linda Garner

#### **Next Steps**

Staff supports the decision by the CHC to create each new committee and will assist the CHC in scheduling and presenting information at each of the committee meetings.

OHS staff will work closely with each new committee and will include the feedback and input of each into program development and operations. OHS will also provide the membership of the Housing and Homelessness Solutions Committee with regular updates on the initiatives developed through this new structure.

If you have any questions, please feel free to contact me.
