**REPRESENTATIVE:** Peter Kavanagh, Zone Systems, Inc.

**OWNER:** Progresso Farms, LLC

**APPLICANT:** JMV Transport Corp.

**REQUEST:** An application for 1) a CS Commercial Service District on property zoned Subdistrict 2 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2, partially within a D-1 Liquor Control Overlay, and an R-7.5(A) Single Family District; and 2) the termination of deed restrictions [Z889-170] on property zoned a CS Commercial Service District.

**SUMMARY:** The purpose of the request is to develop the site with a freight terminal.

**CPC RECOMMENDATION:** 1) **Denial without prejudice** of a CS Commercial Service District; and 2) **denial without prejudice** of the termination of deed restrictions [Z889-170]

**STAFF RECOMMENDATION:** **Approval** of the portion of the area of request currently zoned Subdistrict 2 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2, with a D-1 Liquor Control Overlay; and **denial** of the termination of deed restrictions [Z889-170] on property zoned a CS Commercial Service District.

## **BACKGROUND INFORMATION:**

- The area of request is currently undeveloped. The majority of the area of request was previously used as a manufactured building sales lot.
- The applicant proposes to develop the site with a freight terminal. The site will include a building for offices and truck maintenance, as well as storage of trucks.
- The portion of the request area currently zoned a CS District has deed restrictions that prohibit all uses on the property except mobile home and recreational vehicle sales (Z889-170). The applicant proposes to terminate these deed restrictions as part of the request, as they restrict the proposed development of the property.
- Since the City Plan Commission hearing on November 4, 2021, the applicant has amended their area of request to remove the portion currently zoned an R-7.5(A) Single Family District. In addition to the request for terminating the existing deed restrictions, the applicant has volunteered new deed restrictions that would apply to the amended area of request. These restrictions would require the following:
  - A fence along the western boundary of the amended request area
  - Driveways are prohibited from Big Oaks Drive
  - A low-rise barrier a minimum of six feet from the required fence to prohibit vehicular access to the fence
  - A landscape height that grows to a height of eight feet on the outside of the required fence

## **Zoning History:**

There have been two zoning cases in the area in the past five years.

1. **Z201-171:** On January 14, 2021, an application was submitted for 1) a new subdistrict; and 2) a Specific Use Permit for commercial motor vehicle parking on property zoned Subdistrict 1 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2, with a D-1 Liquor Control Overlay. The application is currently under review by staff.
2. **Z201-244:** On September 2, 2021, City Plan Commission recommend approval of an application for a Specific Use Permit for vehicle or engine repair or maintenance for a three-year period, subject to a site plan and conditions, on property zoned Subdistrict 1 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2, with a D-1 Liquor Control Overlay at the northeast corner of San Marino Avenue and Turin Avenue.

**Thoroughfares/Streets:**

Big Oaks Drive	Local Street	-

**Traffic:**

The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

### Land Use:

	Zoning	Land Use
<b>Site</b>	Subdistrict 2 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2; Subdistrict 2 within PD 534 with a D-1 Liquor Control Overlay; R-7.5(A) Single Family District	Undeveloped
<b>North</b>	Subdistrict 1 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2, with a D-1 Liquor Control Overlay	Auto service center; vehicle display, sales, and service
<b>East</b>	Subdistrict 2A within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2, with a D-1 Liquor Control Overlay with SUP 1968 for an office showroom/warehouse	Warehouse, office showroom/warehouse
<b>South</b>	R-7.5(A) Single Family District	Single family
<b>West</b>	Subdistrict 3 within Planned Development District No. 534, the C.F. Hawn Special Purpose District No. 2; R-7.5(A) Single Family District	Outside salvage or reclamation, single family, undeveloped

### Land Use Compatibility:

The area of request is currently undeveloped. North of the request area across C.F. Hawn Freeway is an auto service center as well as a vehicle display, sales, and service use. To the east is a warehouse, and to the west is an outside salvage or reclamation use. There

are also single family uses to the west of the request area, further away from the freeway. South of the area of request are more single family uses.

The area of request currently has a mix of zoning designations. The majority of the request area that fronts C.F. Hawn Freeway is zoned Subdistrict 2 within PD 534 with a D-1 Overlay. There is also a parcel at the southeast corner of C.F. Hawn Freeway and Big Oaks Drive zoned Subdistrict 2 within PD 534, without a D-1 Overlay.

Immediately south of this parcel along Big Oaks Drive is property zoned a CS District with deed restrictions that prohibit all uses on the property except mobile home and recreational vehicle sales (Z889-170). These existing deed restrictions also prohibit vehicular access to the property from Big Oaks Drive, require an eight-foot solid privacy fence adjacent to Big Oaks Drive, restrict the height of light fixtures and light poles to a maximum of 20 feet, and restrict the height of structures to a maximum of 20 feet. The applicant proposes to terminate these deed restrictions as part of the request, as they restrict the proposed development of the property.

The remainder of the area of request is zoned an R-7.5(A) District. This portion of the request area has substantial tree coverage, as well as existing floodplain in the southwest corner.

The applicant's request is to apply a CS District to the entire area. Staff has several concerns with this request. Staff does not support the rezoning of the portion zoned an R-7.5(A) District because of its adjacency to established residential areas. Staff believes the heavier commercial use would not be compatible with these surrounding residential uses. Additionally, staff does not support the rezoning of any property with frontage on Big Oaks Drive, as this is largely a residential street leading to the existing single-family homes along Royal Drive. While site issues such as tree preservation and floodplain can be addressed at permitting, it is also important to note that the entire area of request has extensive tree vegetation as well as floodplain.

Staff supports the rezoning of the portion of the request area currently zoned Subdistrict 2 within PD 534 with a D-1 Overlay. This portion has direct access to C.F. Hawn Freeway, which is an established truck route that will benefit the applicant's proposed development. Staff's recommendation is also in line with the established land use pattern along this section of C.F. Hawn Freeway, which generally shows more intense commercial development immediately abutting the freeway and less intense residential development further away from the freeway.

The applicant's request also includes the termination of deed restrictions that apply to the portion currently zoned a CS District, which has frontage onto Big Oaks Drive. Among other things, these deed restrictions prohibit all uses on the property except mobile home and recreational vehicle sales and prohibit vehicular access to the property from Big Oaks Drive.

However, staff does not support the applicant's proposed termination of deed restrictions that apply to the portion of the request area currently zoned a CS District because these deed restrictions lie outside the boundaries of the portion of which staff is recommending approval. Staff believes these deed restrictions should remain in effect until such time as this property is developed with uses other than mobile home and recreational vehicle sales.

### **Landscaping:**

Landscaping will be provided in accordance with the landscaping requirements in Article X, as amended.

### **Parking:**

Pursuant to the Dallas Development Code, the off-street parking requirement for a freight terminal is one space per 1,000 square feet of floor area. If the applicant proceeds to develop the site with the proposed freight terminal use, they will be required to adhere to this parking ratio.

### **Market Value Analysis:**

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is not located within an MVA cluster. To the west and south are “H” MVA clusters. Further north of the request area is an “I” MVA cluster.
