SECTION 1. That pursuant to the requirements of the Act, the City Council, after reviewing the proposed 2023 Service Plan and the proposed 2022 Assessment Plan for the Dallas Tourism Public Improvement District (the District), will consider approval of the final 2023 Service Plan and 2022 Assessment Plan, subject to the public hearing on August 24, 2022.

The City Council makes the following findings concerning the Service Plan for the District:

- (a) Advisability of the Services Proposed for the District.** The District promotes the interests of the City and confers a special benefit to the property within its boundaries and it is advisable to continue the District and to provide the services and improvements described in this resolution.
- (b) Nature of the Services and Improvements.** The purpose of the District will continue to be to enhance services, undertake certain improvements, in particular, special supplemental services relating to District marketing, business recruitment, and promotional activities authorized by the Act for improvement and promotion of the District, including the provision of incentives by contractual agreement with VisitDallas to organizations to encourage them to bring their large and city-wide meetings to Dallas and to fund additional marketing by contractual agreement with VisitDallas to increase hotel stays within the City. The District will continue to supplement and enhance services within the area of assessment.
- (c) Estimated Cost of the Services and Improvements.** During the next five-year period, the estimated annual cost of the improvements and services provided by the District is expected to range from a low of \$19,887,000.00 in 2023 and to a high of \$26,111,000.00 in 2027. The total estimated net assessments to be collected during the next five-year period is approximately \$116,158,000.00. The District shall incur no bonded indebtedness.

SECTION 1. (continued)

(d) Boundaries. The boundaries of the District are located within the City of Dallas, Dallas County, Texas and City of Dallas, Collin County, Texas. The boundaries of the District are attached to the resolution as shown in **Exhibit A** and shall solely include non-contiguous hotel properties with 100 or more rooms within the city of Dallas as shown on the attached list marked **Exhibit A-1**.

(e) Method of Assessment. The District assessment will be levied on hotels with 100 or more rooms ("qualifying hotels") located within the District. The proposed cost of the services and improvements to be provided shall be assessed in a manner that results in imposing equal shares of the cost of the services qualifying on hotels that are similarly benefitted. Under the Act, the apportionment of the cost of the services against property in the District territory must be made on the basis of special benefits accruing to the property because of the services and improvements provided. The total cost of the services and improvements to be provided shall be apportioned at a rate of 2 percent of room-nights sold at qualifying hotels located within the District territory until the collective total budget for the renewal period is reached. Accordingly, those qualifying hotels that sell more rooms will pay a greater portion of the assessment since those properties benefit more from the promotion and marketing services provided by the District. Rooms that are not subject to the City's hotel occupancy tax shall not be included for the District assessment. The total assessment must be reviewed and approved annually by the Dallas City Council. The future cost of services and improvements that are budgeted in the FY 2022-23 Service Plan may be increased in amounts indicated in subsequent Service Plans, beyond the amount shown subject to an enhancement in value of property in the District and a corresponding increase in the services and improvements to be provided, and subject to the limitations on the assessment per occupied room and the aggregate amount approved in the petition.

(f) Apportionment of costs between the District and the Municipality as a Whole.

The District shall continue to pay the cost of the supplemental services described in the Service Plan by assessment against the hotels with 100 or more rooms within the District, including City-owned qualifying hotels located within the District territory, such as the Omni Hotel.

SECTION 2. That the facts and recitations contained in the preamble of this resolution are hereby found and declared to be true and correct.

SECTION 4. That notice of such public hearing shall be published in the official newspaper of the City of Dallas and mailed to the property owners in the District before the 10th day before the public hearing.
