SUBJECT **August 10, 2022, City Council Agenda Item #50; 22-1563 Service Contract with Streamline Automation Systems, LLC for the Fire-Rescue Department**

The following agenda item is scheduled to go before City Council on August 10, 2022.

Agenda Item #50; 22-1563

Authorize Supplemental Agreement No. 4 to the service contract with Streamline Automation Systems, LLC for hosting, maintenance, and support of the existing fire inspection system for the Fire-Rescue Department managed by the Department of Information and Technology Services - Not to exceed \$558,225, from \$1,262,087 to \$1,820,312 -Financing: Data Services Fund (subject to annual appropriations)

Background

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This Supplemental Agreement will provide for continued hosting, maintenance, and support of the existing fire inspection system for the Fire-Rescue Department (DFR) managed by the Department of Information and Technology Services. The web-based fire inspection system allows DFR personnel to utilize one system to monitor, update, and perform day-to-day activities related to the following:

- Performance of fire code inspections
- Acceptance testing of life safety systems necessary to ensure safety for building occupants
- Tactical information related to occupancy or location including but not limited to hazardous materials and/or special needs residency which is vital to field personnel when dispatched to an incident
- Enforcement of Dallas' Fire Code to prevent fires.

This agreement provides maintenance and support which includes software updates, 24/7 technical support, conduction of preventative maintenance checkups, and on-site technicians when needed. This system also allows for the streamlining of information related to staff utilization, statistical reporting, and interactions with other City Departments.
