WORKFORCE

DALLAS

Dallas-Fort Worth is poised to dominate America's heartland.

Dallas is an economic powerhouse. With a diverse business sector that anchors the fourth-largest metropolitan region in the United States, Dallas is primed for even greater job growth in the years ahead.

Unequal Opportunities.

Amid much success, though, DFW is struggling to forge greater economic vitality in its vast left-behind areas. Stark divisions created by longstanding inequities — the digital divide, access to childcare, and educational opportunities — have become even clearer.

When considering the economy, the ever-increasing mismatches between the workforce and the skill need of employers threaten the city's growth. This mismatch between available jobs and workers threatens to leave behind under skilled workers and strand entire communities in a deep and dark sea of poverty.

Current Workforce By The Numbers.

Working-age adults make up
over 35% of the City of
Dallas population

Jobs held by Hispanic
workers represent
over 40% of the jobs
facing high
automation risk

More than 30% of all
households headed by
single women are below the
poverty line, increasing to
more than 40% if a woman
has children.

40% of households in
Dallas are low income, with
the greatest disparities
among minority groups
including Black, Hispanic,
and female-led
households.

Our Vision.

Workforce Dallas aims to become the leading direct service non-profit serving working adults (age 25-64) – a one-stop program for upskilling, job placements and support services.

A collaborative focus on upskilling that creates greater earning opportunities for people of color, help break generational cycles of poverty and help Dallas and its citizens meet their full economic potential.

Engage corporate partners and curate an ever-growing inventory of upskilling opportunities and higher-paying jobs

Work with local colleges, universities, technical schools, and non-profit organization to expand upskilling opportunities, ensuring accessibility.

Create a proprietary software system and pathway that engages prospective upskillers and workers, that matches them with available job opportunities.

Provide critical, one-on-one support via personal “navigators” to mentor and provide a support network to workers and families who are transitioning to higher-paying jobs

6 Pillars of Success.

Workforce Dallas will bring a holistic, hands-on approach to workforce development – a people-focused cause that can not only change lives and stabilize families, but also change the future trajectory of our city and county. To that end we have developed these 6 pillars to ensure our success.

 **Reducing barriers to upskilling**

 **Identify geographic hotspots for upskilling**

 **Identify & nurture upskilling growth industries**

 **Interlocal agreements & partnerships**

 **Job-matching tech solutions**

 **Comprehensive outreach**

Collective Impact Approach.

We understand this work can't be done alone therefore we have recruited a host of training, education, non profit, and employment partners to uplift this work.

Memorandum

CITY OF DALLAS

DATE August 5, 2022

TO Honorable Mayor and Members of the City Council

SUBJECT **WEE Committee & Racial Equity Plan**

Dear Honorable Mayor and City Council Members:

On August 3, 2022, the Office of Equity and Inclusion (OEI) provided the City Council a briefing of the Racial Equity Plan's (REP).

During the August 3rd briefing, Workforce, Education and Equity (WEE) Committee Chair Schultz invited City Council Members to attend the Monday, August 8, 2022, WEE Committee to share any additional insight surrounding the REP Action Targets and Department Progress Measures. This memo is a follow-up to that request.

The City's Workforce, Education and Equity Committee laid out a visionary statement that the City of Dallas would become the most equitable city in the nation. Big Audacious Goals, Action Targets and Department Progress Measures were developed throughout the working sessions with City departments and community members, businesses, non-profits and other stakeholders.

Big Audacious Goals (BAGs) are a part of the Plan's collective commitment to establish equity in the City of Dallas over the next 15 to 20 years. The BAGs are broader mid- to longer-term equity goals that include Action Targets across several departments to achieve transformative impact.

Department Progress Measures (DPMs) in alignment with the BAGs, DPMs are categorized as the City's short and mid-term equity measures that departments will operationalize to address disparities.

The REP is scheduled for City Council adoption on August 24, 2022. In preparation OEI staff will be available to capture the feedback provided at the Monday, August 8, 2022, WEE committee meeting.

Should you have any questions or concerns, please do not hesitate to contact me or Dr. Lindsey Wilson, Director of the Office of Equity and Inclusion, at lindsey.wilson@dallas.gov

CITY OF DALLAS

DATE August 5, 2022

TO Honorable Members of Workforce, Education, & Equity Committee

SUBJECT **Workforce, Education, & Equity Committee Priorities**

Workforce, Education, and Equity (WEE) Committee members,

We have the unique and challenging task among the Council Committees to assist the City in advancing equity and inclusion across city departments to ensure strong futures for every Dallas resident.

We were all briefed on the historic, first City of Dallas Racial Equity Plan that is planned to be voted on at full Council on August 24, 2022. This work has been some of the most important work that I as a Council Member have worked on and will have lasting effects that transcend our service time with the City.

Recently, I provided an update to Mayor Johnson on the 6 WEE Committee priorities he established for the 2022-23 year. Attached to this memo you can find a table providing updates on all the priorities and the next steps to continue moving them forward.

I would appreciate receiving your input on the work we have advanced thus far in the WEE Committee and those efforts you are interested in advancing in the new fiscal year so we can begin the process of forecasting.

Here is some material and data that can continue to inform the work that lies ahead.

The City's FreshStart is one of two national efforts implemented to address workforce gaps within municipalities to increase opportunities for underserved and unemployed diverse populations. The program is designed to provide justice-impacted individuals with the opportunity to apply for eligible unfilled positions within the City of Dallas. The diversity dashboard was created to provide monthly updates related to departmental FreshStart hires, separations, and promotions. This data would be useful in the strategic guidance for the current racial equity initiatives, community safety and crime reduction analysis, and driving models for private public partnerships to address workforce issues. Skilled Immigrant Integration Program has collaborated with the city to enhance local workforce development systems, engage employers in recognizing and leveraging skilled immigrant talent, and identifying levers in higher education system to support skilled immigrant immigrants in professional and academic pathways.</p> <p>Next Steps: City is part of a municipal reentry cohort to share and gain promising practices to effectively work with justice-impacted residents. We are looking at issues such as housing, employment, and civic engagement opportunities. We plan to brief WEE committee in Fall 2022. Also seek Council input on the possible development of a Day Labor Center in strategic areas.</p>	<p>Small Business Center, Joyce Williams</p>
