General Information

The Dallas City Council regularly meets on Wednesdays beginning at 9:00 a.m. in the Council Chambers, 6th floor, City Hall, 1500 Marilla. Council agenda meetings are broadcast live on WRR-FM radio (101.1 FM) and on Time Warner City Cable Channel 16. Briefing meetings are held the first and third Wednesdays of each month. Council agenda (voting) meetings are held on the second and fourth Wednesdays. Anyone wishing to speak at a meeting should sign up with the City Secretary's Office by calling (214) 670-3738 by 5:00 p.m. of the last regular business day preceding the meeting. Citizens can find out the name of their representative and their voting district by calling the City Secretary's Office.

Sign interpreters are available upon request with a 48-hour advance notice by calling (214) 670-5208 V/TDD. The City of Dallas is committed to compliance with the Americans with Disabilities Act. **The Council agenda is available in alternative formats upon request.**

If you have any questions about this agenda or comments or complaints about city services, call 311.

Rules of Courtesy

City Council meetings bring together citizens of many varied interests and ideas. To insure fairness and orderly meetings, the Council has adopted rules of courtesy which apply to all members of the Council, administrative staff, news media, citizens and visitors. These procedures provide:

- That no one shall delay or interrupt the proceedings, or refuse to obey the orders of the presiding officer.
- All persons should refrain from private conversation, eating, drinking and smoking while in the Council Chamber.
- Posters or placards must remain outside the Council Chamber.
- No cellular phones or audible beepers allowed in Council Chamber while City Council is in session.

"Citizens and other visitors attending City Council meetings shall observe the same rules of propriety, decorum and good conduct applicable to members of the City Council. Any person making personal, impertinent, profane or slanderous remarks or who becomes boisterous while addressing the City Council or while

Información General

El Ayuntamiento de la Ciudad de Dallas se reúne regularmente los miércoles en la Cámara del Ayuntamiento en el sexto piso de la Alcaldía, 1500 Marilla, a las 9 de la mañana. Las reuniones informativas se llevan a cabo el primer y tercer miércoles del mes. Estas audiencias se transmiten en vivo por la estación de radio WRR-FM 101.1 y por cablevisión en la estación *Time Warner City Cable* Canal 16. El Ayuntamiento Municipal se reúne en el segundo y cuarto miércoles del mes para tratar asuntos presentados de manera oficial en la agenda para su aprobación. Toda persona que desee hablar durante la asamblea del Ayuntamiento, debe inscribirse llamando a la Secretaría Municipal al teléfono (214) 670-3738, antes de las 5:00 pm del último día hábil anterior a la reunión. Para enterarse del nombre de su representante en el Ayuntamiento Municipal y el distrito donde usted puede votar, favor de llamar a la Secretaría Municipal.

Intérpretes para personas con impedimentos auditivos están disponibles si lo solicita con 48 horas de anticipación llamando al (214) 670-5208 (aparato auditivo V/TDD). La Ciudad de Dallas se esfuerza por cumplir con el decreto que protege a las personas con impedimentos, *Americans with Disabilities Act*. **La agenda del Ayuntamiento está disponible en formatos alternos si lo solicita.**

Si tiene preguntas sobre esta agenda, o si desea hacer comentarios o presentar quejas con respecto a servicios de la Ciudad, llame al 311.

Reglas de Cortesía

Las asambleas del Ayuntamiento Municipal reúnen a ciudadanos de diversos intereses e ideologías. Para asegurar la imparcialidad y el orden durante las asambleas, el Ayuntamiento ha adoptado ciertas reglas de cortesía que aplican a todos los miembros del Ayuntamiento, al personal administrativo, personal de los medios de comunicación, a los ciudadanos, y a visitantes. Estos reglamentos establecen lo siguiente:

- Ninguna persona retrasará o interrumpirá los procedimientos, o se negará a obedecer las órdenes del oficial que preside la asamblea.
- Todas las personas deben abstenerse de entablar conversaciones, comer, beber y fumar dentro de la cámara del Ayuntamiento.
- Anuncios y pancartas deben permanecer fuera de la cámara del Ayuntamiento.
- No se permite usar teléfonos celulares o enlaces electrónicos (*paggers*) audibles en la cámara del Ayuntamiento durante audiencias del Ayuntamiento Municipal

"Los ciudadanos y visitantes presentes durante las

attending the City Council meeting shall be removed from the room if the sergeant-at-arms is so directed by the presiding officer, and the person shall be barred from further audience before the City Council during that session of the City Council. If the presiding officer fails to act, any member of the City Council may move to require enforcement of the rules, and the affirmative vote of a majority of the City Council shall require the presiding officer to act." Section 3.3(c) of the City Council Rules of Procedure.

asambleas del Ayuntamiento Municipal deben de obedecer las mismas reglas de comportamiento, decoro y buena conducta que se aplican a los miembros del Ayuntamiento Municipal. Cualquier persona que haga comentarios impertinentes, utilice vocabulario obsceno o difamatorio, o que al dirigirse al Ayuntamiento lo haga en forma escandalosa, o si causa disturbio durante la asamblea del Ayuntamiento Municipal, será expulsada de la cámara si el oficial que este presidiendo la asamblea así lo ordena. Además, se le prohibirá continuar participando en la audiencia ante el Ayuntamiento Municipal. Si el oficial que preside la asamblea no toma acción, cualquier otro miembro del Ayuntamiento Municipal puede tomar medidas para hacer cumplir las reglas establecidas, y el voto afirmativo de la mayoría del Ayuntamiento Municipal precisara al oficial que este presidiendo la sesión a tomar acción." Según la sección 3.3 (c) de las reglas de procedimientos del Ayuntamiento.

Crime Plan – Next Steps

- Place Network Investigations Team
 - Internal DPD team that targets criminal networks with the goal of reducing violent crime (e.g., gang violence)
 - 2 locations are now PNI locations, and our team is actively working the locations daily
- Phase 5 Grids – July 9, 2022
 - Deployed 50 grids after evaluation of Phase 4 deployment in violent crime hot spots
- Focused Deterrence
 - A holistic, resource-intensive process involving multiple law enforcement and community partners
 - The long-term strategy will build upon early plan components, which works collectively to reduce violent crime and lays the groundwork for long-term change

Public Safety Items for Consideration in Legislative Program for the 88th Session of the Texas Legislature

**Public Safety Committee
August 8, 2022**

Lt. Julio Gonzalez
Legislative Affairs Coordinator
Dallas Police Department
City of Dallas

Presentation Overview

- Purpose
- Review Legislative Priorities
- Next Steps

Purpose

- Review legislative program priorities relating to public safety;
- Discuss any additional input / updated priorities from city council and staff; and
- Discuss recommendations to finalize the city's proposed legislative program for the 88th Session of the Texas Legislature.

Court & Detention Services

- Local Government Code, Sec. 343.002.
 - The employment, training, equipping, and location of school crossing guards by a political subdivision is a governmental function
- Legislative request
 - Remove and/or share the responsibility from municipalities with a population over 850,000 to supply school crossing guards/equipment.
 - Create additional funding mechanisms to off-set the costs of providing crossing guards at public, parochial, and private elementary or secondary schools
 - It is a large burden for municipalities such as Dallas who provides over 400 crossing guards to Catholic, Charter and 8 Independent School Districts in the city
- Costs associated are over \$5 million annually

Dallas Fire Rescue

- State legislation for auto makers to prioritize the production of vehicles for public safety
 - Current build times are longer than 18 months up to two and a half years
 - DFR and DPD have struggled to find available chassis and vehicles for fleet replacement
 - The longer it takes to secure chassis, the build times are increasing
 - DFR is looking to partner with other fire and police departments in the State of Texas to see if legislation could be created to require vehicle manufacturers to prioritize the building of chassis specifically for public safety entities. These emergency vehicles are vital to our emergency response and condition of our reserve fleet

Dallas Police Department

- School hardening/school safety-Mandated joint active-shooter exercises between local and school police
- Expansion of Monica's Law for the statewide protective order database to include felony family violence convictions
- Statewide History of Policing Course through TCOLE
- Amend Texas Occupations Code to include Reflexology businesses as massage parlors

Dallas Police Department (Continued)

- Explore state and federal grant funding opportunities for the new police academy, body-worn cameras, and additional Flock/surveillance cameras

Integrated Public Safety Solutions

- Compel HHSC to allow persons with Criminal Justice Information System credentials access to CARE system administered by Local Mental Health Authorities
- Mandate reasonable crime prevention measures for new multi-family properties/when a multifamily property changes ownership
- Expand ability of jurisdictions to remediate vacant and dilapidated structures in high crime areas after notice is provided to the property owner
- Increase funding for Crisis Intervention Programs
- Develop, minimum 120-hour, Civilian Crisis Intervention Responder Curriculum through TCOLE

Next Steps

- Discuss current and proposed priorities collected from Councilmembers and city staff.
- Council consideration of proposed legislative program for the 88th Session of the Texas Legislature at an upcoming council meeting – TBD.

SUBJECT **EMS Quality Management Report**

In the ongoing effort to provide excellent service delivery to the citizens of Dallas, Dallas Fire-Rescue (DFR) continues to develop and expand its Quality Management Program to ensure efficiency and effectiveness in emergency response. Please accept this message as an update to that program, as well as the status of the Medical Control Service Contract.

The DFR Quality Management Program (QMP) evaluates DFR firefighter paramedics to ensure delivery of high-quality emergency medical care and is managed by the DFR Office of the Medical Director (OMD) in coordination with University of Texas-Southwestern (UTSW). In collaboration with DFR EMS leadership, this program advocates for, mentors, and educates DFR members with the goal of consistently providing “Excellence In Care”.

In 2021 DFR responded to over 221,000 requests for emergency medical services and over 100,000 patients were transported to the hospital. The QMP reviewed nearly 25,000 of those patient contacts, demonstrating that the Department has markedly enhanced its ability to provide Medical Director reviews of high-risk patient encounters. This has resulted in additional focused education, remediation, and mentoring by DFR Operations and EMS Field Supervisors.

The DFR QMP has the stated goals of ensuring compliance with all State and Federal statutes and Guidelines, minimizing risk, providing evaluation of all DFR EMS processes, and improving the medical knowledge and skills of DFR personnel. Due in part to the educational, training, and evaluation processes of the QMP, DFR played a vital role in 56 patients who suffered a pre-hospital sudden cardiac arrest in 2021 and recovered to hospital discharge while neurologically intact.

Other program highlights have included the development of Clinical Improvement Plans for paramedics identified as needing additional support, data compilation and statistical analysis of patient outcomes, and the implementation of a 40-hour “Medical Director Bootcamp” for physician-directed education of newly graduated DFR paramedic students using multi-modal teaching methods.

Regarding the status of the Medical Control Service Contract, an RFP solicitation for comprehensive medical direction with both online and offline medical direction, quality management, and clinical practice services has been completed. Contract negotiations

Incident Patient Transport Data

CPR Patients that Regained a Pulse

QMP Data

In 2021 DFR played a role in 56 patients who survived neurologically intact after suffering pre-hospital sudden cardiac arrest.

2022 QMP Program Highlights

- Developed Clinical Improvement Plans for paramedics identified through the Quality Management Program as needing additional support.
- Obtained outcome information on 99.9% of all cardiac arrest patients transported by DFR paramedics to Dallas-area receiving hospitals.

2022 QMP Program Highlights

- Developed and implemented a 40-hour “Medical Director Bootcamp” for physician-directed education for newly graduated DFR paramedic students using multi-modal teaching methods
- Increased the referral of educational case reviews to EMS Supervisors allowing their experience and field perspective to be shared.

Medical Control Service Contract Status

- As required by the Texas Department of State Health Services (DSHS), the City contracts the following Medical Direction services:
 - Offline medical supervision
 - Treatment guidelines, education, training, and research.
 - Quality Management was added effective April 2020.
 - Current contract with UTSW
 - Online medical control
 - During the critical care and EMS transport of patients to appropriate medical facilities.
 - Current contract with Parkland (BioTel System)

Medical Control Service Contract Status

- RFP solicitation for a comprehensive Medical Control Service contract is underway at the direction of Office of Procurement Services.
 - Deliverable Services include:
 - Designated licensed physician services for both online and offline medical direction.
 - Continued quality management services
 - New clinical practice services to improve patient care through increased oversight and training of paramedics.
- The new contract is expected to go to Council in September with an effective date of 10/1/22.

SUBJECT **Dallas Fire-Rescue (DFR) Dashboard**

Dallas Fire-Rescue (DFR) unexpectedly experienced a slight increase in overall call volume in July. We have had over 164,000 dispatched incidents so far in 2022 (25,806 for the month of July). We are still below our EMS response within 9 minutes metric and our 5:20 Structure Fire Response metric at 85% and 89% respectively. These were higher than the month of June. We had only 7 significant fires for the month of July, up from 1 in June. Our rescue unit hours of utilization (UHU) numbers were slightly lower in the month of July.

We will continue to monitor and make Operational adjustments, such as Peak and Single Role Rescue locations, to ensure we are able to meet our performance goals even with the increase in demand.

SUBJECT **DPD Coordination with Local School Districts on Campus Safety Update**

The Tactical Operations Division, the Reality Based Training Team, Dallas Fire Rescue, and the Dallas Independent School District Police Department met this summer to review and discuss a plan of action regarding an Active Shooter Incident occurring at Dallas area schools. This meeting helped to identify key players in a response, discuss current training methods and concepts of operations, and conceptualize a future joint training exercise with the above entities.

In June, the Dallas Police Department held a first responder meeting to discuss collaborative training between DPD, DFR and Dallas area school districts. This meeting focused on a high-level overview of each agency's protocols, training, and response in an active shooter incident. Key discussions and evaluations were centered around the different training models, equipment, utilization of a Rescue Task Force (DFR), importance of reunification centers, future workshops, training, and large-scale exercises

Also, this past June, the following police agencies with schools present in the City of Dallas, were invited to participate in an Instructor Workshop: DISD, Duncanville, Garland, Grand Prairie, Highland Park, Lancaster, Mesquite, Plano and Richardson. This Instructor Workshop brought first responders together to view presentations on the attending agency's lesson plans as it relates to training. Throughout these presentations, discussions occurred regarding industry standards and best practices. Participants viewed demonstrations of tactics, roles of responding entities, and command and control considerations. This workshop provided a more in-depth view of expectations in a response to an on-going active shooter incident occurring at a school. An additional workshop is being scheduled to continue this training and allow those who were not able to attend the first session a chance to participate.

In late July, a large-scale school exercise was held at a DISD school. This exercise tested agency response to an active shooter incident at a school. Multiple scenarios were performed to identify deficiencies in initial response, tactics, inter-agency coordination, communication, and command and control, up through the conclusion of the event. The exercise included over 200 combined officers, DPD and DFD commandeers, DPD communications, OEM Command 1, DPD Command Staff, Dallas City Council members and a UAS team.

As part of the ongoing efforts, the Dallas Police Neighborhood Police Officers (NPO) will reach out to school districts operating inside the City of Dallas and offer them the opportunity for DPD to provide classroom training and instruction to civilian staff and

administrators, to assist in preparing staff to deal with an active shooter incident. Should they accept the opportunity, the training will focus on mitigation, deterrence, and response. Best practices in school safety will also be discussed.

DPD is also planning yearly collaborative training between school districts, DFR and DPD. This training will discuss national trends in school safety and training, including a large-scale exercise or Tabletop. The yearly training will be coordinated by the Office of Emergency Management, to continue discussions centered on national trends in school safety, changes to the active shooter response model, areas of identified concerns, lessons learned from prior incidents, and keeping lines of communication open between all entities.

In addition to the recent summer training and exercise activities, DPD provides School Resource Officers (SROs) to Richardson ISD high schools and middle schools that are located inside the City of Dallas. Recently, the Plano Independent School District made a request for DPD to also provide SROs to several of their campuses also located in the Dallas. DPD is currently evaluating the Plano ISD request and is considering the parameters by which this request, as well as any others that are received, can be evaluated. DPD will continue to collaborate with Plano ISD and is planning to conduct more comprehensive discussion of the SRO program at the September Public Safety Meeting.

SUBJECT **Amendment to Chapter 15D of the Dallas City Code for Towing Management**

On August 10, 2022, the City Council meeting will include a public hearing to receive comments regarding amendments Dallas City Code, Chapter 15D, "Emergency Wrecker Service". These changes are necessary to improve efficiencies for City's service request for emergency wrecker services and related to the solicitation for Auto Pound Management and Towing Services. The proposed amendments include:

- Adding a definition of dispatcher to include the use of app-based technology by third parties
- Require tow operators to have GPS enabled devices
- Replace the word "call" with "dispatch" to reflect proposed process improvements more accurately
- Allow request for emergency wrecker services to be conducted through a third-party database

Once comments are received from the hearing an agenda item will be submitted to Council to approve the changes to Chapter 15D of the Dallas City Code.

The Auto Pound Management and Tow Services Request for Proposal is nearing the end of the evaluation phase of the solicitation. Once this phase is complete, the contract will be presented to Council for approval in September or early October of 2022.

SUBJECT **Dallas Fire-Rescue Facility Construction Update**

Please accept this message an update on several ongoing construction projects involving Dallas Fire-Rescue (DFR) facilities. DFR has been working with the Building Services Department (BSD), the Office of Bond and Construction Management (BCM), Information Technology Services (ITS), and the Office of Environmental Quality (OEQS), as well as construction contractors, to ensure a coordinated effort for efficient completion. Individual project updates are as follows:

1. Station 19 (5600 E. Grand Ave) – The Contractor is completing electrical rough-in throughout living quarters, water service tie-in, and constructing masonry in the apparatus bay. BCM anticipates project completion in February/March 2023.
2. Station 30 (11381 Zodiac Lane) – DFR worked diligently with BSD to complete work at Fire Station 30 during the month of June. The department also enjoyed partnerships with the Dallas Mavericks, Bedgear, and Nebraska Furniture Mart to provide furnishings for the fire station. Fire Station 30, which houses an Engine, Ambulance, and Swiftwater Rescue team, reopened on Friday, July 1st, 2022.
3. Station 36 (2300 Singleton Blvd) – The Contractor is completing the interior finishes, which includes lighting and fixtures installation, gear dryer, bike racks, and fire alarm. BCM anticipates project completion in December 2022.
4. Station 41 (5920 Royal Ln) – Bid opening for this project is scheduled for July 29th, 2022. Below is the tentative Project Schedule:
 - Tentative Award Construction - August/September 2022
 - Tentative Construction Startup - October/November 2022
 - Tentative Construction Completion - October/November 2023
5. Temporary Station 41 (5807 Royal Ln) – BSD established a new electrical service account and BCM is coordinating power connection with ONCOR to be completed during the week of August 1st, 2022. DFR is working with their vendor to complete temporary housing finishes. DSD is working on the certificate of occupancy. Project anticipated to be completed in August 2022.
6. Station 58 (9393 Water Mill Rd) - Funded by a Tax Increment Finance (TIF) district. Construction began in Summer 2021 with a scheduled completion timeline of September 2022.

DATE August 5, 2022
SUBJECT **Dallas Fire-Rescue Facility Construction Update**

7. Station 59 (201 N. Jim Miller Rd) – The Fire Station, housing a Fire Truck, Engine, Ambulance, and Swiftwater Rescue Team, was completed, and opened on July 8th, 2022. The opening ceremony is scheduled for August 18th, 2022, at 10:00 a.m.
8. Training Academy Buildings (5000 Dolphin Road) – DFR coordinated with BSD on a professional services procurement to hire a structural engineering firm to assess the structural integrity of three buildings that are used extensively during recruit training (Burn building, small tower, and Apartment Simulator Building). Recommended repairs to the burn building were completed in June and the required curing period ended in mid-July, allowing DFR to resume live fire training. The small tower and Apartment Simulator Building will receive needed repairs through collaboration involving DFR leadership, BSD, and BCM.

SUBJECT **Adoption of the International Fire Code**

Dallas Fire-Rescue (DFR) is proposing the adoption of the 2022 Dallas Fire Code, which is a combination of the 2021 International Fire Code and 2022 Dallas amendments. DFR provides amendments to specific sections of the International Fire Code model code language as a part of the overall adoption process of the Dallas Fire Code. The proposed 2022 amendments are primarily a carryover of previous Dallas amendments from previous Dallas Fire Codes.

The new Dallas Fire Code amendments reflect modifications of new code sections that have been added to the International Fire Code model code language since the 2016 Dallas Fire Code adopted by the City of Dallas. The proposed amendments mirror the language and intent of the additions to the 2021 Regional Code amendments for the 2021 International Fire Code, which was adopted by the North Texas Council of Governments. The 2021 Regional Code amendments provide a base of amendments used by several municipalities in the North Texas area for Fire Code consistency.

Sections of note within the proposed 2022 Dallas Fire Code amendments include:

- Appendix L, Firefighter Air Replenishment Systems (FARS) has been widely adopted by fire departments throughout the United States. This system provides the ability for firefighters to replenish their air bottles inside a structure within minutes, increasing their safety factor significantly.
- Section 510, Emergency Responder Communication Coverage, provides fire code regulation to ensure that structures have the critical radio signal strength necessary for first responders to communicate during an emergency incident.

In preparation for developing the suggested amendments, DFR collaborated with external stakeholders for constructive feedback. Additionally, DFR also met with representatives of the City of Dallas Sustainable Development department and the Fire Code Advisory and Appeals Board for comments and discussion.

DFR is seeking the recommendation of the Public Safety Committee for the adoption of the 2022 Dallas Fire Code. It is our intention to move forward to a vote by the full Council as soon as this recommendation is granted.

SUBJECT **Changes to Ordinance allowing Marshals to Enforce Pedestrian Safety**

The City Attorney's Office and Court & Detention Services have been coordinating on a potential amendment to Dallas City Code, Chapter 13, to address pedestrian safety in the roadway. This amendment is part of the holistic strategy for a collaborative initiative involving the City Marshal's, Office of Homeless Solutions, Crisis Intervention, Community Courts, and the Department of Transportation.

The following excerpt of the change is listed below:

An ordinance amending Chapter 13, "Courts, Fines and Imprisonments," of the Dallas City Code, by amending Section 13-10; authorizing the city marshal and his or her deputies to enforce the city's provisions regarding standing or walking on medians contained in Section 28-61.1 of the Dallas City Code.

The draft ordinance amendment is attached for your review. Staff is still working on Chapter 13 and on Chapter 28 so the two can be modified together. We will be finalizing the amendments in the coming weeks and anticipate bringing these items to City Council for consideration in October 2022. If you have any comments or questions, please contact Interim City Marshal David Pughes or Director of Transportation, Ghassan Khankarli.

ORDINANCE NO. _____

An ordinance amending Chapter 13, “Courts, Fines and Imprisonments,” of the Dallas City Code, by amending Section 13-10; authorizing the city marshal and his or her deputies to enforce the city’s provisions regarding standing or walking on medians contained in Section 28-61.1 of the Dallas City Code and the city’s solicitation provisions contained in Section 28-63.3 of the Dallas City Code; providing a saving clause; providing a severability clause; and providing an effective date.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That Section 13-10, “Duties of the City Marshal,” of Article II, “Municipal Court of Record,” of Chapter 13, “Courts, Fines and Imprisonment,” of the Dallas City Code, is amended to read as follows:

“SEC. 13-10. DUTIES OF THE CITY MARSHAL.

The city marshal and his or her deputies, acting under the direction of the municipal clerk, shall perform the following duties:

- (1) execute warrants of arrest, subpoenas, and other legal process issuing out of the municipal court of record ~~[and]~~
- (2) execute other warrants of arrest, subpoenas, and legal process as determined by the municipal clerk; and
- (3) enforce Sections 28-61.1 and 28-63.3 of the Dallas City Code.”

SECTION 2. That Chapter 13 of the Dallas City Code shall remain in full force and effect, save and except as amended by this ordinance.

SECTION 3 That any act done or right vested or accrued, or any proceeding, suit, or prosecution had or commenced in any action before the amendment or repeal of any ordinance, or part thereof, shall not be affected or impaired by amendment or repeal of any ordinance, or part thereof, and shall be treated as still remaining in full force and effect for all intents and purposes as if the amended or repealed ordinance, or part thereof, had remained in force.

SECTION 4. That the terms and provisions of this ordinance are severable and are governed by Section 1-4 of Chapter 1 of the Dallas City Code, as amended.

SECTION 5. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so ordained.

SUBJECT **Chapter 27: Minimum Property Standards Evaluation Working Group Update**

The purpose of this memorandum is to update Committee members on efforts to evaluate Dallas City Code, Chapter 27: Minimum Property Standards as it relates to multitenant properties.

On March 8, 2022, the Dallas Police Department appeared before the Public Safety Committee to brief the Apartment Community Crime Reduction Initiative. Feedback received from committee members indicated a desire to see an evaluation and recommendations for amendment to Chapter 27 occur.

Since this briefing, City Staff have launched multi-departmental efforts at multiple multitenant communities to increase quality of life and safety at communities where City resources, including Code Compliance and Police, are in highest demand. For instance, as of July 2022 there have been 615 identified deficiencies at the 3550 E. Overton multitenant property by our team; 232 of these deficiencies have been verified as addressed by property management.

Additionally, City staff and external stakeholders have launched a working group to consider the development of amendments to the current Chapter 27 ordinance. The primary focus of the working group is:

1. Article III. Minimum Property Standards
2. Article VII. Registration & Inspection
3. Article VIII. Habitual Criminal and Nuisance Properties
4. Data collection and sharing processes for multitenant properties

The working group has held an initial kick-off meeting and has launched a survey of stakeholders as initial evaluation activities. The next steps of the working group include analyzing a crosswalk of property standards ordinances from peer cities, evaluating any gaps that exist in the current ordinance, developing a database of necessary public safety related information on multitenant properties and soliciting feedback from community stakeholders and City Council Committees on any proposed amendments or process changes.

SUBJECT **August 10, 2022, City Council Agenda Item #44; 22-1556 Catastrophic Preparedness Framework for the Office of Emergency Management**

The following agenda item is scheduled to go before City Council on August 10, 2022.

Agenda Item #44; 22-1556

Authorize a three-year service contract for consulting services to assist in the development of a regional catastrophic preparedness framework for the Office of Emergency Management - Innovative Emergency Management dba IEM, most advantageous proposer of five - Not to exceed \$491,219.00 - Financing: Regional Catastrophic Preparedness Grant Program Fund (subject to annual appropriations)

Background

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

The City is a recipient of the 2021 Regional Catastrophic Preparedness Grant, and this service contract will provide consulting services to assist in the development of a regional catastrophic preparedness framework for the Office of Emergency Management. In our application, the City outlined several projects to utilize these funds to complete the three phases of catastrophic preparedness.

The consultant will assist throughout this process and provide subject matter expertise, project management support, and develop deliverables that will be returned to the Federal Emergency Management Agency. Projects include a supply chain gap analysis of the regional food and water distribution systems, the development of a regional planning framework for adopting the community lifelines into response, and a number of training exercises, seminars, and workshops related to supply chain resiliency and catastrophic planning.

A four-member committee from the following departments reviewed and evaluated the qualifications:

- Office of Data Analytics & Business Intelligence
- Office of Emergency Management
- Office of Integrated Public Safety Solutions
- Office of Procurement Services

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost and timeframe 30 points
- Experience 25 points

DATE August 5, 2022
SUBJECT **August 10, 2022, City Council Agenda Item #44; 22-1556 Catastrophic Preparedness Framework for the Office of Emergency Management**

- Approach 25 points
- Supply chain management 20 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On November 10, 2021, City Council authorized the acceptance of a grant from the U.S. Department of Homeland Security (DHS), Federal Emergency Management Agency for the FY2021 Regional Catastrophic Preparedness Grant Program (Federal Award ID No. EMT2021-CA-00055-S01, CFDA No. 97.111) to provide for three-year funding for the salary and fringe benefits of one planner, and to fund activities related to providing resources to close known capability gaps in Housing and Logistics and Supply Chain Management, encouraging innovative regional solutions to issues related to catastrophic incidents, and building on existing regional efforts for the period September 1, 2021 through August 31, 2024, by Resolution No. 21-1828.

The following agenda item is scheduled to go before City Council on August 10, 2022.

Agenda Item #50; 22-1563

Authorize Supplemental Agreement No. 4 to the service contract with Streamline Automation Systems, LLC for hosting, maintenance, and support of the existing fire inspection system for the Fire-Rescue Department managed by the Department of Information and Technology Services - Not to exceed \$558,225, from \$1,262,087 to \$1,820,312 -Financing: Data Services Fund (subject to annual appropriations)

Background

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This Supplemental Agreement will provide for continued hosting, maintenance, and support of the existing fire inspection system for the Fire-Rescue Department (DFR) managed by the Department of Information and Technology Services. The web-based fire inspection system allows DFR personnel to utilize one system to monitor, update, and perform day-to-day activities related to the following:

- Performance of fire code inspections
- Acceptance testing of life safety systems necessary to ensure safety for building occupants
- Tactical information related to occupancy or location including but not limited to hazardous materials and/or special needs residency which is vital to field personnel when dispatched to an incident
- Enforcement of Dallas' Fire Code to prevent fires.

This agreement provides maintenance and support which includes software updates, 24/7 technical support, conduction of preventative maintenance checkups, and on-site technicians when needed. This system also allows for the streamlining of information related to staff utilization, statistical reporting, and interactions with other City Departments.

SUBJECT **August 10, 2022, City Council Draft Agenda Item #51; 22-1561 Locution Systems**

The following agenda item is scheduled to go before City Council on August 10, 2022.

Draft Agenda Item #51; 22-1561

Authorize Supplemental Agreement No. 10 to increase the service contract with Locution Systems, Inc. for continued maintenance and support of the existing automated fire station alerting system and to extend the term from September 28, 2022 to September 27, 2025 – Not to exceed \$182,906, from \$258,538 to \$441,444 - Financing: Data Services Fund (subject to annual appropriations)

Background

Each City of Dallas Fire Station is equipped with hardware and software that receives real-time incident information from the City's Computer-Aided Dispatch (CAD) system which provides audible alerts to station personnel to respond to emergencies. When an emergency call is placed to 911, the call for response is routed to the appropriate Fire Station and the alerting system announces details of the incident through loudspeakers located in the station house.

The current automated fire station alerting system, Locution Systems, Inc., was procured more than 15 years ago and has not been significantly enhanced or updated since its original installation. While regular maintenance has been performed to maintain the operation of the system, it has not been upgraded to provide additional features and capabilities that are currently available in the marketplace.

The Information and Technology Services (ITS) Department and Dallas Fire and Rescue (DFR) are working in collaboration to modernize the fire station alerting system. To date, the team has conducted extensive market research and received capability demonstrations from multiple vendors. In addition, DFR leadership has reached out to other Fire Departments across the state and country to discuss the solutions they have in place. The market research has been used to develop a Request for Proposals (RFP) that will be publicly released seeking vendors to provide a replacement system for the City. Staff anticipates that the RFP will be released by September 30, 2022 and anticipates the completion of the technical evaluation and selection of a vendor by January 31, 2023.

DATE August 5, 2022
SUBJECT **August 10, 2022, City Council Draft Agenda Item #51; 22-1561

Draft agenda item #51 seeking to extend the current agreement with Locution Systems, Inc. and to increase the funding on the contract is necessary to provide continued maintenance and support of the existing automated fire station alerting system until such time the new system has been procured and is implemented.

DATE August 5, 2022

TO Honorable Members of the Public Safety Committee
Adam McGough (Chair), Cara Mendelsohn (Vice Chair), Tennell Atkins, Jesse Moreno, Jaime Resendez, Casey Thomas, Gay Donnell Willis

SUBJECT **August 24, 2022, City Council Draft Agenda Item #26; 22-1660 Software Subscription for the Dallas Police Department**

The following agenda item is scheduled to go before City Council on August 24, 2022.

Draft Agenda Item #26; 22-1660

Authorize a three-year cooperative purchasing agreement for a web-based investigative software subscription for the Police Department with Carahsoft Technology Corp. through the Department of Information Resources Cooperative Agreement - Not to exceed \$399,000.24 - Financing: General Fund (subject to annual appropriations)

Background

This action does not encumber funds; the purpose of a cooperative purchasing agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide access to a web-based investigative software subscription that allows users to search various databases to aid in locating individuals involved in criminal and terrorist activities. The databases provide access to more than one trillion pages - 500 times as many as can be reached in an ordinary web search, including text and photos.

The Police Department requires different levels of search capabilities, some general search capabilities for officers, and more advanced or detailed searches for detectives and crime analysts, including all members of the Fusion Center. The Fusion Center's main task is to create criminal intelligence for real-time dissemination to patrol officers and detectives in the field.

The Department of Information Resources cooperative agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.

DATE August 5, 2022
SUBJECT **August 24, 2022, City Council Draft Agenda Item #26; 22-1660 Software Subscription
for the Dallas Police Department**

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 22, 2016, City Council authorized a five-year subscription service contract for access to a web-based investigative subscription to assist Police in locating individuals involved in criminal and terrorism activities with TransUnion distributed by Carahsoft Technology Corp through The Cooperative Purchasing Network by Resolution No. 16-1050.

SUBJECT **August 24, 2022, City Council Draft Agenda Item #34; 22-1656 Police
Department's Auto Pound**

The following agenda item is scheduled to go before City Council on August 24, 2022.

Draft Agenda Item #34; 22-1656

Authorize Supplemental Agreement No. 1 to increase the service contract with Statement Systems Incorporated for printing and mailing of certified notices for the Police Department's Auto Pound and to extend the term from June 25, 2022, to June 24, 2023 - Not to exceed \$196,560 from \$786,240 to \$982,800 - Financing: General Fund (subject to annual appropriations)

Background

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This Supplemental Agreement will provide for continuation of the printing and mailing of certified notices to registered owners and lien holders of vehicles that have been impounded at the Police Department Auto Pound. Auto pounds are required by the State Transportation Code 683.012 to notify registered owners and lien holders by certified mail within 10 days after a vehicle has been taken into custody. The Police Department Auto Pound currently sends out approximately 3,000 notices monthly and issues a notification to the registered owner/lien holders 24 hours after the vehicle has been impounded.

On November 10, 2015, City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. This contract renewal option includes the most current living wage of \$15.21.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On June 26, 2019, City Council authorized a three-year service contract for printing and mailing of certified notices for the Police Department Auto Pound with Statement Systems Incorporated by Resolution No. 19-1021.

SUBJECT **August 24, 2022, City Council Draft Agenda Item #35; 22-1565 School Crossing Guard Program**

The following agenda item is scheduled to go before City Council on August 24, 2022.

Draft Agenda Item #35; 22-1565

Authorize Supplemental Agreement No. 2 to exercise the second of two, one-year renewal options to the service contract with All City Management Services, Inc. for school crossing guard services for Court and Detention Services - Not to exceed \$5,816,807.64 - Financing: General Fund (subject to annual appropriations)

Background

The City and All City Management Services agreed to a contract for school crossing guard services that was approved on May 23, 2018, by City Council Resolution No. 18-0773. This supplemental agreement is the final renewal of the contract.

This Supplemental Agreement will provide for continued school crossing guard services at locations throughout the city. Texas Local Government Code (Chapter 343/Section 343.011 through 343.013) assigns the responsibility for school crossing guards to municipalities such as the City of Dallas with a population greater than 850,000. The purpose of the school crossing guard program is to facilitate the safe crossing of streets in the municipality by children going to or leaving a public, parochial, or private elementary or secondary school. Currently, the City's school crossing guard program serves 183 schools and provides crossing guards at approximately 400 intersections through Dallas County Schools (DCS).

If you have any questions, please contact Interim City Marshal David Pughes in Court & Detention Services.

SUBJECT **August 24, 2022, City Council Draft Agenda Item #40; 22-1704 Municipalities Reimagining Community Safety Initiative Grant**

The following agenda item is scheduled to go before City Council on August 24, 2022.

Draft Agenda Item #40; 22-1704

Authorize the **(1)** application for and acceptance of the 2022 Municipalities Reimagining Community Safety Initiative Grant in the amount of \$700,000.00 from the National League of Cities Institute (NLCI) for the purpose of creating a formal program that will focus on youth violent crimes to reduce the recidivism rates for the period June 1, 2022 through June 30, 2024; **(2)** receipt and deposit of funds in an amount not to exceed \$700,000.00 in the FY22 Community Policing Municipalities Reimagining Community Safety Initiative Grant Fund; **(3)** establishment of appropriations in an amount not to exceed \$700,000.00 in the FY22 Municipalities Reimagining Community Safety Initiative Grant Fund; **(4)** funding for one community outreach manager during the two year period and **(5)** execution the grant agreement and all terms, conditions, and documents required by the agreement - Not to exceed \$700,000.00 - Financing: National League of Cities Institute (NLCI) Grant Funds

Background

The NLC Municipalities Reimagining Public Safety Initiative will provide pass through grants totaling \$700,000.00, tailored technical assistance, and evaluation support to advance city efforts to rethink local systems of public safety and move toward more equity and community driven safety/violence prevention plans in order to:

- Help local leaders advance the creation or updating and implementation of a comprehensive safety/violence prevention plan
- Develop, implement, or scale up a set of programs and policies that align with the safety/violence prevention plan and reflect local priorities including but not limited to:
 - Violence Interruption or other Community Violence Interventions via Credible Messengers
 - Youth and Young Adult Justice Initiatives
 - Reentry Offices and Initiatives
 - Community responder/alternative response methods and models

DATE August 5, 2022
SUBJECT **August 24, 2022, City Council Draft Agenda Item #40; 22-1704 Municipalities
Reimagining Community Safety Initiative Grant**

This two-year initiative brings together elected leaders and staff, residents, and local organizations to pursue coordinated, equitable, community-centered safety efforts. Funded initiatives are intended to spur local action and implementation of recommendations and plans that are established in partnership with Black and Brown communities.

This item will fund one community outreach manager position within the Dallas Police Department (DPD) and allow the Dallas Police Department to create a formal program that will focus on youth violent crimes to reduce the recidivism rates by collaborating with other city departments in this unified initiative with empathy, ethics, excellence and equity as a baseline. This position will actively collaborate with internal and external city partners to stop the cycle of youth violence by reducing the number of youth victims of violent crimes and to reduce the recidivism rate of youth offenders. This will be accomplished through education & prevention, outreach, and community engagement of target youth and target high youth crime hotspots.
