HONORABLE MAYOR & CITY COUNCIL WEDNESDAY, SEPTEMBER 28, 2022 ACM: Majed Al-Ghafry

FILE NUMBER: Z212-216(JA) DATE FILED: March 15, 2022 LOCATION: North line of Park Lane, between Fair Oaks Avenue and Pineland Drive COUNCIL DISTRICT: 13 SIZE OF REQUEST: Approx. 12.01 acres **CENSUS TRACT: 0078.21 REPRESENTATIVE:** Karl Crawley, Masterplan **APPLICANT/OWNER:** New Wildflower I Assoc LLC **REQUEST:** An application for a Specific Use Permit for a child-care facility on property zoned an MF-1(A) Multifamily District SUMMARY: The purpose of the request is to allow a child-care facility to operate at specified locations within the existing multifamily development on the site. [Wildflower Apartments] **CPC RECOMMENDATION:** Approval for a five-year period with eligibility for automatic renewal for additional five-year periods, subject to a site plan and conditions. STAFF RECOMMENDATION: Approval for a five-year period with eligibility for automatic renewals for additional five-year periods, subject to a site plan and conditions.

BACKGROUND INFORMATION:

- The area of request is currently developed with a multifamily use [Wildflower Apartments], which has a certificate of occupancy dating to July 16, 1979.
- The proposed child-care facility [Heart House] has been operating at the site for a number of years, initially serving children living within the multifamily development only.
- At a recent inspection of the multifamily development by Dallas Fire Rescue, it was determined that Heart House must obtain its own certificate of occupancy separate from that of the multifamily use. Further, a building permit must be obtained retroactively for the remodeling work completed to convert eight of the multifamily units into space used for the operation of the child-care facility. The current zoning request is an initial step towards completing these requirements.
- An updated certificate of occupancy for the multifamily use also will be required due to the change in the number of dwelling units.
- The applicant has indicated their intent to apply for the necessary building permit(s) and certificates of occupancy upon approval of the current zoning request by the City Plan Commission and prior to the City Council public hearing.

[<u>Note</u>: As of this writing, staff is unable to confirm applications for permit(s) or certificates of occupancy at this location.]

Zoning History: There have been three zoning change requests in the area in the last five years.

- 1. **Z189-130:** On April 10, 2019, the City Council approved Tract III within Planned Development District No. 65 to allow a community, welfare, or health center use and child-care facility use on the southeast line of Holly Hill Drive, between Ridgecrest Road and Phoenix Drive.
- Z189-181: On June 12, 2019, the City Council approved an ordinance granting Specific Use Permit No. 2338 for a library, art gallery, or museum limited to a public library property zoned an MF-2(A) Multifamily District. This Specific Use Permit has no expiration date.
- 3. **Z189-179:** On October 12, 2019, the City Council approved an ordinance changing the zoning classification of property located at the southwest corner of Park Lane and Eastridge Drive from an MF-2(A) Multifamily District to Planned Development District No. 1021 for MF-2(A) Multifamily District uses and a public school other than an open-enrollment charter school use by right.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan*, adopted by City Council in June 2006, outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The request is consistent with the following goals and policies of the comprehensive plan:

LAND USE ELEMENT

 GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES.
 Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH **Policy 2.1.1** Ensure that zoning is flexible enough to respond to changing economic conditions.

URBAN DESIGN ELEMENT

GOAL 5.3 ESTABLISHING WALK-TO CONVENIENCE **Policy 5.3.1** Encourage a balance of land uses within walking distance of each other.

ENVIRONMENT ELEMENT

GOAL 6.3 IMPROVE ENERGY EFFICIENCY AND AIR QUALITY **Policy 6.3.3** Limit vehicle miles traveled.

NEIGHBORHOOD PLUS

GOAL 2.3 Expand health, childcare, and transportation programs for low-income areas.

Surrounding Land Uses:

Site	MF-1(A) Multifamily District	Multifamily	
North MF-1(A) Multifamily District Multifamily			
East	Multifamily		
South	South MF-2(A) Multifamily District Multifamily		
West MF-1(A) Multifamily District Multifamily		Multifamily	
Southwest	CR Community Retail District	Retail and personal service uses	

Land Use Compatibility:

The area of request is currently developed with a multifamily use [Wildflower Apartments], which has a certificate of occupancy dating to July 16, 1979. The proposed child-care facility [Heart House] has been operating at the site in some capacity for a number of years, initially serving children living within the multifamily development only. However, Heart House now serves children from the surrounding multifamily communities as well. The applicant notes that they have confirmed with the Development Services Department that their land use is most appropriately classified under the Dallas Development Code as a child-care facility, which requires a Specific Use Permit (SUP) in an MF-1(A) Multifamily District.

The request site is surrounded by multifamily residential uses, with a small commercial development, containing various retail and personal service uses, along Park Lane to the southwest of the site. There are also three public schools in the wider area surrounding the site – a high school to the north, an elementary school to the southeast, and a middle school to the west/northwest. Staff finds the child-care facility use compatible with these surrounding uses.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the

welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

The child-care facility use is currently proposed to operate in six converted multifamily units (out of eight) located in building 300 and two converted multifamily units (out of eight) in building 2400, with playground and parking for the child-care facility adjacent to building 300. Staff supports the zoning change request, generally, because the use is not foreseen to be detrimental to surrounding properties, and it will provide child-care services to residents of the multifamily use at the existing site and in the surrounding established neighborhood. However, staff recommends that the child-care facility be in a contiguous area within the multifamily development, if feasible, rather than having elements of the use spread across various locations within the site.

On August 18, 2022, the City Plan Commission recommended approval of the request for a five-year period with eligibility for automatic renewal for additional five-year periods but did not support staff's recommendation that the site plan be revised so that all elements of the child-care facility are in a contiguous area within the multifamily development.

Landscaping:

The applicant's request does not trigger any landscaping requirements; however, in general, landscaping must be provided in accordance with the landscaping requirements in Article X of the Dallas Development Code, as amended.

Parking:

Pursuant to §51A-4.200 of the Dallas Development Code, if an SUP is required for a childcare facility use, the off-street parking requirement may be established in the ordinance granting the SUP [ref. <u>Sec. 51A-4.204(3)(C)]</u>. The applicant proposes to provide three required parking spaces, one of which must be a van-accessible parking space, for the child-care facility use. Given that the vast majority of families utilizing the child-care facility reside within the existing multifamily development, staff supports applicant's proposed parking requirement.

Market Value Analysis:

<u>Market Value Analysis (MVA)</u>, is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to target intervention strategies more precisely in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness.

As illustrated in the attached MVA map, the colors range from purple, representing the strongest markets (A through C), to orange, representing the weakest markets (G through I). The area of request is located within an "E" MVA cluster.
