

**CITY PLAN COMMISSION****THURSDAY OCTOBER 6, 2022****FILE NUMBER:** S212-331**SENIOR PLANNER:** Mohammad H. Bordbar**LOCATION:** Fayette Street, east of Gilroy Street**DATE FILED:** September 8, 2022**ZONING:** R-5(A)**CITY COUNCIL DISTRICT:** 4    **SIZE OF REQUEST:** 0.26-acres**MAPSCO:** 55F**OWNERS:** Aurelio Martinez

**REQUEST:** An application to replat a 0.26-acre (11,510 square feet) tract of land containing all of Lots 3 and 4 in City Block F/4714 to create one lot on property located on Fayette Street, east of Gilroy Street.

**SUBDIVISION HISTORY:** There has been no recent platting activity within close proximity to this request.

**PROPERTY OWNER NOTIFICATION:** On September 20, 2022, 31 notices were sent to property owners within 200 feet of the proposed plat boundary.

**STAFF RECOMMENDATION:** Section 51A-8.503 states that “lots must conform in width, depth and area to the pattern already established in the adjacent areas, having due regard to the character of the area, its particular suitability for development, and taking into consideration the natural topography of the ground, drainage, wastewater facilities, and the proposed layout of the streets.”

- The properties to the east, southeast, and west of the request have lot widths ranging in size from 50 feet to 60 feet and lot areas ranging in size from 14,541 square feet to 6,651 square feet and are zoned R-5(A) Single Family District. *(Please refer to the existing area analysis)*

The request is to create an 11,510 square foot lot from a 9,100 square foot tract of land that does not comply with the minimum lot area requirement of R-10(A) Single Family District and the remainder of Lot 1B. The minimum lot area required for R-10(A) Single Family District is 10,000 square feet.

Staff concludes that there is not a lot pattern in the immediate area of the request. Topography of Lot 4 and the lay out and the dedication of the right-of-way may create challenges to develop this lot. The request complies with the requirements of Section 51A-8.503 and the R-5(A) Single Family District; therefore, staff recommends approval of the request subject to compliance with the following conditions:
