REQUEST:

An application for a Specific Use Permit for commercial amusement (inside) limited to a Class A dance hall use and an alcoholic beverage establishment limited to a private-club bar use on property zoned Planned Development District No. 498, the Harry Hines Corridor Special Purpose District.

SUMMARY:

The purpose of the request is to allow for a dance hall and a private club-bar. [Club Babylon].

CPC RECOMMENDATION:

Approval for a commercial amusement (inside) limited to a Class A dance hall for a two-year period, subject to a site plan and conditions.

STAFF RECOMMENDATION:

Approval for a commercial amusement (inside) limited to a Class A dance hall for a two-year period, subject to a site plan and conditions.

BACKGROUND INFORMATION:

- The applicant requests a Specific Use Permit (SUP) for commercial amusement (inside) limited to a Class A dance hall. Initially, the request also included an alcoholic beverage establishment use limited to a private club-bar.
- At the June 3, 2021 City Plan Commission meeting, the applicant requested the removal of the alcoholic beverage establishment use limited to a private club-bar, since the applicant would not pursue license with the Texas Alcoholic Beverage Commission. Due to this request, the City Plan Commission approved the applicant's request for a commercial amusement inside limited to a dance hall for a two-year period, subject to a site plan and conditions.
- According to Sec. 51A-4.210(7)(a)(v) of the Dallas Development Code, a commercial amusement (inside) is defined as a facility wholly enclosed in a building that offers entertainment or games of skill to the general public for a fee. This use includes but is not limited to an adult arcade, adult cabaret, adult theater, amusement center, billiard hall, bowling alley, children's amusement center, dance hall, motor track or skating rink.
- According to Sec. 51-14.1(2)(a) and (b), a dance hall is defined as a place where (a) dancing by patrons or customers is permitted; or (b) dance or any similar live performance is presented to the public. In Sec 51.14.1(3) a Class A Dance Hall is defined as any place where dancing is permitted three days or more a week.
- A specific use permit is required to operate a dance hall in PD No. 498.
- The request site is developed with a 4,900-square-foot establishment.

North	PD No. 498	Retail and personal service uses
East	PD No. 498	Retail and personal service uses
South	PD No. 498	Retail, auto sales and auto repair uses
West	PD No. 498	Retail and personal service uses

Land Use Compatibility:

The proposed site is currently vacant but located on a property that consists of six buildings that consists of retail and personal service uses. Retail and personal service uses are located to the north, east and west of the site. Retail, auto sales and auto repair uses are south of the area of request. Since the applicant's proposed use falls under the categories of retail and personal service uses, the applicant's request is consistent with the surrounding land uses. The applicant will also operate from 10 p.m. to 4 a.m., when most of the surrounding uses will not be in operation. Staff does not believe the proposed use will be detrimental to the area, therefore, staff is in support of the request. Furthermore, staff recommends approval for two-year period which will allow staff to reevaluate the use within a short period of time to ensure compatibility with surrounding areas.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

According to Sec.14-3(12)(D) of the Dallas Development Code, a Class A Dance hall also requires a license that has to be approved by the Chief of Police in order to operate.

Market Value Analysis:

Market Value Analysis (MVA) is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to target intervention strategies more precisely in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets to orange, representing the weakest markets. The site is uncategorized within the MVA map, nor is it adjacent to other properties within an MVA Category.
