SUBJECT Dallas Fire-Rescue's Public Safety Dashboard- October 2022

Dallas Fire-Rescue (DFR) experienced a slight increase in overall call volume in October (28,535 as opposed to 23,404 in September. We have had over 237,159 dispatched incidents so far this calendar year. We were below our EMS response within 9 minutes metric and above our 5:20 Structure Fire Response metric at 85% and 93% respectively. We had 6 significant fires for the month, up from 5 in September. In addition, there was one fire fatality. Additionally, our Unit Hour Utilization (UHU) numbers have continued to go down due to operational adjustments in rescue locations, and a slight overall decrease in calls.

Two recruit classes started in October with 25 students in each class. There are a total of 162 recruits in various stages of training at this time, the first of which will be assigned to the field in April.

SUBJECT: Dallas Police Department (DPD) Dashboard

The Dallas Police Department (DPD) continues to focus on violent crime reduction throughout the city. Violent Crime is down 4.90% Year to Date (YTD). Total Crime is up 0.4% YTD by 363 offenses, currently we are trending down for the last three months as compared to the previous month. DPD is seeing an increase in Hate Crimes, 40 offenses YTD. DPD has been conducting trends and intelligence analysis to identify any correlations between the crimes to help combat it. DPD has been focusing on increasing awareness for citizens to report hate crimes as well as supplemental training for officers about hate crimes. DPD believes the increased citizen and officer awareness are contributing to the increase in reporting of hate crimes.
