

Memorandum

CITY OF DALLAS

DATE November 10, 2022

TO Honorable Mayor and Members of the City Council

SUBJECT **Fourth Annual Equity Indicators Symposium**

The Office of Equity and Inclusion (OEI) will host the 4th Annual Equity Indicators Symposium on Friday, January 13, 2023, as part of the Dr. Martin Luther King, Jr. Celebration Week at Paul Quinn College.

Building on the intentional work of previous symposiums to address the disparities outlined in the 2019 Dallas Equity Indicators Report, this year's symposium will focus on national trends, intentional investments, vital partnerships, and actionable steps that align with the recently adopted [Racial Equity Plan](#) (REP).

As we continue to work with external stakeholders, residents, and City departments to address disparities by operationalizing equity, we look forward to hearing from national partners such as Living Cities, continue to align with local partners, and focus on funding for change.
