DATE November 10, 2022

SUBJECT **Consideration and Approval of the Sale of Land Transfer Program Lots to a Qualified Participating Developer**

On Tuesday, November 15, 2022, the Housing and Homelessness Solutions (HHS) Committee will be briefed on the proposed sale of Land Transfer Program lots to a qualified participating developer.

Summary

The City of Dallas Land Transfer Program, which was established by City Council in 2019 and is administered by the Department of Housing & Neighborhood Revitalization (Housing), currently has an inventory of 29 lots that are offered for sale.

Lots in the Land Transfer Program are sold to eligible developers via an application process for the purpose of constructing affordable housing units and sale to income eligible homebuyers. Recently, staff received and reviewed an application from an eligible developer, Titan and Associates, Inc. for the purchase of fifteen (15) Land Transfer Program lots. This memorandum provides an overview of the application submitted by Titan and Associates, Inc. for HHS committee consideration.

Background

On May 22, 2019, City Council adopted the Land Transfer Program by Resolution No. 19-0824, as amended, for the purpose of incentivizing: (1) the development of quality, sustainable housing that is affordable to the residents of the City and (2) the development of other uses that complement the City's Comprehensive Housing Policy, Economic Development Policy, or redevelopment policy. Specifically, the Land Transfer Program authorizes the City to sell qualifying City-owned real property and resell tax-foreclosed real property to for-profit, non-profit and/or religious organizations, as applicable, in a direct sale at less than fair market value of the land, consistent with the authorizing state statute or City ordinance. The tax foreclosed lots are being sold pursuant to 34.051 of the Texas Property Tax Code.

In September 2022, a qualified participating developer, Titan and Associates, Inc. submitted an application (proposal) to purchase a total of 15 Land Transfer Program lots. The Department of Housing & Neighborhood Revitalization (Housing) evaluated the application pursuant to the standards set forth in the Land Transfer Program guidelines,

which included determining whether the developer met the eligibility standards to be deemed a “Qualified Participating Developer” and underwriting the proposal. The application was determined to be “complete” and met minimum scoring to be eligible. Housing collaborated with Titan and Associates, Inc. regarding the terms of sale of the vacant lots as well as the terms related to the construction and subsequent sale of single-family housing units to income eligible homebuyers.

The Developer being considered for the sale of 15 lots is Titan and Associates, Inc. The Developer is a domestic for-profit corporation formed in Texas in 2014 and is Minority/Women Business Enterprise (M/WBE) certified, licensed with the City of Dallas and is a participant in the City’s Home Improvement and Preservation Program. The company has eight years of home building experience as well as home renovation experience. To date, the applicant has constructed and sold market rate homes in Dallas and the surrounding area. The company does have experience constructing and selling in the target area of South Dallas to homebuyers in the income range as the Land Transfer Program. In addition, the Developer is a past participant in the Land Transfer Program, constructing 11 affordable housing units in Districts 4 and 7. The applicant has a current line of credit to support this project 1.43 times. The Chief Executive Officer of the company is Kwame Ellis.

The proposal indicates the construction of fifteen (15) single-family units ranging from 1,416 square feet to 1,815 square feet with a minimum of three bedrooms and two baths. The price range of the proposed units will be \$191,000.00 - \$246,000.00 targeting homebuyers in an income range of 60 - 120% of the area median income (AMI). Nine (9) units will be used to target homebuyers in an income range of 80 – 120% AMI and six (6) units will be used to target homebuyers in an income range of 60 - 80% AMI. The developer intends to market the City of Dallas Homebuyer Assistance Program to those homebuyers categorized in the 60 - 80% AMI range.

The development terms applicable to each lot are as follows:

- **Vacant Lot Sales Price:** Attached as **Exhibit A**.
- **Single-Family Home Sales Price:** The sales price of the home cannot exceed the current U.S. Department of Housing and Urban Development (HUD) HOME Investment Partnership Program (HOME) homeownership sales price for the Dallas, TX HUD Metro Fair Market Rent (FMR) Area and must be affordable based on the income of the targeted homebuyer.
- **Targeted Income of Homebuyer:** Nine (9) units will target homebuyers in an income range of 80 - 120% AMI, and six (6) units will target homebuyers in an income range of 60 - 80% AMI.
- **Construction Timeframe:** Developer must apply for a construction permit and close on any construction financing within 60 days of purchase from the City. In

addition, Developer should complete construction and sale of each affordable housing unit to an income eligible homebuyer within two years of the date of acquisition of the vacant lot utilized for construction of the unit.

- **Restrictive Covenants:** Developer must: 1) sell each lot to an income eligible household and 2) prior to the sale, must provide to Department of Housing & Neighborhood Revitalization staff written documentation of the income of the proposed purchaser and the sales price. After sale of the home, the property must be occupied as an income eligible household's principal residence during the entire term of the affordability period.
- **Affordability Period:** Once the property is sold to an income eligible household, it must be occupied as the household's principal place of residence for at least five years. If the original purchaser re-sells the property during the affordability period, the property may only be sold to another income eligible household.
- **Right of Reverter:** Title to the property may revert to the City of Dallas if Developer has 1) failed to take possession of the land within 90 calendar days after receiving the deed to the parcels of real property; 2) failed to complete construction of all required housing units or other required development on the real property, or failed to ensure occupancy by eligible households within the development timeframe set forth in the development agreement; 3) incurred a lien on the property because of violations of City ordinances and failed to fully pay off the lien within 180 days of the City's recording of the lien; or 4) sold, conveyed, or transferred the land without the consent of the City.

Issues

The City incurs costs related to maintaining lots in its inventory. If the Committee does not approve forwarding the proposed development to City Council to consider for approval of the sale of the 15 vacant lots to the Qualified Participating Developer, the City will be required to continue expending funds to maintain the unsold inventory.

Fiscal Impact

The City of Dallas will receive revenue from the sale of the lots, see attached Exhibit A, in the amount of \$15,133.00. The sales price for each lot is a minimum of \$1,000.00 for lots up to 7,500 square feet and an additional \$0.133 per square foot for lots which exceed 7,500 square feet. Upon completion of the proposed 15 housing units the expected property tax revenue is expected to be approximately \$85,425.67 annually. In addition, Exhibit A details the Estimated Foregone Revenues from the release of non-tax City liens: \$43,210.60. The City of Dallas will also collect recording fees at closing to ensure property legal documents are properly recorded.
