BACKGROUND

This grant award is from Federal (U.S. Department of Justice) pass through State (Office of Governor, Criminal Justice Division) to the City of Dallas. The Dallas Police Department's Victim Services Program, formally established in April 1996, provides victims of violent crimes with crisis intervention, information regarding the criminal justice process, information, and referral services specifically for victims or family survivors, and court accompaniment requested by the victim. Services are provided through telephone contact, office visits, and/or home visits. The Police Department's goal is to lessen the trauma experienced by people who are victimized by violent crimes.

This grant has provided over twenty years of funding for the salaries, benefits, training, and supplies of one full-time Victim Advocate and one part-time Victim Advocate. The Victim Services Unit is located in the Crimes Against Persons Division which includes the Homicide, Sexual Assault, Robbery, and Assault Units. Referrals come from the detectives assigned to those units, patrol officers, the community and social service agencies. It is important that victims are informed in a timely manner of the Texas Crime Victims Compensation Program in order to provide emergency financial assistance for funeral benefits which may be needed and to provide referrals to agencies that provide counseling and support.

Victim advocates provide assistance with the crime victim compensation application, criminal justice process, information and referral, crisis counseling, and court advocacy
