

# Memorandum

CITY OF DALLAS

DATE January 17, 2023

Honorable Members of the Transportation and Infrastructure Committee: Omar Narvaez  
TO (Chair), Tennell Atkins (Vice Chair), Adam Bazaldua, Cara Mendelsohn, Jesse Moreno,  
Jaynie Schultz, Gay Donnell Willis

SUBJECT **Update of the Dallas Area Rapid Transit (DART) Allocation of Funds to Service Area Cities**

## Background

As shared in previous memorandums to the Mayor and City Council on July 22, 2022, August 24, 2022, October 7, 2022, and December 8, 2022, and to the Transportation and Infrastructure Committee on September 19, 2022, the Dallas Area Rapid Transit (DART) Board of Directors (Board) had considered and ultimately approved allocations of excess sales revenues to its service area cities. Actions including, the DART Board approval of DART's FY 2023 annual budget on September 27, 2022, and acceptance of \$19.7M from the Regional Transportation and the North Central Texas Council of Governments on October 25, 2022, resulted in DART excess sales revenues, totaling \$111.1M, being allocated to the City of Dallas.

Whereas the intent of the \$111.1M excess sales tax allocation is to support DART's public transportation system or for complementary transportation services, the purpose of this memorandum is to provide recommended uses of the excess sales tax funds and discuss next steps.

## Recommended Uses of DART Excess Sales Tax Revenues

Given the intent (support of DART's public transportation system or for complementary transportation services) of the \$111.1M excess sales tax funds and based upon discussion from the Transportation and Infrastructure Committee, staff recommends the following uses and allocations of funds:

### Recommended Uses of DART Excess Sales Tax Revenues

Program or Projects	Program/Project Description	Funding Amount
1. NCTCOG Funding Partnership	Funding to be used as a NCTCOG revolver fund to leverage \$15.4M in funding from the NCTCOG to fund the Five-Mile Creek Greenbelt Hike and Bike Trail Project	\$10,000,000
2. Reconstruct (35) traffic signals on major DART bus route corridors	Reconstruct (35) traffic signals (cost of \$550K per intersection) at intersections along major DART bus route corridors; <b>priority will be given to those routes in Equity Priority Areas</b> ; improvements will include technology upgrades such as bus queue jumps, fiber installation, etc.	\$19,250,000

<b>Total</b>		<b>\$111,143,000</b>

### Next Steps

As the recommended uses of the \$111.1M of DART excess sales tax revenues have been discussed, the following are next steps in the process:

1. Staff and legal review of a draft Interlocal Agreement (ILA) received from DART on December 1, 2022; review and consolidation of Service City ILA comments to be submitted to DART in January/February 2023,
2. Continue discussions, in January 2023, with DART to ensure that the City of Dallas' recommended uses of funds are in-line with DART's intended uses,
3. Brief and discuss the recommended uses of funds and project listings during the February 2023 Transportation and Infrastructure (TRNI) Committee meeting,
4. City Council briefing on March 1, 2023, to discuss the ILA and recommended programs and projects to be funded; City Council action for approval of programs and projects and ILA approval anticipated by March 2023.

While this memorandum has detailed the recommended uses of DART excess sales tax revenues and next steps for securing and approval of the funds, additional updates will be provided should there be any revisions to the information contained within this
