BHF Operational Concerns

Some BHF are leased & operated without property owner's consent

Some illegal boarding home operators refuse to register their locations

Boarding home locations/proximities are unrestricted

Difficult to prevent resident abuse, neglect, and/or exploitation

Various models of residential living facilities create complexity in establishing home designation type

Proposed Changes to Ordinance

Current	Proposed Changes
No provisions or restrictions associated with boarding home locations	Adopt the 1,000 ft rule that prohibits new boarding homes from being within 1,000 ft of one another; this would not apply to current licensed boarding homes that continuously maintain licensing
A license to operate a boarding home facility is not transferable to another owner, operator, or location	Include 'a license and/or an application fee' is nonrefundable and non-transferable to another owner, operator, or location
No provisions that allow for a payment plan on ad valorem taxes, fees, and fines	Allow for a payment plan on ad valorem taxes, fees, and fines to be accepted

Proposed Changes to Ordinance

Current	Proposed Changes
No verbiage to state a separate license is required for each location	A separate license is required for each boarding home facility that a person operates.
Allows operator to request a waiver due to financial hardship	Eliminate hardship waiver
Requires applicant to provide fingerprint card annually	Eliminate requirement for fingerprint card

Proposed Changes to Ordinance

Current	Proposed Changes
No requirements for the size of a refrigerator	The refrigerator must be at least 12 cubic feet in area
Allowed for kitchen to contain a stove <u>or</u> a microwave	Kitchen must contain a stove <u>and</u> a microwave
A kitchen must contain a sink with at least two compartments	A kitchen must contain at least a single compartment sink with minimum dimensions of 22"D x 27"W x 5"H or a standard two-compartment sink

Proposed Changes to Ordinance

Current	Proposed Changes
No requirement to post tenants' rights and responsibilities	Require operator to post information concerning tenants' rights and responsibilities
No verbiage regarding retaliation against residents	Include verbiage that states retaliation against residents is prohibited
Code Inspector has the burden to prove that the operator <u>is</u> operating a boarding home	Establish an affirmative defense by requiring the <u>operator</u> to prove that they are <u>not</u> operating a boarding home

Proposed Action

Obtain Council approval for proposed ordinance changes due to the following operational concerns:

- Ordinance has not been amended since 2015 and housing amenities have been expanded (i.e., kitchen sink, refrigerator, stove, and microwave requirements)
- Due to growth in new boarding home registrations in areas where boarding homes are already dense
- Due to tenants' rights regarding retaliation and evictions

Next Steps

- Seeking full council vote to amend Chapter 8A- Boarding Home Facilities
