#### Información General

El Ayuntamiento de la Ciudad de Dallas se reúne regularmente los miércoles en la Cámara del Ayuntamiento en el sexto piso de la Alcaldía, 1500 Marilla, a las 9 de la mañana. Las reuniones informativas se llevan a cabo el primer y tercer miércoles del mes. Estas audiencias se transmiten en vivo por la estación de radio WRR-FM 101.1 y por cablevisión en la estación Time Warner City Cable Canal 16. El Ayuntamiento Municipal se reúne en el segundo y cuarto miércoles del mes para tratar asuntos presentados de manera oficial en la agenda para su aprobación. Toda persona que desee hablar durante la asamblea del Ayuntamiento, debe inscribirse llamando a la Secretaría Municipal al teléfono (214) 670-3738, antes de las 5:00 pm del último día hábil anterior a la reunión. Para enterarse del nombre de su representante en el Ayuntamiento Municipal y el distrito donde usted puede votar, favor de llamar a la Secretaría Municipal.

Intérpretes para personas con impedimentos auditivos están disponibles si lo solicita con 48 horas de anticipación llamando al (214) 670-5208 (aparato auditivo V/TDD). La Ciudad de Dallas se esfuerza por cumplir con el decreto que protege a las personas con impedimentos, *Americans with Disabilities Act.* La agenda del Ayuntamiento está disponible en formatos alternos si lo solicita.

Si tiene preguntas sobre esta agenda, o si desea hacer comentarios o presentar quejas con respecto a servicios de la Ciudad, llame al 311.

#### Reglas de Cortesía

Las asambleas del Ayuntamiento Municipal reúnen a ciudadanos de diversos intereses e ideologías. Para asegurar la imparcialidad y el orden durante las asambleas, el Ayuntamiento ha adoptado ciertas reglas de cortesía que aplican a todos los miembros del Ayuntamiento, al personal administrativo, personal de los medios de comunicación, a los ciudadanos, y a visitantes. Estos reglamentos establecen lo siguiente:

- Ninguna persona retrasara o interrumpirá los procedimientos, o se negara a obedecer las órdenes del oficial que preside la asamblea.
- Todas las personas deben abstenerse de entablar conversaciones, comer, beber y fumar dentro de la cámara del Ayuntamiento.
- Anuncios y pancartas deben permanecer fuera de la cámara del Ayuntamiento.
- No se permite usar teléfonos celulares o enlaces electrónicos (pagers) audibles en la cámara del Ayuntamiento durante audiencias del Ayuntamiento Municipal

"Los ciudadanos y visitantes presentes durante las

attending the City Council meeting shall be removed from the room if the sergeant-at-arms is so directed by the presiding officer, and the person shall be barred from further audience before the City Council during that session of the City Council. If the presiding officer fails to act, any member of the City Council may move to require enforcement of the rules, and the affirmative vote of a majority of the City Council shall require the presiding officer to act." Section 3.3(c) of the City Council Rules of Procedure.

asambleas del Ayuntamiento Municipal deben de obedecer las mismas reglas de comportamiento, decoro y buena conducta que se aplican a los miembros del Ayuntamiento Municipal. Cualquier persona que haga comentarios impertinentes, utilice vocabulario obsceno o difamatorio, o que al dirigirse al Ayuntamiento lo haga en forma escandalosa, o si causa disturbio durante la asamblea del Ayuntamiento Municipal, será expulsada de la cámara si el oficial que este presidiendo la asamblea así lo ordena. Además, se le prohibirá continuar participando en la audiencia ante el Ayuntamiento Municipal. Si el oficial que preside la asamblea no toma acción, cualquier otro miembro del Ayuntamiento Municipal puede tomar medidas para hacer cumplir las reglas establecidas, y el voto afirmativo de la mayoría del Ayuntamiento Municipal precisara al oficial que este presidiendo la sesión a tomar acción." Según la sección 3.3 (c) de las reglas de procedimientos del Ayuntamiento.

- Tony Rader, LSSBB
- Elisa G. Waldrup, MBB
- Stephen Tusken, LSSBB

40 years combined experience in Process Improvement from a range of industries.

### **Process Improvement (PI) Team Vision:**

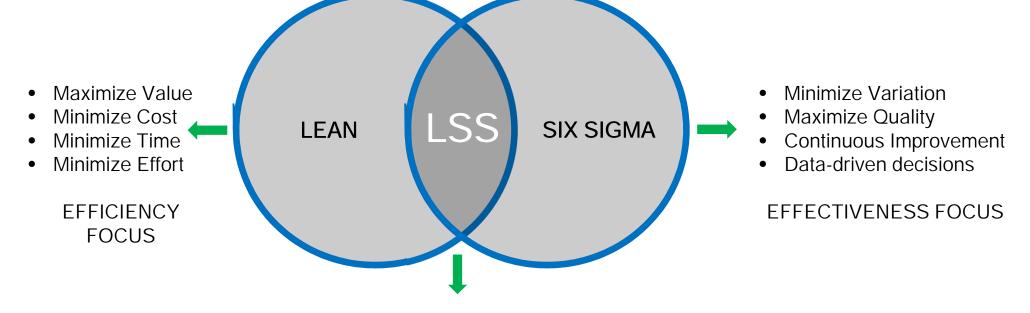

To transform the culture at the City of Dallas so that high performance and reliability are part of the organizational DNA, continuous improvement is an intrinsic part of daily operations, and data insights drive leadership's decisions.

### Our Process Improvement Approach

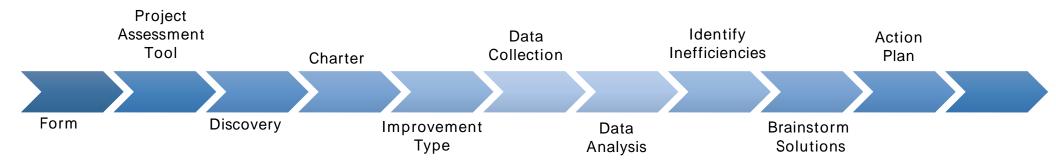

Improved process performance = Happy leaders Improved quality and service delivery = Happy customers Empowered frontline = Happy employees

### Structure of PI Approach

Continue checking in with Team progressively (weekly, bi-weekly, and monthly)

Sustaining Results After Project Completion

- If improvements are not sustained, establish an intervention/action plan
- Document best practices in detailed work instructions to ensure smooth transition for new hires
- Determine best date for process handoff

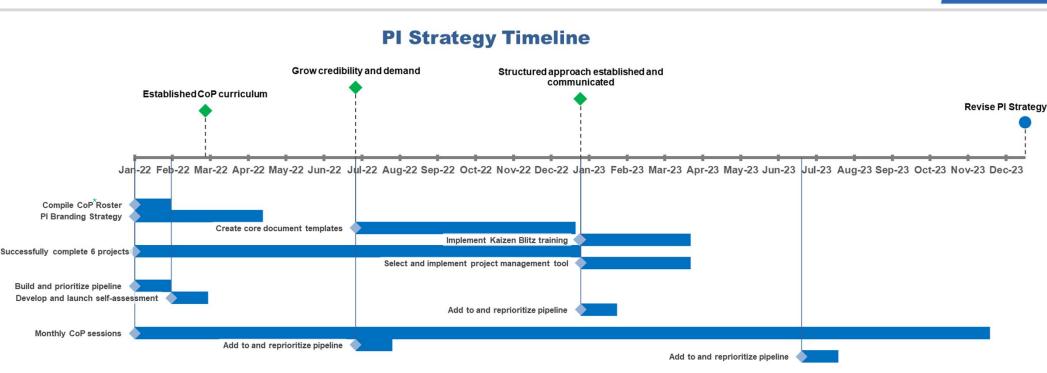

### **Strategic Timeline**

\* CoP: Community of Practice

## Project Pipeline Prioritization

Projects are constantly being added to the pipeline and ranked for prioritization.

#### **Other Projects in Pipeline:**

- o Budget Development Process
- Financial Target Analysis (FTA) Process
- o IT Onboarding Cycle Time
- Technology Request Process
- Dallas Fire Rescue (DFR) Training Lead Time

## Overview

- Background
- Provide overview of upcoming bond sales
  - Equipment Acquisition Contractual Obligations, Series 2023 (Equipment Notes)
  - Waterworks and Sewer System Revenue Refunding Bonds, Series 2023A
- Recommendations and next steps
- Appendices

## Background

- FY23 adopted budget includes operating funds, capital program, and debt service budget which consists of existing debt and debt issuance planned for the current fiscal year
- City Controller's Office Treasury staff coordinates with departments in conjunction with the City's financial advisors to finance department capital needs through debt issuance and find opportunities for savings based on the Financial Management Performance Criteria (FMPC) and current market conditions
- Rising market rates, continuing impacts from COVID, and State legislation pertaining to government entities contracting with certain financial institutions (SB13 and SB19) requires additional considerations and strategic planning for issuing bonds and other debt transactions

- FY23 budget includes appropriations for the purchase of vehicles, equipment, and technology for various City departments, to be financed by \$30.5 million in equipment acquisition contractual obligations and \$75.0 million in master lease
- Since the master lease program is currently expired, the use of equipment acquisition contractual obligations will be increased by \$40.8 million and offset by a decrease in master lease funding in the same amount
- To expedite the process, a placement agent is being used to competitively bid the equipment notes for direct placement with the most advantageous respondent

• Issue up to \$71.6 million in equipment notes to finance the purchase of City equipment and fleet, including issuance costs

Equipment Description	Amount (in millions)
DFR Apparatus	\$11.8
EFM General purpose fleet and equipment	8.2
SAN Collection equipment	8.0
SDM Fleet and equipment	2.5
Total FY23 EAN Appropriation	30.5
DFR Ambulance	6.0
DPD Radios/communication equipment	34.8
Total FY23 Appropriation moved from Master Lease to EAN	40.8
Total Equipment Notes	\$71.3

- Pay estimated issuance costs of \$200,000 from proceeds
  - Direct placement structure provides savings of approximately half of regular issuance costs
- Informal bid for placement agent awarded to FHN Financial Capital Markets
  - Most advantageous respondent of three (3) bids for pricing and qualifications
- Sell equipment notes in a direct placement to most advantageous and responsive bid of seven (7)
  - Truist Bank (Truist Commercial Equity, Inc.)
  - True Interest Cost (TIC) of 3.77% and weighted average maturity of 2.6 years

- November 15, 2022 Government Performance and Financial Committee Debt Overview briefing
- December 13, 2022 Government Performance and Financial Committee Upcoming Bond Sales briefing

- Estimated issuance of Waterworks and Sewer System Revenue Refunding Bonds in amount up to \$200 million to refund commercial paper outstanding
  - Projects awarded with commercial paper include: the Elm Fork Water Treatment Plant Filter Complex; Jim Miller Pump Station Rehabilitation; Southside Wastewater Treatment Plant Electrical; and SCADA improvements
- Produce proceeds sufficient to retire approximately \$190 million of commercial paper outstanding at the time of the sale
- Pay estimated issuance costs of \$613,650 from Dallas Water Utilities (DWU) operating funds
- Sell 30-year bonds with a 10-year call
- Co-Financial Advisors recommend issuing bonds via a negotiated sale based on current market conditions

- Dallas Water Utilities commercial paper program provides short-term financing for DWU's capital improvement program
- Refunding commercial paper provides necessary capacity to award contracts and pay invoices for construction and project costs
- Funds contract awards and payments
  - Current program size of \$600 million
  - Outstanding balance of \$111.55 million as of 12/9/22
  - Average interest rate 2.69% for 66.5 days

- On November 29, 2020, the City issued a Request for Proposals (RFP) for Waterworks & Sewer Financing Debt Underwriting from the pool of qualified firms and received 22 proposals in response
- To accommodate this transaction, the City's Co-Financial Advisors recommend a syndicate of eight (8) underwriting firms; comprised of two (2) national firms, three (3) regional firms, (2) M/WBE firms, and one (1) veteran-owned firm
- Following review of the RFP responses, the City plans to use an underwriting syndicate team comprised of Stifel, Nicolaus & Co., Inc.; Blaylock Van, LLC (M/WBE); Academy Securities (veteran-owned); Frost Bank; Mesirow Financial, Inc.; Raymond James; Siebert Williams Shank & Co. (M/WBE); and UMB Bank, N.A.
- Stifel, Nicolaus & Co., Inc. will be the Book Running Senior Manager, and Blaylock Van, LLC will be the Co-Senior Manager

Upcoming Agenda Item 22-2505 for December 14, 2022: Authorize Use of Contingency Reserve Funds for 2022 Severe Weather and Flooding Event [Budget and Management Services]

## Memorandum

DATE December 9, 2022

 $_{\scriptscriptstyle \rm TO}$  Honorable Mayor and City Council

# SUBJECT December 14, 2022, City Council Agenda Item 22-2505: General Fund Contingency Reserve – Severe Weather and Flood Event

The City of Dallas experienced historic rainfall, primarily during the overnight hours of August 21 and August 22, and broke the 1932 record to become the second highest daily rain total. Some areas in the city experienced over 15 inches of rain. On December 14, City Council will consider agenda item 22-2505 that will allocate \$6,810,500 from General Fund Contingency Reserve to repair insured City facilities damaged during the severe weather and flooding event on August 21 and August 22. This allocation from General Fund Contingency Reserve will only fund insurance covered repairs at city facilities. Uninsured damages will be prioritized and funded by the annual allocation of major maintenance funding.

Preliminary estimates reflect approximately 68-71 facilities affected by severe weather and flooding. This initial allocation of \$6,810,500 reflects the initial projected costs of repairs and includes the \$750,000 deductible. Damage assessments are ongoing, and staff may request additional funding from General Fund Contingency Reserve to fund additional insured repairs in the future.

Additionally, staff will take all actions necessary to file insurance claims and seek reimbursement of costs incurred. Funding in the amount of \$6,060,500 will be transferred back to General Fund Contingency Reserve after reimbursement from insurance.

The City Council was briefed on the "After-Action Flooding Analysis" on September 21, 2022 (<u>briefing available here</u>).

Upcoming Agenda Item 22-2696 for December 14, 2022: To Amend Five Previously Authorized Resolutions, Providing Reimbursement Language to Each Resolution Pursuant to the Provisions of the Master Lease Program. [Budget and Management Services]

# Memorandum

DATE December 9, 2022

<sup>TO</sup> Honorable Mayor and Members of the City Council

## SUBJECT December 14, 2022, Council Agenda Item 22-2696: Master Lease Program Update

The Master Lease Program (MLPP) is a lease finance program used by the City to finance capital equipment and technology items. The City has used this program since FY 2011-12. Master Lease drawdowns are used to pay invoices or provide up-front funding for projects. The City is required to make lease payments to repay the principal and interest on the lease. When the lease is fully paid, possession of the equipment or other financed project is transferred to the city.

The MLPP provides tax-exempt financing pursuant to the Public Property Finance Act, Texas Local Government Code §271.001. Due to the tax-exempt financing of the program, specific language is required in the resolution for each item financed by the MLPP presented to City Council for approval. The resolution should list the expenditures that will be reimbursed, the authorization to execute the master lease agreement, and estimated useful life. While reviewing master lease documents, we discovered five resolutions that did not include the reimbursement language. On December 14, City Council will consider agenda item 22-2696 that will provide corrections to the following resolutions.

City Council Date	Resolution Number	Action		
08/28/2019	19-1274	Purchase of fleet vehicles and equipment		
09/11/2019	19-1407	Purchase of surveillance equipment		
12/11/2019	19-1919	Purchase of hand and power tools		
04/22/2020	20-0625	Purchase of public safety hardware and software camera systems		
11/11/2020	20-1808	Purchase of voice and data network services, monitoring, and maintenance		

If you have any questions or need additional information, please contact Janette Weedon, Director of Budget & Management Services.

# Memorandum

CITY OF DALLAS

DATE December 2, 2022

<sup>TO</sup> Honorable Mayor and Members of the City Council

## **SUBJECT Kay Bailey Hutchison Convention Center Dallas Master Plan – Next Steps**

On Monday, November 21, 2022, the City Council held a Special Called Meeting to receive, approve, and adopt the report of the Ad Hoc City Council Canvassing Committee (AHCCCC) declaring that a majority of the votes cast at a duly ordered special election held on November 8, 2022 were in favor of Proposition A, on the question of approving and implementing a proposition: (1) designating the expansion of the Kay Bailey Hutchison Convention Center Dallas (KBHCCD) and certain improvements at Fair Park within the City of Dallas as venue projects; and, (2) designating the method of financing as a new hotel occupancy tax at the rate of two percent pursuant to Chapter 334.042, Texas Local Government Code (Proposition A). The signed resolution and order (CR 22-1720) were provided to the City Council following the AHCCCC meeting adjournment.

With the passage of Proposition A, City Council approval, and adoption of the canvassing committee report, the next steps will be for city staff to provide: (1) an amendment to Dallas City Code Chapter 44 authorizing the levying and collecting of the additional two percent Hotel Occupancy Tax (HOT); and (2) a resolution establishing a venue fund in accordance with state law, to segregate the additional 2% of HOT collections to disburse for debt service and construction costs related to the KBHCCD expansion and Fair Park improvements. Both the ordinance amendment and resolution are scheduled for City Council consideration on December 14, 2022.

In the interim, Convention and Event Services (CES) and the City Controller's Office (CCO) are preparing advance notification and reminder information through GovOS, Inc. for hoteliers, moteliers, and short-term rental owners regarding the timeframe and process for assessment of the tax. Following City Council consideration and approval of the Chapter 44 amendments, staff will provide more formal notification.

Additionally, CES, CCO, the City Attorney's Office, Dallas Park and Recreation and Jack Ireland, Chief Financial Officer, will continue to work on other items that will be presented to City Council for consideration to further implement Proposition A, including: (1) drafting a resolution authorizing reimbursement from bond proceeds for expenditures related to the venue projects; and, (2) drafting an ordinance authorizing the issuance and sale of revenue bonds for the KBHCCD expansion and Fair Park improvements.

Governance of City Council Members' Operating Activities and Recommendations [Office of the City Auditor]

# Memorandum

DATE: December 13, 2022

Honorable Members of the Government Performance and Financial Management Committee:

- **TO:** Cara Mendelsohn (Chair), Gay Donnell Willis (Vice Chair), Tennell Atkins, Adam Bazaldua, Adam McGough, Paul Ridley, Chad West
- SUBJECT: Governance of City Council Members' Operating Activities

The Office of the City Auditor is required by the Dallas City Charter Chapter IX, Section 4, *Special Audit*, to audit the accounts of former city officials upon their death, resignation, removal, or expiration of the term of any officer of the City to determine any indebtedness to the City.

The Office of the Mayor and City Council ensures proper off-boarding of council members. The primary off-boarding activities involve verifying debt clearance and proper use of City-Funded Officeholder Accounts (15A Financial Disclosure Statement).

Other off-boarding activities have insufficient clarification on whether elected officials should follow the administrative directives because they do not expressly state they apply to "elected officials," and the city council is not a "department" per the Dallas City Attorney's Office. The following activities should be considered for further review:

- <u>Physical access</u>: Identification and parking badge retrieval and cancellation apply to employees only. Reference to all cars is insufficient.
- <u>Logical access</u>: Use of the internet, email, computer equipment, mobile devices, and separation of the user from the City do not apply to elected officials. The reference to all devices is not specific to elected officials.
- <u>Procurement and Reimbursements</u>: The administrative directives specify rules for procurement and reimbursements, which council members cannot always meet due to the nature of their activities. For instance, changes in travel plans while in transit, two-week approval and verification, and extensions are not typical situations for employees but are common for elected officials, which can result in noncompliance.
- <u>Records management</u>: Elected officials are not required to follow proper record usage and destruction procedures. A specific reference to elected officials does not exist for Administrative Directive 2-51, *Records Management*.

Governance of City Council Members' Operating Activities December 13, 2022 Page 2 of 2

- <u>Personal Property</u>: Dallas City Code, Section 15A-7.4, *Use of City-Funded Officeholder Accounts* lists permissible and impermissible expenses. A significant portion of these expenditures are for personal property below the City's capitalization threshold of \$1,000 and should be managed (recording, tracking, disposal) as City-owned personal property. An analysis of expenditures demonstrated that personal property was purchased with City funds, including furniture and convenience accessories such as iPads, monitors, and storage devices. Additional internal controls are needed to ensure the integrity of the department's personal property records.
- <u>Memberships</u>: Dallas City Code, Section 15A-7.4, *Use of City-Funded Officeholder Accounts* allows for certain memberships (no social clubs, athletic clubs), and an administrative directive outlines a procedure for handling memberships. However, memberships are a self-reporting activity, and a comprehensive list of council memberships is unavailable.

## **Recommendation**

We recommend that the Government Performance and Financial Management Committee clarify the governance of City Council Members' operating activities by recommending the Dallas City Council adopt either specific or all existing City administrative directives regarding City department operating activities.

Refer to Appendix A for a list of administrative directives applicable to City department operating activities.

Should you have any questions or need additional information, please get in touch with me at Mark.Swann@dallas.gov or my mobile number, 615-974-8700.

Office of the City Auditor's Performance Audit Recommendation Implementation Status as of December 5, 2022 [Office of the City Auditor]

# Memorandum

DATE: December 13, 2022

Honorable Members of the Government Performance and Financial Management Committee:

- TO: Cara Mendelsohn (Chair), Gay Donnell Willis (Vice Chair), Tennell Atkins, Adam Bazaldua, Adam McGough, Paul Ridley, Chad West
- SUBJECT: Performance Audit Recommendations Implementation Status as of December 5, 2022

The following memorandum and attachment are an update, as of December 5, 2022, on audit recommendations implementation status for 63 performance audit reports issued between Fiscal Years 2016 and 2022.

## Initial Audit Report Issuance Recommendations Acceptance

In Fiscal Year 2022, the Office of the City Auditor identified 74 recommendations for improvements, with 61 (82 percent) being accepted when the report was issued. The Office of the City Auditor's benchmark is a 90 percent acceptance rate.

## Audit Report Accepted Recommendations Implementation Status

As of December 5, 2022, the City Comptroller's Financial Compliance, Auditing & Monitoring provided implementation status for the City Manager department's accepted audit report recommendations. Of the 610 accepted performance audit recommendations between Fiscal Years 2016 and 2022, 380 (62 percent) were reported implemented, and 145 recommendations were in-progress pending corrective action tasks. In-progress recommendations open more than two years totaled 56. City management did not implement 85 (14 percent) of the 610 accepted performance audit recommendations.

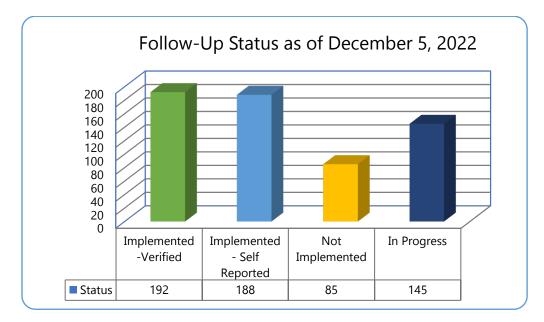

Exhibit 2

Exhibit 3 on page 3 lists the audit engagements with in-progress audit recommendations open greater than two years.

Marketing Support Procurement Most Advantageous and Responsive Bidder, The Voice Society [Communications, Outreach & Marketing]

#### Memorandum

DATE December 9, 2022

CITY OF DALLAS

<sup>10</sup> Members of the Government Performance and Financial Management Committee

#### **SUBJECT Marketing Support Procurement**

Honorable Chair Mendelsohn and Members of the GPFM Committee,

The purpose of this memo is to advise on Communications, Outreach & Marketing (COM) procurement of a Marketing Support consultant.

HR&A, the City's Economic Development consultant, assisted in the creation of a scope of work for marketing support for the City's American Rescue Plan Act (ARPA) grant-funded programs and services including the newly appointed Economic Development Commission; newly created Small Business Center; Housing and Neighborhood Revitalization's Neighborhood Revitalization Grants; and Office of Community Care-led Period Access Dallas program in partnership with Dallas Public Library and Park and Recreation, among others. The opportunity was posted by the Office of Procurement Services from June 23 to July 29, 2022.

Seven vendors responded to the procurement, and an interdepartmental evaluation team selected The Voice Society, an MBE, as most advantageous and responsive to the scope of services desired by the City. The successful finalist will collaborate with internal departments and external partners to gather and integrate information into campaigns and instructional materials; publish and distribute excellent content reaching targeted audiences through tailored approaches; apply an on-brand City messaging framework to all marketing; launch and oversee council district marketing campaigns; coordinate dissemination of information about City programs, initiatives and services; communicate equitably in ways that are easily understood; and engage residents, businesses and community stakeholders with City programs and activities.

The two-year contract, not to exceed \$500,000, will be funded from the City's \$355 Million in ARPA grant funding. This item is scheduled for approval on the December 14 City Council voting agenda.

DATE December 9, 2022 SUBJECT Marketing Support Procurement

Staff will be present at the December 13 GPFM Committee meeting to respond to questions. Please contact me if you need additional information in advance.

Respectfully, therine Cuellar

#### **Table 3 Dollar Amount Outstanding Invoices**

Prior to the COVID-19 pandemic fewer than 50% accounts payable payments were made electronically. As of December 6, 2022, approximately 80% of accounts payable payments are made electronically. The increase in electronic payments has reduced costs and increased the speed and reliability of payments to our vendors.

I would like to thank the entire Accounts Payable team in the City Controller's Office for these outstanding results. Innocent Maduka was appointed as the Assistant Director of Accounts Payable and Payroll in February 2022. Innocent has been with the City since August 2020 and has served as the Sr. Program Manager Payroll and Interim Assistant Director of Accounts Payable and Payroll prior to this most recent appointment. I would also like to introduce Marybell Eguez as the Sr. Program Manager Accounts Payable. Marybell joined the City in May 2022. Prior to joining the City of Dallas, she worked at the City of Anaheim where she managed Accounts Payable using the same financial system the City of Dallas currently uses.

While I am very proud of our continued progress over the last year, we are not done yet. We will continue to work to improve our processes, reduce the backlog of past due invoices, as well as increase the number of vendors receiving electronic payments.

Please let me know if you have any questions.

Update Compliance with Texas State Library and Archives Commission (TSLAC) Retention Schedules [City Secretary's Office]

#### Memorandum

#### Date December 8, 2022

To Honorable Chair Mendelsohn and Members of the Government, Performance and Financial Management (GPFM) Council Committee

### Subject UPDATE Compliance with Texas State Library and Archives Commission (TSLAC) Retention Schedules

On August 12, 2020, the Dallas City Council adopted all of Texas State Library and Archives Commission (TSLAC) Local Government Records retention schedules, with one exception to Dallas Fire and Rescue's retention schedule increase to their 'Individual Training' records.

Our office periodically audits of all City of Dallas' records retention schedules for compliance with TSLAC; and consults with city departments to determine if schedules are appropriate. After consultations with two city departments, <u>our office is recommending continuance of compliance with TSLAC, with two additional exceptions for city council consideration and approval</u>. These recommendations are identified in the attached briefing presentation.

If you have any questions and/or comments, feel free to contact me directly.

Sincerely,

Bilierae Johnson Bilierae Johnson **City Secretary**

# **FINANCIAL FORECAST REPORT**

The Financial Forecast Report (FFR) provides a summary of financial activity through September 30, 2022, for the General Fund and other annual operating funds of the City. The Adopted Budget column reflects the budget adopted by City Council on September 22, 2021, effective October 1, 2021, through September 30, 2022. The Amended Budget column reflects City Council-approved transfers between funds and programs, department-initiated transfers between expense objects, approved use of contingency, and other amendments supported by revenue or fund balance.

Year-to-date (YTD) actual amounts represent revenue or expenses/encumbrances that have occurred through the end of the most recent accounting period. Departments provide the year-end (YE) forecast, which projects anticipated revenues and expenditures as of September 30, 2022. The variance is the difference between the FY 2021-22 amended budget and the YE forecast. Variance notes are provided when the YE forecast is +/- five percent of the amended budget and/or if YE expenditures are forecast to exceed the amended budget.

## General Fund Overview

The General Fund overview provides a summary of financial activity through September 30, 2022.

	FY 2021-22 Adopted Budget	FY 2021-22 Amended Budget	YTD Actual	YE Forecast	Variance
Beginning Fund Balance	\$272,058,286	\$272,058,286		\$287,241,830	\$15,183,544
Revenues	1,535,018,900	1,589,890,654	1,606,525,680	1,609,213,193	19,322,539
Expenditures	1,535,018,900	1,589,890,654	1,565,373,910	1,575,417,768	(14,472,885)
Ending Fund Balance	\$272,058,286	\$272,058,286		\$321,037,255	\$48,978,968

**Fund Balance.** As of September 30, 2022, the beginning fund balance for the adopted and amended budgets and YE forecast reflects the FY 2020-21 audited unassigned ending fund balance and includes FY 2020-21 YE savings.

**Revenues.** Through September 30, 2022, General Fund revenues are projected to be \$19,323,000 over budget primarily due to sales tax (\$13,201,000) and franchise and other revenue (\$9,085,000). This is partially offset by decline in fines and forfeitures and operating transfers in. Fines and forfeitures fees combined with operating transfers in are projected to be \$12,317,000 under budget.

**Expenditures.** Through September 30, 2022, General Fund expenditures are projected to be \$14,473,000 under budget primarily due to salary savings from vacant uniform and non-uniform positions across all General Fund departments as well as better than budgeted reimbursements, partially offset by expenses for uniform overtime and supplies for various General Fund departments.

FY 2021-22 Amended Budget. City Council amended the General Fund budget on:

- December 8, 2021, by resolution #21-2023 in the amount of \$197,558 for the establishment of the Inspector General Division.
- May 11, 2022, by ordinance #32193 in the amount of \$24,859,738 due to additional sales tax revenue and intergovernmental revenue from Dallas County. This allocation will be used for the maintenance and operation of various departments and activities.
- September 28, 2022, by ordinance #32301 in the amount of \$29,814,458 due to additional sales tax revenue. This allocation will be used for the maintenance and operation of various departments and activities.

10	Interest	850,000	850,000	2,459,224	1,844,040	994,040
	Total Revenue	\$1,535,018,900	\$1,589,890,654	\$1,606,525,680	\$1,609,213,193	\$19,322,539

## **VARIANCE NOTES**

General Fund revenue variance notes are provided below for revenue categories with YE forecast variances of +/- five percent and revenue with an amended budget.

**2 Sales Tax.** City Council increased the sales tax budget from \$364,294,064 to \$394,108,522 on September 28 by adopting the end of the year budget ordinance. Total sales tax collections were \$13,201,000 over the amended budget.

**3 Franchise and Other.** Franchise and other revenues are projected to be \$9,085,000 over budget primarily due to colder than normal weather in early FY 2021-22 causing higher revenues from Oncor and Atmos.

**5 Fines and Forfeitures.** Fines and forfeitures are projected to be \$2,386,000 under budget primarily due to declines in citations filled with the court (18.4 percent decline compared to the same period last year from October to August), in addition to decline in parking fine activity.

**6 Operating Transfers In.** The revenue budget for Operating Transfers In was amended on December 8, 2021 by resolution #21-2023 in the amount of \$197,558 for the establishment of the Inspector General Division. Revenues are forecast to be \$9,930,000 under budget primarily because General Fund revenue is forecast to exceed the budgeted amount, eliminating the need for the Sports Arena or Revenue Stabilization transfers.

**7 Intergovernmental.** City Council increased Intergovernmental revenue by \$4,849,000 on May 11 as part of the mid-year appropriations adjustment process, due to an unanticipated reimbursement from Dallas County, authorized on December 8, 2021 by resolution #21-1961. This reimbursement represents Dallas County's 50/50 cost participation in Public Works resurfacing projects that will mutually benefit both Dallas County and the City of Dallas.

**8 Miscellaneous.** Miscellaneous revenues are projected to be \$3,418,000 over budget primarily due to auction sales exceeding budget.

General Fund variance notes are provided below for departments with YE forecast variances of +/- five percent, amended budgets, or YE forecasts projected to exceed budget.

**9 Licenses and Permits.** Licenses and permits revenues are projected to be \$684,000 under budget primarily due to lower than budgeted collections for home repair licenses by the Code Compliance department, various real estate license fees by the Public Works department, and dockless vehicle permits by the department of Transportation.

**10 Interest.** Interest revenue is projected to be \$994,000 primarily due to improved market conditions and anticipated interest rate hikes.

## **VARIANCE NOTES**

General Fund expenditure variance notes are provided below for expenditure categories with YE forecast variances of +/- five percent. The Amended Budget column reflects department-initiated transfers between expense objects.

**1 Personnel Services.** Personnel services are forecast to be \$5,565,000 under budget primarily due to salary savings associated with vacant uniform and non-uniform positions across General Fund departments, which are partially offset by uniform overtime expenses in Dallas Police Department (\$17,938,000) and Dallas Fire-Rescue (\$10,820,000) and non-uniform overtime expenses. Uniform overtime expenses for DPD and DFR will be partially reimbursed by the Coronavirus Relief Fund and American Rescue Plan Act (ARPA).

**2 Supplies.** Supplies are forecast to be \$12,734,000 over budget primarily due to radios and other expenses related to the Real-Time Crime Center; protective equipment for Dallas Police Department; various supplies for ambulance operations, in-house repairs, and preventive maintenance of Dallas Fire-Rescue fleet; supplies for Park & Recreation facilities improvements; and usage of Transportation signal systems supplies.

**3 Contractual Services.** Contractual services are forecast to be \$3,784,000 under budget primarily due to usage in salary and benefit stabilization (S&B), Office of Integrated Public Safety Solutions programs such as Behavioral Health Response and Violence Interrupters, and delays in CECAP implementation. The savings are partially offset by increased costs for outsourced fleet repairs, preventive maintenance, and groundskeeping of facilities maintained by DFR; temporary staffing costs across several General Fund departments; and a deposit for the November 8, 2022 joint election, to be reimbursed by Convention and Event Services.

General Fund variance notes are provided below for departments with YE forecast variances of +/- five percent, amended budgets, or YE forecasts projected to exceed budget.

**4 Capital Outlay.** Capital outlay is forecast to be \$1,298,000 under budget primarily due to savings associated with Park & Recreation equipment, partially offset by increased costs for renovations at Code Compliance facilities.

**5 Reimbursements.** Reimbursements are forecast to be \$16,560,000 better than budget primarily due to additional reimbursements from the Coronavirus Relief Fund and American Rescue Plan Act (ARPA) for eligible Dallas Fire-Rescue and Dallas Police Department salary expenses and a deposit from Convention and Event Services to cover the November 8, 2022 joint election.

### **VARIANCE NOTES**

The Enterprise, Internal Service, and Other Funds summaries include the beginning fund balance with the YE revenue and expenditure forecasts. As of September 30, 2022, the beginning fund balance for the adopted and amended budgets and YE forecast represents the FY 2020-21 audited unassigned ending fund balance and includes FY 2020-21 YE savings. Variance notes are provided below for funds with a YE forecast variance of +/- five percent, YE forecast projected to exceed budget, or projected use of fund balance.

**1 Aviation.** City Council increased AVI's budget by \$9,000,000 on September 28 by ordinance #32301 for increased DPD/DFR reimbursements (\$2,000,000) and a capital construction transfer (\$7,000,000). AVI revenues are projected to be \$36,646,000 over budget primarily due to higher-than expected revenue from garage parking, concessions, and terminal rentals.

**2 Convention and Event Services.** City Council increased CCT's budget by \$10,011,000 on September 28 by ordinance #32301 for increased Hotel Occupancy Tax (HOT) and Alcohol & Beverage Tax (ABT) collections. CCT revenues are projected to be \$4,784,000 over budget due to a projected increase in Hotel Occupancy Tax (HOT) and Alcohol & Beverage Tax (ABT) collections, which have recovered to that of prepandemic levels. Expenses are projected to be \$20,445,000 under budget primarily due to a reduced capital transfer and savings from the 2021 bond refunding.

**3 Development Services.** City Council increased DEV's budget by \$14,165,000 on August 10 by resolution #22-1139 for the purchase of a property for the Stemmons Project and by \$835,000 on September 28 by ordinance #32301 for additional Stemmons Project expenses and salary expenses as a result of staff added mid-year. DEV revenues are projected to be \$9,177,000 over budget due to higher permit activity. DEV expenses are projected to be \$851,000 under budget primarily due to salary savings associated with vacant positions.

**4 Municipal Radio.** WRR revenues are projected to be \$410,000 under budget primarily due to declines in arts-related advertising revenues. WRR anticipates using fund balance to offset lost revenue. On June 9, City Council approved the transfer of operation of WRR to KERA. WRR expenses are projected to be \$194,000 under budget primarily due to salary savings associated with one vacancy and lower-than-expected music licensing fees.

**5** Sanitation Services. City Council increased SAN's budget by \$2,162,000 on May 11 by ordinance #32193 due to the increase in fuel prices. SAN revenues are projected to be \$5,256,000 over budget due to stronger than anticipated residential collection revenues. Expenses are projected to be \$793,000 under budget due to salary savings from vacant positions.

**6 Storm Drainage Management - Dallas Water Utilities.** City Council increased SDM's budget by \$2,500,000 on May 11 by ordinance #32193 to support capital construction and equipment purchases. The budget increase is supported by use of the Fund Balance.

**7 Water Utilites.** City Council increased DWU's budget by \$33,036,000 on May 11 by ordinance #32193 to support capital construction and equipment purchases.DWU revenues are projected to be over budget by \$61,385,000 due to higher than expected consumption attributed to dry weather. DWU expenses are projected to be \$3,108,000 under budget due to the close out of old bond funds and the balances transferred to the debt service sinking fund and salary savings due to vacancies partially offset by an increased cost in fuel.

### **VARIANCE NOTES**

The Enterprise, Internal Service, and Other Funds summaries include the beginning fund balance with the YE revenue and expenditure forecasts. As of September 30, 2022, the beginning fund balance for the adopted and amended budgets and YE forecast represents the FY 2020-21 audited unassigned ending fund balance and includes FY 2020-21 YE savings. Variance notes are provided below for funds with a YE forecast variance of +/- five percent, YE forecast projected to exceed budget, or projected use of fund balance.

**8 Bond and Construction Management.** BCM revenues are projected to be \$599,000 under budget due to charges to capital projects encumbered in the prior fiscal year. BCM expenses are projected to be \$3,130,000 under budget primarily due to salary savings associated with vacant positions. BCM charges each capital project budget for project implementation costs. Savings in actual implementation expenses result in fewer charges to the capital project.

**9 Equipment and Fleet Management.** City Council increased EFM's budget by \$7,743,000 on May 11 by ordinance #32193 and by \$1,943,000 on September 28 by ordinance #32301 for increased fuel cost and department chargebacks. The FY 2021-22 budget was based on an anticipated blended fuel rate of \$2.00 per gallon. In September 2022, the actual average blended rate was \$3.36 per gallon. EFM revenues are estimated to be \$578,000 under budget primarily due to a decline in equipment auction proceeds.

**10 Express Business Center.** Express Business Center revenues are \$567,000 over budget due to an increase in auto pound sales. Expenses are projected to be \$45,000 under budget due to vacancy savings.

**11 Information Technology.** Information Technology expenses are projected to be \$7,849,000 under budget primarily due to salary savings associated with vacant positions and savings in professional services due to contract delays originally scheduled to be completed in FY 2021-22 but moved to FY 2022-23.

**12 Radio Services.** City Council increased Radio Services' budget by \$381,000 on May 11 by ordinance #32193 for consulting and engineering support for the P25 Radio System Project. Revenues are projected to be \$432,000 under budget primarily due to decreased in collections Miscellaneous for Services. Radio expenses are projected to be \$1,913,000 under budget primarily due to lower master lease expenses.

**13 9-1-1 System Operations.** City Council increased 911's budget by \$467,000 on May 11 by ordinance #31293 for costs associated with the transition of 911 call centers from an analog network to a digital network (ESINet). 911 revenues are projected to be \$1,013,000 over budget due to increased collections for wireless and wireline fees.

**14 Debt Service.** Debt Service revenues are projected to be \$8,150,000 over budget primarily due to an increase in property tax penalties and interest and unbudgeted transfers to debt service from Sanitation Services and Storm Drainage Management. Debt Service expenses are projected to be \$14,649,000 under budget due to interest savings realized in the November 2021 bond sale, as well as a lower than budgeted cash payment to pay off Commercial Paper.

**15 Employee Benefits.** Expenses are projected to be \$1,841,000 over budget primarily due to higher participation in the voluntary products like dental and FSA spending accounts in which enrollees incur the full cost. Revenues are projected to be \$2,682,000 over budget primarily due to higher employee contributions related to the aforementioned higher participation in voluntary products which are partially offset by a steady decline in medical enrollment by retirees.

**16 Risk Management.** The transfer from the General Fund to the Liability Fund was increased by \$5,000,000 for environmental remediation efforts and other liability considerations. Risk Management expenses are projected to be \$7,733,000 under budget primarily due to a delay in anticipated claims expenses and lower-than-expected payout in FY 2021-22 resulting in some claims to be moved over to FY 2022-23.

## Sales Tax

The current sales tax rate is 8.25 percent: 6.25 percent goes to the state, one percent to the City, and one percent to DART. In FY 2020-21, the City received \$354,287,642 in sales tax revenue. In FY 2021-22, the City budgeted \$344,283,066, which was increased to \$394,108,522 by the end of the year ordinance #32301 approved by the City Council on September 28. As of September 30, 2022, total sales tax collections for FY2021-22 were \$407,309,124, which surpasses the amended budget by \$13,200,602.

The charts in this section provide more information about sales tax collections.

Note: Net sales tax payments by industry do not include the City's self-reported sales tax numbers.

Year-over-Year Change in Sales Tax Collections					
Industry	September FY22 over September FY21	FYTD22 over FYTD21			
Retail Trade	10%	11%			
Wholesale Trade	76%	31%			
Accommodation and Food Services	10%	25%			
Information	-11%	7%			
Construction	5%	21%

All Others	12%	14%			
Total Collections	13%	15%			

**Retail Trade.** Includes establishments engaged in selling (retailing) merchandise, generally without transformation, and rendering services incidental to the sale of merchandise. The retailing process is the final step in the distribution of merchandise, so retailers are organized to sell merchandise in small quantities to the general public.

Wholesale Trade. Includes establishments engaged in wholesaling merchandise, generally without transformation, and rendering services incidental to the sale of merchandise. Wholesalers are organized to sell or arrange the purchase or sale of (a) goods for resale to other wholesalers or retailers, (b) capital or durable nonconsumer goods, and (c) raw and intermediate materials and supplies used in production.

Accommodation and Food Services. Includes establishments providing customers with lodging and/or preparing meals, snacks, and beverages for immediate consumption.

**Information.** Includes establishments engaged in (a) producing and distributing information and cultural products, (b) providing the means to transmit or distribute these products as well as data or communications, and (c) processing data.

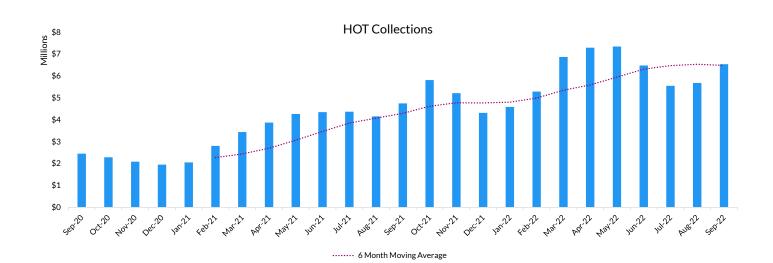

**Construction.** Includes establishments primarily engaged in the construction of buildings or engineering projects (e.g. highways and utility systems). Establishments primarily engaged in the preparation of sites for new construction or in subdividing land for sale as building sites are also included in this sector.

**Utilities.** Includes establishments providing electric power, natural gas, steam supply, water supply, and sewage removal.

All Others. Includes but is not limited to manufacturing, professional and business services, financial activities, education and health services, and natural resources and mining.

## Hotel Occupancy Tax

The City collects hotel occupancy taxes (HOT) on hotel, motel, bed and breakfast, and short-term rentals in the city limits. The HOT rate in Dallas is 13 percent of the cost of the room (not including food served or personal services not related to cleaning and readying the space for the guest)—six percent goes to the state, and seven percent goes to the City. HOT is the largest single revenue source for the Kay Bailey Hutchison Convention Center, and data is typically updated every two months.

#### Year-over-Year Change in HOT Collections

# **ECONOMIC INDICATORS**

## Convention Center Event Bookings

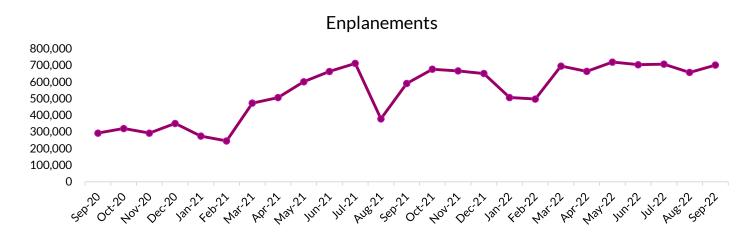

The table below lists the number of actual, planned, and forecast events at the KBHCCD for the last three fiscal years. Please note if no event takes place, it results in an equal reduction in revenue and expenses.

	FY20 Actual	FY21 Actual	FY22 Planned	FY22 Actual*
October	6	3	9	6
November	11	1	5	5
December	5	2	11	9
January	13	1	6	4

June	0	7	9	11
July	0	7	3	4
August	0	4	3	8
September	0	5	5	10
Total	49	39	73	94

\* Due to shifts in cancellations and rescheduling, FY 2021-22 actuals for prior months may be updated.

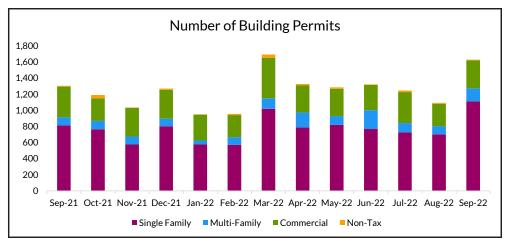

## Love Field Enplanements

An enplanement is when a revenue-generating passenger boards an aircraft. Enplanements are the most important air traffic metric because enplaned passengers directly or indirectly generate 80 percent of Aviation revenues. Typically, Aviation generates only 20 percent of total operating revenues from non-passenger-related activities.

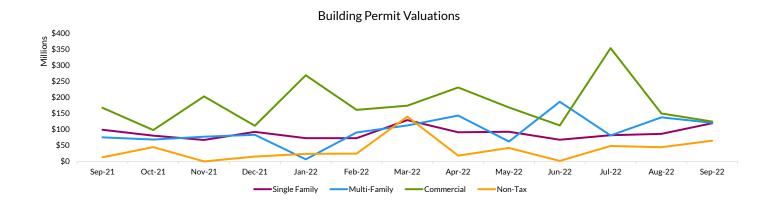

## **Building Permits**

Building permits (required for all construction in Dallas) can provide insight into upcoming activity in the housing market and other areas of the economy. Permits are a key indicator of the confidence developers have in the economy; likewise, a decline can indicate developers do not anticipate economic growth in the near future. In some cities, this measure may

be a leading indicator of property tax value growth, but in Dallas, the property tax forecast model includes other variables like wage/job growth, housing supply, gross domestic product, population, vacancy rates, and others.

# **DALLAS 365**

The Dallas 365 initiative aligns 35 key performance measures to our eight strategic priorities. The department responsible for each measure is noted at the end of the measure's description, and last year's performance is included if available. If FY 2020-21 data is not available, N/A is listed.

Year-to-date (YTD) and year-end (YE) targets are presented for each measure. YTD targets may vary based on seasonality of the work. Each month, we compare 1) the YTD target with the actual performance for the current reporting period and 2) the YE target with the department's forecasted performance as of September 30, 2022.

Measures are designated "on target" (green) if actual YTD performance is equal to or greater than the YTD target. If actual YTD performance is within five percent of the YTD target, it is "near target" (yellow). Otherwise, the measure is designated "not on target" (red). The same methodology applies to YE forecasts. Variance notes are provided for each red measure.

## FY 2021-22 Dallas 365

### VARIANCE NOTES

**2** The average number of days to complete application prescreens increased due to lack of staffing (facilitators) on the Project Dox team.

**3** July 2022 included a large amount of non-local spending which can be attributed to construction projects occurring during the summer months with Dallas Water Utilities, Public Works, and Aviation. Non-local spend vendors do include locally certified M/WBE subcontractors on City contracts.

**10** DWU's campaign to establish payment plans for customers that are over 60 days past due and the increase in residential disconnects for non-payment is impacting performance. 311 continues to focus on filling vacancies and training staff to improve performance. In addition, 311 has implemented the courtesy callback software feature as of September 30.

**11** An unusually high number of incidents during the first quarter impacted performance, increasing by 2 percent for the fiscal year. As a result, ORM safety personnel visited multiple workplace sites and met with department staff to discuss action plans to increase safety awareness. Action plans included toolbox talks and safe driving awareness.

**15** DFR continues to experience increased response times. While call volume decreases from the traditional summer spike, it remains very high. In addition, while DFR's EMS transport rate has historically been 40-45 percent, that figure is now over 60 percent. Increases in call volume and transport rates result in a decrease in the number of available units and an increase in unit hour utilization, which causes increases in response times.

**17** Overall violent crime is down 4.16 percent for September 2022 compared to the same period in 2021. With the focus on interrupting and disrupting violent people and places, the department strives to continue to see a reduction in crimes against persons. The department is targeting hot spots such as apartment complexes to decrease crime. DPD is implementing the Place Network Investigations (PNI) plan as part of the Violent Crime Plan. With the Domestic Violence Task Force in place, aggravated assault family violence is down 4.23 percent.

**18** In FY 2021-22, DPD hired 200 sworn officers and continues to proactively recruit. In September, 33 recruits started their academy training, and 19 graduated in August to begin their field training. DPD is committed to its Violent Crime Plan.

**21** RIGHT Care Unit is operational during 2nd and 3rd watch (7:00 AM-11:00 PM). During operational hours, RIGHT Care unit responded to 61.7 percent of all behavioral calls and worked to meet the target by adding two Rover teams to assist with call answering during higher call volumes.

**28** The participation rate at late-night teen recreation sites continues to be impacted by the COVID-19 evolution of the Delta and Omicron variants, staff shortages, and hiring challenges. As a result, PKR has completed the interview process and identified two potential candidates for the Manager position vacancy. In September, PKR suspended teen programming due to staffing changes. In addition, division-wide performance measures are being developed to incorporate staff performance plans for a more holistic approach to providing teen programming.

**30** Supply chain issues, fires at cement plants, and ongoing staffing issues impacted the lane miles improved.

# **BUDGET INITIATIVE TRACKER**

The Budget Initiative Tracker reports on 35 activities included in the FY 2021-22 budget. For each initiative included in this report, you will find the initiative number, title, description, status, and measure. At the end of each description, the responsible department is listed. For the September report, the responsible department has provided a current status for the initiative and indicated whether the initiative is "complete" (blue circle) or "incomplete" (red x). There are a few measures with clear progress, but external factors delayed the progress. These measures have been noted as substantially complete in the status narrative and moved to "complete". Additionally, there are several measures shown as "incomplete" that require additional time because of the scope and term of the project. These measures will be moved to Multi-Year Initiatives and continue to be tracked in FY 2022-23.

# In the Spotlight

## **Enhancing Dallas' Transportation Experience**

Roadway pavement markings are essential in minimizing accidents, maintaining safety, and optimizing the driving experience. Specifically, long-line pavement markings impact speed and parking regulations, pedestrian crossings, lane boundaries, turning points, and much more.

The Transportation department performs annual inspections to determine the roadway visibility level of service. They rate the levels of services as A, B, or C, with C defined as severely fading or lacking visibility. With over 1,600 linear miles of roadway, 76 percent (1,223 linear miles) of the City Roadway System was at a level C. Transportation planned to improve 612 of the 1,223 long-line pavement marking miles in FY 2021-22. They exceeded their

goal by improving 83.4 percent, or 1,020 linear miles, through determination and goal-oriented thinking. The Transportation department continues to inspect markings, plan for improvements, and enhance Dallas' transportation experience.

### FY 2021-22 Budget Initiative Tracker

# **ECONOMIC DEVELOPMENT**

#### 1 Economic Development Entity

INITIATIVE Launch the economic development entity called for in the Economic Development Policy with \$7 million over 3 years to pay formation costs and hire staff to begin the entity's business and real estate development work, after which it will be self sustaining. In FY 2021-22, ECO will spend \$2 million to launch operations, hire a new Economic Development Corporation Director, develop a 3-year work plan, and develop an operational budget for Year 2 and Year 3. (ECO)

<u>STATUS</u> City Council approved creation of the Economic Development Corporation (EDC) on January 12, 2022 and the certificate of formation was filed with the State of Texas in February. The City Council approved the initial Board of Directors to the EDC on August 24, 2022.

#### 2 Small Business Center

<u>INITIATIVE</u> Establish a Small Business Center focused on business diversity, including the Minority/Women-owned Business Enterprises program, workforce development and reentry services, and entrepreneurship to support local businesses. (ECO)

**STATUS** The Small Business Center (SBC) was established effective October 1, 2021, and a director was hired in November 2021. The SBC convenes and leverages existing external efforts to address challenges affecting workforce readiness, capacity building of minority, women, and veteranowned businesses, business startups and retention strategies, and re-entry services for formerly incarcerated residents.

# **ENVIRONMENT & SUSTAINABILITY**

 $(\mathbf{X})$ 

#### 3 Sanitation Collection

**INITIATIVE** Keep Dallas a safe, clean, and beautiful place to live by improving trash, recycling, and brush and bulky trash service delivery, including increasing employee pay to attract enough staff to meet our requirements and creating an outreach/ compliance division to strengthen customer experience. (SAN)

STATUS SAN residential collection services continues to show improvements from FY 2020-21. The number of missed garbage and recycling service calls from October 2021 through September 2022 have decreased for the current fiscal year overall, however there was approximately a 29 percent increase in September 2022 compared to September 2021. The on-time brush and bulky waste service has remained consistently at the 99.9 percent target since the beginning of FY 2021-22.

The pay increase for truck drivers, heavy equipment operators, and crew leaders was implemented in July 2021. Through September 2022, the Department's filled truck driver positions increased by 5 percent compared to this same month last fiscal year. SAN is now approximately 13 percent short from the target of 240 truck drivers. Sanitation continues to hold weekly interviews and extend same-day job offers for qualified candidates.

The Outreach Team Manager was hired in February 2022, the Enforcement Manager was hired in July 2022, and hiring for the Outreach Specialist positions is underway at this time.

#### 4 Air Quality Monitors

<u>INITIATIVE</u> Install \$1 million worth of additional Air Quality Monitors around the city to collect data on air quality and inform policy decisions affecting residents' health and quality of life. (OEQS)

<u>STATUS</u> The first batch of air quality monitors were installed at the TCEQ Hinton station in October. As of November, all eight monitors are transmitting data. Calibration efforts continue.

# FY 2021-22 Budget Initiative Tracker ENVIRONMENT & SUSTAINABILITY

#### Solar Energy Initiative

igodol

INITIATIVE Invest \$1.5 million in FY 2021-22 and \$500,000 in FY 2022-23 for a solar energy initiative, to install solar panels, energy efficient lighting, and retrofit controls at City facilities. (BSD)

STATUS Approximately \$1.5 million in energy efficiency and solar panel installation projects are in development. City Council approved the project contracts on April 13, 2022. Construction of solar PV projects at Dallas West Branch Library, Pleasant Oaks Recreation Center, and Fretz Park Recreation Center will start in October to November 2022. Construction of high-efficiency lighting & lighting controls projects at Juanita Craft Recreation Center, Hampton Illinois Branch Library, and City Hall Parking Garage will also start in October to November 2022. All six projects are estimated to be completed by December 2022.

7 Branch Out Dallas

<u>INITIATIVE</u> Relaunch Branch Out Dallas to provide 2,500 native trees to residents to plant in yards across Dallas helping to reduce heat island effect and stormwater runoff to our drainage system. (SDM)

<u>STATUS</u> The City held the FY 2021-22 Branch Out Dallas event on November 6, 2021 and distributed 2,500 trees across the City for residential properties. The FY 2022-23 activities are currently being planned and will be provided in spring 2023,

#### 6 Comprehensive Food & Urban Agriculture Plan

<u>INITIATIVE</u> Prioritize Dallas communities' access to healthy, local food by contributing \$200,000 to implement a Comprehensive Food & Urban Agriculture Plan in collaboration with external stakeholders. (OEQS)

**STATUS** OEQS staff are continuing efforts under the contract for the Comprehensive Food & Urban Agriculture Plan, including internal and external engagement with over 35 different farms (both community and commercial scale) and other Dallas food stakeholders. The final draft has been completed and is currently on the street for public review and comments. The plan will be presented to the ENVS Committee on December 5 and to City Council in February 2023. OEQS staff are also working with the City's internal Food Equity Working group, the Office of Community Care, and the Office of Procurement Services to pilot a project to provide 200 small growing units for food desert homes. Once implemented, the units will be deployed on a rolling basis.

#### 8 Water Distribution System

INITIATIVE Enhance monitoring for lead and copper in the water distribution system and develop a plan to educate and support customers in regulatory-driven programs for lead and copper monitoring within schools, childcare centers, and public spaces. In FY 2021-22, DWU will hire two FTEs and spend approximately \$75,000 to develop an outreach plan and procedures to sample both schools and day care operations; develop a data management and reporting procedure to comply with the new regulations; and, begin initial sampling in the second quarter of 2022 with a goal of 50 sites sampled by September 30, 2022. (DWU)

STATUS The Water Quality Group has determined the total number of schools and daycare centers that will be impacted by the new Lead and Copper Rule Revision: 389 Public and Charter Schools, 73 Private Schools and 412 Childcare and Daycare Centers. DWU has reclassified two existing positions who are developing a Lead Service Line inventory, contacting schools and day care centers to develop a facilities database and distribute education material, and developing the plan to conduct sampling and lead testing. The program is expected to continue into FY 2023-24.

### FY 2021-22 Budget Initiative Tracker

# GOVERNMENT PERFORMANCE & FINANCIAL MANAGEMENT

#### 9 Equipment and Fleet

**INITIATIVE** Achieve a state of good repair in five years for all City fleet vehicles, including sanitation trucks, fire apparatus, police cruisers, and heavy vehicles used by Public Works and Dallas Water Utilities by investing \$75 million for the purchase of replacement and additional fleet and equipment. (EFM, SDM, DWU, and SAN)

<u>STATUS:</u> The FY 2021-22 fleet acquisition is currently underway for 13 departments, including 640 vehicles on order with a replacement cost of approximately \$75.8 million.

#### 10 Data Analytics

INITIATIVE Harness the power of data to increase transparency and accountability by adding six new positions to the Office of Data Analytics & Business Intelligence, investing in the City's Data Inventory, and embracing data-driven decision making across our organization. (DBI)

<u>STATUS</u> As of September, one Data Coordinator, one GIS intern, and two Data Science Analysts have been hired. The department continues to grow the data team and is currently in the recruitment process for one Sr. Data Science Analyst, and one Sr. GIS Analyst.

#### **11** Total Compensation Study

**INITIATIVE** Invest in our City employees and improve recruiting and retention of high-caliber and diverse employees by continuing to implement the Total Compensation Study and ensuring competitive pay. (HR)

STATUS Phase one of the compensation study was completed in 2021. Phase two was completed in April and was focused on moving positions that were not able to be moved to market in phase one and addressing internal pay compression. Phase three, beginning in FY 2022-23, will continue to address internal pay compression.

# **HOUSING & HOMELESSNESS SOLUTIONS**

#### 12 Addressing Homelessness

INITIATIVE Contribute \$25 million to leverage an additional \$47 million in public and private investment for an overall \$72 million program that employs housing navigation services, landlord incentives, rental subsidies, move-in kits, and case management to reduce and prevent homelessness, in partnership with Dallas County, the Dallas Housing Authority, the Metro Dallas Homeless Alliance, and other cities in Dallas County. The program will be implemented from FY 2021-22 through FY 2023-24. It is anticipated approximately 1,000 individuals will be housed in the first year and a total of 2,762 individuals housed by the end of September 2023. The third year of the program will be focused solely on providing rental assistance and case management to those individuals housed in FY 2021-22 and FY 2022-23. (OHS)

STATUS From October 2021 to September 2022, the Dallas Real Time Rapid Rehousing Initiative housed 1,260 individuals, exceeding the goal for FY 2021-22. Of this, 54 percent are households consisting of adults with children and 46 percent are adults only. OHS is partnering with Metro Dallas Homeless Alliance (MDHA) to launch the encampment decommissioning effort to offer individuals in established encampments housing solutions.

#### **13** Affordable Housing Units

**INITIATIVE** Incentivize developers to build affordable housing by subsidizing \$10 million worth of water and sewer infrastructure required for up to 250 new affordable single family and 1,000 multifamily units over the life of the program (based on the mix of projects and the amount of funding requested). The program will be implemented from FY 2021-22 to FY 2023-24 with new units projected in years 2 and 3 due to construction timelines. (HOU)

STATUS Housing is implementing this new funding along with other measures through the existing Notice of Funding Availability. On January 12, City Council approved the first project utilizing these funds, providing \$1.8 million to be used for water infrastructure related to the development of 125 for-sale single family homes. On August 24, City Council approved the second project, authorizing \$4.1 million in ARPA funds to Cypress Creek at Montfort, a 168-unit mixed-income multifamily development in District 11. Both developments are still undergoing predevelopment processes and have not yet begun construction. The program will continue into FY 2022-23.

# FY 2021-22 Budget Initiative Tracker HOUSING & HOMELESSNESS SOLUTIONS

#### 14 Preservation of Affordable Housing

<u>INITIATIVE</u> Devote \$11.3 million for the preservation of affordable housing and investment in water and sewer infrastructure in qualified census tracts. In FY 2021-22, HOU will spend \$2 million for neighborhood infrastructure and \$2 million to preserve 20 housing units. (HOU)

STATUS In December, City Council approved the program design to use ARPA funding for home repairs and infrastructure improvements within specific qualified neighborhoods in Dallas. Staff are currently engaged in the hiring process, as well as communications and outreach planning. The application opened in May, and HOU has received 67 applications year to date. 48 of the applications have already had their homes inspected and five have begun construction. Home rehab activities are anticipated to continue through FY 2023-24 and HOU is on track to complete its expenditures by the end of the ARPA funding period.

# **PUBLIC SAFETY**

#### **15** Police Response Times

INITIATIVE Improve response times to high priority calls by hiring 250 police officers to end FY 2021-22 at 3,155 police officers, and by continuing to implement the recommendations of the KPMG efficiency study. (DPD)

<u>STATUS</u> DPD readjusted staffing at all patrol divisions for optimized efficiency in order to help better answer the call volume at each division. DPD hired 200 sworn officers in FY 2021-22 and ended the fiscal year with 3,084 officers.

**INITIATIVE** Mitigate behavioral health crises and avoid unnecessary arrests and hospitalizations by adding \$2 million to double the number of RIGHT Care teams from five to ten. (IPSS)

STATUS The RIGHT Care team performance continues to excel as it becomes more established. Nine teams (one for each of the seven police patrol divisions and two dedicated roving teams) are currently operating from 7am-11pm, seven days a week. Two additional Citywide overnight rover teams are expected to launch in early FY 2022-23. IPSS anticipates a continual increase in the number of calls handled by the RIGHT Care Team.

#### 16 911 Response

INITIATIVE Answer 90 percent of 911 calls within 10 seconds by adding 911 call takers and dispatchers and increasing pay to improve talent acquisition and retention. (DPD)

<u>STATUS</u> The September service level was 98.26 percent, with an average answer time of 4 seconds. Pay increases were implemented in August 2021 and year to date, DPD has hired 34 new call takers and 14 dispatchers. The 911 Call Center is currently staffed at 83 percent, with 110 call takers and 7 trainees.

#### **18** Street Racing Remediation

INITIATIVE Address city wide speeding and unsafe drivers with \$500,000 for traffic calming in neighborhoods and \$200,000 for a street racing remediation pilot project. (TRN)

<u>STATUS</u> In September, street racing remediation measures such as raised pavement markers and ceramic buttons were installed on Cesar Chavez Blvd (from Marilla St to Commerce St). Traffic calming installations and modifications, such as speed cushions, were completed at 5 locations. Road diet installation has been completed for Jefferson Boulevard to reduce the current configuration of six lanes to four lanes. Pavement markings and signage have been installed.

# FY 2021-22 Budget Initiative Tracker **PUBLIC SAFETY**

#### 19 Non-Emergency Enforcement

 $\bullet$ 

 $\bullet$ 

**INITIATIVE** Alleviate Police Department call volume by transferring non-emergency calls such as handicapped/fire lane parking enforcement and street blockage clearance from DPD to the Department of Transportation. (DPD and TRN)

STATUS Parking violations services have been fully transferred from DPD to TRN and most of the Parking team will relocate to the new 7800 Stemmons Freeway facility in FY 2022-23. "Train the Trainer" courses began in early November, and will eventually be incorporated into the Parking Enforcement training program. Road blockages services will be partially transferred to TRN starting January 2023. Full transfer is expected by March 2023.

#### 21 Tornado Warning Sirens

<u>INITIATIVE</u> Improve tornado warning siren coverage by purchasing and installing ten additional sirens for a total of 178 sirens citywide. (OEM)

STATUS All ten sites have been identified and approved by Oncor, but several sites may need to be relocated due to conflicts with existing privately owned underground utilities. Installation is anticipated by December 2022. OEM staff has coordinated with ITS to ensure P25-compliant radios and associated hardware are on hand for installation. This project is considered substantially complete and moved to complete status.

#### 23 City Facility Security Assessment

INITIATIVE In FY 2021-22, initiate \$3.5 million (of \$6.4 million allocated) of high-priority improvements identified through the City Facility Security Assessment including perimeter access control, security camera systems, radio systems, officer shelter space, vehicles access control, panic notification, lighting, weapons screening, security operating center upgrades, security staffing, and intrusion detection. (CTS)

<u>STATUS</u> Securityenhancement projects are underway at various parks, recreation centers, City Hall Oak Cliff Municipal Center, Municipal Courts, Libraries and DAS. These enhancements include interior and exterior lighting, fencing, and surveillance systems. Year-to-date obligations for FY 2021-22 totaled over \$3.4 million.

#### 20 Single-Role Paramedic Program

<u>INITIATIVE</u> Develop and pilot a new Single-Role Paramedic Program to introduce a new career path within Dallas Fire-Rescue to better meet workload demands and calls for medical service. (DFR)

<u>STATUS</u> Phase One of the Single Role Paramedic program introduced a new career path within Dallas Fire-Rescue. Phase two (pilot program) began in February 2022, consisting of two DFR rescues staffed with existing personnel. Phase Two will be utilized to evaluate the feasibility, extent, and direction of Phase Three, which will be implemented in FY 2022-23.

#### 22 Emergency Preparedness

<u>INITIATIVE</u> Prepare for emergency situations that may require sheltering through the purchase and installation of eight generators in City facilities and the purchase of six mobile "power packs" that can be used to provide warming or cooling for up to a 5,000 square foot facility. (BSD and OEM)

STATUS City Council approved the purchase of the eight generators in September 2021. Generators have been installed at four locations (Jaycee-Zaragoza, Timberglen, Beckley Saner, and Kleberg-Rylie Recreation Centers) and are awaiting final DFR inspections. Construction is underway at the Audelia Road Branch Library and will begin at the three remaining locations in November (Marcus Park and Pleasant Oaks Recreation Centers and Mountain Creek Library). The entire project is expected to be completed by the end of December 2022.

With the use of additional funding sourced from the Homeland Security Grant Program, OEM has been able to procure two additional power packs, for a total of eight. All eight power packs have been received. Five are fully operational and the last three are waiting on final deliveries for connecting parts. OEM is currently developing Standard Operating Procedures (SOPs) for deploying the power pack units.

 $\bullet$ 

#### 24 Trail Program

<u>INITIATIVE</u> Clean 1,365 unimproved alleys spanning 129 miles and launch a pilot trail program transforming 33 alleys into safe, well-lit trails. (Revised)(PBW)

<u>STATUS</u> Through September, PBW has completed cleanup of 1,363 unimproved alleys. Two alleys were not cleaned, as once field inspected it was determined that no cleanup was needed.

The pilot trail program added two additional alleys for a total of 35 alleys. 14 of the total 35 alleys to be converted to trails have been approved to move forward, and eight alleys located in historic preservation areas were approved by the Landmark Commission. 13 alleys were disqualified due to property owner rejection of improvements or other factors. Construction on the 14 alleys is 75 percent complete, with all construction expected to be completed by December 2022.

26 White Rock Lake

<u>INITIATIVE</u> Initiate a Comprehensive Master Plan for White Rock Lake and procure a consultant to provide preliminary engineering to determine a phased approach for the dredging of White Rock Lake. (PKR and DWU)

<u>STATUS</u> The consultant contracts for the Master Plan and preliminary engineering for White Rock Lake Dredging will be brought forward for City Council consideration in December 2022. This project is considered substantially complete and moved to complete status.

#### 25 Library Master Plan

<u>INITIATIVE</u> Utilize federal ARPA funds to leverage private funds and initiate a new Library master plan. (LIB)

<u>STATUS</u> A new RFP was posted and closed on June 28, 2022. Procurement evaluations of proposals are nearing completion, and the contract is scheduled for City Council consideration in December 2022. Upon contract execution, the Friends of the Dallas Public Library are prepared to issue payment.

#### 27 Wi-Fi at Park Facilities

INITIATIVE Install Wi-Fi at 63 park facilities. (PKR)

STATUS This project uses \$3.0 million of ARPA funding that has been allocated for Park & Rec's enhancements. The funds have been encumbered; however, due to supply chain and contractor issues a full timeline is unavailable. The anticipated date for equipment delivery is the first quarter of FY 2022-23. A scaled down approach will complete 14 high priority sites by December 2022 using refurbished equipment. The project will continue into FY 2022-23.

# FY 2021-22 Budget Initiative Tracker TRANSPORTATION & INFRASTRUCTURE

X

#### 28 Sidewalk Master Plan

INITIATIVE Improve pedestrian mobility by reconstructing and repairing half of the Sidewalk Master Plan's \$30 million priority projects within the next two years. In FY 2021-22, PBW will spend \$9.7 million in bond funds (certificate of obligation and general obligation bonds), and \$0.3 million from the General Fund to complete 28 sidewalk projects, which equates to approximately 20.4 miles of sidewalk improvements. (PBW)

<u>STATUS</u> PBW is on track to complete all 28 sidewalk improvement projects by December 2022. Construction on 19 of the 28 projects has been completed and eight projects are under construction. Several projects have been impacted by a cement shortage.

#### **29** Traffic Signals

**INITIATIVE** Devote \$14 million over three years to leverage over \$50 million in matching federal funds to replace 100 traffic signals as part of our Vision Zero strategy. In FY 2021-22 spend \$2 million to design 50 traffic signals to leverage federal and county funds. (Revised)(TRN)

<u>STATUS</u> TRN is currently waiting to receive the match fund agreement from TxDOT in addition to the ones received from Dallas County and NCTCOG for the design of 44 signals in total. Design is expected to begin this fiscal year and the project to replace traffic lights will be a multi-year effort. The program will continue into FY 2022-23 with additional goals for FY 2022-23.

#### 30 Crosswalks

<u>INITIATIVE</u> In FY 2021-22, spend \$2.5 million (of \$5.0 million allocated) to restripe 540 lane miles and paint 504 crosswalks. (TRN)

<u>STATUS</u> Through September, 1,020.41 lane miles have been restriped which exceeds the fiscal year-end goal of 540 lane miles. 1,380 crosswalks have been refreshed as of September 2022.

#### 32 Bike Lanes

<u>INITIATIVE</u> Extend and improve our bike lane network throughout the City with an annual investment of \$2 million to design and/or implement approximately 18 lane miles of bicycle facilities per year. (TRN)

STATUS As of September, 2.6 lane miles have been completed, 0.3 bike lane miles are in engineering study, 2.0 bike lane miles are in design, and 6.4 bike lane miles under construction. A total of \$1.1 million was invested in FY 2021-22. The program will continue into FY 2022-23 with additional goals for FY 2022-23.

#### 31 School Zone Flashing Beacons

**INITIATIVE** Replace 1,000 outdated school zone flashing beacons with state-of-the-art technology to protect students as they walk to school. This initiative will be implemented in three phases. In FY 2021-22 spend \$2.0 million to procure service contract for the replacement of the school zone flashing beacon system. Phase 1 will be purchasing the system, and the vendor chosen will be responsible for the installation of all in field equipment in phases 2 and 3. (TRN)

<u>STATUS</u> As of September, 300 school zone flashing beacons have been installed. The project to replace the outdated school zone flashing beacons is a multi-year effort and is expected to complete in FY 2023-24.

## FY 2021-22 Budget Initiative Tracker

## **WORKFORCE, EDUCATION, & EQUITY**

#### 33 Language Access

**INITIATIVE** Hire four additional Spanish speaking agents in 311, add a City language access coordinator, and ensure bilingual employees receiving language pay serve the public effectively. (311, EQU, and COM)

STATUS Four Spanish-speaking customer service agents were hired in January 2022 and completed training in February 2022. The Language Access Coordinator position has closed, first round interviews with HR have been scheduled, and second round interviews will include a full panel with representatives from DPD, OCC, COM, and PUD. The Language Skill Assignment Pay audit was published on February 25, 2022. COM and EQU will work in conjunction with HR to review the policy, research peer city policies, and implement recommendations.

35 Water/Wastewater Service

INITIATIVE Accelerate the extension of water and sewer services to all 47 occupied and unserved areas of the City. In FY 2021-22, DWU will award approximately \$9.5 million for the design of 211,219 feet and construction of 9,960 feet of new pipelines in the Mesquite Heights, Killough Blvd & Wasco Lane, and Gooch Street areas. (DWU)

STATUS Engineering work for the remaining occupied and unserved areas began in February 2022 and includes the design of approximately 211,219 feet of new pipelines to the remaining unserved areas. Upon completion of design, these projects will be packaged and awarded for construction beginning in FY 2022-23. Construction in the University Hills area is expected to start in October 2022. In addition, approximately 11,146 feet of new pipelines to four unserved locations that were designed in-house are planned to be awarded for construction in November 2022. The program will continue into FY 2022-23.

#### **34** Accessibility

<u>INITIATIVE</u> Implement software system to track identified American Disabilities Act (ADA) compliance issues and barrier removal costs. (EQU)

STATUS EQU, ITS, and the proposed ADA software vendor have confirmed the ADA tracking program is compatible with the City's systems and meets security requirements. Testing of a comparative ADA tracking program was completed. City of Dallas department stakeholders were given a demonstration of another comparable ADA program for City of Dallas department. Currently, ITS is conducting a documentation process with stakeholder interviews and their ADA department recording processes. The final report is anticipated in November before the project is moved to the procurement phase. The program will continue into FY 2022-23.

## **Budget Initiative Tracker MULTI-YEAR INITIATIVES**

While most initiatives can be completed in a single fiscal year, several FY 2018-19, FY 2019-20, and FY 2020-21 initiatives required additional time because of the scope and term of the project, as well as delays due to COVID-19. We will continue to report the status of these seven initiatives below, using the initiative numbers from the prior reports for reference.

### FY 2018-19

#### P-25 Radio System

INITIATIVE Expanding radio coverage area, improving system reliability, lowering operating costs, and improving interoperability across City departments and with other public safety agencies through implementation of the new P-25 radio system. (ITS)

STATUS As of December 2022, the City's P25 Public Safety Radio is live and operational. The City's Public Service users (non-public safety departments - DWU and PBW) have migrated to the new system and are operating on it. For Public Safety users (DPD, DFR, and OEM) final system testing is being conducted, after which the approximately 7,500 users will be migrated onto the new system. We anticipate all users for both the Public Service and Public Safety layers will be fully migrated to the new system by the end of February 2023. While there are remaining clean-up tasks to be completed (e.g. decommissioning of the old system), this project is considered substantially complete and moved to complete status.

#### 23 Historic Resource Survey

INITIATIVE Devoting \$100,000 to conduct a historic resource survey with private partners. (OHP)

STATUS OHP staff and external consultant presented the final report to the Landmark Commission on May 2, 2022 and to the City Plan Commission on June 2, 2022. The final presentation to City Council has been delayed. The project will continue into FY 2022-23.

### FY 2019-20

#### **29** Juanita J. Craft Civil Rights House

INITIATIVE Preserve civil rights history by restoring the Juanita J. Craft Civil Rights House. (OAC)

STATUS The Mayor proclaimed February 9, 2022 as Juanita Craft Day and City Council accepted \$176,481 in private donations for the Craft House from the Junior League of Dallas and other community stakeholders with the total private donations to this project at \$403,000. Construction and rehabilitation of the Juanita J. Craft Civil Rights House is approximately 50 percent complete. The estimated construction completion date was extended to November 2022 due to additional work on the foundation, piers, and walls of the house, with an expected opening date in February 2023 after installation of exhibits. This project is considered substantially complete and moved to complete status.

#### **Ethics Training** 39)

INITIATIVE Foster an ethical organizational culture by continuing biennial ethics training and expanding the Values Ambassador program. (EQU)

STATUS The Biennial Ethics training program was completed in December 2021. On December 8, City Council voted to approve amendments to the Code of Ethics creating the new Inspector General role, Chief Integrity Officer role, and an Integrity Champions program. The Values Ambassador program is cancelled and will be replaced in 2022 with the new Inspector General's Office. EQU acquired new Ethics eLearning content and continues to deliver live Ethics training to all new employees through New Employee Orientation and Fire Academy programs.

#### FY 2020-21

#### 4 Brush and Bulky Trash Collection

<u>INITIATIVE</u> Streamline brush/bulky trash collection to reduce emissions, improve air quality, and realize collection efficiencies as outlined in the CECAP. (SAN)

STATUS SAN continues to work with the GIS vendor Route Smart Technologies to optimize and streamline collection routes. From July 2022 to September 2022 (Q4) the average dropped from 14.43 down to 10.86, a decrease of 3.57 from the previous quarter. This is a 5.65 percent improvement from January to March 2022 (Q2). SAN will continue to monitor miles per tons of bulk and brush to ensure it continues to reduce emissions, improve air quality, and realize collection efficiencies as outlined in the CECAP.

#### 5 Language Equity

 $\bullet$ 

INITIATIVE Assist residents in their primary languages, which include Spanish, Vietnamese, Arabic, French, Burmese, Hindi, Korean, Swahili, and Mandarin, by recruiting four additional Spanish-speaking customer service agents (CSAs) and maintaining LanguageLine translation services. (311)

STATUS 311 recruitment efforts have allowed management to hire four additional bilingual CSAs during the second quarter of FY 2021-22. Their training will be completed in March 2022. Additionally, 311 has maintained its utilization of LanguageLine, a translation service provider, which allows 311 to bridge language and cultural barriers on-demand, 24/7/365 days a year.

#### 25 Facility Accessibility

<u>INITIATIVE</u> Increase accessibility for residents with disabilities by updating City facilities in compliance with the Americans with Disabilities Act (ADA). (EQU)

STATUS ADA compliance assessment was conducted on 26 city buildings during FY 2021-22. ADA compliance improvements are ongoing in 5th floor restrooms (City Council Chambers); the project is 80 percent complete. Renovations to the 4th and 6th floor City Hall restrooms are completed. ITS Website training has been completed and EQU and ITS have selected training modules for Accessibility Training for the CoD (Department) web content uploaders. The three-part training is anticipated by the end of the fiscal year.

#### 11 Police Mediation

<u>INITIATIVE</u> Strengthen accountability through the Office of Community Police Oversight by adding a mediation coordinator and intake specialist. (OPO)

<u>STATUS</u> Both positions have been filled and the new hires have been onboarded.

## PROCESS IMPROVEMENT

The Process Improvement Team seeks to build a culture of continuous improvement throughout the City of Dallas, partnering with departments to

leverage data and research-based best practices for transformative operational success today while laying the foundation for future innovation.

In its first operational year, the Process Improvement Team has focused on building awareness among departments, creating an organization-wide framework for process improvement, and establishing a cross-functional knowledge base for greater inter-departmental coordination and collaboration. The following table summarizes current Process Improvement projects for FY 2021-22. Additional projects will be added to the list throughout the course of the fiscal year.

# Technology Accountability Report (TAR)

City of Dallas

As of November 30, 2022

**Prepared by Information & Technology Services** 

1500 Marilla Street, 4DS Dallas, TX 75201 214-671-9868

## **Executive Summary**

Of note for the November 2022 report is recognition the City of Dallas received from the Center for Digital Government, part of GovTech magazine. The Center for Digital Government is a national research and advisory institute focused on identifying and sharing exemplary information technology policies and best practices in State and Local government.

In November 10, 2022, the Center for Digital Government announced the winners of its annual Digital Cities Awards. The top 10 ranking cities were honored at an awards ceremony during the National League of Cities "City Summit" on November 17, 2022, in Kansas City, Missouri. Each year the Center for Digital Government conducts a survey of cities and recognizes select cities for their work in strengthening cybersecurity, enhancing transparency, building digital equity, and planning for the future of work. For 2022 the City of Dallas placed 10<sup>th</sup> among cities in the 500,000 or more-population category. The City was recognized for its work in developing data governance programs and improving its use of data to support decision-making, the implementation of a Cyber Fusion Center, and the implementation of Artificial Intelligence (AI) based applications.

The November 2022 Technology Accountability Report (TAR) features several changes and additions:

- Refined project status definitions in Section 1: IT Programs & Projects.
- Additional detailed information on service requests and major outages in Section
  2: IT Operations.
- Additional detailed information on contract and procurement activities requiring City Council action in Section 3: IT Budget Execution.

#	Project Name	Description	Strategic Priority	Dept.	Estimated Completion Date	Project Status
7	Envision Connect Replacement Project	This project will upgrade the current Restaurant Inspection System - Envision Connect. Envision Connect is at the end of life for support. The City is working with the vendor to upgrade their newest application for restaurant inspections.	Quality of Life	CCS	2/2023	In Process
8	Vacant Property Registration Salesforce Platform	The Code Compliance Department is developing a registration platform and process for identifying and tracking vacant properties. This City-wide process will be managed by Code and will need to allow citizens to access an online platform to register and pay for vacant property maintenance activities.	Quality of Life	CCS	1/2023	In Process
9	Automated Nuisance Abatement Work Order Salesforce System	This system will streamline Nuisance Abatement work order creation, work order processing, and work order completion to accurately generate invoices for lien processing and to enhance operational efficiency. Implements a process within the current 311/Salesforce system to control activities.	Quality of Life	CCS	7/2023	In Process
10	Consumer Protection online Salesforce Application/ permitting system	This system will allow the Code Compliance Department (CCS) to implement an online permit process for seven applications (wood vendor, motor vehicle repairs, Credit access, electronic repairs, home repair, scrap tire). Allows business owners to access, complete, submit, and track their business permit applications online.	Quality of Life	CCS	7/2023	In Process
11	Remote Video Streaming	COM is currently exploring acquiring equipment that would allow live video and audio to be streamed from offsite locations to the COM control room. This is a frequently requested service by various departments and Council offices and aligns with COM's mission.	Quality of Life	СОМ	11/2022	Delayed
12	Closed Captioning System for City Council Meetings	Closed Captioning on the live webstream/cable channel of City Council meetings will help meet ADA compliance and our Equity and Inclusion goals.	Quality of Life	СОМ	6/2023	In Process
13	RFCSP for Court Case Management System	The current Court Case Management System (Tyler Technologies) contract will expire June 2024. CTS wishes to conduct market research and conduct a competitive procurement to ensure the best solution is selected to upgrade and improve court case management.	Public Safety	CTS	12/2023	In Process
14	DAS Inventory Management Tool	Dallas Animal Services manages a large inventory of drugs, supplies and business equipment needed to perform their business functions. Currently inventory management is done through a legacy system database (animal software) or on spreadsheets, but are inadequate to provide appropriate controls and functionality.	Quality of Life	DAS	5/2022	Delayed

#	Project Name Expand OnBase Content Management to the entire DEV Department	Description The OnBase content management system was originally implemented only for the Building Inspection division within the Development Services Department (DEV). Purpose of this project is to implement the content management system to all divisions within DEV.	Strategic Priority Economic Development	Dept.	Estimated Completion Date	Project Status
16	Development Services Training Simulator	The building permitting and inspection process involves a number of different components operating independently on separate software platforms. The purpose of this project is to develop a training simulator that allows for cross-collaboration across city divisions to improve quality and efficiency of processes.	Economic Development	DEV	3/2023	In Process
17	Development Services Customer Queue Management Automation	Customers currently walking into the permit center need to be able to "sign in" and set appointments remotely. DEV needs to be able to offer this service to their customers to better track the data associated with their customers' experiences; volume, wait times, types of serviceetc. This project will identify, procure, and implement a customer queue management solution for Development Services.	Economic Development	DEV	7/2023	In Process
18	Land Management System POSSE replacement project	The city's current permitting system has reached end of life, cannot interact with the new geospatial technology standards, and is difficult to change to support new business requirements, and workflows. This project will deploy a new system to replace the existing system and to add efficiencies in the permitting process.	Infrastructure	DEV	12/2022	Delayed
19	Relocate Development Services to New Facility	In September 2022, the City of Dallas purchased a new facility at 7800 N. Stemmons Freeway which will serve as the offices and storefront for the Development Services Department (DEV). This project will provide all new IT infrastructure including cabling, network, workstations, printers, radio equipment, etc. in line with the facility opening.	Infrastructure	DEV	01/2023	In Process
20	Telestaff Workforce Management for Public Safety	Implementation of a web-based hosting, Software as a Service (SaaS) solution Workforce TeleStaff System for automation of scheduling and staffing for City of Dallas Public Safety 24-hour employees.	Public Safety	DFD	9/2022	Delayed

#	Project Name	Description	Strategic Priority	Dept.	Estimated Completion Date	Project Status
21	Station Alerting System	Dallas Fire Rescue dispatches resources from 58 fire stations strategically deployed throughout the City. To avoid response delays, DFR relies on a station Alerting System that integrates with the City's Computer Aided Dispatch (CAD) system to advise firefighter/paramedics of assistance calls. The current station alerting system is end of life, difficult to maintain, and lacks the full range of functionality more modern solutions provide. This project will conduct market research into, procure, and implement a new, modern station alerting system for Dallas Fire Rescue.	Public Safety	DFD	9/2023	In Process
22	Smart Device/Technology Behavioral Health App for DFR members	This project will provide a Peer Support Contact App for Dallas Fire–Rescue (DFR) personnel. At Dallas Fire- Rescue (DFR), the City is promoting whole-person wellness. This new application will supplement existing mental health support services available to the City's DFR members.	Public Safety	DFD	2/2023	In Process
23	IT Infrastructures For New Fire Stations 19, 21, 36, 41, 46, 58 & 59	Eight new Fire Stations are being constructed: #46, #36, #59, #41 Temporary, #41 Primary, #19, #21 and #58. All new IT infrastructures including cabling, network, workstations, printers, radio equipment, etc. will be activated in line with facility openings.	Public Safety	DFD	2/2023	Ongoing
24	Unmanned Aerial Systems (Drones)	The City of Dallas currently has Unmanned Aerial Systems (UAS) units that are deployed during critical emergency response incidents. UAS provide real- time video that offers crucial information to incident command and executive staff. This information allows for improved incident management.	Public Safety	DFD	9/2023	In Process
25	Mobile Surveillance Platform Vehicles (Formerly known as Bait Car)	The Dallas Police Department ("DPD") currently operates a fleet of 25 Mobile Surveillance Platform vehicles. These vehicles are deployed throughout the City and serve as "bait cars". These vehicles are outfitted with covert cameras, microphones, GPS, and other capabilities.	Public Safety	DPD	12/2022	Ongoing
26	Flock Safety-New fixed ALPR Cameras	The City of Dallas currently has fixed Automated License Plate Readers (LAPR) cameras throughout the city of Dallas. The contract for the current vendor has ended and this project will procure a new vendor and expand the number of cameras in use throughout the city.	Public Safety	DPD	1/2023	In Process

28	County CAD Collaboration	Upgrade and expand the city's Computer-aided Dispatch (CAD), extending it to the County to improve collaborate on emergency 911 call center responses. This project is also required to fully implement the upgrade of the 911 call center's telecommunications infrastructure.	Public Safety	DPD	1/2023	In Process
29	DPD WEB-RMS Case Management System	This project will migrate DPD's current law enforcement Records Management System (RMS) case management system from the current onsite solution to an upgraded Web-based system. The upgraded RMS will give the department needed functionality that is not available to the department currently in the on-premise solution. Current limitations require process workarounds creating potential errors and inefficiencies which will be resolved with the upgrade.	Public Safety	DPD	2/2023	In Process
30	Axon Air (Drones)	The City of Dallas currently has Unmanned Aerial Systems that are deployed during critical incidents. The UAS provide real time video remotely captured that provide critical information to officers and commanders to make the best decisions possible.	Public Safety	DPD	2/2023	In Process
31	911 Telecommunications Network Upgrade ESInet	This project will upgrade the City's current 911 telecommunications network to a Next-Generation 911 built on a modern broadband infrastructure. The new infrastructure allows the transmission of photos, videos, and other broadband data between a 911 Caller, 911 Center, and Responder in the field to offer a higher level of service and support to public safety personnel.	Public Safety	DPD	2/2023	In Process
32	Real Time Crime Center (RTCC) Video Integration (Previously Starlight)	Builds upon prior initiative to provide an analytics- driven video monitoring platform, capable of alerting the Dallas Police Department's Real Time Crime Center (RTCC) of criminal behavior indicators and activity occurring at local businesses.	Public Safety	DPD	2/2023	In Process
33	Ricoh-Fortis Document Management System Replacement	The DPD Fortis document management system is at end of life and no longer supported. This project will replace and upgrade the DPD document management system.	Public Safety	DPD	3/2023	In Process

34	COBWEBS Social Media Investigation Software	This project will implement social media investigative software for the Police Department (DPD). This software will provide an efficient tool for investigating social media post from potential suspects to aid in investigations.	Public Safety	DPD	4/2023	In Process
35	Non-City Business Live Surveillance (Fusus)	The Fūsus product suite will provide a video and data collaboration platform to expedite intelligence gathering and efficiency of response to situations as they unfold throughout the community. Further, providing a tool for identifying the location of cameras in proximity that may provide valuable information to aid in the response and/or subsequent investigation.	Public Safety	DPD	9/2023	In Process
36	Early Warning System	This project provides the Dallas Police Department a data-driven, decision-making support application that helps Police leadership systematically identify officers who are showing signs that they are at risk to citizens or of executing law enforcement objectively. The platform utilizes data from a multitude of sources to assess and score risk and provide information to DPD leadership for potential interventions.	Public Safety	DPD	10/2023	Delayed
37	DPD - Auto Pound Online Payment System	This project provides a public portal to allow for citizens to pay fines and fees online to the auto pound in order to recover their vehicle. The information from the payment system allows for better management of the DPD Auto Pound.	Public Safety	DPD	12/2023	In Process
38	In Car Video - Body Worn Camera - Interview Room Installation	Implement a holistic solution that integrates all the three components: (1) in-car video, (2) interview rooms, and (3) body-worn cameras into a single hosted solution. The solution needs to be a consolidated and cohesive system rather than disparate components.	Public Safety	DPD	12/2024	Ongoing
39	Use of Force - Police Strategies LLC	This project will provide a data analytics platform which produces analytic dashboards which provides comparative analyses by extracting data from incident reports & officer narratives, analyzes the data using established algorithms, and produces written summary reports used by DPD leadership in focusing resources.	Public Safety	DPD	7/2023	In Process
40	Enterprise Capital Project Management System (ECPMS) Phase 2	Phase 2 Implementation of the Enterprise Capital Project Management System (ECPMS), IBM Tririga, to support the DWU Capital Projects division. #### NOTES

**1 Enterprise Contact Center (ECC) Solution.** Project is still in process, but completion will extend beyond December 2022. Anticipate completion of remaining items by April 2023. Remaining tasks for project include integration of Single Sign-On functionality and for final delivery of functionality for the platform's Lab (test portion).

**2** Core Financial System Upgrade. The contract requirements and project timeline have been finalized and the contract action is proposed for January 25, 2023, Council agenda.

**3 Code Compliance Management System (CCMS) Phase 2.** Project delayed due to issues related to Payment Card Industry (PCI) compliance issues. ITS is working with Code Compliance and the system vendor to complete compliance and fully implement the new system. New implementation date of January 2023.

**4 Consumer Health Payment Portal for Code Compliance.** Project delayed due to issues related to Payment Card Industry (PCI) compliance issues. ITS is working with Code Compliance and the system vendor to complete compliance and fully implement the new system. New implementation date of January 2023.

6 Portable Illegal Dumping Camera Tower and Camera Installation. Project work has been completed and this project is expected to complete closure in Dec 2022.

**7 Envision Connect Replacement Project.** Project delayed due to issues related to Payment Card Industry (PCI) compliance issues. ITS is working with Code Compliance and the system vendor to complete compliance and fully implement the new system. New implementation date of February 2023.

**8 Vacant Property Registration Salesforce Platform.** Project delayed due to issues related to Payment Card Industry (PCI) compliance issues. ITS is working with Code Compliance and the system vendor to complete compliance and fully implement the new system. New implementation date of January 2023.

**14 DAS Inventory Management Tool.** Multiple departments have requested an asset/inventory management tool to assist with performing their job functions. ITS is consolidating requirements across departments to perform market research to determine whether an option for a city-wide can be met.

**17 Development Services Customer Queue Management Automation.** The Business Requirements Document (BRD) has been completed, reviewed, and approved by all parties. Market research is underway to identify potential solutions.

**18 Land Management System POSSE replacement project.** ITS is working with Development Services to complete Statement of Work (SOW) to support discussions with proposed vendor. Office of Procurement Services, Development Services, Information & Technology Services continued meetings with proposed vendor in November to complete the statement of work (SOW) for the implementation contract.

**19 Relocate Development Services to New Facility.** ITS has conducted multiple building surveys of new site and is working with vendors on the ordering of new equipment and installation of circuits. Primary network circuit installed by vendor in November 2022.

**21 Station Alerting System.** ITS and DFR team has completed market research and finalized the Business Requirements Document (BRD) in preparation for the release of a Request for Proposals (RFP) for a new system. ITS will work with Procurement Services and City Attorney's Office to release the RFP, date TBD.

**24 Unmanned Aerial Systems (Drones).** The delivery order (DO) for the air drones has been placed and the equipment has been received from the vendor. In the next phase the drones can be configured and deployed.

**25** Mobile Surveillance Platform Vehicles (Formerly known as Bait Car). DPD has recently identified/received grant funds. Contract must now be put into place.

**26** Flock Safety – New Fixed ALPR Cameras. Working with vendor to resolve potential security risk posed to the City's network. A solution which remediates the risk has been identified and the program is progressing toward implementation.

**27 P25 Compliant Radio Project.** As of November 2022, the new P25 Public Safety Radio system is live, fully operational, and performing as designed. Public Service Departments (Non Public Safety) have been fully migrated to and are operating on the new system. Migration for the Public Safety Departments has begun with final system testing (burn-in) underway and test users migrated to and using the new system. Final migration of all City of Dallas Departments expected for completion by February 2023.

**29 DPD WEB-RMS Case Management System.** Vendor is updating SOW for items to be provided in the upgrade. Anticipate project work to commence in Feb 2023.

**32 Real-Time Crime Center (RTCC) Video Integration**. City Council approved contract action during November 9<sup>th</sup> Council meeting for the vendor to provide the platform which integrates camera feeds from non-City businesses into the RTCC.

**33 Ricoh-Fortis Document Management System Replacement.** City Council approved contract action during November 9<sup>th</sup> Council meeting for the vendor to replace the current system.

**35** Non-City Business Live Surveillance (FUSUS). City Council approved contract action during November 9<sup>th</sup> Council meeting for the vendor to provide the platform which integrates camera feeds from non-City businesses into the RTCC.

**39 Use of Force – Police Strategies, LLC.** Vendor services have been procured and ITS and DPD have worked to provide the vendor with data needed to create the initial set of dashboards and provide them to the City in January 2023.

**48 Apptio IT Financial Transparency Software.** Vendor services have been procured and vendor is loading data into test environment.

**52 Visualization Engineering Services.** City Council approved contract action during November 9<sup>th</sup> Council meeting for the vendor to provide services.

**62 IT Infrastructure for Bachman Aquatic Center.** This project has been placed on hold due to construction delays. Projected resumption of project in Spring/Summer 2023, with expected completion date of June 2023.

**64 Electronic Document Management - EDMS.** The EDMS project is part of a group of projects relying on the Hyland software system, which are going to be developed serially. We are currently re-working the schedule and should have a more accurate end date shortly. **68 Advanced Traffic Management System (ATMS).** The vendor has substantially completed the required work for this project per the scope of the contract. There are a number of remaining functions for which ITS and TRN are working with the vendor to establish a go-forward plan to include in subsequent releases or phases of the project.

Average Duration – Service Desk	13.7Hours	6173 Sept	1772 Oct	822 Nov		
Average Duration – Field Services	2.47 Days		4115 Oct	3564 Nov		

#### **NOTES:**

- 1. In November 2022, the IT Helpdesk received 7151 calls for support. This is a decrease from the prior month.
- First Contact Resolution calculation was not available at the time of the report generation, it is anticipated that the Help Desk had continued the trend of 70+% on a month over month basis
- Field Services significantly improved average service duration from 3.5 days in October to 2.4 days in November

## Monthly Incident Report (Break/Fix "My Computer doesn't work")

#### NOTES:

- 1. Severity 1 and Severity 2 incidents are the most severe and most likely result in degraded services or outages that impact the ability of City departments to fulfill their missions.
- 2. This chart tracks the number of reported incidents by department, along with the total number minutes the incident(s) potentially impacted them.
- 3. These data are extracted from ServiceNow based upon input by city IT technicians. Our analysis reveals that there are incidents which are resolved but have not been timely or appropriately closed out within the ServiceNow platform, resulting in artificially inflated resolution timeframes. ITS is working with IT service delivery managers to improve documented processes to ensure timely updates to ServiceNow to accurately reflect the actions for the incident and to provide a more representative experience.

#### **NOTES:**

As of 11/30/22

1. This chart provides the distribution of incidents and impact minutes over specific services.

#### Monthly MTTR

#### NOTES

- 1. This chart provides the trendline for the average mean time to repair (MTTR), an industry standard for tracking the timeliness of resolution on reported incidents.
- 2. In November 2022 all areas improved overall resolution times providing a noticeable decline in the average MTTR for the month. This is, in part, due to improved documentation in the reporting system.

#### 3. Monthly Major Outage Report

#### NOTES

 Major outages are identified as Severity1 that have significant impact to City services or Department's ability to perform critical functions and last over 4 hours in duration. As we mature the process this definition will be better scoped around impact and less around duration.

## B. Service Requests (including new employee onboarding)

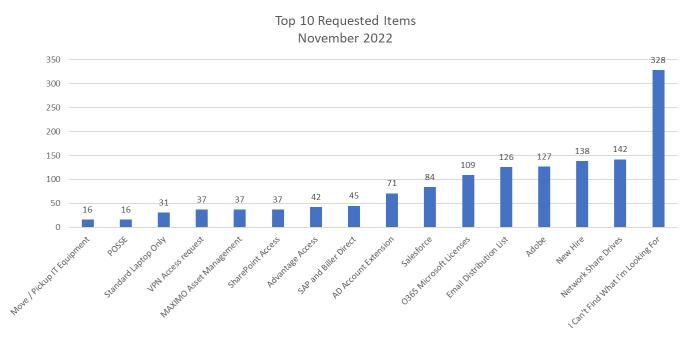

#### 1. New Hire Report

New Hire by Department November Toal New Hires 107

#### Notes

- 1. In the month of November, a total of 107 new employees were onboarded.
- 2. DWU, AVI, and DPD being the top 3 hiring departments. DWU has had 2 consecutive months in the top 3.
- 3. Blank indicates no department match was available for the requested onboarding at the time the report was generated.

### 2. Service Request Report (An ask for service – "I need Software Installed")

## Note

- 1. November Service Request actions totaled 1533. This report depicts the top 15 Request by type that were selected.
- 2. "I Can't Find What I'm Looking For" is a category used when a service catalog item does not exist for what the user is asking.
- 3. ITS analyzes the "I Can't Find What I'm Looking For" to determine those recurring services that can be built into a specific and focused catalog item providing for more efficient and timely delivery.

Request Actions by Month RITM Requests March April May June July August September October November

#### Note

 This chart illustrates that 1103 Request Tickets, generated 1533 Request Actions. Frequently one Request generates multiple actions to be completed by one or more teams to fulfill the ask.

## As of 11/30/22 Section 4: Cybersecurity Programs

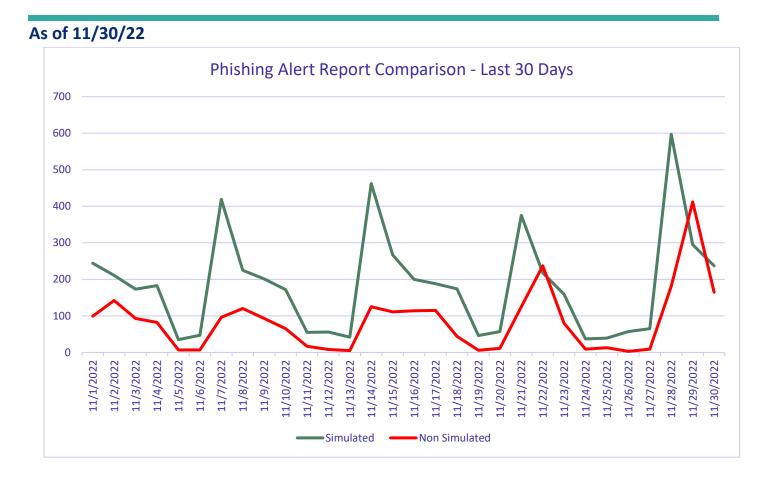

## A. Awareness Training

Security Awareness training is measured on an annual basis. Over the past 12 months ITS has witnessed a steady decline in risk scoring for Employee's annual training. Beginning with each new fiscal year the City will undergo a new set of security awareness courses to meet not only the best practices, but State of Texas House Bill 3834 requirements for all government employees. The information below illustrates the enrollment and completion efforts of employee training over the course of the year. FY 2021-22 the City completed 99% of 18 training campaigns covering HIPAA, PCI, and Cybersecurity.

• Note employees with less than 25% of job function on technology are not required to complete cybersecurity training.

In addition, ITS continuously applies best practices to the employees around phishing and their ability to recognize and appropriately handle phishing incidents. Campaigns designed given real world scenarios, typically taken from recent events are sent out to the employee population to test their ability to distinguish and act. This provides feedback to the employees as well has increased the actual amount of true phishing reported. As well, a "Report phishing" button added to user's Outlook has increased both the numbers of test phish and actual phishing emails.

## **B.** Situational Awareness

Annually ITS assess the overall Security posture of the organization based upon the NIST Cybersecurity Framework (CSF). Each category within the NIST CSF is evaluated for the current level of maturity and expectant maturity level. This process uses current and projected technologies and documented standards and procedures to complete the process. ITS utilizes both internal and external resources to conduct assessments. The results of the assessments are used by ITS to develop security strategy for cybersecurity and privacy. The below figure outlines the maturity model for the CSF. While the TAR does not provide our scores from our self-assessment, ITS can provide this information to Council members and discuss the assessments in depth as requested.

Level 1 Initial	Level 2 Repeatable	Level 3 Defined	Level 4 Managed	Level 5 Optimized
minister	Repeatable	Denned	Managea	optimized
Little to no cybersecurity risk identification.	Process for cybersecurity risk identification exists, but it is immature.	Risks to IT assets are identified and managed in a standard, well defined process.	Risks to the business environment are identified and proactively monitored on a periodic basis.	Cybersecurity risks are continuously monitored and incorporated into business decisions.
Asset protection is reactive and ad hoc.	Data protection mechanisms are implemented across the environment.	Data is formally defined and protected in accordance with its classification.	The environment is proactively monitored via protective technologies.	Protection standards are operationalized through automation and advanced technologies.
Anomalies or events are not detected or not detected in a timely manner.	Anomaly detection is established through detection tools and monitoring procedures.	A baseline of "normal" activity is established and applied against tools/procedures to better identify malicious activity.	Continuous monitoring program is established to detect threats in real- time.	Detection and monitoring solutions are continuously learning behaviors and adjusting detection capabilities.
The process for responding to incidents is reactive or non- existent.	Analysis capabilities are applied consistently to incidents by Incident Response (IR) roles.	An IR Plan defines steps for incident preparation, analysis, containment, eradication, and post- incident.	Response times and impacts of incidents are monitored and minimized.	The capabilities of all IT personnel, procedures, technologies are regularly tested and updated.
The process for recovering from incidents is reactive or non-existent.	Resiliency and recovery capabilities are applied consistently to incidents impacting business operations.	A Continuity & Disaster Recovery Plan defines steps to continue critical functions and recover to normal operations.	Recovery times and impacts of incidents are monitored and minimized.	The capabilities of all IT personnel, procedures, technologies are regularly tested and updated.

## C. Data Protection & Privacy

#### 1. Endpoint Protection

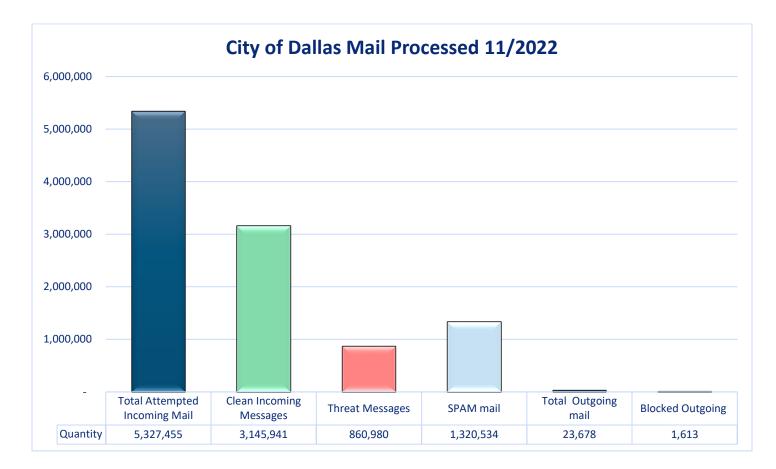

Endpoint protection is a component of the organization's ability to handle daily malware. Devices connecting to the internet are subject to attacks. Attacks are mitigated through technologies monitoring systems in real-time reacting and responding attacks. Technologies like Firewall and Endpoint Detection/Response are in place to respond to those attacks. Below is the status for endpoint attack metrics.

2. Email Screening

The City of Dallas receives and send millions of emails a month. Phishing is an attack vector that utilized by bad actors in the form of social engineering, as a means to gain internal access to the network. This can then be used to place malware, ransomware, and other malicious software to affect City services. Below provides a picture of mail messages processed and remediated prior to user reception.

## As of 11/30/22 Section 5: IT Infrastructure

## A. Network and Telecommunications (November 2022 Activities)

- Completed the installation of the primary network circuit at the new 7800 Stemmons building.
- The Red Cloud deployment in collaboration with Public Works is 90% completed.
- The Library E-Rate project deployment of the new core network switch was completed in November.
- During November began the broader circuit conversion for numerous City of Dallas locations to allow future growth by implementing a scalable network technology.
- Building zone testing of the P25 Radio System has continued. This process includes City facilities as well as downtown high-rise office towers, convention center and public venues like American Airlines Arena. The 30 days burn-in testing began at the end of November with a limited group of Public Safety teams before the full Public Safety migration is completed.

## B. Compute & Storage (November 2022 Activities)

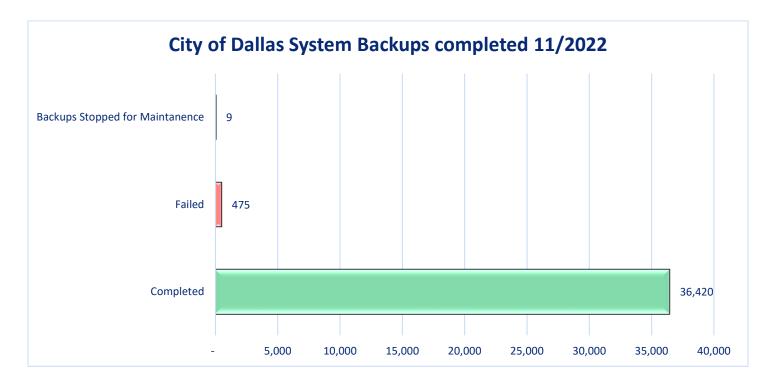

- Completed the expansion of the virtual server host environment with the addition of two new hosts to provide additional capacity and redundancy.
- Working with DPD completed the installation of 8 Briefcam servers at two City locations to support the Public Safety camera infrastructure.
- Completed upgrades to the Microsoft System Center Configuration Manager (SCCM) to improve the City's ability to deploy software upgrades across the enterprise and maintain currency on software packages.
- In November initiated the upgrade of end-user devices to the latest base operating system (OS) image to address security vulnerabilities. 2038 devices of inventory remaining to upgrade, down from 3500 in October.
- Working with Microsoft, completed an Active Directory (AD) health assessment and will make changes based upon recommendations.
- Completed a series of emergency patches to the Windows servers to remediate a memory leak that was impacting system performance.

## C. Data Center Improvements (November 2022 Activities)

- Completed the decommissioning of additional hardware on the City's Data Center floor resulting in palettes of decommissioned hardware transferred to the City Store for disposition.
- Facility storage areas containing used equipment have been cleaned and equipment sent to City Store for disposition.

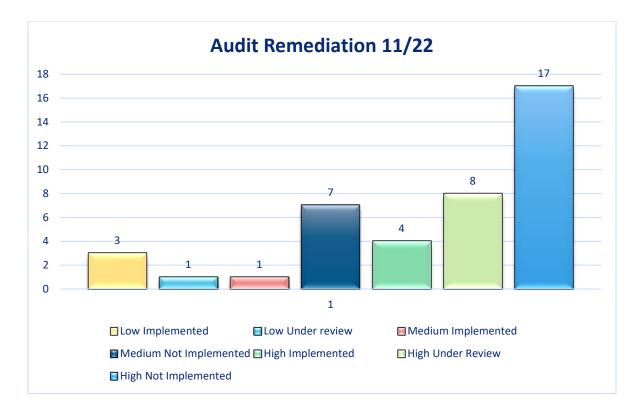

## D. Disaster Recovery and Business Continuity

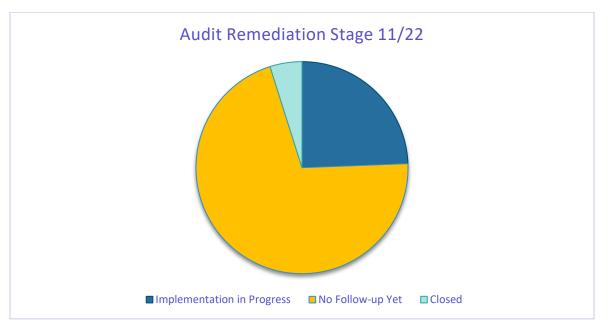

A critical component of Disaster Recovery and Business Continuity practices is backing up critical data, testing data backups, and conducting exercises to ensure that data backups can be successfully utilized to restore business services. ITS tracks and regularly tests the backup processes, devices, and resulting storage to ensure our ability to utilize the backups in response to potential events. The following chart provides information on our backup processes.

## A. Audit

Currently the ITS department is working through several audits that impact technology services. Below representative if the Audit remediation efforts and stages.

## **Executive Summary**

- Through the September meeting Fed officials have now raised the Federal Funds target rate to the top end range of 3.00% with anticipation that they will hike two more times by year-end. The current hiking cycle is the fastest pace and most aggressive stance they have taken with the primary focus being to tame inflation as quickly as possible. Some leading economic indicators suggest some cooling pressures around the economy, but the Fed continues to cite a strong labor market as reason we could get a soft landing with respect to an economic downturn or recession
- During this past quarter, we continued adding positions beyond 3 years, as well as targeting dates to match upcoming debt payments. Our purchases included a mix of treasuries, secondary agency bonds, and new issue bonds created by our trading desk through reverse inquiries. Additionally, we were active in the new issue municipal bond space. The purchases increased the book yield of the portfolio from 0.70% to 1.79%, while only increasing the weighted average maturity (WAM) from 0.93 years to 1.25 years. Our objectives are to continue to lengthen the portfolio and look for attractive new issues and secondary bonds, all while maintaining a proper balance of maturities over the next 12 months to allow us to continue to take advantage of higher reinvestment opportunities.
- Going forward, the City should expect the following areas of focus:
  - Continued cash flow analysis to identify the proper amount to be invested longer-term vs remaining liquid; and
  - Building balances in the 3 to 5-year maturity range in the portfolio while ensuring maturities are matched to upcoming debt payments within 1 year.
  - Continue to analyze the current portfolio for potential opportunities to restructure the portfolio for increased interest income. With the possibility of adding commercial paper to the portfolio with the proposed policy changes, we will be able to swap out of some existing securities into higher yielding commercial paper securities without impacting the weighted average maturity of the portfolio.
