**WHEREAS**, due to delays associated with the Airport’s airfield construction projects, TWG was only given possession of the Tract 3 property on April 1, 2022, fifteen months after the effective date of the Lease; and

**WHEREAS**, during the design of the Phase I improvements, TWG discovered electrical equipment owned by Oncor Electric on the Tract 3 premises that services Denton Dr. and does not have any connections to TWG’s leased premises; and

**WHEREAS**, TWG has, with the consent of the City, subleased the entirety of the leased premises to Business Jet Center, Ltd. (“BJC”); and

**WHEREAS**, BJC is prepared to enter into a sub-sublease with a sub-subtenant that would result in a capital investment of no less than \$7,500,000.00 on its leasehold at the Airport; and

**WHEREAS**, in consideration of the additional capital investment into the Airport, the City desires to amend the Lease to include an attornment provision that would allow a sub-subtenant who is not in default under the terms of its sub-sublease and who invests at least \$7,500,000.00 of capital improvements into the leased premises to continue its peaceful possession of the premises in the event the Lease terminates.
