SUBJECT Department of Housing Performance Measure Update

Three attached reports contain information to track the performance, progress, and status of ongoing projects and completed projects in fiscal year 2022-23. The reports consist of development projects approved by City Council, under construction, or complete; home buyer assistance projects that are prequalified or closed; and home repairs that are in the predevelopment phase, under construction, or have been completed. The fourth report summarizes income and expenses for the MIHDB fee in lieu program, the Dallas Public Facility Corporation (DPFC), the Dallas Housing Finance Corporation (DHFC), and the Dallas Housing Acquisition Development Corporation (DHADC). This report will be provided to the Housing and Homelessness Solutions Committee every month.

Should you have any questions or require any additional information, please contact David Noguera, Director, Department of Housing & Neighborhood Revitalization at david.noguera@dallas.gov or 214-670-3619.
