Keep America Beautiful is pleased to accept the City of Dallas Department of Code Compliance's application to revive Keep Dallas Beautiful in the City of Dallas. Keep Dallas Beautiful will soon rejoin Keep America Beautiful's family of over 600 national affiliates.

We recognize that the collective effort of Keep America Beautiful affiliates to End Littering, Improve Recycling, and Beautify America's Communities may be challenging and will require time, resources and hard work. The results our affiliates have achieved over the years — lasting, positive economic, environmental, and social impact — have demonstrated that amazing outcomes will take place by putting to work the Keep America Beautiful behavior change system and strategies, in addition to the best practices that will be shared during your affiliation process.

Keep America Beautiful national staff and trainers are available to work with you in your journey to become a certified Keep America Beautiful affiliate.
