DATE FILED: August 18, 2023
SIZE OF REQUEST: 310.3 sq. ft.

COUNCIL DISTRICT: 14

ZONING: PD-193, PDS 113

APPLICANT: Breana Wright of Barnett Signs Inc.

OWNER: McKinney TX Partners, LLC

TENANT: McKinney TX Partners, LLC

REQUEST: An application for a Certificate of Appropriateness by Breana Wright of Barnett Signs Inc., for a 310.3-square-foot illuminated attached sign at 3200 McKinney Avenue (west elevation).

SUMMARY: The applicant proposes to install a 310.3-square-foot flat attached sign, composed of aluminum halo illuminated channel letters and logo, against the façade facing McKinney Avenue, and bearing the name Cortland with a logo.

STAFF RECOMMENDATION: Approval

SSDAC RECOMMENDATION: Approval

BACKGROUND:

- The subject site is located in McKinney Avenue SPSP within the Spine Subdistrict and is zoned Planned Development District No. 193, the Oak Lawn Special Purpose District, Subdistrict 113, a business zoning sign district.

These regulations are established in: [Sec. 51A-7.1500](#) (Specific details included below).

- The applicant proposes to install a 310.3-square-foot flat attached sign, composed of aluminum halo illuminated channel letters and logo, against the façade facing McKinney Avenue, and bearing the name Cortland with a logo.
 - The sign is composed of six-inch deep channeled letters mounted to backer plates with spacers to provide a halo style glow. All sign elements are constructed entirely of metal and LED lighting. The overall projection of the sign will not exceed eight-inches.
 - Each channel letter is proposed to have a halo glow and will be back-lit with white LED. The "Cortland" channel letters will be painted white with white illumination against green (PMS-2301-C) painted back plates. The logo will be painted green with white illumination against a white painted back plate.
- This sign is to be located on west elevation 80-feet above grade. Two additional signs have been previously approved for this tenant. The previous signs at were approved under director procedure.
- Construction of the proposed sign is in accordance with SPSP regulations and meets the requirements of the Dallas City Code per Sec. 51A-7.1500.

51A-7.1503 PURPOSE.

The purpose of this division is to regulate both the construction of new signs and the alterations of existing signs with a view towards enhancing, preserving, and developing the unique character of this district. These sign regulations have been developed with the following objectives in mind:

- (a) To protect the historical and architectural character of this district from inappropriate signs in terms of number (clutter), style, color, and materials.
- (b) To ensure that significant architectural features in this district are not obscured.
- (c) To encourage signs that are complimentary to the architectural styles and historical nature of the buildings and trolley in this district.
- (d) To ensure that the size and orientation of signs are geared toward the high number of pedestrians in this district.
- (e) To attract the public to the goods and services available in the district by enhancing the aesthetic quality of signs in this district.
- (f) To encourage artistic, creative, and innovative signs that reflect the themes of the area.
- (g) To promote safety, communications efficiency, and landscape quality and preservation as described in Section 51A-7.101. (Ord. 21145)

51A-7.1504. DEFINITIONS.

(2) FLAT ATTACHED SIGN means an attached sign projecting from a building and parallel to the building facade.

51A-7.1507 (c) FLAT ATTACHED SIGNS.

- (1) No flat attached sign may project more than eight inches from a building.
- (2) A flat attached sign may be erected on an arcade, but it may not project above the roof of the attached building.

The combined effective area of all signs on this façade is less than 11% of the total façade area. This sign contains one word and a logo. The overall projection of this sign will not exceed 8-inches.

51A-7.505 PERMIT PROCEDURES FOR SPECIAL PROVISION SIGN DISTRICTS.

(B) **Factors the committee shall consider.** In reviewing an application, the committee shall first consider whether the applicant has submitted sufficient information for the committee to make an informed decision. If the committee finds the proposed sign to be consistent with the special character of the special provision sign district, the committee shall make a recommendation of approval to the city plan commission. **The committee shall consider the proposed sign in terms of its appropriateness to the special provision sign district with particular attention to the effect of the proposed sign upon the economic structure of the special provision sign district and the effect of the sign upon adjacent and surrounding premises without regard to any consideration of the message conveyed by the sign.** After consideration of these factors, the committee shall recommend approval or denial of the application and forward that recommendation to the city plan commission.

(6) Decision by the commission. Upon receipt of a recommendation by the committee, the commission shall hold a public hearing to consider the application. At least 10 days before the hearing, notice of the date, time, and place of the hearing, the name of the applicant, and the location of the proposed sign must be published in the official newspaper of the city and the building official shall serve, by hand-delivery or mail, a written notice to the applicant that contains a reference to this section, and the date, time, and location of this hearing. A notice sent by mail is served by depositing it properly addressed and postage paid in the United States mail. In addition, if the application is for a detached sign or for an attached sign that has more than 100 square feet of effective area, the applicant must post the required number of notification signs in accordance with Section 51A-1.106. **In making its decision, the commission shall consider the same factors that were required to be considered by the committee in making its recommendation.** If the commission approves the application, it shall forward a certificate of appropriateness to the building official within 15 days after its approval. If the commission denies the application, it shall so inform the building official in writing. Upon receipt of the written denial, the building official shall so advise the applicant within five working days of the date of receipt of the written notice.
