CITY PLAN COMMISSION

THURSDAY, MAY 2, 2024

Planner: Liliana Garza

FILE NUMBER: Z234-146(LG) DATE FILED: December 21, 2023

LOCATION: Northwest line of Ravenview Road, northeast of Seagoville

Road

COUNCIL DISTRICT: 8

SIZE OF REQUEST: Approx. 17.06 acres CENSUS TRACT: 48113017101

REPRESENTATIVE: Thomas Ghebreghiorgis and Yonael Yohanes

OWNER/APPLICANT: Eagle Developers, LLC

REQUEST: An application for an R-7.5(A) Single Family District on

property zoned a CS Commercial Service District and an R-

10(A) Single Family District.

SUMMARY: The purpose of the request is to allow a single family

development.

STAFF RECOMMENDATION: Approval.

BACKGROUND INFORMATION:

- The area of request is undeveloped, except for one vacant single family structure on the south of the property. With the proposed development, the applicant is proposing to demolish the structure to redevelop the site.
- The applicant is proposing to develop the site with single family housing.

Zoning History:

There have been one zoning case in the area in the last five years.

Z223-195: On October 5, 2023, the City Plan Commission recommended denial
of an application for an MU-1 Mixed Use District on property zoned an R-10(A)
Single family District, on the northeast line of Seagoville Road, southeast of
Ravenview Road.

Thoroughfares/Streets:

Thoroughfare/Street	Туре	Existing/Proposed ROW
Ravenview Road	Principal Arterial	107 ft.
Valdez Drive	Local Street	

Traffic:

The Transportation Development Services Division of the Transportation Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

STAFF ANALYSIS:

Comprehensive Plan:

The forwardDallas! Comprehensive Plan was adopted by the City Council in June 2006 outlining several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request consistent with the following land use goals and policies of the Comprehensive Plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics. Acknowledge the importance of neighborhoods to the city's long-term health and vitality.

GOAL 1.3 PROVIDE EQUITABLE OPPORTUNITIES FOR DALLAS RESIDENTS

Policy 1.3.1 Create housing opportunities throughout Dallas.

ECONOMIC ELEMENT

GOAL 2.1 PROMOTE BALANCED GROWTH

Policy 2.1.1 Ensure that zoning is flexible enough to respond to changing economic conditions.

GOAL 2.5 FOSTER A CITY OF GREAT NEIGHBORHOODS

Policy 2.5.1 Promote a strong and distinctive neighborhoods to enhance Dallas' quality of life.

NEIGHBORHOOD PLUS

- **GOAL 4.3** Enhance neighborhood desirability by improving infrastructure, housing stock, recreation, and safety.
- **GOAL 5.1** Encourage a wider range of well-designed and affordable housing types as a response to emerging homeownership preference.
- **GOAL 5.1** Encourage infill development and existing home improvements in target neighborhoods to attract and retain homeowners.

Area Plans

<u>I-20 Freeway Corridor Land Use Plan</u> was adopted by City Council in March 1999. The I-20 Freeway Corridor Land Use study area is located along Interstate -20 from Houston School Road, to the west and Belt Line Road, to the east and extends approximately an eighth to a half-mile on either side of the freeway. The study has three sub-districts along I-20 covering a total of 2,934 acres. The vision of the study is the development of a land use plan that addresses future economic development, transportation, public utility, and other public/private development initiatives along the Interstate-20 freeway corridor.

The site is in the residential area on the south side of I-20, east of Seagoville Road and Beltline Road within Subdistrict No. 3 where single family uses are encouraged. The

Z234-146(LG)

future land use should reflect neighborhood serving commercial and retail uses for properties with freeway frontage and retention of single family uses but discourage direct residential access to interstate.

The applicant's request is consistent with the goals and policies of the <u>I-20 Freeway</u> <u>Corridor Land Use Plan</u>. The proposed use fits the character and enhances the sense of the neighborhood.

Land Use:

	Zoning	Land Use
Site	R-10(A) Single Family District and	Undeveloped and a vacant single family
One	CS Commercial Service District	structure
North	CS Commercial Service District	Undeveloped
East	R-10(A) Single Family District	Single family and undeveloped
South	R-7.5(A) Single Family	Single family
West	R-10(A) Single Family and CS	Undeveloped
West	Commercial Service District	Ondeveloped
Northwest	CS Commercial Service District with	Vehicle or engine repair or maintenance
Hortifwest	a D-1 Liquor Control Overlay	Vernole of engine repair of maintenance

Land Use Compatibility:

The area of request is an approximately 17.06 acre undeveloped parcel, except for a vacant single family structure on the south of the property. It is currently zoned R-10(A) Single Family District and CS Commercial Service District. Properties to the south are developed with single family uses under R-7.5(A) District. Northeast and east of the subject site, there are single family and undeveloped parcels. Northwest of the site there is a property with a vehicle or engine repair or maintenance use. Undeveloped properties are immediately adjacent to the north.

The proposed zoning change is consistent with the development and zoning patterns found in the area. Staff is in support of the applicant's request, since the request proposes to develop the property in a manner that is consistent with surrounding uses. This request also allows for the development of infill housing in a manner that is consistent with future land uses. Additionally, the existing extent of CS zoning will be moved further north, away from the existing residential to the south.

Landscaping:

Landscaping must be provided in accordance with the landscaping requirements in Article X, as amended.

Parking:

Pursuant to the Dallas Development Code, the off-street parking requirement for single

Z234-146(LG)

family in an R-7.5(A) District is one space per unit. The applicant will be required to comply with standard parking ratios at permitting.

Market Value Analysis:

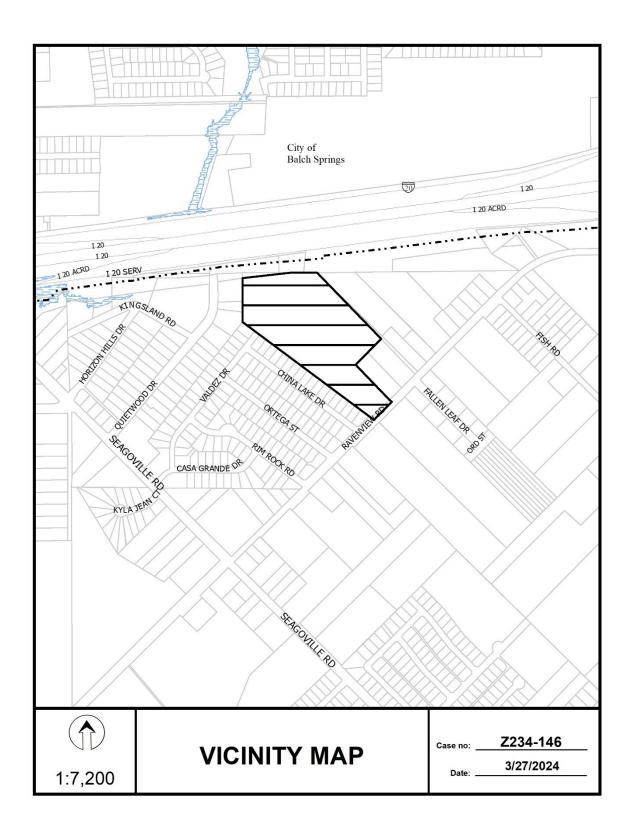

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently within an "H" MVA area.
