- Applicant is requesting a specific use permit renewal for another five-year period.
- This specific use permit would expire five years from the passage of ordinance.

Zoning History:

There has been one zoning case in the area in the last five years.

- **Z234-102:** On March 27, 2024, City Council approved an amendment to Specific Use Permit No. 2068 for a bar, lounge, or tavern on property zoned Tract A within Planned Development District No. 269, the Deep Ellum/Near East Side District, on the east corner of Main Street and Exposition Avenue.

Thoroughfares/Streets:

Thoroughfare/Street	Type	Existing/Proposed ROW
Exposition Avenue	Principal Arterial (PA)	80 feet
Main Street	Local Street	-

Traffic:

The Transportation Development Services Division of the Transportation Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system. Staff will continue review of engineering plans at permitting to comply with city standards.

STAFF ANALYSIS:

Comprehensive Plan:

The *forwardDallas! Comprehensive Plan* was adopted by the City Council in June 2006 and outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request.

The request complies with the following land use goals and policies of the Comprehensive Plan:

LAND USE ELEMENT

GOAL 1.1 ALIGN LAND USE STRATEGIES WITH ECONOMIC DEVELOPMENT PRIORITIES

Policy 1.1.5 Strengthen existing neighborhoods and promote neighborhoods' unique characteristics.

ECONOMIC ELEMENT

GOAL 2.5 FOSTER A CITY OF GREAT NEIGHBORHOODS

Policy 2.5.1 Promote strong and distinctive neighborhoods to enhance Dallas' quality of life.

URBAN DESIGN ELEMENT

GOAL 5.2 STRENGTHEN COMMUNITY AND NEIGHBORHOOD IDENTITY

Policy 5.2.1 Maintain neighborhood scale and character.

The 360 Plan:

The *360 Plan* was adopted by the City Council in December 2017 as a guide to future actions concerning land use and development regulations, transportation, economic development and capital improvement expenditures in the area generally bounded by a two-and-a-half-mile radius centered on the intersection of Main Street and Akard Street. This plan outlines three transformative strategies suggested by City Council with an

overall goal that focuses on a complete and connected city center for future growth and development throughout the city.

The request complies with, but not limited to, the following transformative strategies and their respective goals of the 360 Plan:

I. BUILD COMPLETE NEIGHBORHOODS

Family-Friendly Housing
Diversity in Price Point
Diversity in Product Type

II. ADVANCE URBAN MOBILITY

The 360 Plan Urban Mobility Principles
Pedestrian District Connector

III. PROMOTE GREAT PLACEMAKING

Activate The Public Realm

Land Use:

	Zoning	Land Use
Site	Tract A, PD No. 269 with SUP No. 2111	Body piercing studio, tattoo studio
North	MU-3	Mixed Use
South	PD No. 269 with H/68	Commercial retail
East	Tract A, PD No. 749, SUP No. 1595	Commercial retail
West	PD No. 269	Commercial retail

Land Use Compatibility:

The area of request is currently developed with an existing body piercing studio and a tattoo studio (approx. 5,227 square feet in total size), zoned under PD No. 269 on the northwest corner of Main Street and Exposition Avenue.

To the north, south, east, and west of the property are commercial retail uses. With this area being surrounded by commercial uses and the area of request matching the uses in the immediate area, staff finds the applicant's requested SUP renewal to allow the continued body piercing studio and tattoo studio uses compatible with the surrounding area. Staff supports the applicant's request.

The general provisions for a Specific Use Permit in Section 51A-4.219 of the Dallas Development Code specifically state: (1) The SUP provides a means for developing certain uses in a manner in which the specific use will be consistent with the character of the neighborhood; (2) Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriate; (3) The city council shall not grant an SUP for a use except upon a finding that the use will: (A) complement or be compatible with the surrounding uses and community facilities; (B) contribute to, enhance, or promote the welfare of the area of request and adjacent properties; (C) not be detrimental to the public health, safety, or general welfare; and (D) conform in all other respects to all applicable zoning regulations and standards. The regulations in this chapter have been established in accordance with a comprehensive plan for the purpose of promoting the health, safety, morals, and general welfare of the city.

Staff supports the request because the use is not foreseen to be detrimental to surrounding properties. Staff recommends an additional approval period of five years with no eligibility for automatic renewal.

Landscaping:

Landscaping will be provided in accordance with the landscaping requirements in Article X, as amended.

Parking:

The parking regulations in PD No. 269 establish that no off-street parking spaces are required for the first 5,000 square feet of floor area in a retail-related use or professional, personal service, and custom crafts use that has a separate certificate of occupancy if the use is located in an original building.

An original building being defined as a building constructed on or before June 27, 1984 the floor area of which has not, since June 27, 1984, been increased by more than: 1) 150 percent if the increase is 5,000 or less; or 2) 100 percent if the increase is more than 5,000 square feet.

The existing body piercing studio and tattoo studio uses meet this since the uses are defined within the professional, personal service, and custom craft uses category in PD No. 269. Therefore, no off-street parking is required for the existing piercing and tattoo studio uses. However, four off-street parking spaces are being provided on the northern portion of the site, as depicted on the existing site plan.

Market Value Analysis:

Market Value Analysis (MVA), is a tool to aid residents and policy-makers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to target intervention strategies more precisely in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets (A through C) to orange, representing the weakest markets (G through I). The area of request is currently in a “C” MVA area. There is an “F” MVA area to the north.
