

Memorandum

CITY OF DALLAS

DATE May 2, 2024

TO Tony Shidid, Chair and
City Plan Commissioners

SUBJECT **City Plan Commission Authorized Hearing**

Commissioners Herbert, Rubin, and Blair request that the City Plan Commission authorize a public hearing to determine the proper zoning on property zoned Subdistrict S-2b in the South Zone of Planned Development District No. 521 with consideration being given to amending Specific Use Permit No. 1739 for an open-enrollment charter school on the south line of West Camp Wisdom Road, west of Eagle Ford Drive. The area of request contains approximately 17.70 acres. Consideration is to be given to evaluating whether SUP No. 1739 is compatible with adjacent property and consistent with the character of the neighborhood. A map of the proposed area to be considered is attached.

This is a hearing to consider the request to authorize the hearing and not the rezoning of property at this time.
