## HONORABLE MAYOR & CITY COUNCIL

WEDNESDAY, SEPTEMBER 25, 2019

#### ACM: Majed Al-Ghafry

FILE NUMBER: Z189-275(AU)

DATE FILED: May 17, 2019

**LOCATION:** Southeast line of Mail Avenue, southwest of Rural Avenue, and northeast of Harry Hines Boulevard

**COUNCIL DISTRICT:** 2

## MAPSCO: 33 R

**CENSUS TRACT:** 4.06

**SIZE OF REQUEST:** +/- 0.34 Acres

**OWNER/APPLICANT:** George Rubio

**REPRESENTATIVE:** Rob Baldwin

- **REQUEST:** An application for an MF-2(A) Multifamily District on property zoned a CS Commercial Service District.
- **SUMMARY:** The applicant requests to allow single family uses on the subject property. The existing zoning prohibits single family uses. Therefore, the existing residence is nonconforming and cannot be reconstructed or enlarged.

#### CPC RECOMMENDATION: Approval.

STAFF RECOMMENDATION: <u>Approval</u>.

# **BACKGROUND INFORMATION:**

- The subject site contains 0.34 acres and is developed with a single-family house, 780 square feet in area and one story in height.
- The purpose of the request is to allow single family uses on the subject property. The existing zoning prohibits single family uses. The existing residence is nonconforming and cannot be reconstructed or enlarged.

# Zoning History:

There has been one zoning request in the surrounding area in the past five years.

**1. Z189-149:** On May 2, 2019, City Plan Commissioner recommended approval of an MF-2(A) Multifamily District on property zoned a CS Commercial Service District, located east of Harry Hines Boulevard, at the terminus of Mail Avenue, to the southeast. The case is scheduled for City Council on August 28, 2019.

# Thoroughfares/Streets:

Thoroughfare/Street	Туре	Existing ROW	Proposed ROW
Mail Avenue	Local	50 feet	50 feet

# Traffic:

The Engineering Division of the Sustainable Development and Construction Department has reviewed the request and determined that it will not significantly impact the surrounding roadway system.

#### STAFF ANALYSIS:

#### **Comprehensive Plan:**

The <u>forwardDallas! Comprehensive Plan</u> was adopted by the City Council in June 2006. The <u>forwardDallas! Comprehensive Plan</u> outlines several goals and policies which can serve as a framework for assisting in evaluating the applicant's request. The request complies with the following goals and policies outlined in the <u>forwardDallas!</u> <u>Comprehensive Plan</u>.

# LAND USE ELEMENT

## GOAL 1.3 PROVIDE EQUITABLE OPPORTUNITIES FOR DALLAS RESIDENTS

**Policy 1.3.1** Create housing opportunities throughout Dallas.

1.3.1.1 Encourage creation of diverse housing types by establishing ways to foster such development and find ways to foster homeownership.

HOUSING ELEMENT

GOAL 3.1 ENSURE A SUSTAINABLE AND EFFICIENT LONG-RANGE HOUSING SUPPLY

A long-range housing supply strategy must be established to ensure sustainable and efficient use of land and infrastructure. This would also promote a range of owner-occupied housing and densities while encouraging redevelopment and infill housing.

**Policy 3.1.3** Encourage stabilization of existing neighborhoods.

<u>The Neighborhood Plus Plan</u> was adopted by the City Council in October 2015 to set a new direction and shape new policy for housing and neighborhood revitalization in Dallas. The final chapter, Strategic Goals, delineates six strategic goals to shift our approach, policies and actions to achieve greater equity and prosperity for all Dallas residents, expand the range of housing options, and enhance the quality of neighborhoods.

#### GOAL 5 EXPAND HOMEOWNERSHIP

**Policy 5.1** Encourage a wider range of well-designed and affordable housing types as a response to emerging homeownership preferences

**Policy 5.2** Encourage infill development and existing home improvements in target neighborhoods to attract and retain homeowners.

# Surrounding Land Uses:

	Zoning	Land Use	
Site	CS Commercial Service	Single family house	
Northeast East Southeast	MF-2(A) Multifamily	Single family houses	
South	MF-2(A) Multifamily	Townhouse	
Southwest West	CS Commercial Service	Vacant Outside storage of cars	
Northwest	CS Commercial Service With SUP No. 588	Nursery, garden shop, or plant sales SUP for Institutions of Charitable and Philanthropic Nature (permanent)	

# Land Use Compatibility:

The subject site contains 0.34 acres and is currently developed with a single-family home. The existing zoning is a CS Commercial Service District. The purpose of the request is to allow single family uses on the subject property. The existing zoning prohibits single family uses and therefore, the existing residence is nonconforming and cannot be reconstructed or enlarged.

Surrounding land uses include single family to the northeast, east and southeast, and commercial, outside storage of cars, and vacant properties to the northwest, west and southwest. Immediately west of the site is a property that is currently pending City Council approval for a zoning change from CS to MF-2 in order to be developed with townhomes. Immediately south of the property there is a recent townhome development.

The property is a part of a larger tract of CS District zoned parcels next to what has developed into a single-family neighborhood in an MF-2(A) District. Rezoning this parcel would allow the residential development that is the current trend in the neighborhood. Therefore, staff is in support the zoning change request.

# **Development Standards:**

District	Setbacks		Height	Lot	Special	Primary Uses	
District	Front	Front Side/Rear		Coverage	Standards		
<b>Existing</b> : CS	15' 0'	20' adj. to res. (not including A(A)) 0' all others	45'	80%		Commercial and business service, institutional and community service, office, retai and personal service, transportation, utility and public service, and wholesale, distribution and storage uses.	
<b>Proposed:</b> MF-2(A)	15'	0' for SF 5-15' Others	36'		RPS 15' spacing between each group of 8 SF units	Residential and institutional and community service uses.	

Overall, the most significant changes in development rights would include changing to primarily residential land uses and decreasing both the maximum allowable height and lot coverage requirements.

The following chart indicates where there is a proposed change in the use regulations. All uses being maintained are not shown.

# Parking:

No changes are proposed with this request. Any development of the property must be in accordance with Dallas Development Code, Division 51A-4.200.

#### Landscaping:

No changes are proposed with this request. Per the Dallas Development Code, landscaping must be provided in accordance with the landscaping requirements in Article X, as amended.

#### Market Value Analysis:

<u>Market Value Analysis (MVA)</u>, is a tool to aid residents and policymakers in understanding the elements of their local residential real estate markets. It is an objective, data-driven tool built on local administrative data and validated with local experts. The analysis was prepared for the City of Dallas by The Reinvestment Fund. Public officials and private actors can use the MVA to more precisely target intervention strategies in weak markets and support sustainable growth in stronger markets. The MVA identifies nine market types (A through I) on a spectrum of residential market strength or weakness. As illustrated in the attached MVA map, the colors range from purple representing the strongest markets to orange, representing the weakest markets. The subject site is located in Category H.
