Information Only

Action Taken/Committee Recommendation(s): Staff provided the Committee with an overview of the department's 2020 Crime Plan that included goals and four outlined objectives. Crime reduction efforts will target the offense categories that had the largest increase in 2019 which were murders, aggravated assaults (non-family violence) and robberies. The department's goal is to reduce violent crimes in these offense categories by 5% within a 12-month timeframe. Having a 5% overall reduction will result in 485 fewer victims across the City.
