**Now, Therefore,**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DALLAS:**

**SECTION 1.** That City Council shall adopt an ordinance approving and adopting the final 2021 Service Plan, the final 2020 Assessment Plan and the 2020 Assessment Roll (to be kept on file with the City Secretary); establishing classifications for the apportionment of costs and the methods of assessing special assessments for the services and improvements to property in the District; closing the public hearing and levying a special assessment on property in the District for services and improvements to be provided during 2021; providing for reimbursement of city administrative costs for operational oversight of the District; fixing charges and liens against the property in the District and against the owners thereof; providing for the collection of the 2020 assessment; authorizing the receipt and deposit of assessments from Dallas County; authorizing the disbursement of assessments to University Crossing Improvement District Corporation (dba UCPIID, Inc.);and providing for an effective date.

**SECTION 2.** That City Council hereby authorizes the removal of the exemption for property owned by persons already receiving and qualifying for 65-or-older homestead exemption under Section 11.13 (c) or (d) of the Texas Property Tax Code (the "Exemption") as a method of assessment from Resolution No. 20-0870 approved on May 27, 2020.

**SECTION 3.** That the recitals and findings listed above are true and correct and that the action of the City Council closing the public hearing in these proceedings is hereby ratified and confirmed.

**SECTION 4.** That the assessment shall apportion the costs each year among the property owners on the basis of special benefits accruing to the property. The proposed method of assessment, which may specify included or excluded classes of assessable property, shall be assessed according to the value of the real property and real property improvements as determined by DCAD. The net assessment amount for 2020 is proposed to be \$1,017,356.00. This amount shall be apportioned in an amount equal to \$0.10 per \$100.00 of appraised value as determined by DCAD. Once levied, this assessment rate shall not increase during the 2021 Service Plan year. Properties otherwise exempt from ad valorem taxes are not subject to assessment. Payment of assessments by other exempt jurisdictions and entities must be established by contract.

**SECTION 5.** That the City Council hereby authorizes and adopts the final 2021 Service Plan, the final 2020 Assessment Plan and the 2020 Assessment Roll (to be kept on file with the City Secretary) apportioning the total cost of the services and improvements to be assessed against property in the District for tax year ending December 31, 2020, of approximately \$1,017,356.00, which excludes an additional \$2,141,500 in service and improvement costs to be paid from prior year carry-over assessment revenue and a grant reimbursement from the North Central Texas Council of Governments . The Assessment Roll apportions the assessment against each parcel of land in the District and is subject to public inspection in the City's official records.

**SECTION 6.** That notice of City Council's intention to consider the proposed assessments at a virtual public hearing on September 9, 2020 no earlier than 1:00 p.m. in the City Council Chamber, 6th Floor, 1500 Marilla Street, Dallas, Texas 75201 was published in the official newspaper of the City of Dallas, Texas 75201 before the 10th day before the date of the hearing. **SECTION 7.** That Dallas City staff mailed to the owners of property liable for assessment notice of the hearing as the ownership appears on the City tax roll. The notice contained the information required by the Act. The notice was mailed before the 10th day before the date of the hearing to the last known address of the property owner on the City tax roll. The failure of the property owner to receive notice does not invalidate the proceeding.

**SECTION 8.** That City Council finds that the assessments should be made and levied against the respective parcels of property within the District and against the owners thereof, and are substantially in proportion to the special benefits accrued to the respective parcels of property by means of the services and improvements in the District for which such assessments are levied, and further finds that in each case the property assessed is specially benefited by means of the said services and improvements in the District, and further finds that the apportionment of costs of the services and improvements is in accordance with the law in force in this City and the State, and that the proceedings of the City heretofore held with reference to the formation of the District and the imposition of assessments for said services and improvements are in all respects valid and regular.

The lien is effective from the date of this ordinance until the assessment is paid and may be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body.

**SECTION 11.** That the assessments levied herein shall be due and payable in full on or before January 31, 2021. That if default be made in the payment of any of the said sums hereby assessed against said property owners and their property, collection thereof, including, costs and fees, shall be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body.
