If an Authorized Representative determines that it is possible and desirable to provide for a book-entry only system of Commercial Paper Note registration with DTC, such Authorized Representative, acting for and on behalf of the Corporation, is hereby authorized to approve, execute, and deliver a Letter of Representations to DTC and to enter into such other agreements and execute such instruments as are necessary to implement such book-entry only system, such approval to be conclusively evidenced by the execution thereof by said Authorized Representative. Under the initial book-entry only system with DTC, no physical Commercial Paper Note certificates will be delivered to DTC. The execution and delivery to the Issuing and Paying Agent, as custodian for DTC, of a master note with respect to the Commercial Paper Notes (the "Master Note"), is hereby authorized and approved. Except as provided herein, the ownership of the Commercial Paper Notes shall be registered in the name of Cede & Co., as nominee of DTC, which will serve as the initial securities depository for the Commercial Paper Notes. Ownership of beneficial interests in the Commercial Paper Notes shall be shown by book-entry on the system maintained and operated by DTC and DTC Participants, and transfers of ownership of beneficial interests shall be made only by DTC and the DTC Participants by book-entry, and the Corporation and the Issuing and Paying Agent shall have no responsibility therefor. DTC will be required to maintain records of the positions of the DTC Participants in the Commercial Paper Notes, and the DTC Participants and persons acting through the DTC Participants will be required to maintain records of the purchasers of beneficial interests in the Commercial Paper Notes. During any period when a book-entry only system is in effect, except as provided above in this paragraph, the Commercial Paper Notes shall not be transferable or exchangeable, except for transfer to another securities depository or to another nominee of a securities depository.

With respect to Commercial Paper Notes registered in the name of DTC or its nominee, neither the Corporation nor the Issuing and Paying Agent shall have any responsibility or obligation to any DTC Participant or to any person on whose behalf a DTC Participant holds an interest in the Commercial Paper Notes. Without limiting the immediately preceding sentence, neither the Corporation nor the Issuing and Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or any DTC Participant with respect to any ownership interest in the Commercial Paper Notes, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown on the Registration Books, of any notice with respect to the Commercial Paper Notes, and (iii) the payment to any DTC Participant or any other person, other than a registered owner of the Commercial Paper Notes, as shown in the Registration Books, of any amount with respect to principal of or interest on the Commercial Paper Notes.

Whenever, during the term of the Commercial Paper Notes, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Resolution of holding, registering, delivering, exchanging, or transferring the Commercial Paper Notes shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC as to

holding, registering, delivering, exchanging, or transferring the book-entry to produce the same effect.

The book-entry only system may be discontinued by either the Corporation or DTC, and in such case, unless a new book-entry only system is put in place, physical certificates in the form set forth in **Section 2.05** shall be provided to the beneficial owners thereof.

If at any time, DTC ceases to maintain for the benefit of the Corporation a book-entry-only system of Commercial Paper Note registration, all references herein to DTC shall be of no further force or effect.

Whenever the beneficial ownership of the Commercial Paper Notes is determined by a book-entry at DTC, delivery of Commercial Paper Notes for payment at maturity shall be made pursuant to DTC's payment procedures as are in effect from time to time and the DTC Participants shall transmit payment to beneficial owners whose Commercial Paper Notes have matured. The Corporation and each of the Issuing and Paying Agent, the Bank and the Dealer are not responsible for transfer of payment to the DTC Participants or beneficial owners.

If Commercial Paper Notes are issued in book-entry only form pursuant to **Section 2.02**, they shall be issued in the form of the Master Note approved by the Board pursuant to this Resolution, to which there shall be attached the form of Commercial Paper Notes as prescribed above, and it is hereby declared that the provisions of the Commercial Paper Notes as prescribed above are incorporated into and shall be a part of the Master Note. It is further provided that this Resolution and the form of Commercial Paper Note prescribed above shall constitute the "underlying records" referred to in the Master Note.

Section 2.06. Execution - Authentication. The Commercial Paper Notes shall be executed on behalf of the Corporation by the President or Vice President of the Board, and attested by the Secretary of the Board under its seal reproduced or impressed thereon, all as provided in **Section 2.05** hereof. The signatures of said officers on the Commercial Paper Notes may be manual or facsimile. Commercial Paper Notes bearing the manual or facsimile signatures of individuals who are or were the proper officers of the Corporation on the date of passage of this Resolution shall be deemed to be duly executed on behalf of the Corporation, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of the initial sale and delivery of Commercial Paper Notes authorized to be issued hereunder or at the time Commercial Paper Notes are delivered in subsequent sales, exchanges and transfers.

No Commercial Paper Note shall be entitled to any right or benefit under this Resolution, or be valid or obligatory for any purpose, unless there appears on such Commercial Paper Note a certificate of authentication executed by the Paying Agent/Registrar by manual signature, or, in the case of the Master Note, the Paying Agent/Registrar has executed the Master Note, and the execution of any Commercial Paper Note by the Paying Agent/Registrar shall be conclusive evidence, and the only evidence, that such Commercial Paper Note has been duly certified or registered and delivered.

Section 2.07. Notes Mutilated, Lost, Destroyed or Stolen. If any Note shall become mutilated, the Corporation, at the expense of the Holder of said Note, shall execute and deliver a new Note of like tenor and number in exchange and substitution for the Note so mutilated, but only upon surrender to the Corporation of the Note so mutilated. If any Note shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Corporation and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the Corporation, at the expense of the owner, shall execute and deliver a new Note of like tenor in lieu of and in substitution for the Note so lost, destroyed or stolen. Neither the Corporation nor the Paying Agent/Registrar shall be required to treat both the original Note and

any duplicate Note as being Outstanding for the purpose of determining the principal amount of Notes which may be issued hereunder, but both the original and the duplicate Note shall be treated as one and the same.

Section 2.08. Negotiability, Registration and Exchangeability. The obligations issued hereunder shall be, and shall have all of the qualities and incidents of, a negotiable instrument under the laws of the State of Texas, and each successive holder, in accepting any of the obligations, shall be conclusively deemed to have agreed that such obligations shall be and have all of the qualities and incidents of a negotiable instrument under the laws of the State of Texas.

The Registration Books relating to the registration, payment and transfer or exchange of the Commercial Paper Notes shall at all times be kept and maintained by the Corporation at the Designated Office of the Registrar, and the Registrar shall obtain, record and maintain in the Registration Books the name and address of each registered owner of the Commercial Paper Notes, except for Commercial Paper Notes registered to bearer, issued under and pursuant to the provisions of this Resolution, and the Registrar further shall provide such information to the Corporation as described in **Section 2.02** hereof. Any Commercial Paper Note may, in accordance with its terms and the terms hereof, be transferred or exchanged for Commercial Paper Notes of like tenor and character and of other authorized denominations upon the Registration Books by the Holder in person or by his duly authorized agent, upon surrender of such Commercial Paper Note to the Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Registrar.

Upon surrender for transfer of any Commercial Paper Note at the Designated Office of the Registrar, the Registrar shall register and deliver, in the name of the designated transferee or transferees (or to bearer, as appropriate), one or more new Commercial Paper Notes executed on behalf of, and furnished by, the Corporation of like tenor and character and of Authorized Denominations and having the same maturity, bearing interest at the same rate or rates and of a like aggregate principal amount as the Commercial Paper Note or Commercial Paper Notes surrendered for transfer.

Furthermore, Commercial Paper Notes may be exchanged for other Commercial Paper Notes of like tenor and character and of authorized denominations and having the same maturity, bearing the same rate or rates of interest and of like aggregate principal amount as the Commercial Paper Notes surrendered for exchange, upon surrender of the Commercial Paper Notes to be exchanged at the Designated Office of the Registrar. Whenever any Commercial Paper Notes are so surrendered for exchange, the Registrar shall register and deliver new Commercial Paper Notes of like tenor and character as the Commercial Paper Notes exchanged, executed on behalf of, and furnished by, the Corporation to the Holder requesting the exchange.

The Corporation and the Registrar may charge the Noteholder a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first such exchange or transfer. The Registrar or the Corporation may also require payment from the Holder of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto. Such charges and expenses shall be paid before any such new Commercial Paper Note shall be delivered.

New Commercial Paper Notes delivered upon any transfer or exchange shall be valid obligations of the Corporation, evidencing the same debt as the Commercial Paper Notes

surrendered, shall be secured by this Resolution and shall be entitled to all of the security and benefits hereof to the same extent as the Commercial Paper Notes surrendered.

The Corporation reserves the right to change the above registration and transferability provisions of the Commercial Paper Notes at any time on or prior to the delivery thereof in order to comply with applicable laws and regulations of the United States in effect at the time of issuance thereof.

Section 2.09. Note Payment Fund; Note Bank Repayment Account. The Board hereby creates and establishes with the Issuing and Paying Agent a separate and special fund to be designated as the "**Love Field Airport Modernization Corporation Airport System Note Payment Debt Service Fund**" (the "Note Payment Fund"). Within the Note Payment Fund the Board hereby creates and establishes with the Issuing and Paying Agent a separate and special account to be designated as the "**Love Field Airport Modernization Corporation Airport System Note Bank Repayment Account**" (the "Note Bank Repayment Account").

Moneys drawn under the Letter of Credit, or any other proceeds of Advances made under the Credit Agreement, shall be deposited into the Note Payment Fund and used only to pay the principal of and interest on the Notes at the respective interest payment and maturity dates of each issue thereof as provided herein. The Issuing and Paying Agent is hereby authorized to make a drawing under the Letter of Credit as soon as practicable after the opening of business, but in no event later than 10:00 a.m., New York City time, on the maturity date of a Commercial Paper Note, in an amount equal to the principal of and interest on the Commercial Paper Notes maturing on such day; provided, that if the Letter of Credit so provides, the Issuing and Paying Agent may make such drawing on or prior to 5:00 p.m., New York City time, on the Business Day next preceding the maturity date of a Commercial Paper Note. The proceeds of such drawing shall be deposited in the Note Payment Fund.

Moneys on deposit in the Note Bank Repayment Account shall be used **first** to repay any Advances and Term Loans made pursuant to the Credit Agreement (evidenced by the Bank Note) and **second** to pay principal of and interest on the Commercial Paper Notes at the respective interest payment, maturity or redemption dates of each such Commercial Paper Note as provided herein. In addition to the proceeds from the sale of Commercial Paper Notes deposited in the Note Bank Repayment Account, the Corporation shall also cause to be deposited in the Note Bank Repayment Account such moneys as may be required, together with such proceeds, to reimburse the Bank for outstanding Advances. Amounts remaining in the Note Bank Repayment Account not then necessary for the purposes set forth above may be transferred to the Note Construction Account upon request by an Authorized Representative.

The Issuing and Paying Agent shall not have a lien on the Note Payment Fund.

Pending the expenditure of moneys in the Note Payment Fund for authorized purposes, moneys deposited therein may be invested at the direction of the Treasurer of the Board or the designee thereof in Eligible Investments; provided, that moneys received from a Facility Provider and moneys received in connection with a rollover of Commercial Paper Notes shall remain uninvested.

Section 2.10. Pledge; Payments. The Notes are obligations of the Corporation payable from and secured solely by the funds pledged therefor pursuant to this Resolution. The Corporation agrees to make payments into the Note Payment Fund at such times and in such

amounts as are necessary to provide for the full payment of the principal of and the interest on the Notes (including Bank Notes relating to the Commercial Paper Notes) when due.

To provide security for the payment of the principal of and interest on the Notes and any other amounts due under the Credit Agreement as the same shall become due and payable, there is hereby granted a lien on and pledge of, subject only to the provisions of this Resolution permitting the application thereof for purposes and on the terms and conditions set forth herein, (i) the proceeds from (a) the sale of Prior Lien General Airport Revenue Bonds issued for such purpose and (b) the sale of other Notes issued pursuant to this Resolution for such purpose, (ii) Advances, (iii) with respect to the payment of interest on the Commercial Paper Notes, Pledged Revenues, such lien and pledge, however, being subordinate to the lien on and pledge of Pledged Revenues in support of General Airport Revenue Bonds now outstanding and hereafter issued, (iv) the amounts held in the Note Payment Fund until the amounts deposited therein are used for authorized purposes, provided, however, amounts in the Note Payment Fund attributable to and derived from Advances shall be used only to pay, prior to any application to the payment of the Bank Note, the principal of and interest on the Commercial Paper Notes in full, and (v) the amounts remaining on deposit in the Note Construction Account after the payment of all Project Costs, and it is hereby resolved and declared that the principal of and interest on the Notes and any other amounts due under the Credit Agreement shall be and are hereby equally and ratably secured by and payable from a lien on and pledge of the sources hereinabove identified in clauses (i), (ii), (iii), (iv) and (v) subject and subordinate only to the exceptions noted therein.

Additionally, to provide security for the payment of the principal of and interest on the Bank Note and other amounts due under the Credit Agreement as the same shall become due and payable, there is hereby granted to the Facility Provider a lien on and pledge of the Pledged Revenues, subject only to the provisions of this Resolution permitting the application thereof for purposes and on the terms and conditions set forth herein, such lien on and pledge of the Pledged Revenues, however, being subordinate only to the lien on and pledge of the Pledged Revenues in support of the Prior Lien General Airport Revenue Bonds and the debt service and reserve funds, if any, relating thereto.

Unless the Bank Note is paid from the proceeds of the Commercial Paper Notes, or Prior Lien General Airport Revenue Bonds issued for such purpose, or amounts available in the Note Payment Account or the Note Construction Account, all as described above, such payments are to be made from Pledged Revenues on deposit in the Note Bank Repayment Account.

As provided in **Section 4.04** hereof, the Commercial Paper Notes are being issued by the Corporation as bond anticipation notes.

Section 2.11. Note Construction Account. The Board hereby creates and establishes a separate account hereby designated as the "**Love Field Airport Modernization Corporation Airport System Note Construction Account**" (the "Note Construction Account"). The Note Construction Account shall be held by the Corporation with the City's depository bank, currently Bank of America, N.A. The Corporation shall account for moneys deposited into the Note Construction Account from Commercial Paper Notes issued. Moneys deposited in the Note Construction Account shall remain therein until from time to time expended to pay for Project Costs, and to refund Notes issued in connection with Eligible Projects and shall not be used for any other purposes whatsoever, except as otherwise provided below, and pending such expenditure, moneys therein may be invested at the direction of the Treasurer of the Board or the designee thereof in Eligible Investments. Any income received from such investments (except as

otherwise required to be rebated to the United States of America in accordance with the provisions of **Section 4.06** hereof) shall be deposited, as received, into the Pledged Revenue Fund established by the Indenture and shall not, for purposes of this Resolution, be considered an amount held in the Note Construction Account.

Any amounts on deposit in the Note Construction Account from the proceeds of the Commercial Paper Notes designated by an Authorized Representative as eligible to pay interest during construction and up to one year after construction is completed may be transferred from time to time at the direction of an Authorized Representative to the credit of the Note Payment Fund, for use in accordance with the terms of **Section 2.09** hereof.

Any amounts remaining in the Note Construction Account constituting proceeds of the Commercial Paper Notes after the payment of all Project Costs shall be paid into the Note Payment Fund and used for the payment of such maturities of the Commercial Paper Notes coming due at such times as may be selected by an Authorized Representative, or for the payment of the Bank Note, as the case may be.

In the event no Commercial Paper Notes are Outstanding and there are no outstanding Advances, any amounts in the Note Construction Account not anticipated to be needed to pay Project Costs shall be transferred to the Debt Service Fund established by the Indenture.

Section 2.12. Cancellation. All Commercial Paper Notes which at maturity are surrendered to the Paying Agent/Registrar for the collection of the principal and interest thereof or are surrendered for transfer or exchange pursuant to the provisions hereof shall, upon payment or issuance of new Commercial Paper Notes, be cancelled by the Paying Agent/Registrar, and the Paying Agent/Registrar forthwith shall transmit to the Corporation a certificate identifying such Commercial Paper Notes and that such Commercial Paper Notes have been duly cancelled and destroyed.

Section 2.13. Fiscal and Other Agents. In furtherance of the purposes of this Resolution, the Corporation may from time to time appoint and provide for the payment of such additional fiscal, paying or other agents or trustees as it may deem necessary or appropriate in connection with the Notes.

Section 2.14. Credit Agreement; Fee Agreement. The Credit Agreement, substantially in the form attached hereto as **Exhibit A**, and the Fee Agreement, substantially in the form attached hereto as **Exhibit B**, each is hereby approved, and shall be entered into with the City and the Bank. The Bank Note substantially in the form contained in the Credit Agreement is approved with the interest rate payable thereon to be determined as set forth therein. The President or Vice President of the Board is hereby authorized to execute and deliver the Credit Agreement, the Fee Agreement and the Bank Note, and the Secretary of the Board is authorized to attest and to place the Corporation seal thereon. The execution of the Credit Agreement and the Fee Agreement as provided herein shall constitute conclusive evidence of the Corporation's approval of any and all changes or revisions thereto from the forms of Credit Agreement and Fee Agreement attached hereto. The Board finds that the execution of the Credit Agreement is in the best interests of the Corporation in administering the issuance of the Commercial Paper Notes.

Section 2.15. Funds Secured. Moneys in all such Funds, to the extent not invested as permitted hereunder, shall be secured in the manner prescribed by law for securing funds of the City.

Section 2.16. Application of Prior Covenants. The covenants and agreements (to the extent the same are not inconsistent herewith) contained in the Indenture are hereby incorporated herein by reference and shall be deemed to be for the benefit and protection of the Bank Note and the Holder thereof in like manner as applicable to the Prior Lien General Airport Revenue Bonds; provided, however, in the event of any conflict between the terms, covenants and agreements contained herein and the terms, covenants and agreements contained in the Indenture, the provisions of the Indenture shall control over the provisions hereof. Specifically, if any property or facilities comprising all or a part of the Airport System are sold or exchanged, the acquisition, improvement or extension of the Airport System having not been financed in any manner with the proceeds of Prior Lien General Airport Revenue Bonds, or with the proceeds of obligations which were refunded in whole or in part with the proceeds of Prior Lien General Airport Revenue Bonds, or obligations issued by the Corporation to finance or refinance elements of the LFMP, then the Corporation may utilize the proceeds of such sale or exchange for any lawful purpose consistent with the operation of the Airport System by the City.

ARTICLE III

ISSUANCE AND SALE OF NOTES

Section 3.01. Issuance and Sale of Commercial Paper Notes. (a) Commercial Paper Notes shall be completed and delivered by the Issuing and Paying Agent in accordance with electronic, telephonic, computer or written instructions of the Authorized Representative and in the manner specified below and in the Issuing and Paying Agent Agreement. To the extent such instructions are not written, they shall be confirmed in writing by the Authorized Representative within 24 hours. Said instructions shall specify the Commercial Paper Notes to be sold and such principal amounts, dates of issue, maturities, rates of interest, or the formula or method of calculating interest and the basis upon which it is to be computed, and other terms and conditions which are hereby authorized and permitted to be fixed by the Authorized Representative at the time of sale of such Commercial Paper Notes. Such instructions shall include the purchase price of such Commercial Paper Notes, and, if such Commercial Paper Notes are not held in accordance with a book-entry only system, a request that the Issuing and Paying Agent authenticate such Commercial Paper Notes by counter signature of its authorized officer or employee and deliver them to the named purchaser or purchasers thereof upon receipt of payment in accordance with the custom then prevailing in the New York financial market in regard to such Commercial Paper Notes. The rules of the New York Clearinghouse shall apply thereto. Such instructions shall also contain provisions representing that all action on the part of the Corporation necessary for the valid issuance of the Commercial Paper Notes then to be issued has been taken, that all provisions of Texas and federal law necessary for the valid issuance of such Commercial Paper Notes with provision for interest exemption from federal income taxation have been complied with, if applicable, and that such Commercial Paper Notes in the hands of the Holders thereof will be valid and enforceable obligations of the Corporation according to their terms, subject to the exercise of judicial discretion in accordance with general principles of equity and bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that, if applicable, based upon the advice of Bond Counsel, the stated interest on the Commercial Paper Notes is exempt from federal income taxation. Such instructions shall also certify that:

(i) no Event of Default under **Section 5.01** hereof has occurred and is continuing as of the date of such Certificate and that the Issuing and Paying Agent has not received a No Issuance Notice or a Restricted Issuance Notice (each as defined in the Credit Agreement);

(ii) the Corporation has been advised by Bond Counsel that the projects to be financed with the proceeds of the Commercial Paper Notes will constitute Eligible Projects or that the obligations to be refunded were issued in connection with Eligible Projects;

(iii) the Corporation is in compliance with the covenants set forth in **Article IV** hereof as of the date of such instructions;

(iv) the Corporation has been advised by Bond Counsel that the proposed expenditure of the proceeds of such Commercial Paper Notes for such projects and the refunding of such Commercial Paper Notes issued for such projects will not cause the Corporation to be in violation of its covenants set forth in **Section 4.06** hereof; and

(v) the sum of the interest payable on such Commercial Paper Note will not exceed a yield (calculated on the principal amount of the Commercial Paper Note on the basis of actual number of days elapsed, and a 365-day or 366-day year, as may be applicable) to the maturity date of such Commercial Paper Note in excess of the Maximum Interest Rate.

(b) The Bank Note shall be or has been delivered to the Bank, and indebtedness may be incurred thereunder, all in accordance with the terms of the Credit Agreement.

Section 3.02. Proceeds of Sale of Commercial Paper Notes. The proceeds of the sale of any Commercial Paper Notes (net of all expenses and costs of sale and issuance) shall be applied for any or all of the following purposes as directed by an Authorized Representative:

(i) Proceeds to be used for the payment and redemption of outstanding Commercial Paper Notes at or before maturity and the repayment of any borrowing (evidenced by any Bank Note) or other amounts due under the Credit Agreement shall be retained in the Note Bank Repayment Account and expended therefor;

(ii) Proceeds to be used for the payment of Prior Lien General Airport Revenue Bonds shall be deposited in such fund or account established by the Board in the proceedings authorizing the use of Commercial Paper Notes to refinance or refund Prior Lien General Airport Revenue Bonds; and

(iii) Proceeds not retained in the Note Bank Repayment Account as provided in subparagraph (i) above shall be transferred and deposited to the Note Construction Account and used and applied in accordance with the provisions of **Section 2.11** hereof.

Section 3.03. Issuing and Paying Agent Agreement. The Issuing and Paying Agent Agreement, substantially in the form attached hereto as **Exhibit C**, is hereby approved, and shall be entered into with the Issuing and Paying Agent. The President or Vice President of the Board is hereby authorized to execute and deliver the Issuing and Paying Agent Agreement, and the Secretary of the Board is authorized to attest the execution thereby. The execution of the Issuing

and Paying Agent Agreement as provided herein shall constitute conclusive evidence of the Corporation's approval of any and all changes or revisions thereto from the form of Issuing and Paying Agent Agreement attached hereto. Any Authorized Representative is hereby authorized to enter into any supplemental agreement with the Issuing and Paying Agent or with any successor Issuing and Paying Agent in order to implement the functions of the Issuing and Paying Agent or Registrar with respect to the Commercial Paper Notes including, without limitation, authorizing the Issuing and Paying Agent to effect draws upon the Letter of Credit in the manner provided in the Issuing and Paying Agent Agreement. Any successor Issuing and Paying Agent shall be a financial institution organized and existing under the laws of the United States of America or the State of Texas and which has trust powers. The successor Issuing and Paying Agent shall have assumed the duties of the Issuing and Paying Agent to be replaced before such Issuing and Paying Agent shall be relieved of the obligation to perform the duties as Issuing and Paying Agent, and the successor Issuing and Paying Agent shall have executed an agreement substantially in the same form and substance as the Issuing and Paying Agent Agreement approved by this Resolution. The Corporation shall notify the Rating Agencies of any change in the Issuing and Paying Agent, in the manner described in **Section 4.16** hereof.

Section 3.04. Dealer Agreement. The appointment of J.P. Morgan Securities LLC as the dealer for the Commercial Paper Notes (the "Dealer") is hereby affirmed. The Dealer Agreement by and between the Corporation and the Dealer pertaining to the sale, from time to time, of Commercial Paper Notes or the purchase of Commercial Paper Notes from the Corporation, substantially in the form attached hereto as **Exhibit D**, is hereby approved, and shall be entered into with the Dealer. The President or Vice President of the Board is hereby authorized to execute and deliver the Dealer Agreement, and the Secretary of the Board is authorized to attest the execution thereby. The execution of the Dealer Agreement as provided herein shall constitute conclusive evidence of the Corporation's approval of any and all changes or revisions thereto from the form of Dealer Agreement attached hereto. Any Authorized Representative is hereby authorized to enter into any supplemental agreement with the Dealer or with any successor Dealer in order to implement the functions of the Dealer with respect to the Commercial Paper Notes.

Section 3.05. Amended and Restated Project Financing Agreement. The Project Financing Agreement, substantially in the form attached hereto as **Exhibit E**, is hereby approved, and shall be entered into with the City. The President or Vice President of the Board is hereby authorized to execute and deliver the Project Financing Agreement, and the Secretary of the Board is authorized to attest the execution thereby. The execution of the Project Financing Agreement as provided herein shall constitute conclusive evidence of the Corporation's approval of any and all changes or revisions thereto from the form of Project Financing Agreement attached hereto.

ARTICLE IV

COVENANTS OF THE CORPORATION

Section 4.01. Limitation on Issuance. Unless this Resolution is amended and modified by the Board in accordance with the provisions of **Section 6.01** hereof, the Corporation covenants that there will not be issued and Outstanding at any time under this Resolution more than \$150,000,000 in aggregate principal amount of Commercial Paper Notes. For purposes of this **Section 4.01** any portion of Outstanding Notes to be paid from money on deposit in the Note Payment Fund held by the Issuing and Paying Agent on the day of calculation and from the

available proceeds of Notes, Prior Lien General Airport Revenue Bonds or other obligations of the Corporation issued on the day of calculation shall not be considered Outstanding. In addition to the foregoing, any improvement or extension to the Airport System to be funded with Commercial Paper Notes must qualify as an Eligible Project, and the Corporation shall not direct the Issuing and Paying Agent to issue Commercial Paper Notes that mature after the Business Day prior to the date the Credit Agreement expires or terminates in accordance with its terms.

Additionally, the Corporation covenants and agrees that the total principal amount of all Commercial Paper Notes Outstanding at any one time and the total amount of interest accrued or to accrue thereon shall not exceed the Commitment.

Section 4.02. Priority of Deposits and Payments from the Pledged Revenue Fund. The Corporation shall cause the City to make the deposits and payments from the Pledged Revenues when and as required by the Project Financing Agreement and such deposits to the Trustee shall be made in the order and with the priorities set forth in the Indenture. After satisfying the requirements of the Indenture and any other resolution adopted by the Corporation with respect to the Prior Lien General Airport Revenue Bonds, with respect to the payment of principal of, and premium, if any, and interest on the Prior Lien General Airport Revenue Bonds and funding the reserve fund therefor, there shall be deposited by the Corporation to the Note Bank Repayment Account the amounts required by **Sections 2.10 and 2.11** hereof for the payment of the Bank Note.

Section 4.03. Maintenance of Available Credit Facilities Requirement. (a) The Corporation agrees and covenants that at all times up to and including the Maximum Maturity Date, unless the Commercial Paper Notes are no longer Outstanding, it will maintain credit or liquidity facilities with banks or other financial institutions in amounts such that, assuming that all then Outstanding Commercial Paper Notes were to become due and payable immediately, the amount available for borrowing under such credit or liquidity facilities would be sufficient at that time to pay principal and interest of all Commercial Paper Notes. No Commercial Paper Note shall be issued if, after giving effect to the issuance thereof and, if applicable, the immediate application of the proceeds thereof to retire other Commercial Paper Notes secured by the credit or liquidity facility, the aggregate principal amount of all Commercial Paper Notes secured by or payable from the credit or liquidity facility would exceed the amount of the commitment thereunder. The availability for borrowing of such amounts under such facilities may be subject to reasonable conditions precedent, including but not limited to, bankruptcy of the Corporation or the City. In furtherance of the foregoing covenant, the Corporation agrees that it will not issue any Commercial Paper Notes or make any borrowing which will result in a violation of such covenant, will not amend any Credit Agreement in a manner which will cause a violation of such covenant and, if and to the extent necessary to maintain compliance with such covenant, will arrange for new credit or liquidity facilities prior to, or contemporaneously with, the expiration of the related Credit Agreement. Noteholders will be provided no less than fifteen (15) days' notice prior to the effective date of any new credit or liquidity facility. The then existing credit or liquidity facility will remain in effect with respect to Commercial Paper Notes issued and Outstanding prior to the effective date of any new credit or liquidity facility until all such Commercial Paper Notes have been paid in full. Any new credit or liquidity facility shall be effective only with respect to Commercial Paper Notes that are issued on or after the effective date of such new credit or liquidity facility.

(b) The Board shall not deliver or cause to be delivered to the Issuing and Paying Agent a Substitute Letter of Credit or consent to the assignment by the Bank of its obligations under the

Letter of Credit or the Credit Agreement unless simultaneously therewith there is also delivered to the Issuing and Paying Agent (i) written evidence from each of the Rating Agencies which then rates the Commercial Paper Notes to the effect that termination of the then existing Letter of Credit and substitution of the Substitute Letter of Credit therefor or the assignment of the Bank's obligations under the Letter of Credit or the Credit Agreement will not result in a reduction or withdrawal of the ratings of the then Outstanding Commercial Paper Notes assigned thereto by each such Rating Agency and (ii) an opinion of counsel to the Bank issuing the Substitute Letter of Credit in all respects substantially similar to the opinion required by the Credit Agreement initially executed and delivered by counsel to the Bank in connection with the initial issuance by the City of Commercial Paper Notes. The Board shall, simultaneously with the delivery of any Substitute Letter of Credit to the Issuing and Paying Agent, mail by first-class mail, postage prepaid, a notice of such substitution to all Noteholders existing as of the effective date of such substitution.

Section 4.04. Commercial Paper Notes Issued as Bond Anticipation Notes. The Corporation hereby acknowledges that the Commercial Paper Notes are being issued as bond anticipation notes, and therefore the Corporation in good faith shall endeavor to sell a sufficient principal amount of Prior Lien General Airport Revenue Bonds in order to have funds available, together with other moneys available therefor, to pay the Commercial Paper Notes and the interest thereon, or any renewals thereof, as the same shall become due, and to pay amounts due under the Credit Agreement. The Corporation reasonably expects to pay interest coming due on the Commercial Paper Notes, but not maturing principal of Commercial Paper Notes, from Pledged Revenues. For the sole purpose of establishing for the benefit of the Public Finance Division of the Office of the Attorney General of Texas that the Corporation possesses sufficient Pledged Revenues to pay the Commercial Paper Notes and the interest thereon, the Corporation shall establish sufficiency through the issuance of Prior Lien General Airport Revenue Bonds at then current market interest rates with level debt service over a forty (40) year period to refinance such Commercial Paper Notes.

Section 4.05. Punctual Payment. The Corporation will punctually pay or cause to be paid the principal of and interest, if any, on the Notes, the Bank Note and the other obligations due under the Credit Agreement (but only from the sources pledged herein), in conformity with the Notes, this Resolution and the Credit Agreement.

Section 4.06. Commercial Paper Notes to Remain Tax Exempt. The Corporation covenants to take any action to assure, or refrain from any action which would adversely affect, the treatment of the Commercial Paper Notes as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation if such Commercial Paper Notes are designated by the Corporation as "tax exempt". In furtherance thereof, the Corporation covenants as follows:

(i) to take such action which may be reasonably available to the Corporation to assure that the Commercial Paper Notes are "exempt facility bonds", as defined in section 142(a) of the Code, at least 95 percent of the proceeds of which are used to provide airport facilities (within the meaning of section 142(a) of the Code);

(ii) to ensure at all times during the term of the Commercial Paper Notes that the property financed or refinanced with the proceeds thereof be treated as governmentally owned within the meaning of section 142(b) of the Code;

(iii) to refrain from taking any action that would result in the Commercial Paper Notes being "federally guaranteed" within the meaning of section 149(b) of the Code;

(iv) to refrain from using any portion of the proceeds of the Commercial Paper Notes, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Commercial Paper Notes, other than investment property acquired with --

(1) proceeds of the Commercial Paper Notes invested for a reasonable temporary period or, until such proceeds are needed for the purpose for which the Commercial Paper Notes are issued, and

(2) proceeds of amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Regulations;

(vi) to otherwise restrict the investment of the proceeds of the Commercial Paper Notes or amounts treated as proceeds of the Commercial Paper Notes, as may be necessary, to satisfy the requirements of section 148 of the Code (relating to arbitrage);

(vii) to use no more than two percent of the proceeds of the Commercial Paper Notes issued within each calendar year for the payment of costs of issuance (including underwriters' discount) of the Commercial Paper Notes;

(viii) to ensure that the proceeds of the Commercial Paper Notes will be used solely for the purpose of financing Project Costs (including costs of issuance described in clause (vii) above) of Eligible Projects;

(ix) to use no portion of the proceeds of the Commercial Paper Notes to provide any airplane, sky-box or other private luxury box, facility primarily used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off-premises;

(x) to comply with the limitations imposed by section 147(c) of the Code (relating to the limitation of the use of proceeds to acquire land) and section 147(d) of the Code (relating to restrictions on the use of bond proceeds to acquire existing buildings, structures or other property);

(xi) to ensure at all times that no Commercial Paper Notes remain outstanding with a maturity that exceeds 120 percent of the average economic life of the assets financed or refinanced with the proceeds of such Commercial Paper Notes, consistent with section 147(b) of the Code; and

(xii) to obtain a public approval in accordance with section 147(f) of the Code prior to the first new money draw of Commercial Paper Notes in each calendar year.

The Corporation represents and covenants that it will not expend, or permit to be expended, the proceeds of any Commercial Paper Notes in any manner inconsistent with its reasonable expectations as certified in a federal tax certificate to be executed from time to time with respect to the Commercial Paper Notes; provided, however, that the Corporation may

expend Commercial Paper Note proceeds in any manner if the Corporation first obtains an unqualified opinion of Bond Counsel that such expenditure will not impair the exemption from federal income taxation of interest paid on the Commercial Paper Notes. The Corporation represents that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is an issuer whose arbitrage certifications may not be relied upon.

The Corporation understands that the term "proceeds" includes "disposition proceeds" as defined in the Regulations and, in the case of a refunding bond, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of the issuance of the Commercial Paper Notes. It is the understanding of the Corporation that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify, or expand provisions of the Code, as applicable to the Commercial Paper Notes, the Corporation will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of Bond Counsel, will not adversely affect the exemption from federal income taxation of interest on the Commercial Paper Notes under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Commercial Paper Notes, the Corporation agrees to comply with the additional requirements to the extent necessary, in the opinion of Bond Counsel, to preserve the exemption from federal income taxation of interest on the Commercial Paper Notes under section 103 of the Code. In furtherance of such intention, the Board hereby authorizes and directs any Authorized Representative to execute any documents, certificates or reports required by the Code, and to make such elections on behalf of the Corporation which may be permitted by the Code as are consistent with the purpose for the issuance of the Commercial Paper Notes.

A "Rebate Fund" is hereby established by the Corporation for the sole benefit of the United States of America, and the Rebate Fund shall not be subject to the claim of any other person, including, without limitation, Noteholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

Unless superseded by another action of the City Council, to ensure compliance with the covenants contained herein regarding private business use, remedial actions, arbitrage and rebate, the written procedures adopted by the City Council in the ordinance passed August 8, 2012, apply to the Commercial Paper Notes.

Section 4.07. Change in Use of Projects. The Corporation has designated the Aviation Director as the person who will notify the City in the event of any change of use of any portion of an Eligible Project ("change in use") within fifteen (15) days of such change of use event. The Corporation has been advised that the Chief Financial Officer of the City will receive notice from the Aviation Director and who will determine, in consultation with nationally recognized bond counsel, whether to take a remedial action or any other remedy available at law to ensure that the tax-exempt status of the Commercial Paper Notes is preserved following such change in use.

Section 4.08. Disposition of Airport System. In the Project Financing Agreement, the Corporation has covenanted that it will take such actions necessary to cause the City to own and operate the property constituting the Airport System and to charge and collect rates, fees, and revenues for the use and operation of the Airport System, including, without limitation, terminal rentals, landing fees, fees charged to concessionaires and charges for use of parking facilities at

Love Field, in amounts sufficient to generate revenues sufficient to maintain Love Field, including amounts sufficient to make the required deposits to the Pledged Revenue Fund and any reserve fund established in respect to the Prior Lien General Airport Revenue Bonds. For purposes of this Section, the portion of the property comprising personal property of the Airport System and disposed of by the City in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation.

Section 4.09. Issuance of Additional Obligations. Other than as permitted in the Indenture with respect to the issuance or incurrence of additional obligations of the Corporation secured by the Pledged Revenues on a parity with the Prior Lien General Airport Revenue Bonds, the Corporation will not adopt any supplemental resolutions with respect to the issuance of Subordinate Lien Obligations secured by Pledged Revenues, pursuant to the Indenture or otherwise, without the prior written consent of the Bank.

Section 4.10. Opinion of Bond Counsel. The Corporation shall cause the legal opinion of Bond Counsel as to the validity of the Commercial Paper Notes and as to the exemption of interest on the Commercial Paper Notes from federal income taxation to be furnished to any Holder without cost. In addition, a copy of said opinion may be printed on each of the Commercial Paper Notes. In addition, in connection with the annual updating of the Offering Memorandum (as provided in accordance with **Section 6.07** hereof) as required by the Dealer Agreement, there shall be provided an annual updated opinion of Bond Counsel, at the cost of the Corporation or the Dealer as agreed to in the Dealer Agreement.

Section 4.11. Ongoing Continuing Disclosure Covenant. To the extent required by the provisions of Rule 15c2-12, promulgated by the U.S. Securities and Exchange Commission, the Corporation agrees to enter into an agreement to file financial information and operating data with respect to the Commercial Paper Notes with the MSRB. Under the provisions of said Rule 15c2-12, as they exist on the date this Resolution is adopted, the Corporation is exempted from complying with the undertaking described in the first sentence of this **Section 4.11**, as the Notes are to be issued in the form of Commercial Paper Notes.

Section 4.12. Rates and Charges. The Corporation hereby agrees and reaffirms its covenants to the holders of the Prior Lien General Airport Revenue Bonds, and covenants to the Holder of the Bank Note, that it will at all times take such actions as provided in the Project Financing Agreement to cause the City to maintain rates and charges for the services furnished, provided, and supplied by the Airport System which shall comply with the provisions of the Indenture, be reasonable and non-discriminatory and produce income and revenues sufficient to pay:

(a) current expenses of operation and maintenance of the Airport System, including all salaries, labor, materials, interest, repairs, and extensions necessary to render efficient service;

(b) the interest on and principal of all Prior Lien General Airport Revenue Bonds, as and when the same shall become due;

(c) to the extent the same are reasonably anticipated to be paid with Pledged Revenues, the interest on the Commercial Paper Notes and the interest on and principal of the Bank Note and other amounts due the Bank under the Credit Agreement, as and when the same shall become due; and

(d) any legal debt or obligation of the Airport System as and when the same shall become due, including funding the designated "Airport Cost Centers" effected and managed by the City in accordance with the Lease.

Section 4.13. Pledged Revenue Fund. Pursuant to **Section 2.16** hereof, the Corporation hereby reaffirms its covenant to the holders of the Prior Lien General Airport Revenue Bonds and hereby covenants with respect to the Holders of the Bank Note, that all Pledged Revenues shall be deposited as received in the "Pledged Revenue Fund" established under the Indenture. Revenues received for the Pledged Revenue Fund shall be deposited from time to time as received with the Trustee in accordance with the terms of the Indenture.

Section 4.14. Compliance with Indenture and Other Documents. The Corporation will comply with the terms and provisions of the Indenture, and any other resolution (including specifically, but not by way of limitation, the resolutions authorizing the issuance of the Prior Lien General Airport Revenue Bonds) or contract to which the Corporation is a party, the non-compliance with which would materially adversely affect the ability of the Corporation to make payments on the Notes when due. The Corporation shall make the deposits to and payments from the Pledged Revenue Fund when and as required by the Indenture, and such deposits shall be made in the order and with the priorities set forth in the Indenture. The Corporation agrees to direct the Trustee to transfer to the Corporation, from available revenues held by the Trustee, consistent with the provisions of Section 4.02(D) of the Indenture, for the purpose of making moneys available to the Issuing and Paying Agent for deposit to the Note Payment Fund to pay interest on and principal of Commercial Paper Notes, and, in the event that an Advance is made and is converted to a Term Loan, for deposit to the Note Bank Repayment Account within the Note Payment Fund for the payment of the principal of and interest on any Bank Note.

Section 4.15. Reservation of Right to Issue or Incur Prior Lien General Airport Revenue Bonds and Obligations of Inferior Lien. In accordance with **Section 4.09** hereof, the Corporation hereby expressly reserves the right to hereafter issue Prior Lien General Airport Revenue Bonds in accordance with the provisions of the Indenture, payable from and secured by a lien on and pledge of the Pledged Revenues prior in right and claim to the lien and pledge securing the payment of Bank Notes. In accordance with and subject to the limitations set forth in **Section 4.09** hereof, the Corporation also retains the right to issue or incur Subordinate Lien Obligations.

Section 4.16. Notice to Rating Agencies. The Corporation shall cause to be provided to the Rating Agencies which then rates the Commercial Paper Notes of any expiration, termination or extension of the Letter of Credit, or any amendment or supplement made to either the Credit Agreement or this Resolution, or any change in the Issuing and Paying Agent or the Dealer, with such notice to be provided in the manner set forth in the Issuing and Paying Agent Agreement.

Section 4.17. Purchase of Commercial Paper Notes by the Corporation. Notwithstanding anything to the contrary contained in this Resolution, to the extent that the Dealer cannot sell Commercial Paper Notes to renew or refund Outstanding Commercial Paper Notes on their maturity, the Corporation may use funds from sources other than (i) money on deposit in the Note Payment Fund or the Note Construction Account, (ii) the proceeds of Prior Lien General Airport Revenue Bonds or Subordinate Lien Obligations, or (iii) money on deposit in any debt service fund or reserve fund established for the benefit of the Prior Lien General Airport Revenue Bonds, to purchase Commercial Paper Notes issued to renew and refund such maturing Commercial Paper Notes. Such payment, issuance and purchase are not intended to constitute an extinguishment of the obligation represented by such maturing Commercial Paper

Notes and the Corporation may issue Commercial Paper Notes to renew and refund the Commercial Paper Notes held by it when the Dealer is again able to sell Commercial Paper Notes. While such Commercial Paper Notes are held by the Corporation they shall bear interest at the rate being earned by the funds used to purchase such Commercial Paper Notes on the date of purchase.

ARTICLE V

EVENTS OF DEFAULT AND REMEDIES OF NOTEHOLDERS

Section 5.01. Events of Default. If one or more of the following events shall occur:

(a) if default shall be made in the due and punctual payment of principal of any Commercial Paper Note when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if the Corporation shall fail to make due and punctual payment of interest on any Commercial Paper Note when and as such interest installment shall become due and payable and such failure shall continue for five (5) Business Days;

(c) if the principal of the Bank Note (and interest accrued thereon) shall become due and payable prior to the maturity thereof under the Bank Note and the Credit Agreement;

(d) if default shall be made by the Corporation in the performance or observance of any other of the covenants, agreements or conditions on its part in this Resolution or in the Commercial Paper Notes contained, and such default shall continue for a period of sixty (60) days after written notice thereof; provided, however, if such default cannot be cured within the sixty (60) day period but corrective action to cure such default is commenced and diligently pursued until the default is corrected no such Event of Default shall be deemed to have occurred; or

(e) if there shall occur the dissolution (without a successor being named to assume the rights and obligations) or liquidation of the Corporation or the City, or the filing by the Corporation or the City of a voluntary petition in bankruptcy, or adjudication of the Corporation or the City as a bankrupt, or assignment by the Corporation or the City for the benefit of its creditors, or the entry by the Corporation or the City into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Corporation or the City in any proceeding for the adjustment of its debts instituted under the provisions of the Bankruptcy Code, as amended, or under any similar act in any jurisdiction which may now be in effect or hereafter enacted;

then such event as described above shall constitute an "Event of Default" under this Resolution.

Section 5.02. Suits at Law or in Equity and Mandamus. In case one or more Events of Default shall occur, then and in every such case the Holder of any Note at the time Outstanding shall be entitled to proceed to protect and enforce such Holder's rights by such appropriate judicial proceeding as such Holder shall deem most effectual to protect and enforce any such right, either by suit in equity or by action at law, whether for the specific performance of any

covenant or agreement contained in this Resolution, or in aid of the exercise of any power granted in this Resolution, or to enforce any other legal or equitable right vested in the Holders of Notes by this Resolution or the Notes or by law. The provisions of this Resolution shall be a contract with each and every Holder of Notes and the duties of the Corporation shall be enforceable by any Noteholder by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 5.03. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Holders of Notes is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised at any time or from time to time, and as often as may be necessary, by the Holder of any one or more of the Notes.

ARTICLE VI

MISCELLANEOUS

Section 6.01. Amendments or Modifications Without Consent of Holders of Notes. This Resolution and the rights and obligations of the Corporation and of the Holders of Notes may be modified or amended at any time by a supplemental Resolution, without notice to or the consent of any Noteholders, but only to the extent permitted by law, and, subject to the rights of the holders of the Notes, only for any one or more of the following purposes:

(1) to add to the covenants and agreements of the Corporation in this Resolution contained, other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the Corporation;

(2) to (a) increase the principal amount of Commercial Paper Notes that may be Outstanding at any one time under the terms of this Resolution, or (b) adjust the principal amounts of, or to add sub-series for, the Commercial Paper Notes that may be Outstanding at any one time under the terms of this Resolution; provided that the Corporation satisfies either (i) the requirements of **Section 4.03(a)** hereof in providing liquidity or credit support with respect to the increased principal amount of Commercial Paper Notes authorized to be Outstanding at any one time or (ii) the requirements of **Section 4.03(b)** hereof to issue the increased principal amount of Commercial Paper Notes without liquidity and/or credit support;

(3) to cure any ambiguity or inconsistency, or to cure or correct any defective provision contained in this Resolution, upon receipt by the Corporation of an approving opinion of Bond Counsel selected by the Corporation, that the same is needed for such purpose, and will more clearly express the intent of this Resolution; or

(4) to supplement the security for the Notes, replace or provide additional credit facilities, make such changes, modifications or amendments as may be necessary or desirable in order to obtain the approval of this Resolution by the Attorney General of Texas, as required by **Section 6.08** hereof, or to obtain or maintain the granting of a rating on the Notes by a nationally recognized municipal bond rating agency, or change the form of the Notes, or make such other changes in the provisions hereof as the Corporation may deem necessary or desirable and which shall not materially adversely

affect the interests of the Holders of the Notes; provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions of this Resolution or of the Commercial Paper Notes so as to:

- (A) Make any change in the maturity of any of the Outstanding Commercial Paper Notes;
- (B) Reduce the rate of interest borne by any of the Outstanding Commercial Paper Notes;
- (C) Reduce the amount of the principal payable on any of the Outstanding Commercial Paper Notes;
- (D) Modify the terms of payment of principal of or interest on the Outstanding Commercial Paper Notes, or impose any conditions with respect to such payment;
- (E) Affect the rights of the Holders of less than all of the Outstanding Commercial Paper Notes; or
- (F) Reduce or restrict the pledge made pursuant to **Section 2.10** hereof for payment of the Commercial Paper Notes;

and provided, further, that no change, modification or amendment shall be made in this Resolution or become valid and effective (i) without the approval of such change, modification or amendment by the Attorney General of the State of Texas, to the extent required by the laws of the State of Texas, and (ii) without the written consent of the Facility Providers (which, in the case of an amendment authorizing an increase in the principal amount of Commercial Paper Notes at any one time Outstanding, shall mean the written consent of each entity providing, as of the effective date of the authority to issue additional Commercial Paper Notes in excess of the maximum principal amount of Commercial Paper Notes then authorized by the Board at any one time to be Outstanding, the liquidity or credit support required by **Section 4.03(a)** hereof).

Section 6.02. Additional Actions. (a) Any Authorized Representative is hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to consummate the issuance, sale and delivery of the Notes and otherwise to effectuate the purposes of this Resolution, the Credit Agreement, the Fee Agreement, the Dealer Agreement, the Issuing and Paying Agent Agreement and the Offering Memorandum. Specifically, by the adoption of this Resolution, the Board hereby authorizes the payment of the fees and expenses incurred and to be paid by the Corporation in connection with the issuance, sale and delivery of the Notes and the execution and delivery of the Credit Agreement, the Fee Agreement, the Dealer Agreement and the Issuing and Paying Agent Agreement, including, without limitation, fees of Rating Agencies.

(b) The Corporation agrees to furnish to the Bank and the Rating Agencies true and correct copies of this Resolution and the resolution adopted by the City Council approving this Resolution (the "City Resolution") promptly after the adoption of the City Resolution by the City Council.

Section 6.03. Resolution to Constitute a Contract; Equal Security. In consideration of the acceptance of the Notes, the issuance of which is authorized hereunder, by those who shall

hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Corporation and the Holders from time to time of the Notes and the pledge made in this Resolution by the Corporation and the covenants and agreements set forth in this Resolution to be performed by the Corporation shall be for the equal and proportionate benefit, security and protection of all Holders of the Notes, without preference, priority or distinction as to security or otherwise of any of the Notes authorized hereunder over any of the others by reason of time of issuance, sale or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Resolution or, with respect to the Bank Note, the Credit Agreement.

Section 6.04. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Notes issued hereunder.

Section 6.05. Payment and Performance on Business Days. Whenever under the terms of this Resolution or the Commercial Paper Notes, the performance date of any provision hereof or thereof, including the payment of principal of or interest on the Commercial Paper Notes, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Commercial Paper Notes, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on such day.

Section 6.06. Limitation of Benefits with Respect to the Resolution. With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Resolution or the Notes is intended or should be construed to confer upon or give to any person other than the Corporation, the Holders of the Notes, the Issuing and Paying Agent and the parties to the Dealer Agreement and the Credit Agreement, any legal or equitable right, remedy or claim under or by reason of or in respect to this Resolution or any covenant, condition, stipulation, promise, agreement or provision herein contained. Section 6.07. Use of Offering Memorandum. The use by the Dealer of the Offering Memorandum, prepared by the Dealer in connection with the sale of Commercial Paper Notes, and the distribution of the Offering Memorandum by the Dealer, is approved subject to the approval thereof by an Authorized Representative. Any Authorized Representative is hereby authorized to provide to the Dealer such information as, in the reasonable judgment of the Dealer, may be necessary to update, on an annual basis, the Offering Memorandum.

Section 6.08. Approval of Attorney General. The Authorized Representative shall submit this Resolution and a transcript of proceedings related thereto to the Attorney General of the State of Texas for approval, as required by Chapter 1371 and other applicable law. All fees paid under this Reimbursement Agreement and the Fee Letter shall be fully earned when due and nonrefundable when paid.

Section 2.05. Prepayment. Any Loan may be prepaid in whole or in part (but only in the minimum amount of \$100,000 and integral multiples of \$1,000 in excess thereof) at any time without penalty or premium on one Business Day’s prior written notice from the Applicant to the Bank and by payment of such amounts to the Bank.

Section 2.06. Certain Taxes. The Applicant shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Reimbursement Agreement, the Related Documents and such other documents and agrees to save the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees.

Section 2.07. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Bank;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on the Bank or the London interbank market any other condition, cost or expense affecting this Reimbursement Agreement, the Fee Letter or the Letter of Credit or any participation therein;

and the result of any of the foregoing shall be to increase the cost to the Bank of participating in, issuing or maintaining the Letter of Credit, or to reduce the amount of any sum received or

receivable by the Bank hereunder (whether of principal, interest or any other amount) then, upon request of the Bank, the Applicant will pay to the Bank such additional amount or amounts as will compensate the Bank for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If the Bank determines that any Change in Law affecting the Bank or the Bank's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Bank's capital or liquidity or on the capital or liquidity of the Bank's holding company, if any, as a consequence of this Reimbursement Agreement, the Fee Letter or the Letter of Credit issued by the Bank, to a level below that which the Bank or the Bank's holding company could have achieved but for such Change in Law (taking into consideration the Bank's policies and the policies of the Bank's holding company with respect to capital adequacy), then from time to time the Applicant will pay to the Bank such additional amount or amounts as will compensate the Bank or the Bank's holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* As a condition precedent to the payment of increased costs under this Section 2.07, a certificate of the Bank or a Recipient setting forth in reasonable detail the basis for the amount or amounts for which reimbursement is sought and the amount or amounts necessary to compensate the Bank or any such Recipient or the Bank's or any such Recipient's parent or holding company, as the case may be, as specified in subsection (a) or (b) of this Section 2.07 shall be delivered to the Applicant, and shall be conclusive absent manifest error. The Applicant shall pay the Bank or any such Recipient, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. The payment obligation hereunder shall be limited to amounts available from Pledged Revenues (junior to the Reimbursement Obligations, as specified in Section 2.11 hereof).

(d) *Delay in Requests.* Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section 2.07 shall not constitute a waiver of the Bank's right to demand such compensation.

(e) *Survival.* All of the Applicant's obligations under this Section 2.07 shall survive termination of this Reimbursement Agreement and repayment of all other Obligations hereunder.

Section 2.08. Method of Payment. All payments by the Applicant to the Bank hereunder shall be nonrefundable and made in lawful currency of the United States and in immediately available funds. Amounts payable to the Bank hereunder shall be transferred to the Bank's account at ABA #: 021000021, Account No.: 324-331754, Attention: Lynn Duffy, GTS-Standby Letter of Credit, Ref.: Letter of Credit No. _____, Love Field Airport Modernization Corporation CP AMT (or to such other account of the Bank as the Bank may specify by written notice to the Applicant and the Paying Agent) not later than 1:00 p.m. on the date payment is due. Any payment received by the Bank after 1:00 p.m., shall be deemed to have been received by the Bank on the next Business Day. If any payment hereunder is due on a day that is not a Business Day, then such payment shall be due on the immediately succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

Section 2.09. Maintenance of Accounts. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Applicant and the

amounts payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Reimbursement Agreement, the entries made in such account or accounts may be discoverable by the Applicant or the City, and shall be presumptive evidence of the existence and amounts of the obligations of the Applicant therein recorded. The failure to record any such amount shall not, however, limit or otherwise affect the obligations of the Applicant hereunder to repay all amounts owed hereunder, together with all interest accrued thereon as provided in this Article II.

Section 2.10. Cure. The Applicant agrees to pay to the Bank on demand any amounts advanced by or on behalf of the Bank to the extent required to cure any default, event of default or event of nonperformance under this Reimbursement Agreement or any Related Document. The Bank shall give the Applicant reasonably prompt notice of any such advances. The Bank shall have the right, but not the obligation, to cure any such default, event of default or event of nonperformance.

Section 2.11. Nature of Obligations. The Notes and the Obligations are Subordinate Lien Obligations.

Section 2.12. Bank Note. (a) Loans shall be evidenced by the Bank Note, payable to the Bank. The maximum aggregate principal amount of Loans shall not exceed the Original Stated Amount.

(b) The Bank shall record the date, amount and maturity of the Loans and the date and amount of each payment of principal made by or on behalf of the Applicant with respect thereto; and prior to any transfer of the Bank Notes shall endorse on the schedule forming a part thereof appropriate notations to evidence the foregoing information with respect to the Loans then outstanding; *provided*, that the failure of the Bank to make any such recordation or endorsement shall not affect the obligations of the Applicant hereunder or under the Bank Notes. The Bank is hereby irrevocably authorized by the Applicant to endorse the Bank Notes and to attach to and make a part of the Bank Notes a continuation of any such schedule as and when required.

Section 2.13. Net of Taxes, Etc. Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. (a) Any and all payments by or on account of any obligation of the Applicant hereunder or under any other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Bank) require the deduction or withholding of any Tax from any such payment by the Applicant, then the Applicant shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(i) If the Applicant shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment, then (A) the Applicant shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Applicant shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code, and (C) to the extent that the withholding or deduction is made on account of

Indemnified Taxes, the sum payable by the Applicant shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(ii) If the Bank shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment, then (A) the Applicant, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Applicant, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Applicant shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 2.13) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) *Payment of Other Taxes by the Applicant.* Without limiting the provisions of subsection (a) above, and to the extent permitted by law, the Applicant shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Bank timely reimburse it for the payment of, any Other Taxes.

(c) *Tax Indemnifications.* To the extent permitted by law, the Applicant shall, and does hereby, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Applicant by the Bank shall be conclusive absent manifest error.

(d) *Evidence of Payments.* Upon request by the Applicant or the Bank, as the case may be, after any payment of Taxes by the Applicant or by the Bank to a Governmental Authority as provided in this Section 2.13, the Applicant shall deliver to the Bank or the Bank shall deliver to the Applicant, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to the Applicant or the Bank, as the case may be.

(e) *Status of Bank; Tax Documentation.* (i) If the Bank is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Related Document, the Bank shall deliver to the Applicant at the time or times reasonably requested by the Applicant, such properly completed and executed documentation reasonably requested by the Applicant or as will permit such payments to be made without withholding or at a reduced rate of withholding. In

addition, the Bank, if reasonably requested by the Applicant, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Applicant as will enable the Applicant to determine whether or not the Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13(e)(ii) or (e)(iii) below) shall not be required if in the Bank's reasonable judgment such completion, execution or submission would subject the Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Bank.

(ii) Without limiting the generality of the foregoing, the Bank shall deliver to the Applicant (and from time to time thereafter upon the reasonable request of the Applicant), executed originals of IRS Form W-9 certifying that the Bank is exempt from U.S. federal backup withholding tax.

(iii) If a payment made the Bank under this Reimbursement Agreement or any other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if the Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Bank shall deliver to the Applicant at the time or times prescribed by law and at such time or times reasonably requested by the Applicant such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Applicant as may be necessary for the Applicant to comply with their obligations under FATCA and to determine that the Bank has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection (e)(iii), "FATCA" shall include any amendments made to FATCA after the date of this Reimbursement Agreement.

(f) *Treatment of Certain Refunds.* If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Applicant or with respect to which the Applicant has paid additional amounts pursuant to this Section 2.13, it shall pay to the Applicant an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Applicant under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Applicant, upon the request of the Recipient, agrees to repay the amount paid over to the Applicant (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Applicant pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification after giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available

its tax returns (or any other information relating to its taxes that it deems confidential) to the Applicant or any other Person.

(g) *Survival.* Each party's obligations under this Section 2.13 shall survive the termination of the Letter of Credit and the repayment, satisfaction or discharge of all other Obligations.

Section 2.14. Reductions of Stated Amount and Termination of the Letter of Credit.

(a) The Stated Amount may be permanently reduced from time to time by the Applicant upon five Business Days' prior written notice of such reduction given by the Applicant to the Bank; *provided*, that each such reduction shall be in an amount equal to the lesser of (i) \$5,000,000 or any integral multiple in excess thereof and (ii) the Stated Amount; and, *provided further*, that the Stated Amount of the Letter of Credit shall not be reduced below an amount equal to the sum of the outstanding amount of the Loans plus the principal amount of Notes outstanding plus interest on such principal amount of Notes computed at 10% per annum for a period of 270 days.

(b) Notwithstanding any provisions of the Corporation Resolution to the contrary, the Applicant agrees not to replace the Letter of Credit (or to direct the Paying Agent to terminate the Letter of Credit without an Alternate Credit Facility being substituted therefor) unless (i) the Applicant first pays to the Bank the outstanding amount of all Loans, including accrued and unpaid interest thereon, all fees and expenses payable by the Applicant to the Bank hereunder or under the Fee Letter, including any termination fee or any reduction fee then due and payable, (ii) the Applicant shall have provided at least 30 days' prior notice to the Bank of its intention to reduce or terminate the Letter of Credit and (iii) all outstanding Notes supported by the Letter of Credit shall have matured and been paid before such substitution or replacement.

Section 2.15. Maximum Lawful Rate. (a) If the amount of interest payable for any period in accordance with terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate for such period.

(b) Any interest that would have been due and payable for any period but for the operation of Section 2.15(a) shall accrue and be payable as provided in this paragraph (b) and shall, less interest actually paid to the Bank for such period, constitute the "*Excess Interest Amount*." If there is any accrued and unpaid Excess Interest Amount as of any date then the principal amount with respect to which interest is payable shall bear interest at the Maximum Lawful Rate, until payment to the Bank of the entire Excess Interest Amount.

(c) Notwithstanding the foregoing, on the date on which no principal amount hereunder remains unpaid, the Applicant shall pay to the Bank a fee equal to any accrued and unpaid Excess Interest Amount.

Section 2.16. Issuance Generally. The Applicant may issue Notes only in accordance with the terms of and subject to the conditions set forth in the Corporation Resolution, the Indenture and the Issuing and Paying Agent Agreement.

Section 4.01. Representations. To induce the Bank to enter into this Reimbursement Agreement and to issue the Letter of Credit, the Applicant and the City hereby represent and warrant to, and agree with, the Bank as follows (which representations, warranties and agreements shall survive the execution and delivery of this Reimbursement Agreement and the issuance of the Letter of Credit).

(c) *Compliance with Laws and Contracts.* Neither the execution and delivery by the Applicant or the City of this Reimbursement Agreement and the Related Documents to which the Applicant or the City is a party, nor the consummation of the transactions herein and therein contemplated, nor compliance with the provisions hereof or thereof will violate, in any material respect, any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the Applicant or the City, the Applicant's organizational documents, the City Charter of the City, or the provisions of the Corporation Resolution as to the Applicant or the City Resolution as to the City or any instrument or agreement to which the Applicant or the City is a party or is subject, or by which it or the Airport property is bound, or conflict with or constitute a default under or result in the creation or imposition of any lien other than pursuant to the terms of the Corporation Resolution, the City Resolution, this Reimbursement Agreement or the Related Documents.

remaining on deposit in the Note Construction Account after the payment of all Project Costs. The Obligations are further secured and payable from a lien on the Pledged Revenues as provided in the Corporation Resolution, such lien on and pledge of the Pledged Revenues, however, being subordinate only to the lien on and pledge of the Pledged Revenues in support of the Prior Lien General Airport Revenue Bonds and the debt service and reserve funds, if any, relating thereto. (j) *Incorporation of Representations and Warranties.* The Applicant and the City each hereby make to the Bank the same representations and warranties as were made by it in each Related Document which the Applicant or the City is a party, which representations and warranties, together with the related definitions of terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and definition were set forth herein in its entirety, provided that the Offering Document speaks only as of its date. No amendment to any such representation or warranty (or defined term) made pursuant thereto shall be effective to amend such representation and warranty (or defined term) as incorporated by reference herein without the consent of the Bank.

(k) *Accurate Information.* All information, reports and other papers and data with respect to the Applicant furnished to the Bank on or prior to the Closing Date were, at the time the same were so furnished, accurate in all material respects. Any financial, budget and other projections furnished to the Bank on or prior to the Closing Date were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent the Applicant's best estimate of its future financial performance. No fact is known to the Applicant or the City that materially and adversely affects or in the future may (so far as it can reasonably foresee) materially and adversely affect the security for any of the Notes, the Applicant's or the City's ability to repay when due their obligations under this Reimbursement Agreement or under other the Related Documents, or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents which is not reflected in the financial statements and other documents referred to in this Section 4.01 or in such information, reports, papers and data or otherwise disclosed in writing to the Bank.

(l) *Business of the Applicant.* Neither the Applicant nor the City is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any margin stock as defined in Regulation U of the Board of Governors of the Federal Reserve System.

(m) *Interest.* Neither this Reimbursement Agreement nor any of the Related Documents in effect on the Closing Date provide for any payments in excess of that allowed by law.

(n) *Defaults.* Neither the Applicant nor the City is in material default under (i) any order, writ, injunction or decree of any court or governmental body, agency or other instrumentality applicable to the Applicant or the City with respect to the Applicant's issuance of the Notes or the pledge of the security for the Notes, or the City's approval of the issuance and pledge for such Notes; or (ii) any law or regulation applicable to the Applicant or with respect to the Applicant's issuance of the Notes or the pledge of the security for the Notes or the City's approval of the issuance and pledge for such Notes; or (iii) any Debt of the Applicant payable from or secured Pledged Revenues or any Debt of the City secured by Net Revenues, or (iv) any contract, agreement or instrument to which the Applicant or the City is a party or by which either of the Applicant or the City or the Airport property is bound, default under which could have a Material Adverse Effect on the properties, business, condition (financial or other), results of operations or prospects of the Airport, the Pledged Revenues, the Net Revenues or the transactions contemplated by this Reimbursement Agreement or the other Related Documents, or which could have a Material Adverse Effect on the validity or enforceability of, or ability of the Applicant or the City to perform their respective obligations under, this Reimbursement Agreement and the Related Documents to which either is a party or the rights, interests, security or remedies of the Bank under this Reimbursement Agreement or under the Related Documents.

In the event the Bank fails to definitively respond to such request within such period of time, the Bank shall be deemed to have refused to grant the extension requested. The Bank may, in its sole and absolute discretion, decide to accept or reject any such proposed extension and no extension shall become effective unless the Bank shall have consented thereto in writing. The consent of the Bank, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance reasonably satisfactory to the Bank and consistent with this Reimbursement Agreement. Form of Fee Agreement

FEE LETTER
DATED AS OF December __, 2020

Reference is hereby made to the Letter of Credit Reimbursement Agreement dated as of December __, 2020 (as amended, supplemented or otherwise modified from time to time, the “*Reimbursement Agreement*”), among the LOVE FIELD AIRPORT MODERNIZATION CORPORATION (the “*Corporation*”), CITY OF DALLAS, TEXAS (the “*City*”), and JPMORGAN CHASE BANK, NATIONAL ASSOCIATION (the “*Bank*”), relating to the Love Field Modernization Corporation Commercial Paper Notes, AMT Series (the “*Notes*”). Capitalized terms not otherwise defined herein shall have the meanings set forth in the Reimbursement Agreement.

The purpose of this Fee Letter is to confirm the agreement between the Bank, the Corporation and the City with respect to the Letter of Credit Fee (as defined below) and certain other fees and expenses payable by the Corporation (or the City on behalf of the Corporation) to the Bank. This Fee Letter is the Fee Letter referenced in the Agreement, and the terms hereof are incorporated by reference into the Reimbursement Agreement.

ARTICLE I. FEES.

Section 1.1. Letter of Credit Fees. The Corporation hereby agrees to pay, and the City hereby agrees to cause the Corporation to pay or to pay on behalf of the Corporation, to the Bank, on April 1, 2021, for the period commencing on the Date of Issuance and ending on March 31, 2021, and in arrears on the first Business Day of each July, October, January and April and occurring thereafter to the Termination Date, and on the Termination Date, a non-refundable letter of credit fee (the “*Letter of Credit Fee*”). The Letter of Credit fee is payable for each quarterly fee period, commencing on the first calendar day of such quarterly fee period and ending on the last calendar day of such quarterly fee period, in an amount equal to the product of the rate per annum associated with the Level specified below corresponding to the Rating (as defined below) (the “*Letter of Credit Fee Rate*”) multiplied by the average daily Stated Amount (without regard to any temporary reductions thereof) during each related quarterly fee period (calculated on the basis of a 360 day year for the actual number of days elapsed per the applicable fee period):

LEVEL	MOODY’S RATING	S&P RATING	FITCH RATING	LETTER OF CREDIT FEE RATE
Level 1	A3	A-	A-	1.45%
Level 2	Baa1	BBB+	BBB+	1.75%
Level 3	Baa2	BBB	BBB	2.15%

The term “Rating” as used above shall mean the lowest long-term, unenhanced debt ratings (each a “rating”) assigned by any of S&P, Fitch or Moody’s to any Love Field Airport Modernization Corporation General Airport Revenue Bonds and other indebtedness of the Corporation secured on a parity with or senior to any such bonds (the “*Parity Debt*”). For greater certainty, in the event of a split rating (i.e., one or more of the foregoing Rating Agencies’ rating

on any Parity Debt is at a different Level than any other rating on Parity Debt from any of the other Rating Agencies), the Letter of Credit Fee Rate shall be based upon the Level in which the lowest rating appears.

References to Ratings above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system by any Rating Agency, the ratings from such Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. The Corporation and the City each acknowledge and the Bank agrees, that as of the Closing Date the Letter of Credit Fee Rate is that specified above for Level 1. In the event that any Rating is suspended or withdrawn or otherwise unavailable from any Rating Agency (to the extent then providing such a rating), or upon the occurrence and continuance of an Event of Default, the Letter of Credit Fee Rate shall immediately and without notice increase by 1.00% per annum from the Letter of Credit Fee Rate otherwise in effect. Any change in the Letter of Credit Fee Rate resulting from a reduction, withdrawal, suspension or unavailability of a rating shall be and become effective as of and on the date of the announcement of the reduction, withdrawal, suspension or unavailability of such rating. In the event that a Letter of Credit Fee is not paid when due, interest shall accrue on such Letter of Credit Fee from the date payment is due until payment in full at the Default Rate. Such Letter of Credit Fee shall be payable in immediately available funds and computed on the basis of a 360-day year and the actual number of days elapsed.

Section 1.2. Drawing Fee. The Corporation agrees to pay, and the City agrees to cause the Corporation to pay or to pay on behalf of the Corporation, to the Bank, on the date of each Drawing under the Letter of Credit, a non-refundable drawing fee of \$500 for each such Drawing.

Section 1.3. Transfer Fee. Upon each transfer of the Letter of Credit in accordance with its terms, the Corporation agrees to pay, and the City agrees to cause the Corporation to pay or to pay on behalf of the Corporation, to the Bank a non-refundable transfer fee in an amount equal to \$2,500 (or such greater amount as proposed by the Bank and agreed to by the Corporation and the City), plus, in each case, the reasonable fees and expenses of counsel to the Bank, payable on the date of such transfer.

Section 1.4. Amendment Fee. The Corporation agrees to pay, and the City agrees to cause the Corporation to pay or to pay on behalf of the Corporation, to the Bank a non-refundable amendment, standard waiver or consent fee, as applicable, in an amount of \$3,000 (or such greater amount proposed by the Bank and agreed to by the Corporation and the City) (the “*Amendment Fee*”) on the date of each amendment, supplement or modification to the Agreement, the Letter of Credit or this Fee Letter or in connection with any amendment, supplement or modification of any other Related Document which requires the consent of the Bank or in connection with any standard waiver by the Bank requested by the Corporation or the City with respect to the Agreement, the Letter of Credit, this Fee Letter or any other Related Document, plus, in each case, the reasonable fees and expenses of counsel to the Bank; *provided, however*, that the Bank may in its sole discretion waive the Amendment Fee; *provided further*, extensions to the term of the Letter of Credit only will not require an Amendment Fee but will require the Corporation to pay, or the City on behalf of the Corporation to pay or to pay on behalf of the Corporation, the reasonable fees and expenses of counsel to the Bank for such extension amendment.

Section 1.5. Termination Fee; Reduction Fee. (a) Notwithstanding any provision of the Agreement, this Fee Letter or any other Related Document to the contrary, the Corporation and the City agree not to terminate, permanently reduce or replace the Letter of Credit prior to the Stated Expiration Date, except upon (i) the payment by the Corporation or the City, to the Bank of the Termination Fee or a Reduction Fee, as described below, (ii) with respect to the termination or permanent reduction in full of the Letter of Credit, the payment by the Corporation or the City to the Bank of all Obligations payable under the Reimbursement Agreement and this Fee Letter and (iii) the Corporation or the City providing the Bank with thirty (30) days prior written notice of its intent to terminate or reduce the Letter of Credit; *provided*, that any such termination of the Letter of Credit shall be in compliance with the terms and conditions of the Corporate Resolution.

The Corporation and the City agree that all payments to the Bank referred to in the preceding paragraph shall be made in immediately available funds.

(b) The Corporation hereby agrees to pay, and the City hereby agrees to cause the Corporation to pay or to pay on behalf of the Corporation, to the Bank a Termination Fee in connection with the termination or replacement of the Letter of Credit by the Corporation or the City as set forth in Section 1.5(a) hereof in an amount equal to the product of (A) the Letter of Credit Fee Rate in effect pursuant to Section 1.1 hereof on the date of termination, (B) the Stated Amount of the Letter of Credit in effect on the date of termination, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such termination to and including Stated Expiration Date and the denominator of which is 360 (the “*Termination Fee*”), payable on the date the Letter of Credit is terminated or replaced; *provided, however*, that no such Termination Fee shall be payable if (1) the short-term unenhanced rating of the Bank is reduced below “*P-1*” (or its equivalent), “*FI*” (or its equivalent) or “*A-1*” (or its equivalent), respectively, by any two of Moody’s, Fitch or S&P on the date of such termination, or (2) after the second anniversary of the Closing Date (i) the Corporation’s termination of the commercial paper program does not result in the replacement of the Letter of Credit by another financial institution with of a letter of credit, liquidity facility, credit facility or direct purchase, or (ii) the Corporation refinances or refunds the Notes via a public fixed rate bond transaction from a source of funds which does not involve the issuance by a bank or any other financial institution of a letter of credit, liquidity facility, credit facility or direct purchase.

(c) The Corporation hereby agrees to pay, and the City agrees to cause the Corporation to pay or to pay on behalf of the Corporation, to the Bank a reduction fee in connection with each and every permanent reduction of the Stated Amount of the Letter of Credit by the Corporation or the City as set forth in Section 1.5(a) hereof in an amount equal to the product of (A) the Letter of Credit Fee Rate in effect pursuant to Section 1.1 hereof on the date of such permanent reduction, (B) the difference between the Stated Amount (without regard to any reductions thereof that may be reinstated pursuant to the terms of the Letter of Credit) prior to such permanent reduction and the Stated Amount (without regard to any reductions thereof that may be reinstated pursuant to the terms of the Letter of Credit) after such permanent reduction, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such permanent reduction to and including the Stated Expiration Date and the denominator of which is 360 (the “*Reduction Fee*”), payable on the date the Stated Amount of the Letter of Credit is permanently reduced; *provided, however*, after the second anniversary of the Closing Date, no such Reduction Fee shall

be payable if (i) the reduction of the Stated Amount does not result in the replacement of the Letter of Credit or any portion of the Letter of Credit by another financial institution with of a letter of credit, liquidity facility, credit facility or direct purchase, or (ii) the Corporation refinances or refunds the Notes via a public fixed rate bond transaction from a source of funds which does not involve the issuance by a bank or any other financial institution of a letter of credit, liquidity facility, credit facility or direct purchase.

ARTICLE II. MISCELLANEOUS.

Section 2.1. Expenses. The Corporation or the City shall promptly pay on the Closing Date, all of the Bank's out-of-pocket expenses and the reasonable fees and expenses of co-counsel for the Bank in the amount of \$55,000, in connection with the execution and delivery of the Agreement, the Letter of Credit and this Fee Letter.

Section 2.2. Amendments. No amendment to this Fee Letter shall become effective without the prior written consent of the Corporation, the City and the Bank.

Section 2.3. Governing Law. THIS FEE LETTER SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS; PROVIDED, HOWEVER, THAT THE RIGHTS, DUTIES AND OBLIGATIONS OF THE BANK UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO CONFLICT OF LAW PROVISIONS (OTHER THAN NEW YORK GENERAL OBLIGATIONS LAWS 5-1401 AND 5-1402).

Section 2.4. Counterparts; Electronic Signatures. This Fee Letter may be executed in two (2) or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one document, and shall become effective when copies hereof which, when taken together, bear the signatures of each of the parties hereto. The parties agree that the electronic signature of a party to this Fee Letter shall be as valid as an original signature of such party and shall be effective to bind such party to this Fee Letter. The parties agree that any electronically signed document (including this Fee Letter) shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, "electronic signature" means a manually signed original signature that is then transmitted by electronic means; "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a "pdf" (portable document format) or other replicating image attached to an email message; and, "electronically signed document" means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

EXHIBIT C
Form of Issuing and Paying Agent Agreement

ISSUING AND PAYING AGENT AGREEMENT

THIS ISSUING AND PAYING AGENT AGREEMENT (the "Agreement") is entered into as of December 1, 2020, by and between U.S. Bank National Association (the "Bank") with offices at 100 Wall Street, Suite 1600, New York, New York 10005 and Love Field Airport Modernization Corporation (the "Corporation") regarding the Corporation's commercial paper program of Corporation (hereinafter referred to as the "Program").

WHEREAS, at the request of Corporation, Bank is prepared to act (a) as depositary for the safekeeping of certain notes of Corporation which may be issued and sold in the United States commercial paper market under the Program (the "Commercial Paper Notes"; such Commercial Paper Notes when issued in book-entry form being hereinafter referred to as "Book-Entry Commercial Paper Notes" and when issued in the form of certificated promissory notes being hereinafter referred to as "Certificated Commercial Paper Notes"), (b) as issuing agent on behalf of Corporation in connection with the issuance of the Commercial Paper Notes, (c) as paying agent to undertake certain obligations to make payments in respect of the Commercial Paper Notes, and (d) as depositary to receive certain funds on behalf of Corporation, as set forth herein, and

WHEREAS, this Agreement will govern Bank's rights, powers and duties as such depositary, issuing agent and paying agent for the Commercial Paper Notes and Corporation's rights and obligations in connection therewith.

NOW THEREFORE, for good and valuable consideration, the parties hereto agree as follows:

1. Appointment of Bank. Corporation hereby appoints Bank and Bank hereby agrees to act, on the terms and conditions specified herein, as depositary with respect to funds received by Bank pursuant to Sections 6 and 7 hereof (the "Note Funds"), and as issuing and paying agent for the Commercial Paper Notes issued under the Program. The Commercial Paper Notes will be sold through such commercial paper dealers and/or placement agents as Corporation shall have notified Bank in writing from time to time (collectively, the "Dealers"). The Dealer is currently J.P. Morgan Securities LLC.

2. Letter of Representations. Corporation will promptly deliver to Bank an executed version of the form of Letter of Representations (the "Letter of Representations") provided by the Depository Trust Company ("DTC"). Corporation understands and agrees that such Letter of Representations when executed by Corporation and Bank and accepted by DTC shall supplement the provisions of this Agreement and that Corporation, Bank, and DTC shall be bound by the terms and provisions of the Letter of Representations, including any procedures and operational arrangements applicable thereunder.

3. Commercial Paper Notes.

(a) The Corporation's Book-Entry Commercial Paper Notes shall be represented by one or more master notes ("Master Note" or "Master Notes") which shall be executed by manual or facsimile signature by an Authorized Representative (as hereafter defined). Bank will hold the Master Note(s) in safekeeping for the account of DTC, in accordance with Bank's customary practice.

(b) If Certificated Commercial Paper Notes are to be issued, they shall be in the form provided by Corporation, shall be serially numbered and shall have been executed by manual or facsimile signature of an Authorized Representative, but shall otherwise be uncompleted. Corporation will from time to time furnish Bank with an adequate supply of Certificated Commercial Paper Notes, as Corporation in its sole and absolute discretion considers appropriate. Each Certificated Commercial Paper Note delivered to Bank shall be accompanied by a letter from Corporation identifying the Certificated Commercial Paper Note transmitted therewith, and Bank shall acknowledge receipt of such Certificated Commercial Paper Note(s) on the copy of such letter or pursuant to some other form of written receipt deemed appropriate by Bank at the time of delivery to Bank of such Certificated Commercial Paper Note(s). Pending the issuance of Certificated Commercial Paper Notes as provided in Section 5 hereof, all Certificated Commercial Paper Notes delivered to Bank shall be held by Bank for the account of Corporation, for safekeeping in accordance with Bank's customary practice.

4. Authorized Representatives. With the delivery of this Agreement, Corporation is furnishing to Bank, and from time to time thereafter may furnish to Bank, and shall furnish to Bank upon Bank's request, certificates ("Incumbency Certificates") of a Corporation officer certifying the incumbency and specimen signatures of officers or agents of Corporation authorized to execute Commercial Paper Notes on behalf of Corporation by manual or facsimile signature and/or to take other action hereunder on behalf of Corporation (each an "Authorized Representative"). Until Bank receives and has a reasonable time to act upon a subsequent Incumbency Certificate of Corporation, Bank is entitled to rely on the last such Incumbency Certificate delivered to Bank for purposes of determining the Authorized Representatives. Bank shall not have any responsibility to Corporation to determine by whom or by what means a facsimile signature may have been affixed on the Commercial Paper Notes, or to determine whether any facsimile or manual signature resembles the specimen signature(s) filed with Bank by a duly authorized officer of Corporation. Any Commercial Paper Notes bearing the manual or facsimile signature of a person who is an Authorized Representative on the date such signature is affixed shall be binding on Corporation after the authentication thereof by Bank notwithstanding that such person shall have died or shall have otherwise ceased to hold his office on the date such Commercial Paper Note is countersigned or delivered to Bank. Corporation represents and warrants that each Authorized Representative may appoint other officers, employees and agents of the Corporation (an "**Authorized Person**") including without limitation any Dealers, to give notices and /or issuance instructions to Bank under this Agreement, provided that notice of the appointment of each Authorized Person is delivered to Bank in writing. Each such appointment shall remain in effect unless and until revoked by Corporation in a written notice to Bank.

5. Completion, Authentication and Delivery of Commercial Paper Notes.

(a) In the case of Book-Entry Commercial Paper Notes, instructions by an Authorized Representative or an Authorized Person to the Bank for the issuance of Book-Entry Commercial Paper Notes shall include the following information with respect to each Book-Entry Commercial Paper Note:

- i. the date of issuance of each such Book-Entry Commercial Paper Note (which shall be a Business Day);
- ii. the maturity date of each such Book-Entry Commercial Paper Note (provided that the Authorized Representative or Authorized Person shall ensure that such date is a Business Day and that it shall not be more than 270 days from the date of issue);
- iii. the face amount (provided that the Authorized Representative or the Authorized Person shall ensure that such face amount is \$100,000 or integral multiples of \$1,000 in excess thereof) in figures; and
- iv. the interest rate and applicable discount or interest amount.

(b) From time to time during the term of this Agreement and subject to the terms and conditions hereof, and upon Bank's timely receipt from such Authorized Representative or Authorized Person of instructions pursuant to Section 5(a) delivered to Bank prior to 1:00 pm, New York City time, on a day on which Bank is open for business (a "**Business Day**") in accordance with Section 19, Bank shall transmit such issuance instructions to DTC for the issuance of Book-Entry Commercial Paper Notes as instructed pursuant to Section 5(a) in a manner set forth in, and take other actions as are required by, the Letter of Representations and DTC's applicable rules, regulations and procedures for book-entry commercial paper program.

(c) Corporation hereby directs Bank to effect each delivery of a Commercial Paper Note before receipt of payment in immediately available funds. Therefore, once Bank has delivered a Commercial Paper Note to a Dealer or its agent as provided herein, Corporation shall bear all risk that a Dealer or its agent fails to remit payment for the Commercial Paper Note to Bank. Bank shall have no liability to Corporation for any failure or inability on the part of the Dealer to make payment for Commercial Paper Notes. Nothing in this Agreement shall require Bank to purchase any Commercial Paper Note or expend Bank's own funds for the purchase price of a Commercial Paper Note or Commercial Paper Notes.

(d) Corporation agrees that Bank is not under any obligation to assess or review the financial condition or creditworthiness of any person to or for whose account Bank delivers a

Commercial Paper Note pursuant to instructions from an Authorized Representative or Authorized Person or advise Corporation as to the results of any such appraisal or investigation Bank may have conducted on its own or of any adverse information concerning any such person that may in any way have come to Bank's attention.

(e) It is understood that DTC may request the delivery of Certificated Commercial Paper Notes in exchange for Book-Entry Commercial Paper Notes upon the termination of DTC's services pursuant to the DTC Letter of Representations. Accordingly, upon such termination, Bank is authorized to complete and deliver Certificated Commercial Paper Notes in partial or complete substitution for Book-Entry Commercial Paper Notes of the same face amount and maturity as requested by DTC.

(f) In the case of Certificated Commercial Paper Notes, during the term of this Agreement and subject to the terms and conditions hereof, upon Bank's timely receipt from an Authorized Representative or an Authorized Person of instructions delivered to Bank in accordance with Section 19 prior to 12:30 pm New York time on a Business Day, on the date of issuance of any Certificated Commercial Paper Notes, Bank shall withdraw the respective Certificated Commercial Paper Notes from safekeeping and take the following actions in accordance with such instructions:

- i. complete each such Certificated Commercial Paper Note as to the face amount, net dollar amount, payee, the date of issue and maturity date, (provided that the Authorized Representative or Authorized Person shall ensure that such maturity date is a Business Day and that it shall not be more than 270 days from the date of issue and that such face amount is \$100,000 or integral multiples of \$1,000 in excess thereof in figures);
- ii. authenticate (by countersigning) each such Certificated Commercial Paper Note in the appropriate space provided thereon; and
- iii. deliver each such Certificated Commercial Paper Note to the Dealer, or the consignee, if any, designated by such Authorized Representative or Authorized Person for the account of the Dealer.

(g) If Bank shall receive written instructions from Corporation pursuant to Section 19 not to issue or deliver Commercial Paper Notes, until such instructions are revoked in writing or superseded by further written instructions from Corporation, Bank shall not issue or deliver Commercial Paper Notes, provided, however, that notwithstanding contrary instructions from Corporation, Bank shall deliver Commercial Paper Notes with respect to agreements for the sale of Commercial Paper Notes concluded by an Authorized Representative or Authorized Person prior to receipt by the Authorized Representative or Authorized Person of the Corporation's instructions not to issue or deliver such Commercial Paper Notes, which the Authorized Representative or Authorized Person shall be required to confirm to Bank in writing prior to Bank's delivery of the Commercial Paper Notes. For purposes of the preceding provision, Bank may conclusively rely on written notice given or delivered to Bank by an Authorized Representative or Authorized Person as to whether any particular Commercial Paper Notes are to be issued in respect of such agreements concluded by such Authorized Representative or Authorized Person, and Bank shall have no obligation to make any other or further investigation.

6. Proceeds of Sale of the Commercial Paper Notes. Contemporaneously with the execution and delivery of this Agreement, and for the purposes of this Agreement, Bank will establish an account designated as the Love Field Airport Modernization Corporation Note Account (the "Note Account"). On each day on which a Dealer or its agent receives Commercial Paper Notes (whether through the facilities of DTC in the manner set forth in the Letter of Representations or by delivery in accordance with the provisions of this Agreement), all proceeds received by Bank in connection with such sale shall be credited in immediately available funds to the Note Account. From time to time upon written instructions received by Bank from an Authorized Person or Authorized Representative, Bank agrees to transfer immediately available funds from the Note Account to any bank or trust company in the United States for Corporation's account. If Bank chooses, in its sole discretion, to credit Corporation's account before Bank has collected funds for delivery of Commercial Paper Notes, it is understood that such credit shall be an advance to Corporation to be promptly repaid to Bank from the proceeds of sale of Commercial Paper Notes. If any such advance is not repaid by 5:00 pm New York time on the day it is made, Corporation shall repay such advance on the next Business Day together with interest thereon at the rate charged by Bank for such advance (which rate shall be no less than the Prime Rate). As used in this Agreement, "Prime Rate" means the rate of per annum interest which U.S. Bank National Association ("USBNA") announces publicly or otherwise makes available to the public from time to time as its "prime rate" (currently calculated on the basis of the actual number of days elapsed over a year of 360 days) with any change in the "prime rate" to be effective on and as of the date of any change in said "prime rate". The Prime Rate and the calculation thereof may be established by USBNA in its sole discretion and is not necessarily the lowest rate of interest offered by USBNA to its most creditworthy customers. The Prime Rate is a variable or fluctuating rate which increases or decreases from time to time. Funds in the Note Account will be held by Bank uninvested.

7. Payment of Matured Commercial Paper Notes.

(a) By 1:00 pm New York time on the date that any Commercial Paper Notes are scheduled to mature, Corporation shall ensure that there shall have been transferred to Bank for deposit in the Note Account immediately available funds at least equal to the amount of

Commercial Paper Notes maturing on such date. When any matured Commercial Paper Note is presented to Bank for payment by the holder thereof (which may, in the case of Book-Entry Commercial Paper Notes, be DTC or a nominee of DTC), payment shall be made from and charged to the Note Account to the extent funds are available in said account.

(b) Each Commercial Paper Note presented to Bank for payment at or prior to 2:15 pm New York time on any Business Day at or after the maturity date of such Commercial Paper Note shall be paid by Bank on the same day as such presentation (or if presented after 2:15 pm New York time on any such Business Day, then on the next succeeding Business Day) to the extent funds are available in the Note Account.

(c) Bank may, but shall have no obligation to, make a payment pursuant to Section 7(a) hereof prior to receipt from Corporation of sufficient immediately available funds. In such case, Corporation agrees to promptly repay such advance provided that, if such advance is not repaid by 5:00 pm New York time on the day it is made, Corporation shall repay such advance on the next Business Day together with interest thereon at the Prime Rate. No prior action or course of dealing on the part of Bank with respect to advances of the purchase price or payments of matured Commercial Paper Notes shall give rise to any claim or cause of action by Corporation against Bank in the event that Bank refuses to pay or settle any Commercial Paper Notes for which Corporation has not timely provided funds as required by this Agreement.

8. Representations and Warranties of Corporation. Corporation hereby warrants and represents to Bank, and, each request to issue Commercial Paper Notes shall constitute Corporation's continuing warranty and representation, as follows:

(a) This Agreement is, and all Commercial Paper Notes delivered to Bank pursuant to this Agreement will be, duly authorized, executed and delivered by Corporation. Bank's appointment to act for Corporation hereunder is duly authorized by Corporation.

(b) The issuance and delivery of the Commercial Paper Notes will not violate any state or federal law and the Commercial Paper Notes do not require registration under the Securities Act of 1933, as amended.

(c) This Agreement constitutes, and the Commercial Paper Notes, when completed, countersigned, and delivered pursuant hereto, will constitute, Corporation's legal, valid and binding obligations enforceable against Corporation in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the rights of creditors generally and by general principles of equity.

(d) Corporation is a nonprofit local government corporation duly organized and validly existing under the laws of the State of Texas, acting on behalf of the City of Dallas, Texas, and no liquidation, dissolution, bankruptcy, windup or similar proceedings have been instituted with respect to Corporation.

(e) Corporation has, and at all relevant times has had, all necessary power and authority to execute, deliver and perform this Agreement and to issue the Commercial Paper Notes.

(f) Corporation has taken all actions which are required for the authorization of the issuance of the Commercial Paper Notes, and for the authorization, execution, delivery and performance of this Agreement, and such actions do not require the approval or consent of any holder or trustee of any indebtedness or obligations of Corporation.

(g) The issuance of Commercial Paper Notes by Corporation (i) does not and will not contravene any provision of any governmental law, regulation or rule applicable to Corporation, and (ii) does not and will not conflict with, breach or contravene the provisions of any contract or other instrument binding upon Corporation.

(h) Each instruction given to Bank in accordance with Section 5 hereof shall constitute a representation and warranty by Corporation that the issuance and delivery of such Commercial Paper Note(s) have been duly and validly authorized by Corporation

9. Reliance on instructions. Bank shall incur no liability to Corporation in acting hereunder upon instructions contemplated hereby which Bank believed in good faith to have been given by an Authorized Representative or an Authorized Person, as the case may be. Instructions transmitted via SPANS Online (as defined in Section 18 hereof) shall be the equivalent to the giving of a duly authorized written instruction which Bank may act upon without liability. In the event a discrepancy exists between any telephonic instructions and any other such instructions, the telephonic instructions as understood by Bank will be deemed to control.

10. Cancellation of Commercial Paper Notes. Upon payment by Bank of Certificated Commercial Paper Note(s) presented for payment, Bank shall mark such Certificated Commercial Paper Note(s) as paid and (i) in due course cancel Certificated Commercial Paper Note(s) presented for payment and from time to time return such canceled Certificated Commercial Paper Notes to Corporation, or (ii) destroy such Certificated Commercial Paper Notes(s) and deliver to Corporation from time to time a destruction certificate identifying all Certificated Commercial Paper Notes destroyed since the issuance of the prior destruction certificate. Upon the written request of Corporation, Bank agrees to cancel and return to Corporation all unissued Certificated Commercial Paper Notes in Bank's possession at the time of such request.

11. Termination.

(a) This Agreement may be terminated at any time by either Bank or Corporation by 30 days' prior written notice to the other, provided that, so long as Corporation continues to pay the fees and expenses of Bank as set forth herein, Bank agrees to continue acting as issuing and paying agent hereunder until such time as Bank's successor has been selected and has entered into an agreement with Corporation to that effect. Such termination shall not affect the respective liabilities of the parties hereunder arising prior to such termination.

(b) If no successor has been appointed within such 30-day period, then Bank shall have the right to petition a court of competent jurisdiction for the appointment of Bank's successor hereunder. Bank shall be reimbursed for any and all expenses in connection with any such petition and appointment.

(c) On the Business Day following the date of termination of this Agreement, Bank shall destroy all Certificated Commercial Paper Notes in Bank's possession and shall transfer to Corporation all funds, if any, then on deposit in the Note Account after deduction and payment to Bank of all fees and expenses (including court costs and attorneys' fees) payable to, incurred by, or expected to be incurred by Bank in connection with the performance of its duties and the exercise of its rights hereunder. Bank shall promptly notify Corporation of all Certificated Commercial Paper Notes so destroyed.

12. Binding Effect; Successors. This Agreement shall be binding upon the respective parties hereto and their heirs, executors, successors or assigns. If Bank consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business (including this Agreement) to another corporation, the successor or transferee corporation without any further act shall be the successor Bank.

13. Liability of Bank.

(a) Bank's duties and obligations shall be determined by the express provisions of this Agreement, and the Letter of Representations (including the documents referred to therein), and Bank and Bank's agents shall be responsible for the performance of only such duties and obligations as are specifically set forth herein and therein, and no implied duties or covenants shall be read into any such document against Bank or Bank's agents. Bank has no fiduciary or discretionary duties of any kind. Bank shall have no liability under and no duty to inquire as to the provisions of any agreement other than this Agreement. Neither Bank nor Bank's agents shall be required to ascertain whether any issuance or sale of Commercial Paper Note(s) (or any amendment or termination of this Agreement) has been duly authorized or is in compliance with any other agreement to which Corporation is a party (whether or not Bank or any such agent is a party to such other agreement). Bank shall not be liable for any action taken or omitted by it in good faith except to the extent that a court of competent jurisdiction determines that Bank's gross negligence or willful misconduct was the sole cause of any loss to Corporation.

(b) Bank shall not be charged with knowledge or notice of any fact or circumstance not specifically set forth herein. Bank may rely upon any notice, instruction, request or other instrument, not only as to its due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein, which Bank shall believe to be genuine and to have been signed or presented by the person or parties purporting to sign the same. In no event shall Bank be liable for incidental, indirect, special, consequential or punitive damages or penalties (including, but not limited to lost profits), even if Bank has been advised of the likelihood of such damages or penalty and regardless of the form of action. Bank shall not be responsible for delays or failures in performance resulting from acts beyond its control, including without limitation acts

of God, strikes, lockouts, riots, acts of war or terror, epidemics, governmental regulations, fire, communication line failures, computer viruses, intrusions or attacks, power failures, earthquakes or other disasters.

(c) Bank shall not be obligated to take any legal action or commence any proceeding in connection with this Agreement, the Note Funds or any account in which Note Funds are deposited or to appear in, prosecute or defend any such legal action or proceeding or to take any other action that Bank determines, in its sole judgment, may expose it to liability or expense. Bank may consult legal counsel selected by it concerning this Agreement or of its duties hereunder and shall incur no liability and shall be fully indemnified from any liability whatsoever in acting in accordance with the advice of such counsel. Corporation, shall promptly pay, upon demand, the reasonable fees and expenses of any such counsel. Corporation agrees to perform or procure the performance of all further acts and things, and execute and deliver such further documents, as may be required by law or as Bank may reasonably request in connection with its duties hereunder.

(d) Bank is authorized, in its sole discretion, to comply with final orders issued or process entered by any court with respect to the Note Funds, without determination by Bank of such court's jurisdiction in the matter. If any portion of the Note Funds is at any time attached, garnished or levied upon under any court order, or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, judgment or decree shall be made or entered by any court affecting such property or any part thereof, then and in any such event, Bank is authorized, in its sole discretion, to rely upon and comply with any such order, writ, judgment or decree which it is advised by legal counsel selected by it is binding upon it without the need for appeal or other action; and if Bank complies with any such order, writ, judgment or decree, it shall not be liable to any of the parties hereto or to any other person or entity by reason of such compliance even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated.

(e) If, at any time Bank is unable to determine, to Bank's sole satisfaction, the proper disposition of all or any portion of the Note Funds or Bank's proper actions with respect to its obligations hereunder, then Bank may, in its sole discretion, take either or both of the following actions:

(i) suspend the performance of any of its obligations (including without limitation any disbursement obligations) under this Agreement until such uncertainty shall be resolved to the sole satisfaction of Bank.

(ii) petition (by means of an interpleader action or any other appropriate method) any court of competent jurisdiction, in any venue convenient to Bank, for instructions with respect to such dispute or uncertainty, and to the extent required or permitted by law, pay into such court, for holding and disposition in accordance with the instructions of such court, all Note Funds, after deduction and payment to Bank of all fees and expenses (including court costs and attorneys' fees) payable to, incurred by, or expected to be incurred by Bank in connection with the performance of its duties and the exercise of

its rights hereunder.

14. Indemnification of Bank. From and at all times after the date of this Agreement, Corporation shall, to the fullest extent permitted by the laws of the State of Texas, indemnify and hold harmless Bank and each director, officer, employee and affiliate of Bank (collectively, the "Indemnified Parties") against any and all actions, claims (whether or not valid), losses, damages, liabilities, penalties, costs and expenses of any kind or nature (including without limitation reasonable attorneys' fees, costs and expenses) incurred by or asserted against any of the Indemnified Parties, whether direct, indirect or consequential, as a result of or arising from or in any way relating to any claim, demand, suit, action or proceeding (including any inquiry or investigation) by any person, including without limitation Corporation, any Dealer or any purchaser of Commercial Paper Notes, whether threatened or initiated, asserting a claim for any legal or equitable remedy against any person under any statute or regulation, including, but not limited to, any federal or state securities laws, or under any common law or equitable cause or otherwise, arising from or in connection with the negotiation, preparation, execution, performance or failure of performance in connection with this Agreement or any transactions contemplated herein, whether or not any such Indemnified Party is a party to any such action, proceeding, suit or the target of any such inquiry or investigation; provided, however, that no Indemnified Party shall have the right to be indemnified hereunder for any liability finally determined by a court of competent jurisdiction, subject to no further appeal, to have been directly caused solely from the gross negligence or willful misconduct of such Indemnified Party. Corporation further agrees to indemnify each Indemnified Party for all costs, including without limitation reasonable attorney's fees, incurred by such Indemnified Party in connection with the enforcement of Corporation's indemnification obligations hereunder. Each Indemnified Party shall, in its sole discretion, have the right to select and employ separate counsel with respect to any action or claim brought or asserted against it, and the reasonable fees of such counsel shall be paid upon demand by Corporation. The foregoing indemnity includes, but is not limited to, (a) any action taken or omitted to be taken by Bank or any of Bank's officers or employees upon written, facsimile, telephonic or other electronically transmitted instructions received by Bank from, or believed by Bank to have been given by, the proper person or persons, (b) Bank's improperly executing or failing to execute any instruction because of unclear instructions, failure of communications media or any other circumstances beyond Bank's reasonable control, and (c) the actions or inactions of DTC or its nominees. The obligations of Corporation under this Section 14 shall survive any termination of this Agreement and the resignation or removal of Bank.

15. Compensation of Bank.

(a) Fees and Expenses. Corporation agrees to compensate Bank on demand for its services hereunder in accordance with the Schedule of Fees furnished by Bank to Corporation from time to time and to reimburse Bank, upon its request, for all reasonable expenses, disbursements, and advances made or incurred in connection with this Agreement, including with respect to investigating and defending itself against any claim or potential liability and the enforcement of Issuer's compensation and reimbursement obligations hereunder. Bank will provide the Corporation thirty days' written notice prior any changes to the Schedule of Fees. The obligations

of Corporation under this Section 15 shall survive any termination of this Agreement and the resignation or removal of Bank.

(b) **Security and Offset.** Corporation hereby grants to Bank and the Indemnified Parties a security interest in, lien upon and right of offset against the Note Funds with respect to any compensation or reimbursement due any of them hereunder (including any claim for indemnification hereunder). If for any reason the Note Funds are insufficient to cover such compensation and reimbursement, Corporation shall promptly pay such amounts to Bank or any Indemnified Party upon receipt of an itemized invoice. All disbursements of funds from the Note Funds shall be subject to the fees and claims of Bank and the Indemnified Parties pursuant to this Section and Section 14 hereof.

16. Identifying Information. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, Bank requires documentation to verify its formation and existence as a legal entity. Bank may ask to see financial statements, licenses, and identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The parties acknowledge that a portion of the identifying information set forth herein is being requested by Bank in connection with the USA Patriot Act, Pub.L.107-56 (the “Act”), and each agrees to provide any additional information requested by Bank in connection with the Act or any other legislation or regulation to which Bank is subject, in a timely manner.

17. Consent to Jurisdiction and Venue. Each party irrevocably and unconditionally submits to the exclusive jurisdiction of the United States Federal courts located in the Borough of Manhattan and the courts of the State of New York located in the Borough of Manhattan and waives any objection to such jurisdiction or venue. The parties hereto consent to and agree to submit to the jurisdiction of any of the courts specified herein and agree to accept service of process to vest personal jurisdiction over them in any of these courts.

18. SPANS Online

(a) Corporation and each Authorized Representative may use the U.S. Bank Securities Processing Automated Notes System Online (“SPANS Online”) instruction and reporting communication service to transmit instructions to Bank or obtain reports with respect to the Commercial Paper Notes. Corporation may, by separate agreement between Corporation and one or more of its Authorized Persons, authorize the Authorized Person to directly access SPANS Online for the purposes of transmitting instructions to Bank or obtaining reports with respect to the Commercial Paper Notes. Corporation acknowledges that (i) some or all of the services utilized in connection with SPANS Online are furnished by SS&C Technologies, Inc. (“SS&C”), (ii) SPANS Online is provided to Corporation “AS IS” without warranties or representations of any kind whatsoever, and (iii) SPANS Online is proprietary and confidential property disclosed to Corporation in confidence and may be utilized only on the SPANS Online Terms and Conditions as set forth in the SPANS Online website and for purposes set forth in this Agreement.

(b) To permit the use of SPANS Online to transmit instructions and/or obtain reports with respect to the Commercial Paper Notes, Bank will supply Corporation with a customer identification number and initial passwords. Corporation may thereafter change its passwords directly through SPANS Online. Corporation will keep all information relating to its identification number and passwords strictly confidential and will be responsible for the maintenance of adequate security over its customer identification number and passwords. Instructions transmitted over SPANS Online and received by Bank pursuant to this Agreement shall be deemed conclusive evidence that such instructions are correct and complete and that the issuance or redemption of the Commercial Paper Notes directed thereby has been duly authorized by Corporation.

Bank may apply funds for any payment order it executes using any such identifying number, even when its use may result in a person other than the beneficiary being paid, or the transfer of funds to a bank other than the beneficiary's bank or an intermediary bank designated. Corporation acknowledges that these optional security procedures are commercially reasonable.

21. Amendment, Waiver and Assignment. None of the terms or conditions of this Agreement may be changed, waived, modified, discharged, terminated or varied in any manner whatsoever unless in writing duly signed by each party to this Agreement. No course of conduct shall constitute a waiver of any of the terms and conditions of this Agreement, unless such waiver is specified in writing, and then only to the extent so specified. A waiver of any of the terms and conditions of this Agreement on one occasion shall not constitute a waiver of the other terms of this Agreement, or of such terms and conditions on any other occasion. Except as provided in Section 12 hereof, this Agreement may not be assigned by any party without the written consent of the other party.

22. Severability. To the extent any provision of this Agreement is prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

23. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Texas; however, the duties, obligations and immunities of Bank under this Agreement shall be governed by the laws of the State of New York including, to the extent applicable, operating circulars of the Federal Reserve Bank, federal laws and regulations as amended, New York Clearing House rules and, to the extent not otherwise inconsistent with this Agreement, general commercial bank practices applicable to commercial paper issuance and payment.

24. Entire Agreement, No Third-Party Beneficiaries. This Agreement, together with the Letter of Representations, constitutes the entire agreement between the parties relating to Bank's issuing agent, paying agent and depository duties and obligations to Corporation. Except as provided in Section 14 hereof, nothing in this Agreement, express or implied, is intended to or shall confer upon any person or entity other than the signatory parties hereto any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

25. Execution in Counterparts, Facsimiles. This Agreement may be executed in two or more counterparts, which when so executed shall constitute one and the same agreement. The delivery of copies of this Agreement as executed by PDF or facsimile transmission shall constitute effective execution and delivery as to the parties and may be used in lieu of originals for all purposes.

26. Dealings. Bank and any stockholder, director, officer or employee of Bank may buy, sell, and deal in any of the securities of Corporation, any Dealer or any purchaser of the Commercial Paper Notes and become financially interested in any transaction in which

Corporation, any Dealer or any such purchaser may be interested, and contract and lend money to Corporation, any Dealer or any such purchaser and otherwise act as fully and freely as though it were not a depository, issuing or paying agent under this Agreement. Nothing herein shall preclude Bank from acting in any other capacity for Corporation, any Dealer or any such purchaser or for any other person or entity.

Corporation shall provide IRS Form W-9 or Form W-8, as applicable, for each payee, together with any other documentation and information requested by Bank in connection with Bank's reporting obligations under any applicable U.S. federal law or regulation. COMMERCIAL PAPER DEALER AGREEMENT

Between

LOVE FIELD AIRPORT MODERNIZATION CORPORATION,
as Issuer

and

J.P. MORGAN SECURITIES LLC,
as CP Dealer

Dated December 1, 2020

Relating to

Love Field Airport Modernization Corporation
Airport System Commercial Paper Notes, AMT Series

This **COMMERCIAL PAPER DEALER AGREEMENT**, dated December 1, 2020 (the "Agreement"), between the Love Field Airport Modernization Corporation (the "Issuer") and J.P. Morgan Securities LLC (the "CP Dealer").

For and in consideration of the mutual covenants made herein and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. Background and Definitions. (a) Pursuant to its resolution adopted on December 3, 2020 (the "Authorizing Document"), the Issuer has authorized the issuance and reissuance from time-to-time of its tax-exempt commercial paper notes (the "Notes") in the aggregate principal amount not to exceed \$150,000,000 outstanding at any time.

(b) The Authorizing Document provides for the appointment of a commercial paper dealer to perform certain duties, including the offering and sale from time-to-time of the Notes on behalf of the Issuer.

(c) J.P. Morgan Securities LLC has agreed to accept the duties and responsibilities of the CP Dealer with respect to the Notes under the Authorizing Document and this Agreement.

(d) JPMorgan Chase Bank, National Association (the "Facility Issuing Party") has provided a letter of credit (the "Facility") with respect to the Notes, that will enable U.S. Bank National Association (the "Account Party") to pay for the purchase of Notes that the CP Dealer is unable to remarket, in accordance with the terms of the Authorizing Document and the Letter of Credit Reimbursement Agreement, dated as of December 1, 2020 (the "Facility Agreement") between the Issuer and the Facility Issuing Party.

(e) Unless otherwise defined herein, all capitalized terms shall have the meanings ascribed to them in the Authorizing Document or the Issuing and Paying Agent Agreement.

Section 2. Appointment of CP Dealer. (a) Subject to the terms and conditions contained herein, the Issuer hereby appoints J.P. Morgan Securities LLC to act as CP Dealer for the Notes, and J.P. Morgan Securities LLC accepts such appointment.

(b) The CP Dealer shall act as exclusive dealer with respect to the Notes.

Section 3. Responsibilities of CP Dealer. (a) Subject to the terms and conditions set forth in this Agreement, J.P. Morgan Securities LLC agrees to perform the duties of CP Dealer set forth in this Agreement. It is understood that in undertaking to perform such duties, and in the performance thereof, it is the intention of the parties that the CP Dealer will act solely as a principal and not as an agent, except as expressly provided in this Agreement. In connection with all aspects of each transaction contemplated hereby, the Issuer acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the CP Dealer are arm's-length commercial transactions between the Issuer, on the one hand, and the CP Dealer on the other hand, (B) the Issuer has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Issuer is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby; (ii) (A) the CP Dealer has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties,

has not been, is not, and will not be acting as an advisor (including as a municipal advisor), agent or fiduciary for the Issuer, or any other Person and (B) the CP Dealer does not have any obligation to the Issuer with respect to the transactions contemplated hereby except those obligations expressly set forth herein; and (iii) the CP Dealer may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer, and the CP Dealer does not have any obligation to disclose any of such interests to the Issuer. The CP Dealer shall use its best efforts to solicit and arrange sales of the Notes on behalf of the Issuer at such rates and maturities as may prevail from time to time in the market. The CP Dealer and the Issuer agree that any Notes which the Dealer may arrange the sale of or which, in the Dealer's sole discretion, it may elect to purchase, will be purchased or sold on the terms and conditions and in the manner provided in the Authorizing Document, the Issuing and Paying Agent Agreement and this Agreement. Anything herein to the contrary notwithstanding, to the extent of any conflict between the provisions hereof and of the Authorizing Document or the Issuing and Paying Agent Agreement, the provisions of the Authorizing Document and the Issuing and Paying Agent Agreement shall be controlling.

(b) Notwithstanding anything to the contrary contained herein, the CP Dealer:

(i) will suspend its efforts with respect to the offer or sale of the Notes on behalf of the Issuer upon the receipt of notice of the occurrence of an event of default under the Notes, the Authorizing Document, the Facility, the Facility Agreement or the Issuing and Paying Agent Agreement; and

(ii) may, in its sole discretion, suspend its efforts with respect to the offer or sale of the Notes on behalf of the Issuer immediately upon the occurrence of any of the following events, which suspension will continue so long as, in the CP Dealer's reasonable judgment, such event continues to exist as to the Notes:

(1) suspension or material limitation in trading in securities generally on the New York Stock Exchange;

(2) a general moratorium on commercial banking activities in New York or Texas is declared by either federal or New York State or Texas authorities, as applicable;

(3) there shall have occurred any (i) new material outbreak of hostilities involving the United States (including, without limitation, an act of terrorism) or escalation of any such hostility that existed prior to the date hereof, (ii) new material national or international calamity or crisis (including but not limited to a pandemic), or escalation of such event that existed prior to the date hereof, or (iii) material adverse change in the financial, political or economic conditions affecting the United States

(4) legislation shall be introduced by committee, by amendment or otherwise, in, or be enacted by, the House of Representatives or the Senate of the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the United States Securities and Exchange Commission or other governmental agency having jurisdiction of the subject matter shall be made or proposed, to the effect that the offering or sale of obligations of the general character of the Notes, as contemplated hereby, is or would be in violation of any provision of the Securities Act of

1933, as amended (the "Securities Act") as then in effect, or the Securities Exchange Act of 1934, as amended (the "Exchange Act") as then in effect, or with the purpose or effect of otherwise prohibiting the offering or sale of obligations of the general character of the Notes, or the Notes themselves, as contemplated hereby;

(5) any event shall occur or information shall become known, which, in the reasonable judgement of the CP Dealer, makes untrue, incorrect or misleading in any material respect any statement or information contained in any disclosure documents provided to the CP Dealer in connection with the performance of its duties hereunder, whether provided pursuant to Section 5 hereof or otherwise, or causes such documents to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(6) any governmental authority shall impose, as to the Notes, or obligations of the general character of the Notes, any material restrictions not now in force, or increase materially those now in force;

(7) any of the representations and warranties of the Issuer made hereunder shall not have been true and correct on the date made;

(8) the Issuer fails to observe any of the covenants or agreements made herein;

(9) any of the rating agencies then rating the Notes or any Facility Issuing Party shall either (i) downgrade any of the ratings assigned to either the Notes or such Facility Issuing Party to below "P-1", "A-1" or "F1", by Moody's, S&P or Fitch, respectively or (ii) suspend or withdraw the then current ratings assigned to either the Notes or any Facility Issuing Party; or

(10) an actual or imminent default or a moratorium in respect of payment of any U.S. Treasury bills, bonds or notes the effect of which, in the reasonable judgment of the CP Dealer, makes it impractical to market the Notes or to enforce contracts for the sale of the Notes.

(11) (A) Legislation shall have been enacted by the Congress of the United States, or recommended to the Congress for passage by the President of the United States or favorably reported for passage to either House of the Congress by any Committee of such House or (B) a decision shall have been rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court or (C) an order, ruling or regulation shall have been issued or proposed by or on behalf of the Treasury Department of the United States or the Internal Revenue Service or any other agency of the United States or (D) a release or official statement shall have been issued by the President of the United States or by the Treasury Department of the United States or by the Internal Revenue Service, the effect of which, in any such case described in clause

(A), (B), (C) or (D), would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character of the Notes or upon income of the general character to be derived from the City of Dallas, Texas or the Issuer, in such a manner as in the judgment of the Dealers would materially impair the marketability of the Notes or obligations of the general character of the Notes;

(12) (A) The Constitution of the State of Texas shall be amended or an amendment shall be proposed or (B) legislation shall be enacted or (C) a decision shall have been rendered as to matters of Texas law or (D) any order, ruling or regulation shall have been issued or proposed or on behalf of the State of Texas by an official agency, or department thereof, affecting the tax status of the Airport System, its property or income or its obligations (including the Notes) or the interest thereon which in the judgment of the Dealers would materially impair the marketability of the Notes or obligations of the general character of the Notes;

Section 4. Transactions in Notes. All transactions in Notes between the CP Dealer and the Issuer shall be in accordance with the Authorizing Document, the Issuing and Paying Agent Agreement, this Agreement, the Facility Agreement (the “Transaction Documents”) and with the customs and practices in the commercial paper market regarding settlement and delivery formally adopted in writing from time to time by the New York Clearinghouse, to the extent not inconsistent with the Authorizing Document. As early as possible, but not later than [11:00 a.m.] on the day on which any Notes are to be issued, the CP Dealer shall notify the Issuer of the proposed final maturities, prices and interest rates (which interest rates shall not exceed the Maximum Interest Rate, as defined in the Authorizing Document) at which the CP Dealer will purchase or cause the purchase of the Notes, and provide the Issuer with any other information as required for delivery of such Notes. Except as described below, the CP Dealer shall not be obligated to purchase or cause the purchase of any Notes unless and until agreement has been reached in each case on the foregoing points and the CP Dealer has agreed to such purchase. Not later than [11:00 a.m.] on the date of each transaction the CP Dealer shall either (a) confirm each transaction made with or arranged by it or (b) notify the Issuer and the Issuing and Paying Agent of the difference, if any, between the amount of maturing Notes and the amount of Notes which the CP Dealer has arranged to sell or has agreed to purchase. Note transactions with the Issuer, pursuant to Section 4 hereof, shall be with any one of the officers or employees of the Issuer who are designated as an Authorized Representative by certificate acknowledged by the Secretary of the Issuer. The initial written designation of the Authorized Representatives is appended hereto as Appendix A. The Issuer agrees to provide the CP Dealer with revised written designations in the form of Appendix A when and as required by changes in the Authorized Representatives. The CP Dealer may rely upon such designation unless and until otherwise notified in writing by the Issuer.

Section 7. Resignation and Removal of CP Dealer. The CP Dealer may at any time resign and be discharged of its duties and obligations hereunder upon providing the Issuer, the Facility Issuing Party and the Issuing and Paying Agent with thirty (30) days' prior written notice. (b) The Issuer agrees to cooperate with the CP Dealer in the preparation by the Issuer from time-to-time and not less often than annually of a new Offering Memorandum of the Issuer for the Notes in the event the CP Dealer determines that the preparation and distribution of such Offering Memorandum is necessary or desirable in connection with offering and sale on behalf of the Issuer of the Notes, and to furnish or to cause to be furnished to the CP Dealer as many copies of such new Offering Memorandum as the CP Dealer shall request.

(c) If, at any time during the term of this Agreement, any event shall occur or facts become known to either party that might affect the correctness or completeness of any statement of a material fact contained in the then current Offering Memorandum, such party shall promptly notify the other in writing of the circumstances and details of such event. The Issuer agrees to promptly furnish to the CP Dealer a copy of each filing or notice made to anyone (whether in connection with the Notes or otherwise) pursuant to any undertaking or other agreement of the Issuer made under any provision of Rule 15c2-12 promulgated by the United States Securities and Exchange Commission.

III. LFAMC OBLIGATIONS

The LFAMC agrees to provide to the City copies of any proposed trust indenture or bond resolution in connection with any issuance of Bonds prior to their approval by the LFAMC Board. In addition, to the fullest extent permitted by law, the LFAMC agrees that it will not revoke or amend any orders, resolutions or other actions relating to the issuance, sale or delivery of Bonds, except as provided in the resolutions, indentures or other instruments adopted or executed in connection with the sale of the Bonds. To the extent Bonds are issued as obligations, the interest on which is intended to be excludable from the income of the holders thereof for federal income tax purposes, the LFAMC agrees that it will take all actions necessary to ensure that the interest payable on the Bonds is and remains excludable from the income of the holders thereof under the Code, and regulations promulgated thereunder.

4. All Bond Proceeds received from the issuance of Bonds shall be deposited into such funds and accounts, and disbursed in such manner and at such times, as shall be provided for in the Bond Documents. All Bond Proceeds shall be held separate and apart from and shall not be commingled with any other funds of the LFAMC. Bond Proceeds shall be expended only for costs of Projects as further described in Article III.C.1 of this Agreement.

5. To the extent necessary or desirable, the Bond Documents may provide that a reserve fund be established and funded as mutually agreeable to the LFAMC and the City to provide additional security for the holders of the Bonds in support of the payment of the principal and interest on the Bonds and/or to retire a portion of the Bonds.

D. Subordinate Lien Obligations.

1. To effect the financing of Projects, the LFAMC may issue its Subordinate Lien Obligations (including Commercial Paper Notes and Bank Notes) in an amount necessary to finance the design and construction of a Project and pay any costs associated therewith (including amounts necessary to fund reserve funds and capitalized interest accounts for the Subordinate Lien Obligations and to pay costs of issuance of the Subordinate Lien Obligations, including the costs of any related Credit Agreement), which will be repaid by the LFAMC from payments made by the City pursuant to this Agreement. The issuance of Subordinate Lien Obligations by the LFAMC shall be subject to the approval of the City by a resolution duly adopted by the City Council. The deposit and disbursement of proceeds of Subordinate Lien Obligations shall be made in accordance with the authorizing documents approving the issuance of Subordinate Lien Obligations, including specifically with respect to Commercial Paper Notes, the Commercial Paper Documents.

2. The LFAMC agrees to commence the process to issue and sell Subordinate Lien Obligations from time to time, at such times and in such amounts as are required to produce proceeds in an amount sufficient to accommodate the design and construction of the Project and to pay other costs associated therewith as necessary. With respect to Commercial Paper Notes, the LFAMC shall issue and sell the Commercial Paper Notes, from time to time, and shall hold and disburse the Commercial Paper Proceeds as provided in this Agreement and the Commercial Paper Resolution. The parties hereto acknowledge that it is the intention of the parties that any Project be financed in a manner that interest on Subordinate Lien Obligations is excludable from taxation under the Code, and regulations promulgated thereunder.

3. Subordinate Lien Obligations issued or incurred by the LFAMC shall be secured, in whole or in part, by funds received from the City, including, without limitation, the Net Revenues, and deposited, or cause to be deposited, by the LFAMC from time to time in the Pledged Revenue Fund; provided, that the lien on and pledge of Pledged Revenues securing Subordinate Lien Obligations shall be inferior to the lien on and pledge of Pledged Revenues securing Bonds issued under the Indenture. The LFAMC agrees to provide to the City copies of any proposed trust indenture or bond resolution in connection with any issuance of Subordinate Lien Obligations prior to their approval by the LFAMC Board. In addition, to the fullest extent permitted by law, the LFAMC agrees that it will not revoke or amend any orders, resolutions or other actions relating to the issuance, sale or delivery of Subordinate Lien Obligations, except as provided in the resolutions, indentures or other instruments adopted or executed in connection with the sale of the Subordinate Lien Obligations including, with respect to the issuance of Commercial Paper Notes, the Commercial Paper Documents. To the extent Subordinate Lien Obligations are issued as obligations, the interest on which is intended to be excludable from the income of the holders thereof for federal income tax purposes, the LFAMC agrees that it will take all actions necessary to ensure that the interest payable on the Subordinate Lien Obligations is and remains excludable from the income of the holders thereof under the Code, and regulations promulgated thereunder.

4. All proceeds received from the issuance of Subordinate Lien Obligations shall be deposited into such funds and accounts, and disbursed in such manner and at such times, as shall be provided for in the documents authorizing the issuance of Subordinate Lien Obligations, including specifically the Commercial Paper Resolution. All such proceeds shall be held separate and apart from and shall not be commingled with any other funds of the LFAMC. Proceeds shall be expended only for costs of a Project as further described in Article III.D.1 of this Agreement.

5. To the extent necessary or desirable, the documents authorizing the issuance of Subordinate Lien Obligations may provide that a reserve fund be established and funded as mutually agreeable to the LFAMC and the City to provide additional security for the holders of the Subordinate Lien Obligations in support of the payment of the principal and interest on the Subordinate Lien Obligations and/or to retire a portion of the Subordinate Lien Obligations.

6. The Subordinate Lien Obligations are payable from the GARB Debt Service Fund and are senior to payments to reimburse Southwest Airlines Co. for Facilities Payments made by Southwest Airlines Co. under the Facilities Agreement (as defined in the Revenue Credit Agreement) pursuant to the terms of the Revenue Credit Agreement.

E. Accounting. Complete books and records shall be maintained showing deposits to and disbursements from the GARB Debt Service Fund and the GARB Debt Service Reserve Fund maintained by the City, the Pledged Revenue Fund or other funds of the LFAMC created in accordance with the Bond Documents, and the funds and accounts created of the LFAMC created in accordance with the Commercial Paper Documents, which books and records shall be deemed complete if kept in accordance with Generally Accepted Accounting Principles as applied to Texas municipalities. Such books and records shall be available for examination by the duly authorized officers or agents of the City or LFAMC Board during normal business hours upon request made not less than five (5) business days prior to the date of such examination. The City and the LFAMC shall maintain such books and records throughout the term of this Agreement and for three (3) years thereafter, all subject to any applicable requirements of the laws of the State.

F. Use of Net Revenues. The LFAMC will use the moneys in the Pledged Revenue Fund in the following priority:

1. First, to pay all principal of, interest on, premium (if any) and to fund any reserves necessary or desirable in connection with such Bonds, at the respective times and in the respective amounts as fixed and prescribed in the resolution or resolutions pursuant to which such Bonds are issued by the LFAMC;

2. Second, to make deposits to any debt service reserve fund established in accordance with the Bond Documents to attain or maintain the required reserve amount as provided for in the Bond Documents;

3. Third, to the payment of the fees and expenses of the Trustee and Paying Agent/Registrar due and owing, for the next twelve (12) month period;

4. Fourth, to pay amounts required on any Subordinate Lien Obligations including, to the extent the same are reasonably anticipated to be paid with moneys in the Pledged Revenue Fund, the interest on the Commercial Paper Notes and the interest on and principal of the Bank Note and other amounts due to the Bank under the Credit Agreement, as and when the same shall become due; and

5. Fifth, as directed by the LFAMC, to pay any costs the LFAMC may incur in connection with the administration of the funds and accounts established under the Bond Documents in addition to those incurred to pay the fees and expenses of the Trustee and the Paying Agent/Registrar; provided that immediately prior to any such transfers the deposits required or payments made by clauses *First* through *Fourth* above have been made or provided for.

The foregoing notwithstanding, any pledge or deposit of monies in the Pledged Revenue Fund shall be made in accordance with the provisions of the Bond Documents.

G. Pledge of Pledged Revenue Fund. The LFAMC may pledge and assign all or a part of the Pledged Revenue Fund and the Net Revenues to be deposited to the credit of the Pledged Revenue Fund to the owners and holders of Bonds and Subordinate Lien Obligations of the LFAMC or to the Trustee or other fiscal agent acting on their behalf.

H. Depository. The Pledged Revenue Fund is the account into which the Net Revenues shall be deposited pursuant to this Agreement. Any moneys received from investing and reinvesting the moneys deposited to the credit of the Pledged Revenue Fund shall remain in the Pledged Revenue Fund until used by the LFAMC for the purposes permitted by this Agreement in accordance with Article III.H. Moneys in the Pledged Revenue Fund may be invested and reinvested by the LFAMC only in investments which would be eligible for investment by the City pursuant to the provisions of the Public Funds Investment Act (Chapter 2256, Texas Government Code), consistent with the City's written investment policy. Moneys on deposit in the Pledged Revenue Fund will be secured in the same manner as City funds are required to be secured at the City's depository bank.

IV. DUTIES AND RESPONSIBILITIES OF THE CITY

A. Duties of City. Throughout the term of the Bonds and the Subordinate Lien Obligations, the City agrees to own and operate the Airport System and to charge and collect rates, fees, and revenues for the use and operation of Airport System, including, without limitation, terminal rentals, landing fees, fees charged to concessionaires and charges for use of parking facilities at Love Field (including the Project), in amounts sufficient to generate revenues sufficient to maintain Love Field at the standards required by the Lease, including, without limitation, the standards in respect to the Airport Cost Centers effected and managed in accordance with the provisions of the Lease, and to make deposits to the GARB Debt Service Fund and the GARB Debt Service Reserve Fund in amounts sufficient to make the required deposits to the Pledged Revenue Fund and any reserve fund established in respect to the Bonds and Subordinate Lien Obligations, all as provided in this Agreement.

B. Funds. The City will establish separate funds as provided in the Lease, including specifically the Aviation Revenue Fund, the GARB Debt Service Fund and the GARB Debt Service Reserve Fund, for the benefit of the LFAMC, the trustee named in the Bond Documents, and the owners of the Bonds. During the term of this Agreement, the City will pay the LFAMC, on a monthly basis on the first business day of each month, all monies then available in the GARB Debt Service Fund and hereby pledges such monies to such payments. Upon receipt, the LFAMC shall deposit or cause to be deposited such funds in the Pledged Revenue Fund and use them in accordance with Article III.F. In addition, during the term of this Agreement, the City will pay to the LFAMC, upon its request delivered to the City in writing, from the GARB Debt Service Reserve Fund amounts sufficient to restore any deficiency that may occur upon the use of moneys in any reserve fund established in accordance with the Bond Documents.

C. Limitation of Source of Payment. The City shall have no financial obligation to the LFAMC other than as provided in this Agreement or in other agreements between the City and the LFAMC. The obligation of the City to the LFAMC under this Agreement is limited to the Net Revenues, which are hereby pledged by the City to make the payments required to be made by the City hereunder, and shall not be payable from moneys raised or to be raised by taxation. This Agreement shall create no obligation on the City which is payable from taxes or other moneys of the City other than the Net Revenues. For so long as any Bonds or Subordinate Lien Obligations of the LFAMC secured by or payable from Net Revenues are outstanding and unpaid, the City covenants and agrees (a) to operate and maintain the Airport System in accordance with the provisions of the Lease, (b) to fix, establish, maintain and collect such rates, charges and fees for the use and availability of the Airport System at all times as are necessary to produce revenues sufficient, (1) to pay all current operation and maintenance expenses and operation and maintenance reserve requirements of the Airport System, (2) to produce Net Revenues for each Fiscal Year at least equal to 1.25 times the Average Annual Debt Service on all outstanding Bonds scheduled to occur during each respective Fiscal Year, and (3) to pay all other obligations of the Airport System reasonably expected to be paid from Net Revenues, including Commercial Paper Notes and Bank Notes, to the extent secured by Pledged Revenues, and (c) to meet its obligations under this Agreement to collect Net Revenues sufficient to meet its payment obligations under this Agreement. The City agrees not to issue any debt or obligation that is senior or on a parity with its obligations hereunder in connection with the Bonds.

D. Allocated Funds: Limitation of Duties. The duty of the City to pay money to the LFAMC for any purpose under this Agreement is limited in its entirety by the provisions of this Article. The payments herein provided for shall be the entire and complete compensation of the LFAMC for its services and expenses in connection herewith.

E. Collection and Payment of Net Revenues by the City. In consideration of the issuance of Bonds and Subordinate Lien Obligations by the LFAMC to finance Projects, the City covenants and agrees that it will, as authorized under the Act and other applicable laws, continuously collect the Net Revenues during the term of this Agreement in the manner and to the maximum extent permitted by applicable law. The City further covenants and agrees that it will not amend the Lease in any manner that adversely affects the rights of the holders of the Bonds and the Subordinate Lien Obligations, including specifically the holder of any Bank Note. In addition, the City covenants and agrees that it will not dissolve the LFAMC and that any repeal of the right and power to collect the Net Revenues will not be effective until all Bonds and Subordinate Lien Obligations (including any Bank Note) have been paid in full or until they are legally defeased. The City further covenants and agrees that it will make all payments as set forth in Article IV.B. above, by a direct deposit into the Pledged Revenue Fund, without counterclaim or offset, but minus any expenses incurred by the City in connection with the collection of the Net Revenues. The City agrees that in the event the Lease is terminated prior to payment in full of the Bonds and any Subordinate Lien Obligation, the City shall continue to maintain the same structure for its funds and accounts as provided in Section 6.07 of the Lease and that no such termination shall impair the pledge of Net Revenues made by the City hereunder.

F. Transfers from GARB Debt Service Reserve Fund. If any debt service reserve fund established in accordance with the Bond Documents is drawn upon to make up any deficiency in any debt service fund established in accordance with the Bond Documents to enable the timely payment of principal of or interest on the Bonds when due, the City agrees to cause Net Revenues to be deposited in the GARB Debt Service Reserve Fund and promptly transfer moneys deposited to the credit of the GARB Debt Service Reserve Fund to the Trustee to restore the amounts on deposit in such debt service reserve fund to the required reserve amount as provided for in the Bond Documents.

G. Obligations of City to be Absolute. The obligation of the City to make the payments set forth in this Agreement from Net Revenues shall be absolute and unconditional, and until such time as this Agreement and all Bonds issued pursuant to this Agreement and Subordinate Lien Obligations have been fully paid or provision for payment thereof shall have been made in accordance with their terms, the City will not suspend or discontinue any payments provided for in this Agreement and will not terminate this Agreement for any cause, including, without limiting the generality of the foregoing, the failure of the LFAMC to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Agreement. Nothing contained in this section shall be construed to release the LFAMC from performance of any of the agreements on its part contained in this Agreement, and in the event the LFAMC shall fail to perform any such agreement on its part, the City may institute such action against the LFAMC as the City may deem necessary to compel performance so long as this action does not abrogate the obligations of the City to make the payments set forth in this Agreement to pay the Bonds and any Subordinate Lien Obligation of the LFAMC or to meet its obligations under this Agreement.

H. Continuing Disclosure Obligation. The City acknowledges that for purposes of Rule 15c2-12, promulgated by the United States Securities and Exchange Commission, it shall be deemed to be an “obligated person” for purposes of said Rule, and that it will provide to the LFAMC the information described in the LFAMC’s undertaking set forth in the Bond Documents to enable the LFAMC to timely meet its continuing disclosure undertaking set forth in the Bond Documents.

B. Transfer of Net Revenues Unconditional. Anything in this Article to the contrary, the obligation of the City to transfer Net Revenues to the LFAMC in accordance with the terms of the Bond Documents or the documents authorizing the issuance of Subordinate Lien Obligations, including specifically the Commercial Paper Documents, shall remain in effect until such time as the Bonds or the Subordinate Lien Obligations are no longer outstanding under their terms and the

terms of the Bond Documents and the documents authorizing the issuance of Subordinate Lien Obligations, including specifically the Commercial Paper Documents

To the extent permitted by State law, no director of the LFAMC, nor any employee or agent of the LFAMC, and no employee of the City, nor any councilmember or agent of the City, shall be personally responsible for any liability arising under or growing out of this Agreement, or operations of the LFAMC under the terms of this Agreement.

VII. LAW TO BE OBSERVED

The LFAMC at all times shall observe and comply with all federal and State laws, local laws, ordinances, orders, and regulations of the federal, State, county, or city governments.
