(ii) The Cities shall have the right to amend the Outstanding Ordinances, the Master Bond Ordinance, and this Ordinance without the consent of or notice to the Holders, for any purpose not prohibited by Section 8.3 of the Master Bond Ordinance, if such amendment is approved by the Insurer that at the time is not in default under its Policy and has a then current credit rating of at least investment grade by two nationally recognized rating agencies and such other Credit Providers, if any, as may be required by an Additional Supplemental Ordinance.

(iii) Whenever in this Ordinance, or in the Master Bond Ordinance, the right is granted to redeem Bonds in advance of a Stated Maturity Date, any such redemption may be accomplished with any lawfully available money. The Bonds may be redeemed according to their respective terms, and pro rata redemptions are not required.

(iv) In the event of the occurrence of an Event of Default, the right of acceleration of the Stated Maturity Date or the Mandatory Redemption Date of any Bond or of any Parity Credit Agreement Obligation is not granted as a remedy, and the right of acceleration is expressly denied.

(v) Pursuant to the terms of Section 8.4 of the Master Bond Ordinance, Holders of the Bonds confirm that the Credit Providers, whether or not related to the Bonds, have the right to consent to amendments to the Master Bond Ordinance, this Ordinance and the Outstanding Ordinances without notice to or the consent of the Holders of the Bonds.

(c) Notwithstanding any other provision hereof, the Holders of the Bonds, as evidenced by the purchase thereof, irrevocably consent to the amendment of the Master Bond Ordinance by the Fifty-Ninth Supplement, such Fifty-Ninth Supplement to be effective immediately upon receipt of the requisite consents set forth in the Master Bond Ordinance.

One Bond in the principal amount maturing on each maturity date as set forth in the Official Bid Form shall be delivered to the Purchasers thereof. The Bonds shall initially be registered in the name as set forth in the Official Bid Form.

Any Authorized Officer, acting singly, is hereby authorized to execute an Official Bid Form submitted by the best and winning bidder, for and on behalf of the Board and the Cities and as the act and deed of the Board and the Cities.

(e) A portion of Bonds are expected to be issued for restructuring of the Airport's debt service requirements; however, to the extent any present value savings is achieved with the issuance of any series of Bonds pursuant to this Ordinance, such restructuring purpose and requirement is hereby deemed to be achieved.

(f) In connection with the issuance and delivery of the Bonds, the Authorized Officer, acting for and on behalf of the Cities, is authorized to set out in the Officer's Pricing Certificate such information as contemplated herein. The Officer's Pricing Certificate shall include such information as such Authorized Officer deems appropriate or is required by this Ordinance.

(g) The Authorized Officer is authorized to establish which maturity or maturities, if any, of each series of Bonds shall be insured based on recommendations of the co-financial advisors of the Airport, and such Authorized Officer shall specify the name or names of the Insurer or Insurers in the Bidding Instructions (in the case of a competitive sale), each Underwriting Agreement (in the case of a negotiated sale) and each Officer's Pricing Certificate and shall specify therein which maturity or maturities, if any, will be insured.

(h) The Initial Bonds of each series (i) may be prepaid or redeemed prior to the

respective scheduled due dates of Principal Installments thereof as provided for in this Ordinance and in the Officer's Pricing Certificate, (ii) may be assigned and transferred, (iii) may be converted and exchanged for other Bonds, (iv) shall have the characteristics, and (v) shall be signed and sealed, and the principal of and interest on the Initial Bonds of each series shall be payable, all as provided, and in the manner required or indicated, in the FORM OF BOND set forth in this Ordinance and as determined by an Authorized Officer, as provided herein and in the Officer's Pricing Certificate, with such changes and additions as are required to meet the terms of the Bidding Instructions and Official Bid Form (in the case of a competitive sale), each Underwriting Agreement (in the case of a negotiated sale) and the Officer's Pricing Certificate, including the names as to which the Initial Bond of each series shall be registered.

(i) The authority granted to the Authorized Officer under this Section 3.2 shall expire one year from the effective date of this Ordinance, as set forth in Section 9.3, unless otherwise extended by the City Councils of each of the Cities by separate action.

**Section 3.3 Medium, Method and Place of Payment.** (a) The principal of, redemption premium, if any, and interest on the Bonds shall be paid in lawful money of the United States of America as provided in this Section.

(b) Interest on the Bonds shall be payable to the Holders whose names appear in the Obligation Register (as defined in Section 3.5) at the close of business on the Record Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar if and when funds for the payment of such interest have been received from the Cities or the Board. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be at least 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

(c) Interest on the Bonds shall be paid by check (dated as of the Interest Payment Date) and sent by the Paying Agent/Registrar to the Holder entitled to such payment, United States mail, first class postage prepaid, to the address of the Holder as it appears in the Obligation Register or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expenses of such other customary banking arrangements. Upon written request of a registered owner of at least \$1,000,000 in principal amount of Bonds, all payments of the principal of, redemption premium, if any, and interest on the Bonds shall be paid by wire transfer in immediately available funds to an account designated by such registered owner.

(d) The principal of each Bond shall be paid to the Holder on the due date thereof (whether at the maturity date or the date of prior redemption thereof) upon presentation and surrender of such Bond at the Designated Payment/Transfer Office.

(e) If a date for the payment of the principal of or interest on a Bond is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the Cities or in the city in which the Designated Payment/Transfer Office is located, are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

(f) Subject to any applicable escheat, unclaimed property, or similar and Applicable Law, unclaimed payments remaining unclaimed by the Holders entitled thereto for three years after the applicable payment or redemption date shall be paid to the Board and thereafter neither the Cities, the Paying Agent/Registrar, nor any other person shall be liable or responsible to any Holders of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds.

(g) The unpaid principal balance of each Initial Bond shall bear interest as set forth in such Initial Bond to the respective scheduled due dates, or to the respective dates of prepayment or redemption, of the Principal Installments, and said interest shall be payable to the registered owner thereof, all in the manner provided and on the dates fixed by the Authorized Officers in accordance with this Ordinance and the Officer's Pricing Certificate for each series, and with interest rates as fixed by the Authorized Officer in accordance with this Ordinance and the Officer's Pricing Certificate, and as set forth in the Official Bid Form submitted by the highest and best bidder and accepted by an Authorized Officer (in the case of a competitive sale) or the Underwriting Agreements (in the case of a negotiated sale).

**Section 3.4 Ownership.** (a) The Cities, the Board, the Paying Agent/Registrar and any other person may treat each Holder as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and redemption premium, if any, thereon, and for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to each Holder on the Record Date), and for all other purposes, whether or not such Bond is overdue, and neither the Cities, the Board, nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Holder in accordance with this Section shall be valid and effectual and shall discharge the liability of the Cities, the Board, and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

**Section 3.5 Registration, Transfer and Exchange.** (a) So long as any Bonds remain Outstanding, the Board shall cause the Paying Agent/Registrar to keep a register (the "Obligation Register") at its principal trust office in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) Ownership of any Bond may be transferred in the Obligation Register only upon the presentation and surrender thereof at the Paying Agent's Designated Payment/Transfer Office for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of the Bonds, or any portion thereof in any integral multiple of \$5,000, to the assignee or assignees thereof, and the right of such assignee or assignees thereof to have the Bond or any portion thereof registered in the name of such assignee or assignees. No transfer of any Bond shall be effective until entered in the Obligation Register. Upon assignment and transfer of any Bond or portion thereof, a new Bond or Bonds will be issued by the Paying Agent/Registrar in conversion and exchange for such transferred and assigned Bond. To the extent possible the Paying Agent/Registrar will issue such new Bond or Bonds in not more than three business days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer. As provided in any Underwriting Agreement related to a private placement, the Purchaser covenants to not sell the Bonds unless such Purchaser delivers a letter in the form attached to the related Underwriting Agreement. No transfer of any Bond shall be effective until entered in the Obligation Register. Upon assignment and transfer of any Bond or portion thereof, a new Bond or Bonds will be issued by the Paying Agent/Registrar in conversion and exchange for such transferred and assigned Bond. To the extent possible the Paying Agent/Registrar will issue such new Bond or Bonds in not more than three business days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer.

(c) Any Bond may be converted and exchanged only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar together with a written request therefor duly executed by the registered owner or assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantees of signatures satisfactory to the Paying

Agent/Registrar, for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. If a portion of any Bond is redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in the denomination or denominations of any integral multiple of \$5,000 at the request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. To the extent possible, a new Bond or Bonds shall be delivered by the Paying Agent/Registrar to the registered owner of the Bond or Bonds in not more than three business days after receipt of the Bond to be exchanged in proper form and with proper instructions directing such exchange.

(d) Each Bond issued in exchange for any Bond or portion thereof assigned, transferred or converted shall have the same principal maturity date and bear interest at the same rate as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall convert and exchange the Bonds as provided herein, and each substitute Bond delivered in accordance with this Section shall constitute an original contractual obligation of the Cities and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such substitute Bond is delivered.

(e) The Board will pay, as Administrative Expenses, the Paying Agent/Registrar's reasonable and customary charge for the initial registration or any subsequent transfer, exchange or conversion of the Bonds, but the Paying Agent/Registrar will require the Holder to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, exchange or conversion of a Bond. In addition, the Cities hereby covenant with the Holders of the Bonds that the Board will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Bonds, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer, registration, conversion and exchange of Bonds as provided herein.

(f) Neither the Cities, the Board, nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the Holder of the uncalled principal balance of a Bond.

Section 3.6 Cancellation and Authentication. All Bonds paid or redeemed before their Stated Maturity Dates in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be canceled upon the making of proper records regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall dispose of the canceled Bonds in accordance with Applicable Law.

Section 3.7 Temporary Bonds. (a) Following the delivery and registration of the Initial Bond issued hereunder and pending the preparation of definitive Bonds, the proper officers of the Cities may execute and, upon the Cities' or the Board's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the Cities executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The Cities or the Board, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.8 Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office, of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The Cities, the Board, or the Paying Agent/Registrar may require the Holder of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to Subchapter D of Chapter 1201, Texas Government Code, as amended, and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Holder first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar, the Board and the Cities to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the Cities and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the Cities, the Board, and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Cities, the Board, or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original contractual obligation of the Cities and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.9 Book-Entry Only System. (a) The definitive Bonds for each series shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon

initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.10, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC. The Bonds will also be subject to DTC Book-Entry System and Global Clearance Procedures.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Cities, the Board, and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Ordinance. Without limiting the immediately preceding sentence, the Cities, the Board, and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Holder, as shown on the Obligation Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Holder, as shown in the Obligation Register of any amount with respect to principal of, redemption premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the Cities, the Board, and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Obligation Register as the absolute owner of such Bond for the purpose of payment of principal of, redemption premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, redemption premium, if any, and interest on the Bonds only to or upon the order of the respective Holders, as shown in the Obligation Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Cities' obligations with respect to payment of, redemption premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Holder, as shown in the register, shall receive a certificate evidencing the obligation of the Cities to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Representation Letter setting respective duties with respect to the Bonds has been previously executed and delivered by an Authorized Officer of the Airport and made applicable to the Bonds delivered in book-entry-only form to DTC, as securities depository therefor, is hereby ratified and approved for the Bonds.

Section 3.10 Successor Securities Depository. In the event that the Cities, the Board, or the Paying Agent/Registrar determine that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the Cities, the Board, or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Obligation Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Holders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.11 Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to

the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, redemption premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

## **ARTICLE IV**

### **REDEMPTION OF BONDS BEFORE MATURITY**

Section 4.1 Limitation on Redemption. The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV and the Officer's Pricing Certificate.

Section 4.2 Optional Redemption. (a) The Authorized Officer shall specify in the Bidding Instructions (in the case of a competitive sale), the Underwriting Agreements (in the case of a negotiated sale), Officer's Pricing Certificates, Initial Bonds, and in the Bonds such rights of optional redemption, if any, and the Redemption Prices therefor that are to be reserved by the Cities.

(b) To the extent the Bonds are subject to optional redemption, the Board, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of the Bonds to be redeemed.

Section 4.3 Partial Redemption. (a) If less than all of the Bonds are to be redeemed pursuant to Section 4.2, the Board shall have the right to determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption as determined by the Board in its sole discretion.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.5 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

(d) The Paying Agent/Registrar shall promptly notify the Board in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.4 Mandatory Redemption of Certain Bonds. (a) The Authorized Officer shall specify in the Bidding Instructions (in the case of a competitive sale), Underwriting Agreements (in the case of a negotiated sale), Officer's Pricing Certificates, Initial Bonds and in the Bonds such obligations to redeem the Bonds mandatorily, and the Redemption Prices therefor, as are to be imposed on the Cities.

(b) Subject to the provisions of subsection (c) of this Section, when less than all of the Bonds of a specified maturity on a specified Stated Maturity Date are required to be redeemed as determined in accordance with this Section, the Board, acting on behalf of the Cities, shall have the right and the particular maturities of the Bonds to be redeemed will be determined by the Board in its sole discretion. If the Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of such Bonds, if less than all of the Bonds of a maturity are called for prior redemption, the particular Bonds or portions thereof to be redeemed shall be allocated on a pro

rata pass-through distribution of principal basis in accordance with DTC procedures, provided that, so long as the Bonds are held in book-entry form, the selection for redemption of such Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, the Bonds will be selected for redemption, in accordance with DTC procedures, by lot. A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or an integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption. Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar shall authenticate and deliver an exchange Bond or Bonds in an aggregate amount equal to the unredeemed portion of the Bond so surrendered.

(c) In lieu of the procedure described in subsection (b) of this Section, if less than all of the Bonds of a Stated Maturity Date are required to be redeemed, the Cities and the Board shall have the right to accept tenders of Bonds of the applicable Stated Maturity Date and to purchase Bonds of such maturity in the open markets at any price that is less than the applicable Redemption Price for the Bonds required to be redeemed.

Section 4.5 Notice of Redemption to Holders. (a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, or by such other means as is acceptable to such Holders, not less than 30 days before the date fixed for redemption, to the Holder of each Bond (or part thereof) to be redeemed, at the address shown on the Obligation Register.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice.

Section 4.6 Conditional Notice of Redemption. With respect to any optional redemption of Bonds, unless certain prerequisites to such redemption required by the Master Bond Ordinance or this Ordinance have been met and moneys sufficient to pay the principal of and redemption premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Board, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

Section 4.7 Payment Upon Redemption. (a) Before or on each redemption date, the Board on behalf of the Cities shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar from the Board and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed, or the tender or negotiated price in the case of Bonds tendered or purchased under Section 4.4(c).

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.8 Effect of Redemption. (a) Notice of redemption having been given as provided in Section 4.5 of this Ordinance, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the Cities fail in their obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon on the date fixed for redemption, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the Cities shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same by the Cities.

## **ARTICLE V**

(b) If the Paying Agent/Registrar resigns or otherwise ceases to serve as such, the Board will promptly appoint a replacement.

Section 5.4 Termination. The Cities, acting through the Board, upon not less than 60 days' notice, reserves the right to terminate the appointment of any Paying Agent/Registrar by delivering to the entity whose appointment is to be terminated written notice of such termination, provided that such termination shall not be effective until a successor Paying Agent/Registrar has been appointed and has accepted the duties of Paying Agent/Registrar for the Bonds.

Section 5.5 Notice of Change. Promptly upon each change in the entity serving as Paying Agent/Registrar, the Board will cause notice of the change to be sent to each Holder and Insurer by first class United States mail, postage prepaid, at the address in the Obligation Register, stating the effective date of the change and the name and mailing address of the replacement Paying Agent/Registrar.

Section 5.6 Agreement to Perform Duties and Functions. By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar acknowledges receipt of copies of the Master Bond Ordinance and this Ordinance, and is deemed to have agreed to the provisions thereof, and to perform the duties and functions of Paying Agent/Registrar prescribed therein and herein.

Section 5.7 Delivery of Records to Successor. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Obligation Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar.

This Bond is one of a series of fully registered bonds specified in the title hereof, dated \_\_\_\_\_, 202\_\_<sup>1</sup> issued in the aggregate principal amount of \$\_\_\_\_\_<sup>1</sup> issued pursuant to the authority of Chapter 22, Texas Transportation Code, as amended, Chapters 1207 and 1371, Texas Government Code, as amended the "Master Bond Ordinance," as defined in the Sixty-First Supplemental Concurrent Bond Ordinance adopted concurrently by the City Councils of the Cities (the "Sixty-First Supplemental Ordinance"). The Master Bond Ordinance and the Sixty-First Supplemental Ordinance are herein collectively referred to as the "Ordinances." This Bond is one of the Additional Obligations authorized by the Ordinances and is subject to the terms and provisions thereof. The Ordinances and their respective terms and provisions are incorporated herein for all purposes. As set forth in the Sixty-First Supplemental Ordinance any owner hereof is deemed to have irrevocably consented to the Fifty-Ninth Supplemental Concurrent Bond Ordinance adopted by the City Councils of the Cities (as defined in the Sixty-First Supplemental Ordinance).

The Bonds were issued by the Cities for the purposes of obtaining funds to refund certain obligations previously issued by the Cities, to provide funding for the Debt Service Reserve Requirements through either the deposit of Bond proceeds or entering into a surety or such other agreements, and to pay the Cities' and the Board's costs incurred in connection with the issuance of the Bonds, including the costs of the Policy or Policies for Insurance, if any, or the surety or debt service reserve agreement.

The Bonds and the interest thereon are payable from, and are secured by a first lien on and pledge of the Pledged Revenues and the Pledged Funds.

The lien on and pledge of the Pledged Revenues and Pledged Funds created and granted in the Ordinances in favor of the Bonds is on a parity with the lien and pledge thereof granted by the Cities in favor of the Holders of Outstanding Obligations, and any Additional Obligations or Parity Credit Agreement Obligations that may be issued or executed pursuant to the Master Bond Ordinance, as defined and permitted therein. The Cities have reserved the right in the Ordinances to issue Additional Obligations and Parity Credit Agreement Obligations that, after issuance, may be secured by liens on and pledges of the Pledged Revenues and Pledged Funds on a parity with the lien thereon in favor of the Bonds.

The Cities have also reserved the right in the Ordinances to issue Subordinate Lien Obligations, and Credit Agreement Obligations in connection therewith, provided the lien and pledge securing the same are expressly made junior and subordinate to the pledge and lien securing the Obligations and Parity Credit Agreement Obligations.

All covenants requiring the Cities to pay principal and interest or other payments on Obligations, Subordinate Lien Obligations, and Credit Agreement Obligations shall be joint, and not several, obligations, and all monetary obligations shall be payable and collectible solely from the revenues and funds expressly pledged thereto by the Ordinances or by an Additional Supplemental Ordinance, such revenues and funds being owned in undivided interests by the City of Dallas (to the extent of 7/11ths thereof) and by the City of Fort Worth (to the extent of 4/11ths thereof); and, each and every Holder shall by his acceptance of this Bond consent and agree that no claim, demand, suit, or judgment for the payment of money shall ever be asserted, filed, obtained or enforced against either of the Cities apart from the other City and from sources other than the funds and revenues pledged thereto; and no liability or judgment shall ever be asserted, entered or collected against either City individually, except out of such pledged revenues and exceeding in the case of Dallas an amount equal to 7/11ths of the total amount asserted or demanded, and in the case of Fort Worth an amount equal to 4/11ths of the total amount asserted or demanded. The Holders hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

[The Cities have reserved the right and option to redeem the Bonds maturing in the years through \_\_, inclusive, in whole or part, in principal amounts equal to \$5,000 or any integral multiple thereof, before their respective maturity dates, on November 1, \_\_, or on any date thereafter, at a price equal to the principal amount thereof, plus interest to the date fixed for redemption, without premium.]<sup>3</sup>

The Paying Agent/Registrar will select at random the specific Bonds (or with respect to Bonds having a denomination in excess of \$5,000, each \$5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Bonds required to be redeemed on any Mandatory Redemption Date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the Board on behalf of the City, by the principal amount of any Bonds having the same maturity which, at least 45 days prior to the Mandatory Redemption Date (i) shall have been acquired by the Board on behalf of the City at a price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.]<sup>4</sup>

Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue. The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and if less than all Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

With respect to any optional redemption of Bonds, unless certain prerequisites to such redemption required by the Master Bond Ordinance or this Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Board, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Bonds and the Paying Agent shall notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

As provided in the Ordinances, and subject to certain limitations therein set forth, this Bond is transferable upon presentation and surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar, and, thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the Cities, the Board, nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The Cities, the Board, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the Cities, the Board, nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law.

If any official from either City whose manual or facsimile signature shall appear on the Bonds, shall cease to be such official before the Authentication of the Bonds or before delivery of the Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes as if such official had remained in such office.

To the extent applicable, Authorized Officers are authorized to enter undertakings related to the Rule on behalf of the Cities and the Board.

Section 7.6 Attorney General Modification. In order to obtain the approval of the Bonds by the Attorney General of the State, any provision of this Ordinance may be modified, altered or amended after the date of its adoption if required by the Attorney General in connection with the Attorney General's examination as to the legality of the Bonds and approval thereof in accordance with the applicable law. (a) The Cities hereby direct that the Refunded Notes, or portions thereof specified in each Officer's Pricing Certificate, be designated for payment on the date or dates set forth in the Officer's Pricing Certificate (the "Payment Date") and that the paying agent or escrow agent (the "Escrow Agent") for the Refunded Notes deposit an amount sufficient, with investment earnings thereon, if any, to pay the amount due on the Refunded Notes on the Payment Date. The Refunded Notes shall not bear interest after the applicable Payment Date.

(b) The Authorized Officer is hereby authorized to enter into an escrow agreement (the "Escrow Agreement") with the Escrow Agent. ## **ARTICLE VIII**

### **GENERAL PROVISIONS**

Section 8.1 Deposit and Uses of Bond Proceeds. The proceeds received from the sale of the Bonds, together with other available funds, if any, shall be applied as follows: (i) an amount as specified in the Officer's Pricing Certificate shall be deposited to the Debt Service Reserve Fund or shall be used to purchase a Credit Agreement, which together with the amount on deposit therein, is equal to the Debt Service Reserve Requirement; (ii) an amount, specified in the Officer's Pricing Certificate shall be deposited into the Escrow Fund (or Note Payment Fund, if applicable) for the Refunded Notes; and (iii) an amount specified in the Officer's Pricing Certificate, equal to the Cities' and the Board's costs of issuance of the Bonds will be deposited as directed by an Authorized Officer.

Section 8.2 Payment of the Bonds. While any of the Bonds are Outstanding and unpaid, the Board shall make available to the Paying Agent/Registrar, out of the Debt Service Fund or the Debt Service Reserve Fund, the amounts and at the times required by this Ordinance and the Master Bond Ordinance, money sufficient to pay when due all amounts required to be paid by this Ordinance, the Master Bond Ordinance, the Outstanding Ordinances, and the Additional Supplemental Ordinances, if any, that authorize the issuance of the Outstanding Obligations or any Additional Obligations.

Section 8.3 Representations and Covenants. (a) The Cities and the Board will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in the Master Bond Ordinance and this Ordinance; the Cities will promptly pay or cause to be paid from Pledged Revenues the principal of, interest on, and redemption premium, if any, with respect to, each Bond on the dates and at the places and manner prescribed in each Bond; and the Cities will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by the Master Bond Ordinance and this Ordinance.

(b) The Cities are duly authorized by Applicable Law to issue the Bonds; all action on their part for the issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands

of the Holders are and will be valid and enforceable special obligations of the Cities and the Board in accordance with their terms.

(c) The Board, the officers, employees and agents are hereby directed to observe, comply with and carry out the terms and provisions of this Ordinance.

Section 8.4 General Tax Covenant Regarding Tax-Exemption. The Cities and the Board covenant to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in Section 103 of the Code, the interest on which is not includable in the "gross income" of the Holder for purposes of federal income taxation. The Cities and the Board understand that the term "Proceeds" includes "disposition proceeds," as defined in the Treasury Regulations. It is the understanding of the Cities and the Board that the covenants contained in this Ordinance are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify, or expand provisions of the Code, as applicable to the Bonds, the Cities and the Board will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Cities and the Board agree to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under Section 103 of the Code.

Notwithstanding any other provision of this Ordinance, the terms, conditions and requirements of Section 8.4 through 8.10 of the Ordinance shall survive the defeasance and discharge of the Bonds and the Cities and the Board will continue to comply with such terms, conditions and requirements to the extent that a failure to do so would adversely affect the treatment of the Bonds as obligations derived in Section 103 of the Code, the interest on which is not includable in the "gross income" of the Holder for purposes of federal income taxation. For purposes of making the foregoing determination, the Cities and the Board may rely on the advice of nationally-recognized bond counsel.

Section 8.5 Use of Proceeds of Non-PAB Bonds. The Cities and Board covenant and agree that they will make use of the Proceeds of Non-PAB Bonds, including interest or other investment income derived from such Proceeds, regulate the use of property financed, directly or indirectly, with such Proceeds, and take such other and further action as may be required so that the Non-PAB Bonds will not be "private activity bonds" within the meaning of section 141 of the Code.

Section 8.6 Use of Proceeds Regarding PAB Bonds. The Cities and the Board covenant with respect to the PAB Bonds or any bonds refunded with the Proceeds of the PAB Bonds (the "PAB Refunded Bonds").

(a) that they have taken any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the PAB Bonds or the PAB Refunded Bonds, if any, as "exempt facility bonds" as the term is defined in Section 142 of the Code.

(b) that at least 95 percent of the Net Proceeds of the PAB Bonds or the PAB Refunded Bonds, if any, actually expended have been and will be expended to finance or refinance costs of property (the "Financed Property") that (A) either (1) were paid or incurred after the issue date of the PAB Refunded Bonds, or (2) paid prior to the issue date of the PAB Refunded Bonds, if any, but meet the requirements of section 1.150-2 of the Treasury Regulations; (B) are properly chargeable for federal income tax purposes to the capital account of the Financed Property, or would be so chargeable either with a proper election or but for a proper election to deduct such amounts; and (C) were incurred to provide "airport facilities," which may include both an "airport" within the meaning of Section 142 of the Code and property that is

functionally related and subordinate thereto within the meaning of section 1.103-8(a)(3) of the Treasury Regulations or directly related and essential thereto within the meaning of Section 1.103-8(e)(2)(ii) of the Treasury Regulations (for purposes of this covenant a storage or training facility shall be an "airport facility" only if such facility is directly related to the airport, and an "office" shall be considered an "airport facility" only if such office is located on the premises of an airport and all but a de minimis amount of the functions to be performed at such office are directly related to the day-to-day operations at such airport).

(c) that less than 25 percent of the Net Proceeds of the PAB Bonds or of the PAB Refunded Bonds, if any, has been and will be used, directly or indirectly, for the acquisition of land or an interest therein and no portion of the Net Proceeds of the PAB Bonds or the PAB Refunded Bonds, if any, has been or will be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes (for purposes of this covenant, land acquired for noise abatement purposes or for future use as an airport shall not be taken into account, if there is no other significant use of such land).

(d) that no portion of the Net Proceeds of the PAB Bonds or of the PAB Refunded Bonds, if any, has been or will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed or refinanced with the Net Proceeds of the PAB Bonds or of the PAB Refunded Bonds, if any, (with respect to structures other than buildings, this covenant shall be applied by substituting 100 percent for 15 percent and the term "rehabilitation expenditures" shall have the meaning set forth in Section 147(d)(3) of the Code).

(e) to take such action to assure at all times while the PAB Bonds remain outstanding, the Financed Property, will be owned by a governmental unit within the meaning of Section 142(b) of the Code.

(f) that no part of the Financed Property, will constitute (i) any lodging facility, (ii) any retail facility (including food or beverage facilities) in excess of a size necessary to serve passengers and employees at the exempt facility, (iii) any retail facility (other than parking) for passengers or the general public located outside the exempt facility terminal, (iv) any office building for individuals who are not employees of a governmental unit or of the operating authority for the exempt facility, (v) any industrial park or manufacturing facility, (vi) any airplane, (vii) any skybox or other private luxury box, (viii) any health club facility, (ix) any facility primarily used for gambling, or (x) any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(g) that the maturity of the PAB Bonds does not exceed 120 percent of the economic life of the Financed Property, as more specifically set forth in Section 147(b) of the Code; and

(h) that the costs of issuance to be financed or refinanced with the Proceeds of the PAB Bonds do not exceed two (2) percent of the Sale Proceeds of the Bonds.

**Section 8.7 No Federal Guarantee.** The Cities and the Board covenant and agree to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code.

**Section 8.8 No Arbitrage.** The Cities and the Board covenant and agree that they will make such use of the Proceeds of the Bonds, including interest or other investment income derived from Proceeds of the Bonds, regulate investments of Proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be "arbitrage bonds" within the meaning of Section 148(a) of the Code. In furtherance thereof, the Cities and the Board covenant and agree as follows:

(a) to refrain from using any portion of the Proceeds of the Bonds, directly or

indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in Section 148(b)(2) of the Code) which produces a materially higher yield over the term of each issue of the Bonds, other than investment property acquired with --

(i) Proceeds of the Bonds invested for a reasonable temporary period, within the meaning of Section 148 of the Code,

(ii) Proceeds or amounts invested in a bona fide debt service fund, within the meaning of Section 1.148-1(b) of the Treasury Regulations, and

(iii) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the stated principal amount (or, in the case of more than a "de minimis amount" of original issue discount, the issue price, within the meaning of Section 1.148-1(b) of the Treasury Regulations) of the Bonds;

(b) to otherwise restrict the use of the Proceeds of the Bonds or amounts treated as Proceeds of the Bonds, as may be necessary, to satisfy the requirements of Section 148 of the Code (relating to arbitrage);

(c) to create and maintain a Rebate Fund, as required below for each issue of the Bonds, to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the issue of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of Section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds of such issue have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under Section 148(f) of the Code. In order to facilitate the requirements of subsection (c) of this Section, the Rebate Fund for each issue of the Bonds shall be established and maintained by the Board, on behalf of itself and the Cities, for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other Person, including Holders and Credit Providers. Amounts on deposit in the Rebate Fund in accordance with Section 148 of the Code shall be paid periodically to the United States of America in such amounts and at such times as are required by said section; and

(d) to maintain such records as will enable the Cities and the Board to demonstrate compliance with this section and established by the Code and to retain such records for at least six years following the final payment of principal and interest on each issue of the Bonds.

**Section 8.9 Record Retention.** The City and the Board covenant and agree to retain all pertinent and material records relating to the use and expenditure of the Proceeds of each issue of the Bonds until six years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the Cities and the Board to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

**Section 8.10 Disposition of Project.** The Cities and the Board covenant that the property constituting the projects financed or refinanced with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the Cities or the Board of cash or other compensation, unless the Cities and the Board obtain an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Cities

and the Board shall not be obligated to comply with this covenant if they obtain an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest on the Bonds.

Section 8.11 Bond Insurance. The Bonds may be offered with one or more commitments for bond insurance provided by the Insurer or Insurers, with the bond insurance to be evidenced by one or more of the then current legal forms of the Policy or Policies. The Cities may sell one or more maturities of the Bonds based on such insurance but are not required to obtain bond insurance from another source if the Insurer does not honor or is unable to honor its obligations to deliver the Policy or Policies on the Closing Date. In the event that any of the Bonds are insured, the covenants and representations of the Cities relating to insurance shall be set forth in the Officer's Pricing Certificates.

Section 8.12 Issuance of Taxable Bonds. In the event the Authorized Officer determines to issue any series of Bonds as taxable obligations pursuant to the authority granted in Section 3.1 of this Ordinance, all covenants and representations of the Cities regarding the tax-exempt status of the Bonds or any obligations relating to the issuance of tax-exempt Bonds shall be null and void, including the covenants contained in Sections 8.4 through 8.10 of this Article VIII, with respect to such taxable obligations.
