

Memorandum

CITY OF DALLAS

DATE June 4, 2021

TO Honorable Members of the Workforce, Education, and Equity Committee

SUBJECT **Cities and Counties for Fine and Fee Justice Reform Update**

Background

In May 2020, the City of Dallas was selected as one of ten jurisdictions across the country to participate in the inaugural Cities and Counties for Fine and Fee Justice Cohort (Cohort) facilitated by PolicyLink, the City of San Francisco's Financial Justice Project, and the Fines and Fees Justice Center, each nationally recognized for their work in advancing racial and economic equity through research and advocacy. Selection and participation in the Cohort included a \$50,000 grant and an 18-month program to receive technical expertise and guidance from jurisdictions and thought leaders with experience in fine and fee reform. Staff provided an overview of the City's participation to the Workforce, Education and Equity Committee at the [October 12, 2020 meeting](#).

During the 18-month program, the Dallas team, consisting of various City departments and external community partner organizations, conducted the following:

- Community engagement to engage residents to understand the impact of fines and debts on people living in poverty and communities of color; and
- Government stakeholder engagement to gather basic information regarding fines, fees, and collection practices from key government stakeholders, such as Court and Detention Services.

The City's participation in the Cohort builds upon our previous participation in the What Works Cities Sprint Challenge – Driver's License Suspension and aligns with Equity Indicator 40: Fines and Fees of the 2019 Equity Indicator Report.

Community Engagement

The Dallas team conducted a community assessment through an online survey that was made publicly available between December 4 – 18, 2020. The City leveraged its various social media platforms to amplify the availability of the survey and issued a press release that garnered local media coverage through television and print. The external partners of the Dallas team engaged their memberships to participate and provide their feedback in the survey.

A total of 18 questions were included in the survey; 11 were required and 7 were optional questions that gathered demographic information.

Survey overview:

- Total number of responses: 4,422
 - English – 4,271
 - Spanish – 152 (translated into English and combined into master data set)

DATE June 4, 2021
SUBJECT **Cities and Counties for Fine and Fee Justice Reform Update**

- City of Dallas Respondents: 2,914

For the purpose of analyzing the impact of fines and fees on Dallas residents, the numbers below reflect an analysis of Dallas resident responses (2,914) versus all the responses received (4,422). Key takeaways are:

- Top Citations Received:
 - Speeding
 - Driver's License Suspension
 - Animal/Pet Related
 - Traffic Violations
- 1,773 (60%) respondents were unaware an alternative payment option was available (community service, indigency waiver, payment plan) by municipal courts.
- 1,313 (45%) respondents were unable to pay for their fines based on financial hardship.
- Of the 461 who lost their license, 401 are African American (251) and Hispanic or Latino (150).
- Other notable debt held by respondents:
 - Credit card
 - Car loans
 - Student debt
 - Mortgage
 - Past due utility bills
- 1,764 (60%) respondents reported income below \$60,000.

For the complete and detailed analysis, please see Attachment 1.

Government Stakeholder Engagement

Based on the number of survey responses that stated they received a citation related to vehicle-related and/or driver's license suspension, the Dallas team decided to focus its efforts on understanding the impact of fines and fees related to driver's license suspension and vehicle registration holds. City staff gathered information and conducted an analysis on the rate of collection on criminal citations that had an OmniBase hold and/or a vehicle registration hold (Scofflaw) on their account. Staff utilized criminal citations filed in 2018, 2019, and 2020 and analyzed race/ethnicity, share of unpaid citations, offense type, and zip codes. A summary of key takeaways from the analysis is as follows:

- Zip Code
 - 75217 (Pleasant Grove) area has the most citations issued.
 - 75216 (Cedar Crest) has the second most citations.
 - 8 of the top 10 zip codes for citations Issued are below I-30.

DATE June 4, 2021
SUBJECT **Cities and Counties for Fine and Fee Justice Reform Update**

- Share of Unpaid Citations
 - African American/Black – 54%
 - Hispanic/Latino – 29%
 - White/Caucasian – 16%
- Top Offense Types
 - Speeding
 - Animal-related
 - Driver's license
 - Traffic violations
 - Failure to maintain financial responsibility (insurance)
- Race and Gender
 - African American and Hispanic have the highest share of overall citations for all three years.
 - African Americans (male and female) have the highest share of “Unpaid Citations” compared to other races for all three years.

For detailed tables of the above summaries, see Attachment 2.

Priorities

Utilizing the key takeaways of the community engagement and government assessment, staff have identified three priorities for the City:

1. Improving Notifications and Communications Process
2. Discontinue Participation in the OmniBase Program
3. Discontinue Participation in the Vehicle Registration Hold Program (Scofflaw)

Advancing priorities #2 and #3 has the potential to alleviate the burden of holds on over 44,000 residents in the top 10 zip codes with the most citations and over 72,000 residents across the entire city of Dallas. The table below provides a more detailed demographics analysis of who will potentially be impacted in the Top 10 zip codes.

[TABLE PROVIDED ON THE NEXT PAGE]

City staff will conduct a fiscal impact analysis and evaluate effectiveness annually. Based on historical collection amount from 2018 and 2019 data, City staff have estimated a conservative annual fiscal impact of \$700K a year to the general fund resulting from the loss of revenue. Staff will conduct an annual evaluation of the effectiveness of priority #2 and #3 and report its findings to the committee.

Should you have any questions or need further information, please contact Genesis D. Gavino, Resilience Officer.

Liz Cedillo-Pereira
Chief of Equity and Inclusion

Impact of Fines and Fees Community Survey Summary

DECEMBER 2020

CITY OF DALLAS

ATTACHMENT 1

Overview

The Impact of Fine and Fee Community Survey was made available to the public between December 4 – 18, 2020 through social media platforms, local television coverage, and newspaper articles, in addition to the efforts of external partners currently participating in the Dallas CCFFJ Cohort.

The reported detailed responses below only reflect the responses where a Dallas Zip Code was entered. For each question, the first table is the overall count of recorded responses, the following table is a breakdown of each response by race and ethnicity.

Total Number of Responses: 4,422

- English – 4,271
- Spanish – 152

Spanish Survey responses were translated into English and combined with the master data set.
