WHEREAS, TXU Energy Retail Company, LLC has a Surplus Power Purchase Program which allows them to purchase any excess energy generated from self-generation and co-generation renewable energy projects that return electricity to the electrical grid; and

WHEREAS, City of Dallas facilities could reduce costs and receive credit on future electricity bills when renewable energy projects are installed at city facilities; and

WHEREAS, it is now desirable to amend to the electricity services contract with TXU Energy Retail Company, LLC to enroll the City in their Surplus Power Purchase Program for any self- and co-generation renewable energy projects installed at city facilities.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That the City Manager is hereby authorized to execute an amendment to the electricity services contract with TXU Energy Retail Company, LLC, approved as to form by the City Attorney, to enroll the City in their Surplus Power Purchase Program for any self- and co-generation renewable energy projects installed at city facilities, with no cost consideration to the City.

SECTION 2. That this contract is designated as Contract No. BSD-2019-00009705.

SECTION 3. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.
