SUBJECT

Authorize a one-year service contract in the amount of \$650,000, with two one-year renewal options in the total amount of \$2,200,000, as detailed in the Fiscal Information section, for financial assistance for eligible homeless persons and risk mitigation funds for landlords for the Office of Homeless Solutions - CitySquare, most advantageous proposers of two - Total not to exceed \$2,850,000 - Financing: General Fund (\$2,200,000) (subject to appropriations) and American Rescue Plan Act Homelessness Assistance and Supportive Services Program Fund (\$650,000)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

The contract will provide for financial assistance for eligible homeless persons and risk mitigation funds for landlords. The goal is to reduce homelessness in the city through partnerships with

organizations that provide housing and case management services for individuals experiencing homelessness. The types of services will focus on the following key priorities: preventing homelessness, protecting persons experiencing homelessness, promoting affordable housing solutions, and partnering with other organizations to maximize efforts and resources.

A three-member committee from the following departments reviewed and evaluated the qualifications:

- Office of Arts and Culture (1)
- Office of Community Care (1)
- Office of Homeless Solutions (1)

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Approach and methodology 40 points
- Experience 30 points
- Financial capacity 25 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.
