BACKGROUND

Since 2010, the Health and Human Services Commission (HHSC) funded the Dallas Lactation Care Center through a grant contract with the City of Dallas Women, Infants and Children (WIC) Program. The staff includes a Registered Nurse, Internationally Board Certified Lactation Consultants (IBCLC) and Breastfeeding Peer Counselors who provide comprehensive breastfeeding support and assistance to mothers currently enrolled in the WIC Program. The Dallas Lactation Care Center also serves as a training center for students and resident physicians who want to expand their knowledge in the field of lactation. In 2014, the Dallas Lactation Care Center received the IBCLC Care Award which is recognition by the International Board of Lactation Consultant Examiners and International Lactation Consultant Association for excellence in lactation care.

The City of Dallas will work with the HHSC, Community Health Improvement Division, Maternal and Child Health Unit to develop and implement the Lactation Support Center Services - Strategic Expansion Program.
