STRATEGIC PRIORITY: Government Performance and Financial Management

AGENDA DATE: December 8, 2021

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Elizabeth Reich

SUBJECT

Authorize a three-year service price agreement, with two one-year renewal options, for citywide background screening services - Sterling InfoSystems, Inc., most advantageous proposer of twenty-three - Estimated amount of \$2,568,168.25 - Financing: General Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement provides background screening services for multiple City departments. The Department of Human Resources conducts pre-employment background screenings on all new hires, re-employment, job status changes, and volunteers seeking employment or volunteer work

with the City. The purpose of conducting background screenings is to verify that applicants for employment and volunteer work do not have history of activity that would make them unsuitable for positions which they are being considered. Failure to perform pre-employment or volunteer candidate background check could place the organization at risk of future liability court cases. These checks are also important because they allow better informed and less subjective evaluations to be made about employee and volunteer candidates.

In addition, The City will provide an online web-based exclusion screening solution to the City of Dallas Compliance Program. The web-based software will allow the City to meet its legal requirement to screen, in-house, all prospective and current covered persons against the U.S. Department of Health and Human Services (HHS) Office of Inspector General's (OIG) List of Excluded Individuals/Entities (LEIE), the General Service Administration's (GSA) System for Award Management (SAM) exclusion list, the Texas Health and Human Services OIG exclusion list, Texas Medicaid Provider exclusion list, and other Federal and State exclusion databases.

A five-member committee from the following departments reviewed and evaluated the qualifications:

- City Controller's Office (1)
- Department of Human Resources (2)
- Parks & Recreation Department (1)
- Office of Procurement Services (1)*

*The Office of Procurement Services only evaluated the cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 40 points
- Experience 30 points
- Overall approach and methodology 25 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$12.38; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 11, 2017, City Council authorized a three-year service contract for background screening services with Quicksius, LLC dba Quick Search through an intergovernmental agreement with the City

of Fort Worth by Resolution No. 17-0126.
