**BACKGROUND**

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide for asbestos abatement and demolition services for city and non-city owned structures. The Department of Code Compliance utilizes this agreement for asbestos

abatement and demolition of structures ordered to be demolished by District Court of Dallas County and municipal courts of the City of Dallas. Emergency demolition projects consist of unsafe buildings due to fire damage and other health hazardous demolitions of city owned and non-city structures. The demolishing of these structures contributed to the safety and beautification of City neighborhoods.

A six-member committee from the following departments reviewed and evaluated the qualifications:

- Building Services Department (1)
- Department of Code Compliance (1)
- Development Services (1)
- Park & Recreation Department (1)
- Water Utilities Department (1)
- Office of Procurement Services (1)\*

\*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 30 points
- Experience 25 points
- Approach 25 points
- Business Inclusion & Diversity 15 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$18.24; the selected vendor meets this requirement.
