**DEPARTMENT:** Office of Procurement Services

**EXECUTIVE:** Elizabeth Reich

**SUBJECT**

Authorize a three-year cooperative purchasing agreement for the purchase of licenses, installation, configuration, maintenance, and support of bank reconciliation software for the Department of Information and Technology Services provided by FiServ, Inc. and sold through SHI Government Solutions, Inc. through the Local Government Purchasing Cooperative (BuyBoard) agreement - Not to exceed \$459,130 - Financing: IT Equipment Fund (\$300,394) and Data Services Fund (\$158,736) (subject to annual appropriations)

**BACKGROUND**

This action does not encumber funds; the purpose of a cooperative purchasing agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This cooperative purchasing agreement will allow for the purchase of licenses, installation, configuration, maintenance, and support of bank reconciliation software. This software is used to

reconcile cash and credit card transactions between the City's general ledger accounts and the City's bank accounts. This automated software reduces the processing time of manually matching thousands of transactions daily by generating rules that automatically match transactions. The ability to import data from multiple external sources (i.e. merchant service vendors, banks, and other interfaces) and initiate automatic reconciliations allows the City Controller's Office staff to focus on exception processing (e.g. non-matches), bank errors or delayed deposits.

The Local Government Purchasing Cooperative (BuyBoard) agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$12.38; the selected vendor meets this requirement.
