BACKGROUND

This action will authorize a construction services contract with Estrada Concrete Company, LLC for the construction of the Joppa Infrastructure Improvements.

In September 2022, this infrastructure project was identified and funded for improvement in alignment with the Racial Equity Plan’s audacious goals for the Joppa community.

The scope of services consists of replacing the existing deteriorating streets with reinforced concrete pavement, curb, gutter, sidewalk, driveway approaches, drainage improvements, water and wastewater improvements, and other miscellaneous items necessary to complete the project in accordance with plans and specifications.

Following are the locations and construction costs for each project:

<u>Project</u>	<u>Council District</u>	<u>Amount</u>
Stokes Street from Hull Avenue to the End of Pavement	7	\$2,497,269.50
Hull Avenue from 300 feet south of Linfield Road to Burma Road	7	\$3,208,165.50

Estrada Concrete Company, LLC is a Hutchins-based corporation and is a registered vendor with the City of Dallas.
