AGENDA DATE: September 23, 2020

COUNCIL DISTRICT(S): 2

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Elizabeth Reich

SUBJECT

Authorize a ten-year service price agreement for hardware and software support to the parking garage ticketing equipment at Dallas Love Field Airport - SKIDATA, Inc., sole source - Estimated amount of \$3,979,678.04 - Financing: Aviation Fund

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

SKIDATA parts repair and service contract was previously a part of the Love Field Modernization Project. As the Love Field Modernization Project has ended the responsibility falls on Dallas Love Field to establish and maintain the contract. This contract along with the Parking Guidance System will allow for services to be continued for a period of ten years at a set pricing.

This service price agreement drives the parking and revenue collection at Dallas Love Field Airport. SKIDATA, Inc. is the only authorized source for the procurement of SKIDATA software and hardware in the State of Texas. SKIDATA, Inc. has exclusive rights for the distribution of SKIDATA equipment in this region. SKIDATA’s hardware and software are proprietary and patented. SKIDATA, Inc. provides unique hardware and software that have been designed to work together to deliver the end solution. These cannot be provided by any other software/hardware company.
