## **BACKGROUND**

The Applicant submitted a pre-application to the Texas Department of Housing and Community Affairs (TDHCA) for 2024 9% Low Income Competitive Housing Tax Credits (9% HTC) for the development of West End Lofts, a ground-up development of a 160-unit mixed-income multifamily complex located near southeast corner of North Lamar and Elm Street at 805 Elm Street, Dallas, Texas 75202. The Applicant has executed a purchase contract with Antioch Church and/or assigns, the current property owner. The Applicant may transfer the purchase contract to an affiliate.

In the administration of its **9%** HTC Program, TDHCA awards application points for a resolution from a governing body of a local municipality on the following basis:

Within a municipality, the application will receive:

- **17** points for a resolution from the governing body of that municipality expressly setting forth that the municipality supports (Resolution of Support) the application or development; or
- **14** points for a resolution from the governing body of that municipality expressly setting forth that the municipality has no objection (Resolution of No Objection) to the application or development.
- **1** point for a commitment of development funding by a local political subdivision in the form of a loan, grant, reduced fees, or contribution of value that equals \$500.00 or more for applications in urban subregions.

Within the extraterritorial jurisdiction of a municipality, the Application may receive:

- **8.5** points for a resolution from the governing body of that municipality expressly setting forth that the municipality supports (Resolution of Support) the Application or Development; or
- **7** points for a resolution from the governing body of that municipality expressly setting forth that the municipality has no objection (Resolution of No Objection) to the Application or Development

The Applicant specializes in the development of mixed-income and affordable housing and is a Texas-certified Historically Underutilized Business (HUB). The Applicant has decades of experience working in the public and private sectors and has been involved in multiple affordable housing developments from land purchase through development and asset management. The Applicant will serve as a general partner in the ownership structure.

Additionally, the Applicant will provide modern security features to include a full camera system, controlled access, a community crime watch program, and participation in National Night Out, to ensure a safe living environment for all residents and staff.

On May 9, 2018, the City Council adopted the Comprehensive Housing Policy (CHP), as restated in

the Dallas Housing Policy 2033 (DHP33) and Dallas Housing Resource Catalog (DHRC) Resolution Nos. 18-0704 and 18-1680, as amended on November 28, 2018, which provided a policy including evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing developments seeking HTC through TDHCA.

On June 12, 2019, the City Council authorized an amendment to the CHP, as restated in the DHP33 and DHRC, to modify the evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing developments seeking HTC through TDHCA by Resolution No. 19-0884. The modified evaluation criteria include standard thresholds for both 4.00% and 9% HTC applications such as evidence of site control, TDHCA minimum site standards, affirmatively further fair housing, and other requirements.

The evaluation criteria for 9% HTC applications seeking a Resolution of Support also requires applications to meet a priority housing need of the City. The applications must meet at least one of the following six priorities:

- The project has been selected to receive City funding such as Community Development Block Grants, Home Investment Partnerships Program, or General Obligation Bond funding;
- The applicant intends to partner with the Dallas Housing Finance Corporation or Public Facility Corporation;
- The proposal involves the redevelopment of public housing owned by the Dallas Housing Authority under the Choice Neighborhoods, Rental Assistance Demonstration, HOPE IV, or other similar U.S. Department of Housing and Urban Development programs that may be created;
- The project is located in a census tract with a poverty rate below 20.00%;
- The project is located in a Redevelopment Reinvestment Strategy Area (RSA) or Stabilization RSA; or
- A 50-unit project dedicating 20.00% of the units for tenants referred from the Continuum of Care list.

Applications that do not qualify as a priority housing need must score at least 50 points based on if the proposed project is mixed income, includes a non-profit or historically underutilized business, its proximity of amenities to the development site, and resident services to be provided.

The Project is qualified to receive a staff recommendation for a resolution of support as it scored a total of 61 points and is a priority housing need development located in a census tract with a poverty rate below 20.00% (10.7%) and met the required application threshold including targeting mixed-income population, HUB certification, proximity of amenities to the development site, and resident services to be provided. The proposed site has a Market Value Analysis (MVA) market type “D” and is surrounded by market types ‘A’, ‘C’, and ‘F’. Market type D is 54.1% owner-occupied and the nearest multifamily development that is adjacent to the property is located in MVA market type A.
