SUBJECT

An ordinance adopting a boundary adjustment agreement with the City of Grand Prairie on approximately 26.202 acres of land east of Hardy Road and Cardiff Street and north of Kiest Boulevard (State Highway 303) abutting Mountain Creek Lake - Financing: No cost consideration to the City

BACKGROUND

The City of Grand Prairie requested a boundary adjustment to adjust the common boundary with the City of Dallas to move the Mountain Creek Lake Park into Grand Prairie. The park is owned and maintained by the City of Grand Prairie with most park users being Grand Prairie citizens.

The issues prompting the Grand Prairie City Manager’s Office to request the boundary adjustment pertain to jurisdiction and enforcement within the park. Grand Prairie City staff receives and processes complaints and service requests regarding the park from surrounding citizens. Code compliance issues are also not handled by Grand Prairie City staff since the property is within the city of Dallas. The Grand Prairie Police Department does not respond to criminal activities because the

park is not within the city of Grand Prairie.

Between 2012 and 2018, there were 79 calls to Dallas 9-1-1 regarding the park. The calls included two robberies of an individual and two assaults. In 2019, there have been eight calls with one assault. The Dallas Police Department responds to 911 calls related to the park. City of Dallas staff is responsible for enforcement of city regulations within the park.

The boundary adjustment will take place in three different segments. This item is the third of three ordinances. Each of the three segments is less than 1,000 square feet in width and qualifies under Section 43.031 of the Texas Local Government Code as a candidate for a mutually agreeable municipal boundary adjustment. On June 12, 2019, the Dallas City Council authorized this boundary adjustment agreement by Resolution No. 19-0878. Once the boundary adjustment agreement is executed, both Dallas and Grand Prairie City Councils need to ratify and adopt the agreement by ordinance. The Grand Prairie City Council approved the agreement on September 11, 2019.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Mobility Solutions, Infrastructure, and Sustainability Committee was briefed on a proposed boundary adjustment with the City of Grand Prairie on September 24, 2018. The Committee instructed staff to bring the request to City Council for consideration.

On June 12, 2019, City Council authorized three boundary adjustment agreements with the City of Grand Prairie on behalf of the City by Resolution No. 19-0878.

City Council will be briefed by memorandum regarding this matter on October 18, 2019.
