STRATEGIC PRIORITY: Government Performance & Financial Management

AGENDA DATE: June 28, 2023

COUNCIL DISTRICT(S): 2

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Jack Ireland

SUBJECT

Authorize a five-year service price agreement for airport financial and management consulting services for the Department of Aviation - Unison Consulting, Inc., only proposer - Estimated amount of \$363,724 - Financing: Aviation Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for airport financial and related management consulting services for the Department of Aviation. The recommended vendor will conduct a comprehensive review of all current contractual agreements at Dallas Love Field, Dallas Executive Airport, and the Dallas Heliport, including concessions, long-term leases, and month-to-month leases. To ensure the

annual rates and charges are competitive, the vendor will conduct a survey of comparable airports and benchmarking to include airports that serve the same customers, or which are similar operationally. Additionally, the vendor will review reserve funding policies/strategies at other airports and coordinate efforts with the Federal Aviation Administration grant and Passenger Facility Charge application process.

A four-member committee from the following departments reviewed and evaluated the qualifications:

- Budget and Management Services (1)
- City Controller’s Office (1)
- Department of Aviation (1)
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 30 points
- Experience and qualifications 25 points
- Approach 20 points
- Technical competence 20 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$17.82; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On February 26, 2020, City Council authorized a three-year service price agreement for airport financial and management consulting services for Department of Aviation by Resolution No. 20-0358.
