BACKGROUND

These agreements will provide for the administration of city-wide mental health support programs to residents of Dallas as mental health needs in the city have been disproportionately impacted and/or exacerbated by the COVID-19 pandemic. This support includes direct services such as individual and group counseling, educational programming, awareness campaigns, program outreach, and lay person trainings. Additionally, a portion of this program will specifically support mental health services and counseling for older adults and isolated seniors in the city of Dallas. Target populations include low- and moderate-income residents and/or Dallas residents living Qualified Census Tracts. The Office of Community Care has sought nonprofit organizations through an open application process

A four-member committee from the following departments reviewed and evaluated the qualifications:

- Budget and Management Services (1)
- Office of Community Care (2)
- Office of Integrated Public Safety Solutions (1)

The committee selected the successful respondents on the basis of demonstrated competence and qualifications under the following criteria:
