SUBJECT

Authorize a construction contract for the Bond 36-Month Street Resurfacing & Street Improvements Project for the 2017 Capital Bond Program - Heritage Materials, LLC, lowest responsible bidder of three - Not to exceed \$80,355,051.25 - Financing: Street and Transportation (A) Fund (2017 Bond Funds) (subject to annual appropriations)

BACKGROUND

This action will authorize a construction contract with Heritage Materials, LLC, lowest responsible bidder of three, to provide construction services for the Bond 36-Month Street Resurfacing & Street Improvements Project.

This project provides for construction services scheduled for Fiscal Year 2020-2022. Bid specifications were developed and publicly advertised on June 12 and June 19, 2019, for competitive bids associated with the Bond 36-Month Street Resurfacing & Street Improvements Project. Bids were opened on June 28, 2019.

Bids were structured with a Base Bid and an Additive Alternate for the installation of Intelligent Transportation Systems Conduit in the City of Dallas' Public Right-of-Way, but only the Base Bid is funded because of the high cost of the Additive Alternate Bid.

Heritage Materials, LLC has had no contractual activities with the City of Dallas within the past three years.
