The current rental restrictions are broken down as follows: 24 of the 164 units are reserved for households earning between 0%-30% of area median income (AMI), 30 of the 164 units are reserved for households earning between 31%-50% of AMI, 44 of the 164 units are reserved for households earning between 51%-60% of AMI, 44 of the 164 units are reserved for households earning between 61%-70% of AMI, and 22 of the 164 units are reserved for households earning between 71%-80% of AMI.

If approved, this tax credit re-syndication and bond issuance will allow the Applicant to implement much needed capital improvements and modernize the property thereby extending its useful life. Without this investment of new capital, the property will either fall into a state of disrepair or be subject to a conversion to market rate units, further eroding the access to affordable housing in the city. The preservation of existing affordable housing is a priority of the City to ensure our residents

are provided with safe, decent affordable housing and are not displaced due to expiring income restrictions or forced to reside in substandard living conditions. Over the next decade, the income restrictions on almost 10,000 units developed through the Low-Income Housing Tax Credit (HTC) program will expire unless they are acquired, renovated, or redeveloped by affordable housing preservation developers like Generation Housing.

On May 9, 2018, the City Council adopted the Comprehensive Housing Policy (CHP), Resolution Nos. 18-0704 and 18-1680, as amended on November 28, 2018, which provided a policy including evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing developments seeking Housing Tax Credits through TDHCA.

On June 12, 2019, the City Council authorized an amendment to the CHP to modify the evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing development seeking Housing Tax Credits through TDHCA by Resolution No. 19-0884. The modified evaluation criteria include standard thresholds for both 4% and 9% HTC applications such as evidence of site control, TDHCA minimum site standards, affirmatively further fair housing, and other requirements.

On April 12, 2023, the City Council adopted the Dallas Housing Policy 2033 (DHP33) to replace the CHP by Resolution No. 23-0443, and the Dallas Housing Resource Catalog to include the approved programs from the CHP by Resolution No. 23-0444; and

On September 12, 2022, the DHFC authorized a preliminary inducement resolution declaring intent to issue \$30,000,000.00 in private activity bonds to fund Tenison Lofts.

To receive a staff recommendation for a Resolution of No Objection, the applicant must satisfy all threshold requirements, rehabilitation requirements, and affirmatively further fair housing.
