SUBJECT

Authorize a three-year cooperative purchasing agreement in the amount of \$2,523,826.92, with two one-year renewal options in a total amount of \$1,484,572.44, as detailed in the Fiscal Information section, for software, [equipment](#), maintenance, and support for an automated shift management and scheduling system for public safety employees [and a timekeeping system for non-exempt workers across the City](#) for the Department of Information and Technology and Services with immixTechnology, Inc. through the Texas Department of Information Resources cooperative agreement - Total not to exceed \$4,008,399.36 - Financing: General Fund (\$1,948,564.54), Information Technology Equipment Fund (\$308,948.60) and Data Services Fund (\$1,750,886.22) (subject to annual appropriations)

BACKGROUND

This cooperative purchasing agreement will provide for software, [equipment](#), maintenance, and support for an automated shift management and scheduling system for public safety employees [and a timekeeping system for non-exempt workers](#). [The public safety system is being deployed and integrated with Workday to provide dynamic shift scheduling and time records for all uniformed employees](#). The City leverages Kronos Timekeeping [supports for its non-exempt civilian population of workers](#) through an established distributed system of time clocks. ~~Workers and managers enter time for employees on these clocks; those time records combine in a hosted server into a record that is sent to Workday payroll for processing. The system is being deployed to provide dynamic shift scheduling and time records for 3,700 uniformed employees.~~ This contract encompasses all licensing, clock equipment maintenance, support services, and training. This [contract action](#) will renew, combine, and co-term existing Kronos contracts and services into one.

The Texas Department of Information Resources cooperative agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On November 8, 2017, City Council authorized a one-year maintenance contract for maintenance and support of existing Kronos licenses, and hardware maintenance; and three-year contract, with a one-year renewal option, for upgraded Kronos timekeeping system using web-access software as a service with hosted cloud storage, data conversion, maintenance, and support for the Department of Information Resources with immixTechnology, Inc. through Texas Department of Information Resources cooperative agreement by Resolution No. 17-1739.

On September 25, 2019, City Council authorized a two-year cooperative purchasing agreement, with a one-year renewal option, for software, maintenance and support for an automated shift management and scheduling software for public safety employees for the Department of Communications and Information Services with immixTechnology, Inc. through the Department of Information Resources cooperative agreement by Resolution No. 19-1515.

On August 26, 2020, City Council authorized Supplemental Agreement No. 1, one-year renewal option to the service contract with immixTechnology, Inc. for additional software licenses for automated shift management and scheduling software for public safety employees for the Department of Communications and Information Services through the Department of Information Resources cooperative agreement by Resolution No. 20-1257.
