Authorize Supplemental Agreement No. 13 to increase the service contract with Workday, Inc. for continued licensing, configuration, hosting, maintenance, and technical support for the City’s existing human resource and payroll system and to extend the contract from March 8, 2024 to March 7, 2025 - Not to exceed \$4,952,024.05, from \$19,970,488.21 to \$24,922,512.26 - Financing: Data Services Fund

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This Supplemental Agreement will provide for continued licensing, configuration, hosting, maintenance, and technical support for the City’s existing human resource and payroll system. An estimated 13,000 salaried and hourly employees use Workday to manage their city relationship, including but not limited to demographic information, time, benefits, performance, career, and pay

management. Workday, Inc is administered by the Department of Human Resources and the Department of Information and Technology Services subject matter experts who use the Human Capital Management program to provide services to meet the needs of current employees and retirees.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. This contract renewal option includes the living wage of \$18.24.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 22, 2020, the City Council authorized Supplemental Agreement No. 6 to the subscription contract with Workday, Inc. to amend the scope of services and decrease the contract amount by Resolution No. 20-0216.
