**SUBJECT**

A resolution accepting the FY 2019-2020 Annual Report on the status of Tax Increment Financing Reinvestment Zone Number Six (Farmers Market TIF District or District) and authorizing the City Manager to submit the annual report to the Chief Executive Officer of each taxing jurisdiction that levies taxes on real property in the District, and to the State Comptroller, as required by state law - Financing: No cost consideration to the City

**BACKGROUND**

Currently the City has 19 active tax increment financing (TIF) districts. State law (the TIF Act, Chapter 311 of the Tax Code) requires that the governing body of a city shall submit an annual report on the status of each reinvestment zone it has created to the Chief Executive Officer of each taxing unit that levies taxes on real property in the zone, as well as the State Comptroller. On May 27, 1998, City Council authorized Ordinance No. 23521, as amended, establishing Tax Increment Financing Reinvestment Zone Number Six (Farmers Market TIF District). On August 25, 1999, City Council authorized the Project Plan and Reinvestment Zone Financing Plan for this District by Ordinance No.

24001, as amended.

The Farmers Market TIF District's assessed 2020 tax value was \$449,109,734.00, an increase of \$413,395,643.00 over the adjusted base year (note that County base and County taxable value may vary). This property value change represents 1158% increase from the adjusted base value. The 2020 tax value increased \$26,360,349.00 (6%) over the 2019 tax value. The total incremental revenue collected in 2021 from 2020 values is expected to be \$3,206,011.00.
