SUBJECT

Authorize the purchase of a portable barricading system for the Police Department with Security 20/20, Inc. dba Security Pro USA through the General Services Administration cooperative agreement - Not to exceed \$99,895 - Financing: U.S. Department of Homeland Security Grant Funds

BACKGROUND

This purchase will provide the Police Department with a portable barricading system. This system is an easy-to-deploy barricade system to stop or minimize the effect of a vehicle ramming during a special event. This system is the only portable vehicle and truck barrier solution manufactured under ISO9001 standards. Each section of the system weighs under 55 pounds, is foldable, and easy to store. The interlocking sections allow for a greater number of applications when establishing protective barriers between people and buildings from vehicle attacks. It has received the U.S. Department of Homeland Security SAFETY ACT Designation.

The General Services Administration cooperative agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section

271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.
